

BELOVED SANAT KUMARA

SAN FRANCISCO, CALIFORNIA SEPTEMBER 29, 1957

BELOVED HEARTS OF THE SACRED FIRE, tonight We are surging into the atmosphere of Earth the Ever-increasing Release of those Activities of the Sacred Fire which We direct. I wish you to accept and feel the CONSTANT SURGE of those Great Activities of Pure Divine Love from the Great Central Sun, which the human intellect can scarcely understand! I assure you, as We project into the atmosphere of Earth and into the mental and feeling world of the mass of mankind the Purifying Activities of Our Cosmic Christ Love, the Sacred Fire must blaze! When It blazes through any part of life, It strengthens, protects and expands everything Constructive. It also has a Repellent Force to that which is not constructive; because We cannot protect anything which is not Eternal Divine Perfection of Life. So if you understand what Our Presence means, coming into the outer activities of some of mankind, as We come to you — the “I AM” Student Body — you surely will realize just how great is the need of the people of this World for the Protection of Our Sacred Fire. Now that must come if We are to stem the tide of the destructive activities which seek only desecration of everything that is Good.

In the onrushing increase of the vibratory action of this World, due to the Increasing Power released through the Whole System at this time, it is necessary for Us to come and not only consume a certain part of the discordant creation, but to come and strengthen every Constructive Impulse within you; and to hold as much as you will let Us hold of Protection, Our Protection of the Sacred Fire, about all in your world that is constructive. I plead with you, play not with the human senses! Play not with the feeling world of yourselves nor others if you

would have Protection from Us. We cannot protect human desire! We cannot protect the human use of the Free Will! We cannot protect human selfishness and human stubbornness! We cannot protect human authority!

If destructive forces strike, you must recognize it is because the stubbornness in human feelings has refused the Sacred Fire of Our Love and Our Protection! I assure you, We are surging It into the atmosphere of Earth everywhere throughout the World! We are surging It in, through and around every Life Stream on the Earth to protect and expand all which is Constructive, all that the Higher Mental Body wants to do through each Life Stream! We are surging It to protect the CONSTRUCTIVE ACTIVITIES of the Powers of Nature and the Forces of the Elements.

When mankind, either in the sleep of the senses or deliberate defiance of Our Command for Purity, disregards Our Assistance to Life, We have but to withdraw and let individuals experience the distress, the limitation and the problems which they themselves have created. I assure you, the entire Ascended Host as well as the Higher Mental Body of each Life Stream are ready at any moment to cut the outer self Free from all that is of evil, all that is of the sleep of the senses, all that is of the hypnotic feeling of human creation, if the outer self will unconditionally turn away from those activities and enter into complete Surrender and loving Obedience to the "Mighty I AM Presence" and hold the attention There!

In the Fullness of the Sacred Fire required to cut the outer self free, there is given an opportunity to fill and surround the outer self with Power and Pressure enough to compel destructive conditions to let go and be consumed. Therefore, IF YOU WANT YOUR FREEDOM, HESITATE NOT TO CALL FOR ALL THE SACRED FIRE POWER FROM VENUS WE HAVE DRAWN INTO THE ATMOSPHERE OF EARTH, WITH THE COMMAND TO SET YOU FREE! We have to command That Sacred Fire to go forth! It stands in the atmosphere of Earth ready to

set every Life Stream free, who will hold the attention upon the “Mighty I AM Presence,” the Ascended Host and upon the Sacred Fire from whence Freedom comes. But if the outer self plays with the human senses at this time, it is more dangerous than it has ever been in the history of the World. If you let the thought and the feeling wander and connect with the mass human feeling of the hordes of evil, you cannot contemplate that without connecting with it! If you want Our Sacred Fire Protection and Cosmic Powers to overpower evil, then your attention must come to your “Mighty I AM Presence” and to Us!

I assure you, in the conditions of the World tonight, you need That Power far more than you understand if your Supply is going to continue. There are plans to take the supply away from the masses of the people again by devilish means. For your own Protection, “I AM” come to issue a Warning tonight! I plead with you, do not again experiment with the human creation of the outer world! It is like quicksand and will engulf you at any moment if you do not keep your attention upon your “Mighty I AM Presence” and the Ascended Host, Who are the Outpouring of all the Sacred Fire which protects you.

