

BELOVED LORD MAHA CHOCHAN'S DISCOURSE

CHICAGO, ILLINOIS

MARCH 16, 1952

BELOVED ONES OF MY HEART, again it is Our Great Joy to draw you closer into Those Greater Powers of Life and Their Blessing to mankind, that you may use Those Powers and feel the Greater Freedom which is ready to serve you and lift you beyond the limitations of This World.

As you turn your attention and call the Great Central Sun Magnet's Love to come into your Beings and worlds, and draw Its Cosmic Purity and Power about you, you will find a much more Instantaneous Action of the Violet Consuming Flame acting in your world and blessing you greatly; for the Great Central Sun Magnet in Its Tremendous Power of Cosmic Love, draws the Activity of the Violet Consuming Flame and many other Activities of the Sacred Fire in and around the Individual, for the Greater Freedom of Life's Perfection.

Try to know with every fiber of your Being, that the Action of the Great Central Sun Magnet is to draw from all Realms above, whatever you are calling forth into physical manifestation, by the Power of Its Great Magnetic Love; because I assure you, the Power of the Great Central Sun Magnet is the Miracle Power of Love—the Love from the Great Central Sun—that knows no failure, no limitation and never ceases flowing. Therefore, when you call forth any Activity of the Sacred Fire, it takes some Powerful Action of the Great Central Sun Magnet to draw That into outer manifestation.

The Great Magnetic Power of the Universe is the Cohesive Power that holds form together. Therefore, whenever you want anything in the physical world, try to know, that if It is to come into your world to bless you, there must be some drawing Power of the Great Central Sun Magnet to compel Its Manifestation. Even though the Master Jesus, in His Release

to you of some Knowledge of the Great Central Sun Magnet, opened the door and gave you the Opportunity of using His Power of Its Love, yet few have understood the Tremendous Power which can be yours, as you understand more deeply Its Mighty Blessings of Love in the Universe.

Try to know the Power of the Great Central Sun Magnet IS the Limitless Eternal Power to draw Perfection into any place in the Universe! Therefore, if you desire Perfection, then the Power, the Magnetic Power of the Great Central Sun Magnet's Love, must act in you in order to draw That Manifestation in your world!

There are two Currents from the Physical Sun, one magnetic and the other electronic; and may I say, It is the Power of the Great Central Sun Magnet's Love which draws the electrons together to produce any manifestation in the physical octave! So Its Power is always acting everywhere in This System of Worlds; and you in your world, can just as well have the Power of Its Love coming into your Decrees to produce Fulfillment quickly. You are just as welcome to That, as you are the air you breathe. Beloved Ones, understand thoroughly, that your privilege in using This Power is very great, and the Door for Its use was opened by the explanation of the Beloved Master Jesus, because of the need of the Nation and the World at the present time.

I plead with you under no circumstance ever use the Power of the Great Central Sun Magnet to draw to you things just to gratify your human physical desires, for they will carry penalty because of your misuse of the Power. You cannot lightly fool with the Powers of God; and I say to you with no uncertainty, the Power of the Great Central Sun Magnet's Love is the Power of God's Heart in the Heart of the Central Sun. It is the Mightiest Power to This System of Worlds! It is the Power by which the Whole System was created! It is the Power of Love which holds all Systems in their orbits around the Greater Sun. Therefore, to the Individual whose motive is Pure, whose desire is wholly un-

selfish and whose surrender to the control of the "Mighty I AM Presence" is complete, will you find the Power of the Great Central Sun Magnet acting almost instantly.

Now We are turning your attention to It, because We want to draw into your outer use more of the Blessings from Our Octave which you require for your Protection; for that which is of the Light must be protected by the Love of the Light, which the Great Central Sun Magnet is. It is a Concentrated Action of the Power of Cosmic Love in the Great Central Sun! It is Power Indescribable! You must realize how Wonderful is Its Action, when by calling forth Its Mighty Cosmic Christ Fire into outer action, you set into motion the energy and substance of your world to produce for you that which fulfills the Divine Plan.

The Great Central Sun Magnet, My Loved Ones, can draw Its Energy into the body, Its Health into the atomic structure! It can manifest as a Flame, and draw to you all the Blessings of the Sacred Fire! It can come into outer conditions and draw into them whatever is required to raise them into Perfection! It is an Action of the Sacred Fire, with Love as Its Paramount Power to control physical conditions! Everything in your waking state is moving in outer action by some Power of the Great Central Sun Magnet! Therefore, to those of you who choose to make your Calls for Its Boundless Blessings to come into your world and render Their Service to Life, you will find much more rapid Fulfillment of your Calls. You will find It drawing to you many things, to bring you Happiness and Perfection which you scarcely even dreamed you had the right to use in this Life.

