BELOVED DADDY'S DISCOURSE

Through Mrs. G. W. Ballard

CHICAGO, ILLINOIS

JULY 19, 1945

MY BELOVED ONES, Dear Hearts of the Light, tonight I come to reveal that which is the cause of all mankind's distress in the body. It will sound simple to you, but nevertheless it is the fundamental cause of all distress in physical form. And from this night henceforth, as you think deeply upon what I am going to say, and then decide within yourselves that which you wish to do, will you enable Us to release you from that which has been your distress so long; or else you will remain within it, according to your own decision.

Now, you may think you have done that which I am going to explain, in the intellect; but I have reference tonight unto that action of your feeling world that has for centuries been the cause of mankind's lack of the use of Levitation. Mankind did have the unlimited use of the Power of Levitation in those first two Golden Ages when they still remembered their Source and still used the wonderful Powers that are within Life with very great Freedom.

You have had a great deal of distress in those bodies, have you not, all through the centuries? And I am sure that some of you remember the distress you have had in this embodiment. I think the memory does not dim in that respect. Now why do you think that the bodies have had so little ease or peace or comfort through so long a time? Why do you think there has been so much distress within the body itself, and why has mankind used those bodies for awhile and then they became of no further use? They just will not obey the direction of the consciousness which occupies them. Why do you think that has gone on for so long? Why has mankind had so little peace and rest within these bodies that carry the Four Elements of which the Planet is composed? Why do you think there has been so much misery and distress and limitation concerned with the body?

Because it came from God, and belongs to God, and you will continue to have distress in the body until you give it back to God.

Mankind has had their distress because they thought they owned these bodies, and they do not. Mankind's bodies come from that "Glorious I AM Presence." Since the physical form is made of the Four Elements that the "Mighty I AM Presence" has drawn together, and especially the Light Body is composed of the Etheric Substance of Light which that Higher Mental Body drew together, only when that Inner Pattern of Light — the Light Pattern of the Life Stream — was completed, could a physical body be formed. Since that was done and allowed by the Higher Mental Body, then mankind's continued concept that they own the body is the continued pain and limitation that abides within it. This is the part of the consciousness which I wish to clear tonight in yourselves, and through you We will pour a Radiation. As you speak those words to the rest of the World, will We pour the Radiation that clears the concepts of mankind en masse that have held them slaves to the sinister force.

The whole human race has been under the idea, the delusion, that their bodies belonged to them, and they never did. Mankind through the centuries has been told, "*Ye are the Temples of the most High Living God.*" Then, if you are the Temples within which God abides, then the Temple belongs to God! But mankind has not believed that, and they don't feel it today. Hence, the distress of the outer world is but their own mental concepts and their own feelings that they own what belongs to God, whether it be the body of the individual or the body of the Planet.

The outer intellect of mankind, the outer selves of mankind, have not built this Planet; they have not placed the Powers of Nature here; they do not govern the tides; they cannot control the wind; they do not control the seasons! Then the Planet belongs to something besides the intellect of man. And when mankind understands that your physical bodies are but atoms of this Planet, it is rather self-evident that they do not belong to you.

Now then, if you can completely relax your feelings tonight and become as a little child before that "Presence," and humbly and gratefully accept this which I bring, it will be very little trouble, very little effort, because it is no trouble for the Higher Mental Body and Us to return the flesh of these forms to the condition of

that of a child; not that the height of your stature would decrease, but the type of flesh and the blemishes that have come upon it would disappear. When the outer self, in the feelings and in the attention of the intellect, has completely renounced the ownership of this outer self, then the “Presence” and the Higher Mental Body says to you, “Very well, I will come in and occupy the Temple; but *there cannot be two masters in the house. If you wish Me, then I must be the only Presence acting!*”

Now from tonight on, My Loved Ones, you will have a different feeling toward your bodies than that which you have ever had before, and as you dwell within it, and think deeply upon it, and feel the Reality of the Truths We have spoken, will you find the atomic structure becoming much more obedient, much more luminous, much more beautiful, and much more comfortable. I believe that is quite desirable.

It was necessary to come and give you this Illumination tonight in order to release to you certain Forces and Powers that are the Fulfillment of your Calls. It does not take that “Presence” very long to flash the Light through your bodies. It takes no longer for the “Presence” to flash the Light through your flesh than it does for you to turn the switch and turn the light on in a room. We can illumine your bodies just as quickly as that, and it will be a thrill you will never forget when it does occur. You will notice I am taking something for granted! (*Applause - audience rising*)

Thank you, Precious Ones. I shall accept that and keep pouring My Light and My Love until the Full Comprehension of this which I am releasing to you tonight grips you within the feelings, and releases you forever from your limitations. (*Applause*) Thank you, Precious Ones. Won’t you be seated.

