

BELOVED VESTA'S DISCOURSE

SHASTA SPRINGS, CALIFORNIA

SEPTEMBER 17, 1953

SENIOR CONCLAVE

BELOVED ONES OF EARTH, you who have now become the Heart Flame of Light to your Nation, you who have become the "Cup" of Our Sacred Fire to the Earth, you who are to become the Miracle Love of Our Octave to the Earth, tonight I draw you into a closer association with Those of Us Who are watching everywhere to bring forth through mankind the Desire to pour forth God's Love for the Freedom of all. In the Great Purifying Power which automatically flows with that Great Miracle Power of God, there will come in and around each of you greater and greater purification of the world about you and also within yourselves.

In order to anchor more Power of the Sacred Fire of Cosmic Love in and about you all, there is an automatic action, as It is called into the physical world, of a Purification which goes before, that gives wherever the Power of the Sacred Fire is drawn, the Purity of the Ascended Masters, which must hold the concentration of that Sacred Fire to a definite objective; and the Purity is maintained by Love of the Great Beings Who are bringing this Greater Love in and around you all, and It will automatically compel Greater Purity to manifest to you and through you and into your affairs.

When that Purity comes into your flesh forms and into the energy of your feeling world, from the Inner Standpoint, It is like Light coming into the darkness, because the densification of the flesh body has caused, as it were, a shadow to enfold each Point of Light in the cells of the body and to enfold the Heart Flame.

So as you call for this Miracle Love of Eternity, which you have been calling forth, there will come into you the Illumining Power of Our Purity, and you will find It will throw off from

the body and also from your affairs the substance that has been the resistance or the delay or the opposition to the complete fulfillment of your calls quickly into outer manifestation.

You cannot call for the release of the Sacred Fire in and around yourselves or into conditions without automatically compelling Purification; and when there is the compelled Action of that Purification by the Use of the Sacred Fire by your own free will, and by calling forth Its Miracle Love into physical conditions, then there comes the time when you must be more aware and use the Powers of your own Higher Mental Bodies in your outer activities.

When you are aware of all the Powers which are yours for use, freely given by the Higher Mental Body, and you remember to use Them in the physical conditions of your physical world, you will find Mastery is not such a difficult thing as you might imagine before you attain it. Mastery of the energy in this world means the control of it by the Power of the Sacred Fire and the Purity which affects the concentration of that Sacred Fire into the conditions of the physical world that need perfecting.

Now when you enter a darkened room you grope, don't you, when you are seeking something? You feel your way, because you do not know what is there. Well, that is what you have been doing, Dear Hearts, in the energy of your feeling world down through the centuries; and the day you call to your "Mighty I AM Presence" to illumine to your outer intellect those activities of the feeling world of yourselves and the world about you, which tell you the truth of what you need to know in order to handle conditions around you, then the Higher Mental Body will come closer into the outer physical form and into outer conditions, and will show you ahead of time what you need to know, and with absolute certainty will release the Power by which you handle the condition harmoniously.

There are so many of blessed mankind who want to do right, who try to hold to the Constructive Way of Life, but they do not know how to anchor long enough to their Love to God, or their call to God as they know it, with enough intense concentration and attention upon the God Presence of Life,

until it causes that "Presence" time enough to clear away the shadows in the world of things until all that is required is revealed to the outer self in the Light that casts no shadow, and in the Light in which you never can see a mistake.

Since the Guardianship of the Sacred Fire is part of My Service to Life, since Invincible Purity is demanded of those who are to use the Gigantic Powers of the Sacred Fire, then it is My Privilege to pour the Love which I offer to Life around those who are trying to attain their Freedom through their calls to the "I AM Presence." Therefore, "I AM" One of the Cosmic Guardians of the Mighty Saint Germain's "I AM" Activities and His Family of Freedom; and you scarcely can understand how much I love Him and how much I love to assist those who love to be through forever with the limitations of this world. (*Applause – audience rising*) Thank you, Precious Ones, won't you be seated please and just remain so?