So Blessed Ones, It is One of the Mighty Activities of the Powers of Nature! It is by the Love in the Great Central Sun Magnet that I, in My Command of the Beings of the Elements, send forth the Sacred Fire by which They may draw from within the Earth, from within the water and from within the air, the various Activities and Electrons They require to produce through the Powers of Nature the manifestations

mankind enjoy. The delicate petals of the flowers are all gathered together by the Power of the Great Central Sun Magnet! It is the Fire of Love from the Heart of Creation! Therefore, when you begin to call Its Power into outer action, to produce Perfection in the physical world, remind yourselves that you are using the Love of God's Heart to produce the condition you desire to see manifest!

It is loaned to you from the Great Central Sun! The Love from the Great Central Sun through the Fire Element is loaned to you to use in producing the Fulfillment of your Calls. So there is a very Great Responsibility in Its use, and I say to you with no uncertainty – use It with Honor; and use It only to produce Perfection that blesses all, or DON'T use It! You are coming to the point in the use of some of These Greater Powers of Life's Perfection, where you will at all times be required to realize that you will use Them only with Honor or you will NOT use Them; and that is your Safeguard.

Since "I AM" using This Gigantic Power throughout Nature everywhere on the Planet, you can see how Tremendous is Its Action in This World! When you see the ceaseless Blessings that Nature constantly bestows upon mankind, and the Power of that energy which is drawn through the Activity of Nature in order to produce those Blessings, then you must realize how great is the Love which draws into manifestation That which lifts all to Greater Happiness and Greater Freedom.

Now in regard to your own Supply; Precious, Precious, Precious Ones, with This Terrific Power of God's Love to draw to you anything and everything which is right, to produce Boundless Blessings and Manifestations for you, surely you won't forget to use It! I know you won't. (Applause – audience rising) Thank you, Beloved Ones, won't you be seated; and just remain so the rest of the afternoon?

Now We are drawing you into the Comprehension of This Great Central Sun Magnet. You have had the intellectual record of Its Explanation in the "I AM" Discourses for almost twenty years, and yet you have not used Its Power to any

great extent. You have not reached up and asked for the ILLUMINATION, to know how to use That in your world. So, as I said before, We are drawing YOU into Its use, by explaining to you Its Miraculous Wonderful Presence and Activity! "I AM" charging you with the Love and the Enjoyment of using It—loving to use It, that It may act for you more powerfully and you have the Blessing of Its Power in your affairs, to more quickly compel the Solution of your problems and the Freedom you require.

Try with all your Being to know that the Great Central Sun Magnet is made of the Sacred Fire from God's Own Heart, the "Mighty I AM Presence" in the Great Central Sun. It can draw to you any quality, any substance, any illumination, any condition which you desire to bring into outer manifestation and action so long as It be Constructive! Therefore, make yourselves Its Presence to draw to you everything that will make your pathway easy, and give you the Freedom to assist others to bring the VICTORY of the Light everywhere into physical action.

It can draw to you such Magnificent Action of the Violet Consuming Flame! Just dwell within It, until in your use of It, It teaches you about Itself. Then you know Its Action through your use of Its Mighty Love. What would you do without the Love of the Great Central Sun Magnet in This Whole System of Worlds? The atomic structure would fly apart and return to the Universal. So do you not realize how Powerful It is, how GREAT is Its Action upon the substance and energy of Life? Try to comprehend This, for It is the Scepter of Power which you may use without Limit! MAKE yourselves a Focus of Its Power and Presence, which keeps you always supplied with That which you are going to require ahead of time.

Try to get into Our Feeling of This, AND CALL YOUR "PRESENCE" TO CHARGE YOU WITH WHATEVER POWER AND PERFECTION OF ITS LOVE, IS NECESSARY TO KEEP DRAWING INTO YOUR OUTER AFFAIRS, THAT WHICH YOU

ARE GOING TO USE IN THE FUTURE, AND THUS PREPARE YOUR WAY AHEAD. You CAN draw Health into your bodies! You CAN draw Cosmic Light in and around yourselves! You CAN draw That Cosmic Light into your Nation by the Great Central Sun Magnet's Fiery Miracle Love.

