

OUR BELOVED MAMA'S INSTRUCTION

OR just a few moments as you turn your attention to the Chart, I want to try to make you feel – and I shall keep on repeating this until you DO FEEL – that every Decree you give is a FLASH OF LIGHT from the “Beloved Mighty I AM Presence”! – from Its Heart, Head and Hand, down through the top of the head and out through the spoken word.

There is also a FLASH OF LIGHT out through your Heart and a Ray of Light through your hands. As the Light surges forth, It goes through the Heart, head, hands and feet – through the feet into the structure of the Earth; through the hands into the atmosphere; and through the Heart, the Fire Element is set into action and energizes it with the Activity of the Sacred Fire; and the spoken word is the force that drives it to its destination.

Feel every time we give these Decrees that the spoken word is like opening the Door; and there flows forth instantly the Full Force to fulfill your Decree.

Many times your intellect knows positively that these things are so; when we explain them from the standpoint of energy, your intellect knows it is reasonable; and it is true; but until the feelings are charged with that same great assurance that your intellect knows that what you feel is reasonable – until your feelings are charged with that, you do not have instantaneous fulfillment.

If we have to say this for the next one hundred years, we will keep on saying it until mankind gets it – there is no other way. I am amazed sometimes, after I have said things so many,

many times, and I think “now everybody has that clear,” and no sooner do I think that, than I get a letter or someone asks a question that makes me know they have never heard any of it! Sometimes people who have been in the Activity for years ask me these things, and that makes me know the words I speak do not get in and become the Flame which charged into the energy in the feeling or emotional body, that feeling that made it their own forever!

Anything that the Flame in your Heart does instantly, or anything that is the release of the Power of the Flame of Love from your Heart, does produce instantaneous manifestation; but the energy in your feeling world is many times heavily charged with that which is opposed to that which your Heart wants to do. In that case, it is a hook-up between the intellect and the emotional body to keep you in chains when you would be free if you would do what the Heart wants you to do – and there never was anything between your Heart and the “Presence” except your head!

I want you to get some kind of a concept of how much energy you use in these Decrees. When we really get going with pressure and speed in these Decrees, it is almost immeasurable, in the Power which is gained through the Decrees. What is that? The words in these Decrees are all in agreement with your “Presence” and the Ascended Masters. That is Life; it is Energy; it is Consciousness; it is Feeling; it is the Authority of the spoken word; it is the Ascended Masters’ Consciousness, when we use Their Names and call forth Their Powers.

Then when that drives to its destination, it is a pressure of energy to be reckoned with. We give a certain amount, and then the “Presence” and the Ascended Ones take that up and They, wielding unlimited Power, amplify it and direct it to its destination, until it becomes a Pressure of Light in the atmosphere and locality. They keep on amplifying, intensifying that until it forces the destructive conditions dissolved, and Perfection takes its place.

Never feel that your Decrees can ever fail to be answered. Your Decrees are your Life, and Life is the only means of

action anywhere in the Universe. It is the only thing that causes anything to act; and Life through your Energy in the spoken word and your feelings in these Decrees, mean the Fulfillment of Life's Commands.

Sometimes a gentle feeling sneaks over you and you wonder, "does that act?"; or you feel so helpless that you cannot stand against a condition. That is the old hypnotic thing in the race consciousness, in the feelings of mankind, that they are helpless before destructive forces – when they can release at their Command whatever is required.

If we can draw the Energy in these Decrees every night as we have, send them forth into the atmosphere of Earth – all of that is at our Conscious Command – if we give enough energy to do that, we can give enough to fulfill these Decrees.

NEVER ALLOW A FEELING EVEN FOR THE FRACTION OF A SECOND, TO SWEEP OVER YOU THAT YOUR DECREES ARE NOT WORKING, OR THAT YOU CANNOT ACCOMPLISH THAT WHICH YOU KNOW TO BE RIGHT.

When you know a thing is right and you place your God first, and compel everything else to become secondary, you are bound to succeed; then just hammer right at it until the fulfillment is there. If you are wholly sure that you always put the "Presence" first, and take your stand with that "Presence" and know that It has gone into action, no destructive force can stand against that, if your own feelings do not suddenly sweep through that the fear that your "Presence" would not act on time.

Thank you, Beloved Ones.

MRS. G. W. BALLARD
