

UNDER THE EYES OF THE MASTERS!

1.

Under the Eyes of the Masters,
We live in the Glory of Light!
Ever revealing Their Presence,
Clothed in Their Love and Might!
Learning Their Secrets and Wisdom,
Watching Their Miracle Powers!
Privileged are we forever,
As They reveal ALL that is ours!

2.

Meeting the Eyes of the Masters,
Awakens within us Their Peace;
And They beholding our yearning,
Their Transcendent Blessings release;
Seeing within Them Perfection,
Which blesses and ever expands;
Asking Their Cosmic Protection,
We feel in Their Hearts' Flame each stands!

3.

Knowing the Eyes of the Masters
Are watching and guarding with Love;
Grateful are we for Their Powers,
Enfolding us all from Above!
From within Their Love come Miracles,
Astounding Their Ways all behold,
Victories and Wonders forever;
Come to us and through us unfold!

UNDER THE EYES OF THE MASTERS!

4.

Watching the Eyes of the Masters,
We there see what we may become;
And as we see with Their Vision,
We know that with Them we are One!
Seeing as They do Perfection,
Announcing Their Cosmic Commands,
We, too, can reach all Mastery,
Their Great Cosmic Freedom we stand!

5.

Now through the Eyes of the Masters,
We must see as They do, this world;
And know through the Law of Mercy,
Their Flame does consume discord's whirl!
Then as we think of the Masters,
Their "Presence" before us appears,
Never again can veils hide Them,
They're with us through all coming years!

6.

Only the Eyes of the Masters,
See God's Great Divine Plan Fulfilled;
Only by Their Mighty Power,
Can we know God's Great "I AM" Will!
Through our own "Blest I AM Presence,"
We can see as the Masters do,
God's All-Seeing-Eye is watching,
And always takes us safely through!
