

## BELOVED GODDESS OF LIBERTY'S DISCOURSE

SHASTA SPRINGS, CALIFORNIA

AUGUST 12, 1956

RECORD – CD 330

BELOVED ONES OF THE LAND OF MY HEART, tonight, in the Fullness of all the Love that the “Mighty I AM Presence” and the Ascended Masters want to give to the people of Earth, all that the Angelic Host continually pour forth, We ask tonight the Release of whatever Sacred Fire from the Heart of Creation is necessary to flood over the Land and awaken the people in time to that which is required, that the Cosmic Law may act to protect them and purify the conditions within the Nation, before the destructive forces can accomplish some of their plans.

Since “I AM” One of the Guardians of the Land of My Heart, then I ask those whom “I AM” trying to guard, to live within the World of My Heart and accept the Outpouring of the Sacred Fire, which it is My Privilege to direct, to concentrate and to control within this Land.

So, as My Enfolding Presence clothes you with the Protection of My Love, I wish you to know always, the Flame of Cosmic Illumination goes before you to clear your pathway and to reveal to you That which you must know, if you are to be Master over the conditions that have caused such distress to mankind. You must understand, Beloved Ones, that the Great Cosmic Beings are watching every opportunity to pour forth through everyone all the Harmony, the Love and the Purity necessary to release Power – Power around each of you by which your Protection is held, and you are taken forward, and you may receive the Illumination that gives you Victory in everything you choose to accomplish.

Now the Nation tonight stands between two forces – the hordes of evil on the West, the hordes of evil within your Borders; and they are one so far as their determination is concerned to destroy that which We have given and established

within your Borders. Tonight with your co-operation, there can come Dispensations that shall roll back the hordes of blackness which are trying to contaminate everything that is of the Light. When the Cosmic Moment strikes and the Release of the Sacred Fire takes place that forces those hordes of evil back into their cause, be undisturbed by outer world events, some of which must destroy themselves. "I AM" speaking of events.

So, in Our Effort to hold Harmony in and around you all, in Our Effort to protect you all, that We may hold Supply for you all, it all depends on you. And as the Obedience is given and the Mighty Light allowed to release through your Calls, the Enfolding Power of the Sacred Fire's Protection to you all, ever increases around each one – not only around the physical form, but in and around your affairs – that your problems may be dissolved and consumed, and the Victorious Accomplishment that fulfills the Divine Plan, flood your world with Its Blessings We want you to have. Now this Greater Release of the Power of the Sacred Fire from the Heart of Creation, must be drawn into physical conditions and must be concentrated to a definite point to accomplish that which needs to be done.

I remind you again tonight, if mankind knew enough to solve their problems, they would not be in the distress that the world is in today. So, unless people will believe Us, unless they will accept Us, unless they will obey Us, there is not one thing on this Earth or all put together that can be their Protection, their supply or their Freedom of the future. Every bit of Freedom that any individual experiences, depends upon the Release of the Love of the Sacred Fire, which the Ascended Ones are concentrating around all that is constructive.

If mankind were able to release themselves, without the Assistance of the Ascended Host, it would have been done long ago. Everyone has had this "I AM Presence" down through the ages, and mankind has not freed itself; so, they don't know enough to free themselves! Unless the Ascended Masters' Love is accepted, unless the Ascended Masters' Way of Life is lived, unless the Ascended Masters' Law is the Law of the Land, then there is nothing but chaos ahead. Those who choose to doubt

this Messenger or This Light are yet to face the Truth they cannot escape.

This Nation has to be flooded with the Violet Flame Love of the Sacred Fire, in order to hold protected that which is of God within your Borders, that which is of God within yourselves, that which is of God in the Powers of Nature, that which is of God in the atmosphere above you. It is very vitally important, that you keep flooding into the atmosphere over your Land and the World, the Ascended Masters' Invincible Cosmic Violet Flame Control. We will see whether the hordes of war will invent that which they want to bring forth to destroy everything. We are watching everywhere throughout the World.