Now let Me take up one thing in which "I AM" quite sure I can help you and try to make you realize that doubt and uncertainty are due to the shadows of impurity, for when the Light from the Higher Mental Body is drawn intensely enough into the energy of your feeling world, it brings with It an absolute definite certainty of what is right and a definite protection against what is wrong. Therefore, the energy of the emotional body needs to be purified and illumined by the Light from the Higher Mental Body. Do you not know how many times when you have to face a condition or make a decision, there comes the feeling of absolute certainty of what is the right thing to do. Well, could you see from the Inner Level at that moment what takes place in the energy of your emotional body, you would see a flash of Light come into it from the Higher Mental Body, and it is that Flash of Light which gives you the absolute certainty that you are right in the control of outer conditions of the outer world of things. The only time when you don't have that absolute certainty is when there is a shadow of impurity in the energy of your feeling world or emotional body.

The energy in your emotional body extends, My Dear

Ones, sometimes around the physical form as far as a radius of fifty feet in every direction, and that is why many times you feel something behind you that you do not see. The feeling world extends around the physical body to quite some distance. If you want to be absolutely certain of what is the right thing to do at all times, after you have used the Violet Consuming Flame, call to your “Beloved I AM Presence” and to Me, or to any of the Ascended Masters or Cosmic Beings, to COMPEL THE PURIFICATION OF ALL THE ENERGY IN YOUR FEELING WORLD; then DEMAND THE HIGHER MENTAL BODY BLAZE ITS LIGHT INTO THAT ENERGY WITH SUCH INTENSITY THAT YOU ALWAYS KNOW THE RIGHT THING TO DO AT THE RIGHT TIME AND IN THE RIGHT WAY AND FOR THE RIGHT PURPOSE; AND WITH POWER ENOUGH TO SHUT OUT ALL THE SUGGESTIONS OF UNCERTAINTY DRIVEN AT YOU BY OTHER INDIVIDUALS OR BY THE GENERAL ATMOSPHERIC CONDITIONS OF MANKIND’S DOUBT AND FEAR! Every destructive quality, everything in your Being and world that is not the Full Perfection of your Higher Mental Body in and around the physical form is some form of a shadow that is some substance of impurity. You may not know just what it is, but nevertheless, if you do not have a clear, definite, positive, certain knowing within you of what is the right thing to do, then immediately DEMAND THE VIOLET CONSUMING FLAME BLAZE THROUGH YOU, AND THE HIGHER MENTAL BODY BLAZE ITS LIGHT INTO YOUR FEELING WORLD AND CLOSE OUT EVERYTHING THAT IS NOT WHAT THE HIGHER MENTAL BODY KNOWS IS WHAT YOU SHOULD DO UNDER THOSE CONDITIONS, AND WHEN AND WHERE AND HOW!

Many people, Precious Ones, often get a right direction as to what to do, and then don’t do it. Well, the thing that interferes with them doing it is many times the pressure of discord in the atmosphere about them, or is the discordant feeling of suggestion of someone else in whose atmosphere they might be at the time. So it is really vitally important that the Student Body at this time understand more about what happens in the energy of the emotional body just from day to day as

you go through your activities in the outer world.

When you use your Violet Consuming Flame, It is the Purification of the energy of that body and the energy of the emotional body; and the substance of the emotional body is crystal clear like water. Well, it is like a piece of glass. There will pass through it anything, either from within you or from around you that happens to be the thought or the feeling of any part of Life, but if you want that energy protected against the impurity of the outer world, beside your acknowledgment of your Tube of Light, there must come the Illumination of the Light-Substance from the Higher Mental Body into the energy of your feeling world in order to illumine it with the substance of the Higher Mental Body which cannot be contaminated, if you so call it forth. If you say to your "Beloved Mighty I AM Presence," **CHARGE ME WITH YOUR ETERNALLY PURE SUBSTANCE OF LIGHT FROM MY HIGHER MENTAL BODY AND FILL THE ENERGY IN MY FEELING WORLD WITH IT, THAT WILL NEVER TAKE ON ANY QUALITY FROM ANYBODY BUT YOUR ETERNAL PERFECTION;** then, My Dear Ones, you would go forward and never know what it meant to be uncertain about what was the right thing to do.

