

JEWELS OF LIGHT
(Words of Jesus)

“ ‘I AM’ the Resurrection and the Life”!
Our Mighty Brother Jesus’ Blessed Call,
So true, and all renewing midst Earth’s strife,
Yet bringing Light and Help to lift us all.

“ ‘I AM’ the Resurrection and the Life”!
In Victory true those Words release the Earth;
They were the Dawn of Freedom and the Light,
Still do they raise mankind to its rebirth.

“ ‘I AM’ the Resurrection and the Life”!
The Light to all that none may take away;
Then stand and be Its Truth all blazing bright
And help to usher in the Cosmic Day.

“ ‘I AM’ the Resurrection and the Life”!
Speak forth those Blessed Words forevermore,
Be all their Mighty Glory from His Height,
Your “Mighty I AM Presence” now adore.

“ ‘I AM’ the Resurrection and the Life”!
The Great Decree of Him Who leads us on,
The Glory of His Presence and Love’s Might
Must bring to us our Vict’ry e’er the dawn.

“ ‘I AM’ the Resurrection and the Life”!
The Greatest Power we can ever know.
Oh, be Its Great Dominion o’er Earth’s night,
It is the Greatest Jewel God can bestow!

JEWELS OF LIGHT NO. 2
(Words of the Ascended Master, Saint Germain)

“I AM” the Ascension in the Light!
Made manifest as Love’s Great Plan,
To bring God’s Freedom full and bright —
Complete release for every man!

“I AM” the Ascension in the Light!
It is our Life’s Transcendent Goal
And lifts us now above the world,
Its Own Great Glory to unfold.

“I AM” the Ascension in the Light!
Those Words — “I AM” — are Life all free;
They sounded through the Earth of yore
And still they call to you and me!

“I AM” the Ascension in the Light!
Forever shall those Words resound,
Till every ear shall hear Their Call —
In every Heart Their Joy abound.

“I AM” the Ascension in the Light!
And everyone shall be It, too;
It is the Great Command to Earth,
Arise! and BE! It’s Vict’ry True!

“I AM” the Ascension in the Light!
Was Our Blest Jesus’ constant Call,
He stands beside you now — all free!
His Mighty Love enfolding all.

“I AM” the Ascension in the Light!
And Light is all of God’s Great Pow’r;
Then stand within the Light of Life
And BE Its Victory NOW — this hour!

“I AM” the Ascension in the Light!
The Light from our Great Central Sun,
Within Its Dazzling Blazing Heart
In Glory, I at last have come.

JEWELS OF LIGHT NO. 3

(Words of Our Beloved Saint Germain)

“I AM the Light of God that never fails”!
The Light before which all of discord quails,
The Light of Life, of Glory and of Love,
The Light from my own Presence up above.

“I AM the Light of God that never fails”!
The Light that pierces all of Earth’s dark veils,
The Light that comes from out the Great, Great Sun,
The Light from our Great Source – The Mighty One.

“I AM the Light of God that never fails”!
The Light that stills all storms and human gales,
The Light that brings release, relief and Peace,
The Light “I AM” and all else now shall cease.

“I AM the Light of God that never fails”!
The Light each Ship of Life forever sails,
The Light in full Dominion all shall see,
The Light is Life’s Command and Victory.

“I AM the Light of God that never fails”!
The Light descends! Its Presence all Earth hails!
The Light is Life’s Great Gift to Blazing Pow’r,
The Light comes now, to rule this Cosmic Hour!
