

ANGEL HOSTS

Great Angel Hosts sweep o'er the Earth
In Flames of Cosmic Love,
To fold all in their Hearts of Gold,
Their Mastery from Above!

In Blazing Light Supreme They come;
Their Glory none can tell;
Revealing Beauty all unknown,
Now here on Earth They dwell!

They sweep on Shining Wings of Light
As Earth They love and bless,
To fill with Peace and Joy of Song
All mankind's consciousness!

Their Healing pours on Golden Flame,
To clothe all in Their Power;
Their Love o'erwhelms all man's distress
This Mighty Cosmic Hour!

Great Legions of God's Angel Hosts
Abide on Earth again,
To raise all here into the Light
And evermore remain!

The Guardians of Light's Great, Great Realm,
Perfecting by God's Might
All on the Earth who seek Light's Way
And strive unto God's Height!

Great Angel Hosts, reveal to men
Thy True Reality;
And Angel Devas Shining Bright,
Compel mankind to see!

Thy Great Perfection meant for all,
That all must now become;
Archangels call the Cherubim
And Seraphim from the Sun!

Great Angel Hosts forever sing
Life's Song from the Central Sun!
Love's Great Perfection evermore
"I AM" – Light's Vict'ry won!

"I AM"! the Light of Life to all!
"I AM"! all Freedom's Vow!
"I AM"! the Sacred Song of Life!
"I AM"! Thy Presence NOW!

Refrain

Angels Beloved! Come step through,
Guard all the Children of the Light!
"I AM" Thy Hearts' Almighty Power!
"I AM" Thy Protection and Might!
"I AM" Thy Healing! All Light Release!
"I AM" Thy Love and All God's Peace!
"I AM" Thy Presence in every Call!
"I AM" Thy Legions – conquering all!

CHANERA
