BELOVED HERCULES – CD 147

“The individual, who understands his ‘Mighty I AM Presence’ and these Magnificent Activities that have been brought to you by the Mighty Saint Germain and Others of the Ascended Host, can through Conscious Call and your attention raised to Us, have an Individual Stream of Our Life to come and serve you in your effort to purify the Nation and set the Earth at Peace and bring Freedom to fulfill the Divine Plan.

“There is only One Thing in all the Universe that is Important, and THAT IS THE LOVE IN THE VERY LIFE OF YOUR ‘MIGHTY I AM PRESENCE,’ which is forever seeking to release the Beauty and Perfection of Its Happiness into you, and through you and fill the Universe around you with That which brings Greater Perfection and Happiness with every Pulsation of the Great Heartbeat from the Central Sun, of which your own Heartbeat is but a fragment.”