So if, in your experiences now in that Light ahead of you, there comes an uncertainty as to whether a thing is right or wrong that you are to do, stop for a moment and ask the "Presence" to blaze the Violet Flame through, then call on the Higher Mental Body, which is the Christ Mind of you – the Christ Mind which cannot accept anything of imperfection. Ask It to **BLAZE THE ETERNALLY PURE LIGHT – INVINCIBLY, ETERNALLY PURE LIGHT OF YOUR HIGHER MENTAL BODY INTO ALL THE ENERGY OF YOUR FEELING WORLD AND ILLUMINE IT WITH YOUR AUTHORITY AND POWER WHICH FORBIDS ANYTHING OF HUMAN DISCORD TO APPROACH.** You only would have to do that a few times until you would set the habit of calling forth and seeing the Light from the Higher Mental Body release Its Substance into the feeling world around you to make you feel absolutely certain in any condition of what was the right

thing to do on the instant. Then in a moment of crisis you would do the perfect thing in the perfect way to hold your protection or give assistance, or produce God's Victory in outer world conditions. If you will establish This, you will find the Miracle Way of living Life has come into you to abide with you and make your world the Miracle World of your Higher Mental Body.

Since "I AM" the Guardian of the Activity of the Sacred Fire, the Purity and the Home of Life upon this Earth, then as you understand This and use it in outer world activities, you, too, become the Guardian of all the Perfection which your "Presence" gives you, or which the Ascended Host call forth now to build the Incoming Civilization into the Perfection that is to be Eternal in this World. So you do not need to grope, as it were, in your own feelings to find out whether a thing is right or wrong. You have an Infallible Law in your Use of the Violet Consuming Flame; and then give your Call to your "Mighty I AM Presence" to BLAZE THE ETERNALLY PURE LIGHT-SUBSTANCE OF THE HIGHER MENTAL BODY INTO ALL THE ENERGY IN YOUR FEELING WORLD AND DEMAND IT AND MAKE IT SO BLAZING THAT NEVER AGAIN CAN A SHADOW OF HUMAN IMPURITY OR DISCORD RECORD WITHIN YOUR LIFE STREAM, and then you will know how valuable is the Invincible Purity from your "Mighty I AM Presence" and from Our Octave.

Mankind over the last half century particularly, has gotten into the condition through communism of sneering at Purity, and it is a very dangerous thing to do. If We were to remove all the Purity from your Nation or the World, what would you have left? Just as the Great Ones have said to you, if We were to withdraw Our Love from the World, what would you have left? It is not wise to pass judgment upon the Cosmic Law, because It is far wiser than mankind in their present condition.

Beloved Ones, I want to say something else that I hope will help you all. The Beloved Saint Germain has tried to make it plain to the Student Body all through the years, and "I AM" going to remind you of It again. I say to you, whether you be a

new student or one who has been in this "I AM" Activity through the years, remember this. The Mighty Saint Germain told all mankind in those "I AM" Discourses that this Truth is verifiable Law, which the Ascended Masters have proved through long centuries of Use and Application, and THERE IS NO SUCH THING AS FAILURE OF THIS LAW. It is Absolute Truth and every human being can prove It inside of himself or herself by his or her Application. He also said: "We welcome sincere questioning, but We will have nothing to do with that mind that wants to prove the Law wrong." So watch your feelings. If there be resentment or unknowingly a feeling that wants to prove This Law wrong instead of accepting the Blessings which are Infinite, Boundless and Eternal and Self-evidently Victorious, then the individual is in a dangerous condition if there is a rebellious feeling that wants to prove the Truth of Eternity wrong.

Guard your feelings because it is through that kind of discord that the sinister force has hypnotized mankind through the centuries and kept them enslaved to depravity, when they could have gone to the Heights of Creation and become the Master Presence of Perfection through Purity. It is not wise for unascended Beings who are so full of limitation to criticize the Law which is offered them for their Freedom through Love alone. And since it is My responsibility to guard the Home in which the Mighty Saint Germain has brought forth this Knowledge of the "I AM," and America is that Home, then it is going to be imperative that there come a group of people within that Home who are purified, who understand This Law, who can be illumined by the Higher Mental Body to the point where as they go forward in outer world conditions, they become absolutely certain of the right thing to do for themselves, for the Nation, for mankind and for all Life.

