

BELOVED MAMA'S TALK

April 15, 1944

I want to show you something from an Inner Action of the Law that you need to become aware of, but not to fear and do not talk about it.

We have been calling for Purity, for Eternal Youth and Beauty. You already look different from the rest of mankind – your Light, your Happiness, your flesh – you are already different from the outer world. Many times people do look at you, many people see the aura around you but wouldn't admit it, but they do see the Light around your body.

This is what takes place in the outer world's activities. If people are harmonious, they love it and want the Light – if of a depraved nature and discordant, that arouses intense antagonism, jealousy and viciousness.

You must get away from the idea of projection – the moment you sense anything around you that is less than the Perfection of the Ascended Masters, say: “BELOVED MIGHTY I AM PRESENCE”! SEIZE THAT! PLACE YOUR HANDS DOWN HERE! SEIZE THAT THING! BELOVED ASTREA! ENCIRCLE THAT IN YOUR CIRCLE OF BLUE FLAME! ANNIHILATE IT! CAUSE, EFFECT, RECORD AND MEMORY! WHATEVER HAS CAUSED THIS, SEIZE IT AND ANNIHILATE IT FROM THE UNIVERSE! AND BELOVED SEVEN MIGHTY ELOHIM OF CREATION! REPLACE THAT WITH YOUR WORLD-WIDE OCEANS OF YOUR EVER-EXPANDING FLAME, SUBSTANCE AND MIRACLES OF ETERNAL INVINCIBLE PERFECTION OF THE DIVINE PLAN FULFILLED, TODAY AND FOREVER”! Then forget it!

The mass of mankind – sometimes they are aware of it, sometimes not – but to those who are trying to rise out of the limitations of the rest of mankind – begin to stand out from the rest of mankind. If you begin to purify yourselves and ask for the Power of Precipitation and those Magnificent Activities of Life, that again draws forth jealousy and antagonism

in those who do not care to clean up enough to wield the Power.

You must not dread to improve yourselves or reach your mastery, because you have to stand against the hate of the rest of mankind. That is your opportunity to draw forth great power to dissolve these conditions.

As you really begin to work on your bodies and improve them where you really begin to look like your Higher Mental Bodies – remember the experience of the lady that Beloved Saint Germain returned to her Eternal Youth and Beauty. It took Beloved Saint Germain just twenty days to change her atomic structure so that she was returned to her Eternal Youth and Beauty. He could have done it instantly, but her atomic structure would not take the change any quicker than that.

Suppose it were permitted for many of you Students to be returned to your appearance of sixteen years of age, if you want that Power and Manifestation, REMEMBER MY WORDS – for with it you will have to stand against the hatred and jealousy and vicious feelings of both your relatives who do not like you and the general public; because you do not know what is in people's feelings until that thing is aroused, and they will tear their best friends to pieces when that feeling surges. I have seen it, I have been the victim many times. When they see what you manifest, and they have not yet earned the right to that experience, the animal in them claws.

Another thing, we cannot keep up these Decrees and not have the Fulfillment of them. We are calling forth tremendous things in these Classes – in the Invocations, Benedictions and Decrees; we are calling forth tremendous things on this Earth to be sustained and expanded forever. When they come forth, you will have to protect them, direct them and stand against the hatred of those who will not clean themselves up enough to have them.

Next to the beauty of appearance comes the management of wealth. Supposing the Great Ones were to suddenly release to you great wealth, what would you do with it? Ask yourself. What would you do with it tonight? You would have to do

something with it, and you would have to protect whatever you drew forth. Think these things through! You are already, many of you, gaining a feeling of opulence; and as more and more Manifestations come, you begin to have a feeling of ease, your worry breaks down and you begin to feel that the “Presence” will always give you whatever is required to produce Its Greater Perfection, Freedom and Happiness.

Two things take place in that feeling of opulence around you, a sense of wealth, you look nice and are generous and kind. People see that; and they see you are progressing – selfish individuals who love to prey upon others see you – it is a vampire activity. They may not know it; and this is another thing you are subject to which is a pressure of energy, a pressure of the clawing feelings of other people.

Now do not fear these things. Do not rebel. Do not dread this which you will have to do. I have watched this thing act hundreds of times. People see these diamonds which have been given to me from people who have been healed. Some are scared stiff, and they will ask me: “Aren’t you afraid to wear them outside?” I say: “I don’t know why; God gave them to me; God takes care of them; and I ask that everyone who looks into them are blessed.”

The first thing that does in general – usually sales people – is to claw and run the price up and see how much they can pull out of you. This is what I do when I feel that claw go out. I grab the claw! Cut it off with the Sword of Blue Flame, and let it go back into the body without the claw. Then I trim them right, and they come right down to Earth. When they run the price up, and I know the right price, and say this is worth so much and that is the price I’ll pay – if you want it all right, if not, all right.