Mankind has forced certain secrets from Nature, and if they won't use them constructively, then We must dissolve them and turn back the creation upon the individual. The Mighty Saint Germain has done this several times, since this "I AM" Instruction has come forth. Yet the hordes of war think they are going to try it again. That is why the Messenger pled with you tonight, for this Protection of the Violet Consuming Flame to compel the Purification that is your Protection; and do not let down on the Demand for the Purification of the atmosphere over your Land! The disasters that have manifested over the last month or six weeks have been, some of them, very consciously, deliberately produced by conscious direction. That is what We have reference to!

So, Blessed Ones, arise into the Authority of your own "Mighty I AM Presence." Use the Victory of the Violet Flame's Cosmic Control and the Ascended Masters' Cosmic Love, that moves into outer conditions and compels the Release of the Power that protects that which is constructive.

Power, you know, is a wonderful thing, if it is used on the side of right. I plead with you, purify yourselves, remain humble and grateful; and be very careful in the use of power or authority. Few people can stand either one without feeding the ego, and that is dangerous — more so at this time, than ever in the history of the World. Purity, Humility and Obedience to that Great Law of Love is the Only Thing that merits Protection.

So from tonight, be humble before that “Mighty I AM Presence,” until only the Ascended Host and Their Enfolding Flame of Love can abide within yourselves or your world. We are trying every way the Cosmic Law permits, to hold Protection and Blessings for you all, to give you your Victory, and to save as many as We may of the mass of mankind.

For your Blessing and Encouragement, I wish you to know that in many of the terrifying, vicious conditions of the rest of the World, many of the Life Streams who are so wonderful with the Light in the Causal Body, and who have stood absolutely inflexible against the hordes of communism, when those of Great Light have passed out of the body, many, many thousands have been given their Ascension in the rest of the World! (*Applause*) Thank you, Precious Ones! Won't you be seated please, and just remain so.

I will not hold you long; but I want to assure you, that the Great Cosmic Law always compensates the Life Stream for an inflexible stand against that which is wrong. If sometimes the individual passes from the body and attains the Ascension, certainly there is nothing to be regretted; and many, many, many have won their Ascension by an inflexible stand against evil. So, Blessed Ones, from the appearance standpoint, when you see certain things taking place in the outer world, they do not always represent what is occurring from the Inner Level of Life.

So, as you feel Our Enfolding Flame of Violet Flame Love about you, It will make your pathway easier everywhere. Know that Our Violet Flame Love, as It enters into the atmosphere about you and into conditions that you contact, even though they be not your personal affairs, That is given for Eternity and becomes an expanding Flame within those conditions, until It forces their purification and ultimately the Victory of the Light. There is no such thing as failure to this Light! There is no such thing as failure to either your “Mighty I AM Presence” or Us! And the human never has been victorious. No matter how much destruction human selfishness and viciousness have driven against Life, it has never been victorious; because it always is compelled

to face the destruction it has imposed upon Life, until that destruction annihilates its own cause.

Blessed Ones, We are the Immortal Happiness of Cosmic Love. We are Immortal Mastery by the Power of that Beloved Violet Consuming Flame. Therefore, as you keep recognizing this and demanding that Violet Flame Control hold Its Dominion everywhere, the Cosmic Law automatically acts, because that is the Command of the Cosmic Law. Therefore, you give the Ascended Host the Opening, by which that Violet Consuming Flame can flood into any condition and change it — regardless of any human being or all on Earth. Mankind's human creation is not master over that Violet Consuming Flame! I assure you of that tonight, with everything in the Universe that is of God! I want you to feel that as you never felt it before, and demand it — **DEMAND EVERY DISPENSATION OF THE VIOLET CONSUMING FLAME'S AUTHORITY TO THIS WORLD, BE RELEASED INTO AMERICA!** Move forward, clothed in the World of Its Victory!

