

## THE LEGIONS OF THE VOICE OF GOD!

The Legions of the Voice of God  
In Cosmic Flame Descend!  
They sweep the Earth with Cosmic Love,  
All here of God, defend!

The Legions of the Voice of God  
Call unto each one here!  
They speak the Cosmic Great Command,  
“Make evil disappear”! (or: To bless our Loved Ones dear!)

The Legions of the Voice of God  
All on this Earth shall see!  
Their Fiat for all Ages sounds;  
All evil here does cease to be!
