

I ENTER THE GREAT GREAT SILENCE!

(Alternate line)

To dwell in the Peace of God's Heart!
"I AM" of Its Presence a part!
I feel all Its Purity, too!
I send all Its Love to you!

To learn all Its Secrets of Light!
I become Its Cosmic Christ Might!
God's Freedom forever there sings!
I know all the Victory It brings!

There all is so Peaceful and still!
To do all I know is God's Will!
To fulfill God's Great Divine Plan
By Its Heart Flame, I know I can!

Its Wisdom, I must ever learn!
Where God's Sacred Fire does burn!
The "Mighty I AM," God of all!
I listen and hear Its Heart Call!

Its Music Celestial I hear!
God's Miracle Heart is so near!
God's Power to help all, I feel!
There the Love of God's Heart does heal!

And ask to do all just God's Way!
Where God – ONLY GOOD – does hold sway!
There Power Eternal does reign!
Life's Mastery, I do now attain!

Where Life's Unfed Flame does abide!
With Angels, I stand side by side!
Where only God's Great Voice is heard!
As all speak God's Great Holy Word!

I ENTER THE GREAT GREAT SILENCE!

(Alternate line)

**I see and feel God's Great Control!
Whose Love all God's Secrets there hold!
I hear God's Great Holy Command!
I see my loved "Presence," "I AM"!

**On the Wings of the Snow-White Messenger
Comes Love and Light to you,
That lifts you beyond the turmoil of man
And takes you safely through
Into your Great Victory
Where Love dwells all Supreme,
And spreads Its Radiance over all
In one Eternal Stream!