So, Blessed Ones, if I were you, I would as certainly as I eat my meals every day, turn back with FIERCE DETERMINATION AND ADORATION TO THE “MIGHTY I AM PRESENCE” AND ALL THE COSMIC BEINGS WHO DIRECT THE SACRED FIRE TO THIS WORLD. Demand you be enfolded in, become aware of and are One with the Victory and Power of Their Sacred Fire Protection to you at this time.

At least three times a day, TURN TO YOUR “BELOVED MIGHTY I AM PRESENCE” IN UNCONDITIONAL SURRENDER AND OFFER US THE OPEN DOOR BY WHICH WE CAN ENFOLD YOU IN OUR SACRED FIRE, which is your Protection against conditions of the outer world, that you do not yet know exist – conditions in the outer world that are surging to a

breaking point.

So if I may help you by making you aware of what needs to be done, if I may help you by the Love I offer and the Sacred Fire that is descending for your use, I shall be grateful if you will listen to My Plea! (*Applause*) Thank you so much, Precious Ones, won't you be seated please and just remain so?

The Sacred Fire of Our Love from Venus IS the Invincible Protection, I assure you, because of Its Cosmic Force and Pressure which is the Guarding Presence of This World! We long ago offered the Sacred Fire of Our Love to protect the Earth from the frightful destruction of mankind's own human creation. Since the Cosmic Law accepted Our Offer and has made Us the Authority for the Protection of that which is the future Destiny of America and the World, We must fulfill the Demands of the Cosmic Law!

One Demand is that at all times there must be ready for Action in the lower atmosphere of Earth a Concentration in various places of Our Sacred Fire's Love and Authority, Authority over all evil in this world. Therefore, when you turn to Us, to your "I AM Presence" first, of course, and then to Us, and ASK FOR OUR PROTECTING SACRED FIRE LOVE TO COME IN AND AROUND YOU AND BLAZE ITS COSMIC AUTHORITY OVER ALL EVIL IN THIS WORLD, you will see that evil recede and drop away! It takes your Conscious Recognition, attention to and compliance with the Cosmic Law's Release of Our Authority to the Earth so Purification may take place!

The Command for the end of all evil must go forth from those who have created that evil. The evil of mankind's creation in this world was by the use of the authority of the outer self! Therefore, the dissolving and consuming of the evil of mankind's generation must come about by mankind's own Demand and Command for the annihilation of that evil by the Sacred Fire Authority of

those whom the Cosmic Law has made the Authority for the annihilation of that evil.

I plead with you tonight, give Us This Recognition at least three times a day! CALL WITH ALL THE POWER OF YOUR BEINGS FOR THE RELEASE OF ALL COSMIC AUTHORITY FROM VENUS AND FROM OURSELVES, AS THE LORDS OF THE FLAME FROM VENUS, TO CONCENTRATE IN, THROUGH AND AROUND YOU, ALL THE SACRED FIRE OF OUR LOVE AND OUR COMMAND TO LIFE, FOR ALL EVIL TO CEASE TO BE, whether that evil be individual, of the Nation or of the World.

If you will do This for your blessed children, for the younger generation, I think you will see some amazing results, which will turn those blessed young people into the Constructive Way of Life, instead of letting them go on and experience the tragedies which can but destroy them. I think you owe it to the younger people of this World; because you are partly responsible for the responsibilities they will have to face in the future. These problems of the Nation and the World today have been created by the past and present generations, because of the onrushing suggestions and destructive appetites that have engulfed the Nation over the last half century. Since the beginning of the first world war, this wave of desecration has sought to come into America and blind the people to their Good, to their Freedom and to their God. We are come to awaken the people by whatever Protection of the Sacred Fire is necessary to compel the awakening!

If you will give Us this Call, there will be many Manifestations of the Sacred Fire that none will explain; but I assure you, will arouse the attention of the masses of the people. They will hold the attention upon certain Manifestations of the Sacred Fire which will command attention; and We are Part of that Authority!