As soon as you educate them that you have just as many ideas “upstairs” here as they have – you can be nice and harmonious, but you have to be just as firm as the Rock of Gibraltar. Don’t be a chiseler, never try and get something for nothing. The Law of Balance is absolute, the Law of Compensation is immutable. Our business is to know what is right, and

then give balance for that which is right. Don't give way to usury. That is a frightful thing. That is what the Beloved Goddess of Light and Beloved Jesus say must be consumed from the Earth by Light.

As soon as the general business world wakes up to the fact that the "I AM" Students are not just an easy mark, but fair, wise, honest and honorable, you will compel the respect of everyone on the Planet. You have to be the Fulfillment of the Law of Absolute Truth, there can be no question about it. You cannot have one thing on the surface and something else in the feelings. You must put God first; and that God-Power is Supreme. That must be done, because we have to annihilate all poverty on Earth. Therefore, you must radiate the feeling of wealth in order to be the Magnet, the encouragement to people to draw their attention enough to look up to where the supply comes from. You have to be the Magnet to pull them up. You have to draw them up if you are to annihilate all poverty – but never be their victim. You must hold the Master Hand!

I am just giving you a little business talk tonight, but just be prepared for these things. When you draw magnificent Powers through your body, hold the Harmony, purify yourselves and these Powers are released to you. Do not be surprised if some of your dearest friends hate you like an animal, because they do.

Beloved Saint Germain once told me, right here in this City, we had a Class of twenty-five people, and I loved them intensely. I asked Him if some day we could have some manifestation to be an encouragement to them. He just stood still, then said: "Don't be deceived! Mankind change very little through the centuries." He said: "How many do you think of the twenty-five people would not say that you had hypnotized them? There are just four out of that twenty-five who would not doubt you the next morning; and gossip all the time to come, because they doubted you. It is not wise yet. The day will come when these Manifestations will come forth, but not just yet."

I wanted to have these Books Precipitated instead of being

published. I thought that would be a bright idea, too. He says not yet, but the time will come when some such thing will be permitted, and certain Manifestations come forth; and the purpose is that mankind may know These Great Beings, and see some of the Powers They release, and know that These go on infinitely throughout the Universe. Because some day they must wake up to Their Presence, Their Reality and these Greater Powers, but that time is not yet. "We will produce these Manifestations, but at Our time when We know the Students are safe – not at the demand of any unascended being."

Supposing tonight all of you were returned to the Beauty, Youth and Perfection of perhaps sixteen years of age, and made to look like your Higher Mental Bodies – supposing that Supreme Beauty were conferred upon you, and that change took place in the physical body – you could never change that! That would be Eternal! And you for whom that was done would raise your body as Beloved Jesus did, you would not leave it here for cremation. Supposing that Youth and Beauty were conferred upon you tonight – what would you do if through that Great Beauty and Perfection people would love you very intensely, would you take that and hold that to yourself, and go off on a tangent, and go out and do the things you have done hundreds of times throughout the centuries? You will have to face these things.

I am drawing the curtain aside for you. You are asking for these things, and you will have to face these conditions. Ask yourself, for what purpose do you want this Eternal Youth and Beauty? I always ask my "Beloved Mighty I AM Presence" to **MAKE ME AS BEAUTIFUL AS THOU ART, AND SEE THAT THE BEAUTY AND LIGHT WHICH I RADIATE IS A MAGNET WHICH DRAWS ALL INTO THE ASCENDED MASTERS' OCTAVE, AND THAT I NEVER HAVE A PERSONAL FEELING OF HOLDING THAT TO MY OUTER SELF!**

Unless you do that with an iron grip on your feelings, when the feeling arises, you are wide open to the force of that mass feeling.

I do not say these things to discourage you in calling forth

Perfection, but ask yourself what your motives are and what the reactions in your feelings would be if the Great Ones granted your Request, if They grant it; and like the lady, are you ready to carry the results of what you produce?

How many men would be strong enough to withstand the women who would chase you? How many of the women would be able to withstand the love that would come to them? Unless you can stand guard over this, because of what was poured out at you – unless you do that, just be content to let the “Presence” do what it wants to at the right time.

I have made my agreement with Life, because some one of mankind must do these things. You have never poured to me your love, individually or collectively, you have never poured to me anything that I do not pass it up immediately to the “Presence” and the Ascended Host and give praise and thanks for it. I never allow it to rest for a second, because I know what that danger is. So you must guard your feelings at the Heart. Grab anything that is not from the Ascended Host, and wipe it out like a rattlesnake. So long as you are in the atomic structure, that force can touch you – until you are completely in that Octave.

I am showing you just a little tonight of what comes with the Greater Powers which you are requesting. I thank you.

MAMA

(Mrs. G. W. Ballard)