Now then, it was the pull of the energy through the attention of mankind down into the outer things of the outer world, which became the concentration of the power that makes mankind think they cannot levitate the body. In order to release the Power of Levitation through you, there must come within the feelings the Complete Consciousness within you that the flow of the energy, when you command it, again belongs to your “Presence.” Your Complete Freedom from your attachment to things, you will find,

is the release of the gravity pull upon the body at your Conscious Command. People are held close to the Earth and its conditions because they hug to themselves the things of the world, when if they would realize that the body belongs to the “Presence,” then when the “Presence” chooses to let that body arise into the air, the clinging would be to the “Presence” and not to the things of the Earth. Do you see? The ability to overcome the gravity pull upon the atomic structure lies within the feeling of the emotional body of its Complete Release of the things of the World.

Now that does not mean that you do not love them! It does not mean you do not bless them! It does not mean you cannot have an abundance of them for proper use; but you must own the things — they must not own you. There is a difference. If they pull upon you, then your emotional body is not free, and its energy is not released into the Command of the “Presence”; but if you can love and bless everything, and yet be unattached to it, and turn your back to it on the moment, and go to the “Presence” without ever looking back or feeling the pull, then will you move into the atmosphere, walk upon the water, or do as you choose in regard to where the body shall go and into what conditions it chooses to manifest or you choose to let it.

This is vitally important in the release of the Powers of Precipitation, Etherealization and Levitation, because in the handling of the atomic structure and of the things of this World, or the condensing of the atomic structure, or into the atomic structure, rather, of the Universal Substance of Light, you must simply keep forward in the consciousness the Full Comprehension that That which you are lowering into the use of this octave, still belongs to the “Presence,” and your body belongs to It. Then when you give It complete control through it, Its Powers release one by one in Unlimited Action through the atomic structure, because you are not holding here by your will something that is pulling away from that which the “Presence” wishes to do.

That is the only reason pain and distress have ever come within the emotional body, because the outer self claimed the body and its desires as something of its own, instead of remembering Who the Supreme Owner has always been. The moment your

surrender is complete to that “Presence,” will you find Ease and Relaxation, Beauty and Joy, Perfection, Health and Opulence, and every Good Thing in this Universe flooding into you, as easily as breathing; because there is no more defiance in the feelings that are in opposition to the feeling of Harmony and Love in that “Presence.”

This night you shall have Complete Release if you understand this, and give it back into the management of your “Presence,” and just love the “Presence.” There is not an imperfection that could stay in your body if you loved your “Presence” enough, and felt with every atom of your Being that you belonged in Its Arms, and everything down here belonged to It. What do you think that is? The Messenger has said this in other words, but the people don’t understand. This which I am telling you tonight is Obedience to the very First Commandment — *“Thou shalt have no other Gods before Me.”*

God, the “Mighty I AM Presence,” the Owner, the Giver, the Doer of all that is good, is not just an intellectual idea up here somewhere. That “Presence” is a Being! The Higher Mental Body is a Being, Magnificent, Beautiful, All-Powerful, and the “Cup” that carries the Unfed Flame from the Heart of that “Presence” belongs to the “Presence” that gives the Flame. The moment you can train your feelings and remind them, many times a day, that they do not belong to anybody or anything but that “Presence,” will you find you will take the pressure of your own discord off of the rest of Life, and placing it within the “Presence” and Its Heart, and awaiting Its Orders, will you be at peace. For the first time in your existence will you really know what it means to begin to abide in the Heart of God.

Then, My Dear Ones, it will be no trouble to break habits that have bound you so long, and every time you have tried to break them, they have battled you back, and sometimes you won and sometimes they won, but the battle goes on. Not so with the “Presence.” When you know you belong to that “Presence” and the body belongs there, then the appetites, if offered to that “Presence,” will be purified and dissolved without struggle. Habits that have caused you distress for so long will be gone

overnight.

You may wonder why We have not told you this before. We have told you in many ways; but the atmosphere about you is clearing. The brain structure within each of you is becoming more luminous, and these Words tonight will mean to you what no set of words has meant before, because with Them there is being carried into your emotional bodies the Consciousness of the Light and the Reality and Truth of that which I say that you will never forget.

