

## ASCENSION DAY SERVICES

CLEVELAND, OHIO

MARCH 20, 1938

MR. BALLARD:

Beloved Saint Germain will say a few words in laying the pattern for the day.

### BELOVED SAINT GERMAIN

BELOVED CHILDREN OF THE LIGHT, and such I can really call you today. I wish that each of you might see in forty-eight hours how the activity, the color of your feeling world has changed since I released the Activity for today.

Mr. Rayborn will give the dictation for the afternoon and David Lloyd will give the dictation for tonight. The reason is to carry to you the direct Radiation from these points. Mr. Rayborn has been at the Cave of Symbols for several days. He will not only carry to you the Power of the Activity of today, but also the Activity of the Atomic Accelerator and His Own feeling of His Achievement there on the identical spot.

In Arabia the Atomic Accelerator will not be used, and David Lloyd is there, entering into the full vibratory action which He will hold and bring here to you tonight in Its direct intensity, and I ask each one to please accept whatever vibratory action they feel in their mind, body or feeling world as the Perfection of the "Presence." It can only produce Perfection for you, so do not let your human requalify it with anything unpleasant.

I thank you, Beloved Ones of Cleveland and those who are visiting here, for your great love, gratitude and the realization that is in your feeling world of what all this means. May I ask all who intend to be present tonight to feel as kindly and be as quiet as you can from this time on until the close of the meeting tonight? Please do not enter into the general discussion of the outer topics of today, but in that great kindly Outpouring, let the full Powers of your Inner Light be as little affected by the conditions of the outer world as possible.

Mr. Rayborn will take charge.