“I AM” not threatening anybody or anything; but mankind is going to awaken! (*Applause*) Thank you so

much. Mankind is going to awaken from the clutches of the hordes of evil, for We will shatter those hordes, one by one, until their combined force is loosened from the Life Streams of this World who are struggling to hold to God as they understand It. They are struggling to try and see the Light and are trying to go toward It in the outer world's confusion.

So wherever there is Conscious Effort made that is sincere with determination, We come to the Assistance of the individual with Power unbelievable and almost inexplicable to the human intellect. When you see the Sacred Fire in Manifestation, you see the Flame flash, the hordes of evil cringe, recede, then dissolve and disappear. You will find We are no figment of anybody's imagination. You need This more than you understand tonight! When Our Sacred Fire's Love comes into outer activity, It is the Purifying Presence! It is Invincible, Eternal Purity! That which is not Pure must be dissolved by the Presence of the Sacred Fire which We concentrate to give the Help to protect the World.

Since that is Our Responsibility and is the Service We have offered, "I AM" quite sure We will fulfill Our Destiny. If We may have your Call and your determined effort, three times a day, to RECOGNIZE THE VICTORY AND COSMIC ACTION OF OUR POWER OF THE SACRED FIRE IN AND AROUND YOURSELVES; AND OUR AUTHORITY OF COSMIC LOVE TO COMMAND THE END OF ALL EVIL — if you will use That Authority, We will project the Sacred Fire which brings the end! (*Applause*) Thank you so much, Precious Ones.

Now, since hate has created that evil, Love must come as the Sacred Fire to put an end to that evil. If hate has created it, Our Sacred Fire's Love can uncreate it! We must have the Call from you, the American people, by your own Free Will to love your "Mighty I AM Presence," to love Our Love of the Sacred Fire in order to draw It into yourselves and around you, to intensify Its Power, to

dissolve that evil and compel Life released from the frightful things mankind has done to desecrate God's Energy.

So, Blessed Ones, there are unbelievable Limitless Legions of the Sacred Fire from Venus, Whose Power is so Terrific in Its Cosmic Onrush, It can become the atmosphere of your Nation and the World! (*Applause*) Thank you so much. So, when you see Manifestations of the Sacred Fire in the atmosphere, qualify Them always with the Love of the Sacred Fire from Venus and the Authority of the Lords of the Flame from Venus to bring Victory to the Earth over all that is of evil!

I assure you, the Blessings which will follow to you individually, will be beyond your fondest dreams. We need This, the Nation requires It in order to protect that which is of God within your borders. We will help you in every possible way, if you will give Us this Call three times a day. Then you, individually, would automatically be held in a Pulsation and Projection of the Flame of Our Love three times a day wherever you abide. If you will watch and do This, I will establish, as will Others with Me, the Cosmic Pulsation that rhythmically comes in and around you three times every day, expands around you and continues to increase; and wherever you abide, you will find Its Protecting Sacred Fire Presence of that which is constructive.

So, Blessed Ones, the Legions of the Sacred Fire are awaiting your Call! The Angels of the Sacred Fire are awaiting your Obedience to My Request! The Lords of the Flame from Venus love you with a Love you cannot understand until your Ascension is complete. We are waiting for the Open Door through which Our Love may come to protect you and lift you into the Victory of your Eternal Freedom; into the Power which guards your Nation into the Freedom of the Sacred Fire's Control of outer conditions.

You may prevent the destructive activities intended

against the younger generation any longer reaching those Life Streams and preventing the Perfection and the Freedom which they are to bring into outer activities of the civilization which is to fill your Nation and the World. You are to come into the Permanent Golden Age to the Earth, and I assure you, That Golden Age is the Release of the Sacred Fire from the Sun Venus into the physical conditions of this world, by the Power of Our Love which will not permit evil to longer abide on this Earth.

So, Blessed Ones, I might seem positive today and I might seem severe, but if so, it is because the need of the moment requires Our Force to shatter that which would engulf you if it is not shattered. So, if I may have your co-operation three times a day, I will give you a Gift to abide with you forever; and as you feel Its Power, nothing will make you forget to give the Call. (*Applause*) Thank you so much.