There is no excuse for mankind not knowing what is the God Thing to do in any set of circumstances. With an All-Wise, All-Powerful, All-Loving God, ready to love to give everything which is Perfection simply for the turning away from the desires of the outer self that have never produced anything but limita-

tion, that All-Wise, Loving Presence, the "Mighty I AM," will reveal and illumine anything to the individual who will, with love and humility and gratitude, ask and ye shall receive. We want to bring together a Group of "I AM" Students purified, qualified, illumined, protected and strengthened to the point where you may reveal these Master Powers of Life and carry forward to the rest of mankind the Greater Gifts, the Greater Perfection and the Marvelous Blessings which are to come into your Nation and set the Divine Pattern of that which is to follow in the other Nations of the World, as the Earth itself becomes purified.

So Beloved Ones, you may place your feet tonight on the Pathway of Eternal Light, with an Absolute Certainty of the Attainment of your Goal, with Absolute Knowing of that which you need to use, as you go forward in outer world accomplishment, and with Absolute Illumination which comes to you from your Higher Mental Body Who will never cast a shadow upon your world, and in Whose Light there never can come anything that is not Truth.

It is the energy in the emotional bodies of the people that needs purifying and illumining. Supposing We purified every bit of the energy in your feeling world this hour and We swept your emotional bodies perfectly clear, if tomorrow morning you go into the outer world and you let your attention rest here and there and somewhere else, and you took those pictures into the energy of your emotional body, how pure would they be by tomorrow night? But if you will ask, after the energy is purified by the Violet Flame, for your "Mighty I AM Presence" to CHARGE, now mark you, THE ETERNALLY, INVINCIBLE, PURE, LUMINOUS SUBSTANCE OF THE HIGHER MENTAL BODY, WHICH IS WHITE FIRE, INTO THE ENERGY OF YOUR EMOTIONAL BODY AND HOLD THAT LIGHT THERE WITH THE COMMAND THAT NEVER AGAIN A SHADOW CAN APPEAR OR TOUCH ANYTHING IN YOUR BEING AND WORLD, then as you go forward, that Illumined Substance refuses the pictures of the outer world's discord. Then you see clearly and unmistakably the Pictures from within your

“Mighty I AM Presence” which are Its Divine Plan of manifestation here to produce Miracles without limit – anything your Heart wants without delay, without obstruction of any kind, without imperfection and with a Freedom which knows no such thing as failure.

It seems to Me mankind has experimented just about long enough with the shadows, and if you will keep the energy of your feeling world purified and charged with this Invincible, Luminous Substance from your Higher Mental Bodies, I can at all times release to you or around you for your use, and I can clothe you many times in the Powers from Our Octave which are going to be needed to hold the Sacred Fire protected and sustained and concentrated to your advantage, until you quickly manifest the Fulfillment of the Divine Plan and you quickly precipitate or do what is necessary in outer conditions until you go forward like the breeze of the air, free forever from human interference.

I tell you with the Eternally, Invincibly, Pure, Self-Luminous, Fiery Substance from your Higher Mental Body charged into all the energy of your feeling world, It makes you Master over all conditions of limitation in this world, until your Ascension is complete. And if you will do This, your Ascension will come much more quickly as you use the Sacred Fire in outer conditions to purify all things until they are raised to Our Perfection forever.

When you have called forth the Miracle Love of Eternity, the Sacred Fire from the Great Great Silence, That is the Power of Love to draw to you anything which is constructive. But when you CALL FORTH WITHIN YOURSELVES THE ETERNALLY, INVINCIBLY, PURE, WHITE FIRE SUBSTANCE OF YOUR HIGHER MENTAL BODIES INTO ALL THE ENERGY OF YOUR FEELING WORLD, you will find the Christ manifested in you, and you will walk the Earth the Victorious Christ Presence of the “Mighty I AM,” and you will never know again the distress and the limitations of the shadows.

Beloved Ones, it seems a long time for mankind that these things have been given over and over again, but We have Infinite

Patience; We have Limitless Love; and Our Hearts' Desire is for every Life Stream who has come forth from the Great Central Sun to now arise and go unto the Father, the "Mighty I AM Presence" and manifest in this world the Freedom of the Victorious Christ, which your Higher Mental Body is. Then you, as that Illumining Christ Presence of the "Mighty I AM," go forward among your fellow men and point the Way to Perfection, help to purify the outer world conditions, then you will find the Master Hand of God has taken command of Its Own.