You have no idea the Assistance the Cosmic Beings are drawing into the physical atmosphere of Earth, and into the lower stratum of Earth, in the Use of this Violet Consuming Flame, as you give It more and more recognition and acceptance. If you **CALL FOR THE ASCENDED MASTERS' INVINCIBLE VIOLET FLAME CONTROL OF YOUR AUTOMOBILES AND YOUR TRANSPORTATION AND YOUR JOURNEY**, you will avoid the accidents that have, through destructive conditions, touched individuals in the outer world. Do not hesitate to **CALL FOR THE ASCENDED MASTERS' CONTROL, THE ASCENDED MASTERS' VIOLET FLAME CONTROL, IN WHICH NO DISCORD CAN COME TO ANYONE!** Then your problems, your Victory, your pathway, your activities become permanently harmonized. The Violet Consuming Flame is the only permanent, harmonizing Activity of the Sacred Fire that Life provides, to manifest the Fulfillment of the Divine Plan of the "Mighty I AM Presence," for the Ascension of all. So, as you concentrate on this now, especially the next few weeks, you will see the effect in yourselves and

your world, until it will seem almost like magic that your affairs are governed and controlled, even in the midst of the chaos of other people.

So, I bring you Assistance tonight, together with the Beloved Goddess of Justice and the Mighty Saint Germain, in the Use of this Violet Consuming Flame that can build to such Mighty Power, as shall compel everything on this Earth to recognize this Violet Consuming Flame; and in that recognition, a certain acceptance takes place. Then you change conditions in the outer world that have held mankind enslaved for centuries. From tonight, if you enter into the Heart of this, with every Power of your being, and DEMAND THAT YOU LIVE IN THE WORLD OF THE VIOLET FLAME CONTROL OF ALL THINGS, so shall it be established unto you; and I assure you tonight, you need It as you have never needed It any time in all ages past.

Let Me enfold you tonight in that Mighty Power of the Ascended Masters' Invincible Violet Flame Control of your affairs, yourselves, the pathway ahead of you and every activity of the outer self; until you stand the Master Authority revealing the Power and manifesting control of all wherever you abide, by that Sacred Fire – the Love of the Violet Consuming Flame – that will forever fulfill every Desire of your Heart. I commend you to Its continuous Use and I enfold you in the Cosmic Flame of Its Concentration, which it is My Authority and My Power and My Privilege to direct for your own Protection, Illumination and Raising into the Fullness of the Ascension as you have called; and this Ascended Master Control, Violet Flame Control of all in this World, is the Accomplishment of the Ascension without passing through the change called death. Therefore, that which the sinister force has imposed upon Life through the ages past, becomes dissolved, consumed and returned into the Violet Flame that annihilates it from the Universe.

We move forward, Precious Ones, to Victory – never doubt that for a second! But I want your pathway as comfortable and happy and as invincible as you will let Me make it for you. You

remember, you used to use a Decree: **GODDESS OF LIBERTY, SWEEP OVER OUR LAND!** I have answered that Decree; and now that Violet Consuming Flame of Ascended Master Control must come; and We want It to come to you first, then through you to America and the World. I assure you, that Torch which stands as the Authority of the Sacred Fire on your Eastern Coast, is this Power of the Great Central Sun's Violet Flame Control of all who enter into America.

So, let us expand It in Cosmic Power and Victory now; and hold Its Invincible Protection about all that is of God within your Borders; and may you live, breathe and use It so constantly, that It forever keeps your world cleared and protected and filled with the Perfection which only that Miracle Love of the Universe can bestow. Then you become the Honor Flame of God's Great Cosmic Heart of the Great Great Silence. America becomes that Honor Flame; and the World one day must become a Sun of Its Presence and Its Victory also.

You can now become Its Manifestation through this which I have brought to your attention, and which, as you go forward, will enfold you in the Victory unto your Attainment of your Eternal Freedom. Thank you so much, and with all My Heart!