Oh, those "Two Words"! If you will realize what They mean, you will soon become the Manifestation of Their Perfection! Joy Indescribable then becomes you and your world of Manifestation. Oh, We want you happy, Precious Ones! This struggle of the centuries must be cast aside, when you use the Love of the Great Central Sun Magnet to draw—now mark you—the Perfection of the Ascended Masters into This World; draw the Perfection of Their Octave into outer physical conditions! Then That Love draws Heaven on Earth to the World once again; and a Paradise of Its Glory returns mankind to God!

Oh, your Scepter of Power is without limit, and you experiment with the Use of This Great Enfolding Love to draw to you what you require! See whether It contains Intelligence within It or not! Your "Blessed I AM Presence" is directing Love, Wisdom and Power which expands into Manifestation, as you call for the Great Central Sun Magnet's Love to be the Vibratory Action of your world that your "Presence" may manifest Itself!

So go forward to the happy Use of a New Power, New and yet Old! Older than you dream the Universe to be, is the Power of the Great Central Sun Magnet Whose Love alone produces an Universe and manifests Its Ever-expanding Happiness and Action to forever glorify Life, the "Mighty I AM Presence" in the Great Central Sun! It is the Mighty Power provided by Life, to draw Greater Blessings into that which is lesser, and enable you to raise the lesser and make it become the Greater. It all comes about by the Action of the Great Central Sun Magnet! It ever draws the Greater into your physical world; and It ever draws your world into Our Octave.

Its Power is two-fold, without limit, eternally yours; and

brings only Joy to all that lives forever. Let the Flame of Love in your own Heart expand, with the call to understand what the Power of the Great Central Sun Magnet is. It is meant for you to use in the physical world, and I shall stand your guard! I shall bring to you the Blessings of Nature! I shall open Realms to you of Knowledge that mankind as yet has never touched! You may enter through That Door of the Great Central Sun Magnet! There on the other side of the Door you may draw to yourselves from the Universal whatever you will, in your desire to know more about God, the "Blessed I AM Presence" and the Greater Perfection of Those Beings, Who carry on the Manifestations of the Universe which surrounds you.

If you understand the Oneness of your own Heart's Flame with That Great Central Sun Magnet's Love, It will draw you on into Its Own Great Glory regardless of anything, so long as you keep your attention upon It! There you will know That Oneness is from the Greater Perfection of Love in the Great Central Sun! Oh, please make your Calls to be illumined by the Glory of Its Perfection, and be the Victory of Its Power manifest in This World to draw Freedom to all. It is an unexplored Realm to the consciousness of mankind—except for the Explanation the Blessed Master Jesus has given, that of your Blessed Saint Germain and that which has come forth in the Dictations from the Various Ascended Masters. I tell you so far as mankind at large is concerned, It is as yet a closed book; but It may be opened for you if you care to read! If you do, I shall be there to turn the pages of the Book of Life's Perfection, and reveal to you the Power of Creation and the Joy of Infinity! (applause) Thank you, Beloved Ones. Then, we shall go forward hand in hand. I shall teach you the Secrets of Nature; and draw to you the Wisdom which will enable you to be the Builders of the Future; and leave for those who follow on the Perfection which is to remain—this time upon the Earth forever!

So you are privileged indeed! May we go forward in Joy

never known on This Earth and in That Service to Life, which It is Our Great Joy to give, understand the Greater Powers which forever bless all the Universe with more of God's Love. UNDERSTAND THAT LOVE, AND YOU SHALL NOT LACK FOR ANY GOOD THING! (Applause) Thank you, Precious Ones. May It draw you into Itself; reveal to you all things; and take you forward to Victory in the Joy that Life has always wanted you to experience.

So to the Limitless Blessings of the Great Central Sun Magnet do I call you and raise you, that you may enjoy in Its Fullness all that Love wants to give you to set others Free as you yourselves become Free; because you have entered in through the Door of the Great Central Sun Magnet, which none in the Universe can shut. There is the Freedom of Life Eternal, the Boundless Supply and Victory that Love alone can give! May you ENJOY the Use of Its Power as you have never enjoyed anything all through the ages.

I commend you to the Glory of the Greatest Happiness your Hearts could ever desire, until That Moment when the Great Central Sun Magnet's Love draws you from your human experiences into Our Realm where Love alone reigns Supreme forever!

Thank you with the Magnetic Power of My Heart's Love. I shall hold your attention there until your Freedom is complete. Thank you and good night.