Mankind struggles under the substance and the shadows of their own mistakes, when if they would cast them aside for a moment and looking into the Heart of that "Mighty I AM Presence," ask It to hold them forever anchored within Its Own Heart Flame and blaze the Violet Consuming Flame into the unfortunate human creation! Then never look back, never look back, NEVER LOOK BACK upon that which is human; and if you will look into the Face of that which is Divine, you will see, you will know, you will become the Fullness of that Divine Perfection and Its Victory manifest in this world.

"What thou seest, that too become thou must, God if thou seest God and dust if thou seest dust." That statement has come down through the ages, and until the habit is broken of picturing upon the energy of the emotional body everything of the heterogeneous things of the discord, how can you be free; how can you be healed so long as that habit is not broken? But if you will believe Me tonight, if you will accept the Love I bring, if you will do This which I have said, to DEMAND THAT YOUR "MIGHTY I AM PRESENCE" FILL ALL THE ENERGY OF YOUR FEELING WORLD WITH THE INVINCIBLE, ETERNALLY PURE, WHITE FIRE SUBSTANCE OF YOUR HIGHER MENTAL BODIES, WITH THE COMMAND THAT THAT ENERGY NEVER CAN RECORD A SHADOW OF HUMAN CREATION, you will know what it means to go forward Free from the mistakes of the past. Now it does not mean that you do not establish the balance if you have thrown something out of balance, but in the great Joy and Freedom of your Higher Mental Body you will use the Unlimited Powers of

God to produce Perfection through Love, establish the balance, send forth a Blessing where the shadows have been, and go on your way Free as your Blessed Saint Germain wants you to become.

He has offered you Freedom, and that means the habits of the feeling world must be purified and the Light-Substance from the Higher Mental Body, the Christ of Eternity places that substance into the energy of the feeling world, compels its illumination to blaze everywhere, and when That comes into you, never again can your feeling world record the discord or the impurity or pictures of the world around you. Then you move in the world but not of it, and you see not those pictures that are but of destruction. Then can you be trusted with all the Powers which are in the Causal Body of your "Blessed I AM Presence," which It has stored there for you during the centuries past.

In that Causal Body is accumulated all the energy you have used constructively in the past, and that is a great reservoir of Power. When the Eternally Pure White Fire Substance of your Higher Mental Bodies is charged into all the energy of your feeling world, then your "Presence" can release this Greater Power, can trust you with the Divine Use of all the Power of Precipitation, Etherealization, of Instantaneous Healing or anything you desire, Levitation; and you will have all the Power in and around you to produce those Miracles instantly, and that has to be done before you can have Instantaneous Manifestations in this world which reveal to the rest of mankind that the Master Presence, of the Cosmic Christ, the "Mighty I AM" in you has come forth to all Life as the Master Hand of God and gives the Love which sets Free.

This will assist you tremendously in the Ascension, because if you will keep the energy of your feeling world constantly filled with this Eternally Pure, Invincibly Pure, White Fire Substance from your Higher Mental Bodies, **YOU WILL BE THE CHRIST IN ACTION** through these forms in the physical activities of the world about you, and then your "Presence," you will find, will have unconditional Freedom through your outer

selves, and you will do in a moment what might have taken you a year to accomplish otherwise. Love to your "Mighty I AM Presence" and the demand for the Eternally, Invincible Purity of the Higher Mental Body, the Christ of Eternity into the energy of your feeling world, into all the energy and substance of the things of your world, will soon reveal the Transmuting Power of the Love of the Cosmic Christ.

After all, My Dear Ones, there isn't anything the shadows have ever given you but limitations; for temporary sensation is not happiness. God's Happiness is Eternal, has neither beginning nor ending, for It has always been co-existent within the Love and the Life of the "Mighty I AM Presence," whether that be in the Great Central Sun or the Physical Sun; whether it be in your "I AM Presence" or somewhere else, that Happiness is Eternal. Therefore, you may have the Fullness of It in outer physical conditions if you will, but you will never have it here permanently if you continue to look back and keep dragging forward the shadows and the substance and the energy of the mistakes of the past.

