

I LIVE IN THE MUSIC OF MY OWN HEART'S FLAME!
(Alternate line)

“I AM” through the Veil right now!
And unto It all must bow!
With Victory's Cosmic Light!
In Hercules' Cosmic Might!

And heal all through my hands!
I fulfill now God's Commands!
All Freedom is mine at last!
And forgive all that is past!

God's Miracles all flood through!
God's Justice controls all, too!
All God's Great Wealth I use!
And none can God refuse!

Master for all time!
By all God's Life Divine!
That Flame is God! “I AM”!
Forever in God's Heart I stand!

Eternity's Song I sing!
All Love from Heaven I bring!
God's Light forever reigns!
My world God's Love sustains!

“I AM” God's Boundless Wealth!
It is God's Strength and Health!
With Choirs of Angels sing!
Their Music to Earth I bring!

Legions of the Christ I call!
And flood God's Peace to all!
And there forever I dwell!
And I know that all is well!

And there my loved ones come, too!
And there come the Masters through!
And God's Divine Plan fulfill!
That Flame is "I AM"! God's Will!
