

BELOVED MIGHTY LORD MAHA CHOCHAN'S DAY

May 22, 1983

“We ask all ‘I AM’ Study Groups to turn all their attention, activity and devotion to Him, and through Him to the Powers of Nature and the Forces of the Elements, that all destructive forces may be shattered, and prevented from acting upon our crops, our people, and our Land. Then we ask His Blessings to keep expanding throughout the Earth, until all are Free and Victorious in the Ascension!

“Let us ask Him to release all on Earth from all war, destruction, selfishness and discord forever!

“We wrap our Hearts about Him in Eternal Devotion and Gratitude; and may His Mighty Cosmic Light flood this World and all upon it, until all are Perfect and Free in the Ascension.”

(Mrs. G. W. Ballard)

Excerpts from Beloved Lord Maha Chohan's Discourse — Long Beach, California — September 2, 1953.

“ . . . Tonight I trust I shall give you a Picture that will not be difficult to hold, which I hope you will enjoy using, and I hope you will love with all your Being. Therefore, in making the Demand upon your ‘Mighty I AM Presence’ that It reveal Itself in Full Victory through your outer flesh forms, until none can fail to see Its Full Authority and Love in command, you can hold the Picture of the Higher Mental Body, or the Picture of the Electronic Presence within the Causal Body, descending and filling your outer physical form, and holding the Great Sphere of Colors around the physical body.”

“When you realize the outer self is but the Crystal Cup into which the Electronic Presence or the Higher Mental Body pours Its Light continuously, then as you hold the Picture of the Higher

Mental Body's Dazzling Presence in and around the physical form, enveloped in the Great Sphere of Colors, then the Unfed Flame in your Heart, expanding and going before you, becoming the Pathway of the Sacred Fire, you will also understand what the Mighty Saint Germain meant when He said, 'If you really know what your "I AM Presence" can do for you, you will find there is no such thing as an adverse condition.' Now wouldn't it be wonderful to arrive at the place where never again do you accept or experience an adverse condition to the Fulfillment of your own Divine Plan?

"When We offer you the Flame of Love from Our Hearts to consume the accumulation of the centuries around you, it is as if We threw a door open like that (motion of hand) and you step out into the Sunshine of your Higher Mental Body and the Radiation of Love from the Ascended Host, and you walk on a Pathway where stumbling is unknown. I want you to hold that Picture, because I want you to walk that Pathway as soon as possible!"

"If you will but hold the Picture of the Luminous Presence of your 'Mighty I AM' coming into the body, encircled by the Sphere of Colors, there will automatically come more Victory of Its Love in you and into your affairs; but there will also come more of Its Illuminating Love into the outer Radiation of the atmosphere about you. When your Higher Mental Body gets close enough to this physical form to hold Its Radiance enfolding the upper part of the body to just below the Heart, you will radiate Its Light through the flesh. That is why I want to set into action, with your cooperation, the Pattern of Perfection that must some day appear and act through you to outpicture that which fulfills the Divine Plan.

"So as you begin to love your 'Presence,' as your Heart's Flame enfolds It, and you ask It to come into the physical flesh form and reveal the Fulness of Its Victory over this World, and blaze the Fulness of Its Miracle Love of Eternity, filling your Electronic Circle of Life with the Great Sphere of Its Radiance and Blazing Colors, there will come a very rapid action in and around you of that great willingness to call the Great Law into action and expand Its Mercy to Life everywhere."
