

GOD IS MY VICTORY

God is my Victory
And God is my Power!
God is my Freedom
Each instant, each hour!
God is my Wisdom
And God is my Light!
God is my Healing,
My Heart Dazzling Bright!

God is my Victory,
God is Life's Flame!
God is my "Presence,"
"Almighty I AM"!
God is my Miracles
And God is my Hand!
God is my Justice
By God's Great Command!

God is my Victory
Right Now! Here! Come through!
God is my Purity
That comes to free you!
God is my Feeling
Of God's Honor Flame!
God's my Protection,
"I AM" is God's Name!
