MIGHTY SURYA – CD 157

“The deeper you enter into the Understanding of the Sacred Fire of God’s Love in the Heart of the Great Central Sun, and the Holy Power that It releases for your use in outer affairs, the more you will come into the complete Mastery and realization of what tremendous Blessings and Opportunities lie before you, that offer Themselves to you for use and through Whose use you can give Assistance without limit to the Nation and the World, as well as individuals who contact you in your daily life.

“Therefore, when you call the Great Central Sun’s Heart-Power in and around you, That is Power Unconquerable, That is the Unconquered ‘Presence,’ That is the Power that produces Perfection that cannot be interfered with, when you command It to go forth as the Heart-Victory of Life. You can’t have your Victory without Power; but instead of using the energy of this world as temporary power to produce manifestation, by your lifting your attention and your Heart’s Flame of Love to your “Mighty I AM Presence” in the Great Central Sun, you draw forth the Heart-Power of Creation, and you produce the Heart-Victory of Perfection in manifested things of this World.”