I will set you Free tonight, if you will come to Me in This which I ask. (*Applause*) Thank you, Precious Ones, and since "I AM" guardian of that Purity to the Earth, which the Blessed Goddess of Purity and the Elohim of Purity, Beloved Saint Germain and Precious Mary and Others of the Ascended Host have century upon century offered mankind, "I AM" determined that since the Messenger has made the Call and you, too, have taken It up, "I AM" determined mankind shall know what the Sacred Fire is. They shall know the Power of Purity! They shall know that in the Cosmic Authority which is Mine, I guard the Home of the World, which America is to the Earth; and therefore, in an individual capacity, I shall guard the Purity and the Love in the mass of individuals.

Your Nation can never be strengthened until those masses are purified and the Eternal, Pure Substance, the White Fire Substance of the Victorious Cosmic Christ, the Higher Mental Body of each Life Stream establishes that Light-Substance into the home of every one until It becomes the Light which will not

accept the shadows of the filth of mankind longer. Your Beloved America is the Heart of the World. The City of Chicago is the permanent atom in that Heart; and therefore, Purity must come; and the Cosmic Christ, the "Mighty I AM Presence" and Higher Mental Body of every Life Stream must rule.

Therefore, in the Gift I bear to you tonight is the Guarding Presence and the Power of Protection by My Love to all which is Pure; to all that is of the Sacred Fire; to all that is the Home of mankind's journey upon this World. May you go forward tonight and never forget This which I have said. I shall remind you of It often. We shall bring It to your attention, I hope, through animated pictures; and once you see That, you will understand how you can command the atomic cellular structure of your bodies to become healed and purified and Perfect as they should be. Then will you stand before mankind as a group of individuals who bear witness to the Truth of This Law, and who are the Fulfillment of that Law to glorify the "I AM Presence" and the Earth with the Beauty and Perfection of the Christ Presence, the Higher Mental Body, and Its Love shall become the Law of the World.

If you wish to suddenly TAKE YOUR STAND WITH YOUR "MIGHTY I AM PRESENCE" AND HIGHER MENTAL BODY AND ASK IT TO CHARGE THE INVINCIBLE VICTORY OF THE COSMIC CHRIST WHITE FIRE SUBSTANCE INTO ALL THE ENERGY OF YOUR FEELING WORLD AND COMMAND IT TO REVEAL THE VICTORY OF YOUR "PRESENCE," you will find many times the Light Itself will flash in and around you and will hold command, even on the instant, and it does not take very long to build the momentum and establish the Habit of seeing That come into yourselves and around you, until one day you command the atmosphere about you to become Luminous with the White Fire Substance of the Love of your Higher Mental Body; and Love cannot fail to answer you when you ask Its Presence to come forth and bless the World with Its Perfection.

So go forward, My Dear Ones, and know with every fiber of your Being, that when you hold This Picture in the energy of

your feeling world, there must come to you the Perfection you desire. There must come to you the Use of the Powers through which you can help others. There must come into the world around you the Perfection from Our Octave, and the Fulfillment of the Divine Plan is at hand. May you accept It tonight and live in the Glory of Its Presence and the Power of Its Love to reveal Its Mastery as an encouragement to mankind until never can the shadows approach you or your world again.

May you go forward and be a Blazing Sun of the White Fire Presence of your Higher Mental Bodies in these forms, to be the Illumining Power to your fellow man until they see that the Christ has come to Earth, this time revealed to hold Command and forbid the shadows to ever live again. Such is the Freedom which stands before you! Such is the Gift of Our Love, and We shall guard It with the Sacred Fire until you are Free. May you enjoy the Use of Its Boundless Power and Love and Presence, until the moment when you come to Us, not through the shadows of distress, but in Blazing Light, that does not even know when you pass from the human into the Divine.

May your Glory forever expand and glorify all Life with the Freedom which your Mighty Saint Germain has offered, and your "Mighty I AM Presence" can so easily and Eternally bestow. May My Love ever bear witness to you of the Truth, the Reality and the Freedom which This I have told you tonight holds for you; and may I hold your hand with encouragement until the Habit is set and your Freedom manifested to all!

Thank you and good night.