The moment there might be pain or limitation or distress in the body, you will just like that (*motion of the hand*) let go and say, “Oh no, that is my defiance. This body belongs to my ‘Presence’! ‘Beloved I AM,’ take it and hold Perfection and Peace forever!” One after another will you let go of the distress and limitations of the flesh structure with the ease of casting off an old garment. You will find it much more obedient. You will find it much more comfortable to live in; for I tell you, there is no peace apart from your “Presence,” and *anything that ever disturbed your peace was because in the feeling world you did not feel that you belonged to that “Presence.”* Temporarily you felt that you had to run things out here, and that always produces tension and pain.

All the pain that ever existed in mankind’s feeling world is because they did not remember or believe that the entire Stream of Energy with which they could feel or do anything, belongs to that “Presence,” and the body is Its Temple. No wonder mankind are in the distress they are in today — they have forgotten the original arrangement of Life. Only through intense agony, when the distress becomes so great they can scarcely remain conscious, will they turn back to that God and say, “Oh, God have mercy,” or “God save me!”

From this night henceforth, Beloved Ones, the moment there is anything in the body that causes distress, just forbid it to register in your feeling world, and say, “NO! NEVER AGAIN DOES ANY FEELING RECORD HERE THAT IS OF THE OUTER WORLD’S DISCORD! I FORBID MY FEELINGS TO REGISTER ANYTHING BUT THAT WHICH COMES FROM

MY 'PRESENCE'!" When you give your body completely back to your "Presence" will you for the first time know Complete Ease and Happiness and Joy that you had in those first two Golden Ages. You have not had it since in any embodiment; but tonight the door stands open in these Decrees you have been giving for the Open Door — the Resurrection and the Life and the Open Door that no man can shut. It is a raising of the energy and the substance of the body back into the control of the Higher Mental Body. You will remember this tonight. Whenever there is distress or limitation, there will be something in you, a Light that will remind you that you don't belong to the distress of the outer world. That body belongs to the "Presence," and It is the Master Physician of the World and the Universe.

My Heart longs to go into the outer, or through this Messenger, and blaze the Flames into bodies that are in such distress tonight. Those in the National Defense, Oh, how gladly would I lift everything from them if they would only turn their attention to This Light. Through your Calls, Beloved Ones, as you go on with this Decree for the Resurrection and the Life and the Open Door that no man can shut, for all mankind to enter in once again, and the full Illumination and consciousness that all their bodies belong to the "Mighty I AM Presence" and the Ascended Host, will you find that flooding like an Ocean of Light filtering through the consciousness of mankind, until there will come an awakening that will silence in each one and make them turn in the privacy of their own Hearts to God, and surrender the management of this outer self to the only Being in the Universe that can manage it harmoniously for Eternity.

You run these bodies for a little while and you get a little comfort, and then something happens and that does not remain with you permanently, because no one can run these bodies permanently happy except the "Presence."

So tonight, Beloved Ones, if you can but remember, and when problems or distress come, turn immediately to that "Presence" and say, "I BELONG TO YOU, AND THIS WHICH IS OF THE OUTER WORLD, I WOULD LIKE TO BRING INTO PERFECTION. SHOW ME YOUR LIGHT AND

LET ME FOLLOW YOUR DIRECTION AS TO HOW TO DO IT.” Do you know that anything you offer to your “Mighty I AM Presence” and Higher Mental Body in unconditional surrender, anything that is of the outer world, that It immediately draws it into Perfection; because It has not anything in Its Own World but Perfection, and the moment you give It something and It touches that, it takes on Perfection. Whatever you give to your “Presence” must be raised into Perfection. I am sure you will not object tonight to bring some Perfection into these bodies, so they are more comfortable. I am quite sure of that! (*Applause — audience rising*)

Thank you, Precious Ones. I shall come back to you with that Love, on that Love with the Reminder and the Illumination that brings the Perfection which your Hearts desire. Won't you be seated, please.

I must not hold you longer, but I did not want to wait until Sunday to release this Knowledge to you, because you can go right into action with it. As you just feel that Complete Release of everything into the Love and the Management and the Arms of your “Presence,” My Dear Ones, for the first time in centuries will you breathe comfortably and easily as if tons have been stripped from your Life Streams. You cannot possibly know the joy and the lightness of the body that will be yours until you practice this for a few days or a few weeks. Then will you look back and realize that you never were completely in the Light until you had given yourself, the body and your feeling world, completely to the “Presence.” There comes such ease, and with that ease and that intense harmony will there come a happiness that is the Motive Power that will fulfill the Divine Plan and your Decrees with very much greater speed.

