

I SHALL RING THE BELLS OF FREEDOM!
(ALTERNATE LINE)

Till God here rules our Land!
Till all here feel God's hand!
In Jesus Christ's Great Name!
To serve Loved Saint Germain!

For all that we hold dear!
That keep our way God-Clear!
Now and for all time!
Till all becomes Divine!

The Violet Flame descends!
The Unfed Flame defends!
They purify all here!
To protect all we hold dear!

For Freedom shall here reign!
Freedom, God does sustain!
As Jesus Christ here speaks!
God's Freedom each Heart seeks!

Till God's Victory all commands!
Till all Life understands!
God's Seven-Fold Flame has come!
Till Heaven all Earth has won!

God's Legions now control!
God's Freedom we here hold!
I demand God's Freedom now!
As they make all here bow!

God's Freedom we here call!
Till God on Earth is all!
God's Freedom Justice brings!
Till each one Freedom sings!

I SHALL RING THE BELLS OF FREEDOM!
(ALTERNATE LINE)

Liberty's Bell is heard!
That speaks God's Cosmic Word!
All else shall now be still!
For Freedom is God's will!

They sound God's Word — "I AM"!
Through Earth and Sea and Land!
From mountains high and low!
God rules! It shall be so!

This is our God Command!
God's Freedom here shall stand!
All shall behold God's Hand!
Those Bells are God's Demand!

To purify the Earth!
Till all know Light's Rebirth!
Freedom shall here stay!
"I AM" is Freedom's Way!