Now there is no such thing as evil destroying the world or overrunning it, if constructive people will do something instead of nothing. I ASSURE YOU, THE DESTINY OF THIS WORLD AND OF THIS LAND IS IN THE HANDS OF THE "MIGHTY I AM PRESENCE," IN THE HANDS OF THE ASCENDED HOST! Since this Nation is the Heart of the World, the Heart is the Unfed Flame; and since the Unfed Flame is placed within the World for Its Life, It shall live! The hordes of evil who seek to destroy shall have their destruction bound back into themselves until its reaction has taken their evil out of the Universe forever! We depend on you to give Us This Opening!

This Pulsation, three times a day, shall surge with Cosmic Force and entering into the evil of outer world conditions, repel it, weaken it, dissolve and consume it; and drive it back until it is forever bound within Mighty Astrea's Circle of Blue Flame and compelled to cease to be in the Universe.

When We offered Our Assistance for the Protection of

the Earth, it was not that the Earth might succeed or might fail! When We accepted the Responsibility of cleansing, purifying and protecting the Earth, it was with the Almighty Authority of the Sacred Fire's Eternal Mastery over all here! If you give Us this Opportunity, you will be Master over evil! Since Our Responsibility is to remove that evil, then as you co-operate with Us wherever you abide, evil must cease to be! This gives you the Freedom to go forth and render your Service in Constructive Action which awakens the rest of Life and takes all forward to the Conscious Understanding of the Attainment of the Ascension! The Conscious Use of the Sacred Fire Power from Venus, I assure you, is All-Powerful over all in this World! Wherever That Power flows, It protects and expands what is Constructive and continually repels and dissolves that which is not.

So if you wish to come Our Way of Life, if you want your own Victory and your own Freedom, then This must come through your Call to your "Beloved I AM Presence"! First, must come your Acceptance and Use of This Sacred Fire which We are surging into the atmosphere of Earth; and It IS already here! Therefore, you may open the Door any moment and the Flame surges in and around you to give you Help which you cannot have except as That Sacred Fire is released, either from your "Mighty I AM Presence" or from Us.

Blessed Ones, in your Love to your Mighty Master Saint Germain, and in His Love to Us, if you will combine with Us, We shall give to Him what He needs to purify and free the Nation of His Heart and render That Service to the Earth which He has assumed as a Responsibility! Mankind's desecration must be compelled to be consumed from the Universe, from the records and memory of life forever! Then the Earth may go forward unto Its Destiny as a Sun, a Sun of the Love of the Sacred Fire, which it is Our Privilege to expand and flood to the Earth until It, too, glorifies the "Mighty I AM Presence" in the Great Central

Sun by Its Perfection of Eternity.

So, Blessed Ones, whether your Requirement is for yourself individually, your cities, the Nation or the World, matters not! Accept This which I offer today and let It render the Greatest Service possible, in the shortest time, to assist everywhere all that is constructive to arise and become Invincible and Master over that which must be consumed and cease to be in the Universe! The Legions of the Sacred Fire from Venus always bring Victory; and the Victory of That Sacred Fire is the Victory of Love! Therefore, you become the Harmonized Presence; and the Sacred Fire taking Its Dominion clears your Pathway! The obstruction of the past is gone! The Sunshine of the present and the future floods your way and takes you forward to Magnificent, Victorious Accomplishment; because I assure you, the Love of the Sacred Fire accomplishes Miracles which only It can produce!

May you go forth clothed in Those Miracles, raised into Their Eternal Happiness, Victorious over all that is of human creation, Eternally and Invincibly Free by such Love to the Sacred Fire as to forever make you Invincible against all that is of human creation. Go forward with Our Co-operation! May you render the Service for the Nation and the World which only you can give; because you are the only people who have this Momentum at this time of the Recognition of your "Mighty I AM Presence" and the Conscious Understanding of the Use of the Sacred Fire! Let Us use It without limit and blaze the Victory which frees all for Eternity; and We thank Thee! Thank you so much.