So tonight, think deeply upon this, because as you give that back to the “Presence,” will your body itself have a buoyancy and lightness like that of a child. The tension will relax and you will rest as you have never rested before. Give your bodies back tonight to the Source that owns them, and ask that “Presence” to perfect them now and never again let you for one instant, feel or consider that they belong to anything or anybody but just your

“Presence.” Rest in that which the “Presence” will do for you when you give It this opportunity.

Then will it be easy to know that your hands are the Hands of your “Presence,” because you have given them to your “Presence” and the “Presence” perfects all things that touch Its Ray. You will give your feelings to the “Presence” and the “Presence” will flood you with Its Own Feelings — then you will move in the World of your “Presence” while yet unascended. You will know when any distress seems to be in the outer world, that that is just something claiming to own something about you that belongs to the “Presence,” and you will turn from it quickly and again acknowledge that you belong to the “Presence” and the “Presence” takes care of that which otherwise would be distress.

So I enfold you tonight in the Remembrance of the True Divine Plan of the Original Command of your “Presence.” You are a projection of Itself — then truly you belong to It. Just as surely as these blossoms belong to the plant, do you belong to your “Presence.” Your bodies belong no longer to anything discordant of the outer world that pulls upon you. They belong to your “Presence.” Be aware of that often, and I shall not have to tell you again that *the secret of Mastery is the surrender of the outer to the Heart of the Inner — the Sacred Flame that owns all, has given all, and must raise all once again into that Perfection which it once knew*, but this time with greater expansion, so that the Life of Eternal, Expanding Happiness and Perfection goes forth to fulfill Its Divine Plan as was originally intended.

Give yourselves, your bodies and your outer selves, your feeling world, into the God Supremacy of that Unfed Flame, and acknowledge Its Mantle of Authority. I shall not need to say more. Your own experience will love you back into the Powers and the Limitless use that you once had and now must draw forth again to love the rest of the World into the Light, until they too can see that all belongs to that “Presence” and all will love to give it back. The “Presence” will not accept anything that is not given in Love, so don’t do it with a sense of duty in order to avoid misery. No, not that. Give it back because it always belonged there and you are grateful for the opportunity to understand and obey, that

Perfection may be everywhere, and give Its Blessing and Happiness as Life intends.

Tonight I clothe you in My Mantle of Obedience that returns all into the Fulfillment of the Divine Plan, that your Song of Happiness, your Song of Life, may become the Great Chorus of the Angelic Host, and the Music of the Spheres be a Reality in your Hearts until your Ascension is complete.

I think it would be lovely in each Sanctuary if you would recognize once a month, or at least give some time, love and Blessing to those who have completed the Ascension from each Sanctuary; and make the Call even for those who have not completed It, but if they have passed into the Octave of Light to rest, make the Call that they gain their Ascension early in the next embodiment. I think it would be a lovely thing if once a month that reminder could go forth and give acceptance to those who still love you just as much, yes, far more than they did when they were here. You will find that as you bless Life with that loving recognition that they now belong to the Octave of Light, will you find more Light around you and in all you do. The Perfection for which you have called becomes a Reality, just as easy as breathing, and a joy that is ever-expanding for Eternity.

As I offer you My Mantle, My Golden Mantle of Obedience, may you feel It as a Dazzling Light and a reminder that after all, you have come back home into the Father's House and there you abide because you know you belong to His Family.

Tonight, as We meet you out of the body, as you put those bodies to rest, will you come into a more intense Radiation of the comprehension and feeling of this of which I have spoken. That will anchor within you in the morning, a positive force that I am sure will make you very happy. So live in the anticipation of the Complete Release, because you have set your world into Divine Order once again and that which belongs to God is given to God, and that which is of the World is blessed with Happiness and Perfection and greater Harmony now to remain for Eternity.

I thank you, Beloved Ones of the Light! Dear Hearts of the Light, My Ambassadors of that "Mighty I AM Presence" that now opens the door into your great release. Thank you, Dear Hearts of the Light for this night. Good night.

BELOVED LADY MASTER NADA'S DISCOURSE

Through Mrs. G. W. Ballard

SHASTA SPRINGS, CALIFORNIA

AUGUST 13, 1957

RECORD — CD 365

BELOVED OF MY HEART, as we enter tonight into the explanation of a certain Healing Activity of the Sacred Fire, especially the Violet Consuming Flame, I hope you will enjoy holding the picture, as I give it to you, that will intensify the Action of the Healing Love from the Violet Flame Angels, whose Service to those under This Radiation is specific and consciously directed by the Mighty Beloved Saint Germain, as well as Others of the Ascended Host.

In entering into the use of the various Activities of the Sacred Fire, the Healing Flame is most required at this time because of the terrific distress into which mankind has drawn itself through centuries past; but those of you who are rising out of that mass accumulation are now privileged to call forth in and around yourselves, the Healing Flame of Love from the Angels of the Violet Consuming Flame. As I describe this picture to you, I hope you will feel Its great, calm, purifying, all-controlling Action, as you watch It enfold each one's physical body or the conditions that need purifying and perfecting.

The Angelic Host are brought forth into outer manifestation to assist the people of this World in holding protection about that which is to attain the Victory in the Ascension — but until then, to hold a certain Invincible Purity in and around those whose responsibility it is to let the Sacred Fire flow through them and around them to purify and heal all they contact.

Now, when you left the Great Central Sun, the Higher Mental Body called into service an Angel to guard your Life Streams, or at least guard the embodiments and the drawing of that substance into each embodiment which the Higher Mental Body wished to use in producing manifestation in this World of only Perfection. Therefore, the Angel of the "Presence," Who stands the guard over each Life Stream embodiment after embodiment, guarding as much as It may the substance that is drawn into your outer use,

that Angel comes closer and closer in and around you by projecting the Flame of Love from Its Heart. The Angel Itself stands some distance around or away from the physical body, but the Heart Flame of that Angel reaches out, and enfolding the physical form, seals that Flame of Love about that substance. Now that also includes your mental and emotional bodies, and your etheric body. The Flame of the Angel's Love enfolding the outer substance, holds that close and sealed within Its Own Power of the Sacred Fire. You in the outer, absorb that into the flesh structure, and particularly into the emotional body and the etheric body.

This is the Force and the Substance drawn in and around your Life Streams, that acts in an instant for your Protection against destructive conditions that you may contact during any particular embodiment. That Angel is always ready to pour Its Flame of Purifying, Healing Love about all It contacts. And only when the outer self becomes downright vicious, does It recede farther and farther away, until the Higher Mental Body commands the consuming of the frightful evil that mankind has generated.

Now for yourselves and your Loved Ones, when you wish to call forth the Healing Power to assist them, you may hold the picture of the Violet Flame Angel and watch from the Sun Presence of Its Heart, the Projection of a Flame — the center part pink, the outer violet, and the outer Radiance blue — reaching out and going forth to enfold your Loved Ones, or anyone to whom you wish to give assistance. Now this has many Blessings, not only in illness, but this can reach out and into the mental and feeling world of an individual, to quiet disturbance, to purify, to illumine, and to raise the Vibratory Action of the Inner Bodies into the same Great Purity and Love that the Healing Angel projects. The more you can understand the Reality and the Presence, the more you can *accept* the Presence of these Healing Violet Flame Angels, the closer They will come and the greater will be the Strength and Power of that Sacred Fire wrapped around you.

Now as you draw this either around yourselves or other individuals or conditions, the Angel, being entirely a Being of the Sacred Fire, cannot take on, so to speak, any of the distress which It is raising or changing into Perfection. This is the difference

between the Healing Love of the Angelic Host or the Violet Flame Angels, and that which you might project in your love to one who needs to be healed, and from the outer self, pouring the Flame of Love from your Heart. If your sympathy is touched, you can connect with the distress that you are trying to consume. Your own Flame of Love from your own Heart must go at all times to your own “Beloved I AM Presence”; but if you wish to give assistance individually, or collectively to help a situation, you may call to your “Mighty I AM Presence” to send the Healing Flame of *Its* Love in and around an individual or a condition and let that Flame enfold it, and hold it close until the Perfection is completed. Then the Healing Angel of the Violet Flame stands the Guard and brings to sustained Perfection the Healing for which you call.

But be very careful in your desire to heal, or assist conditions or people that are in distress! Be very careful that your intense desire does not carry your feeling to the individual; because if you do, you tune in to that same condition and you draw it back into your emotional body, instead of consuming it and raising it into the Perfection of the Sacred Fire.

Now when you recognize *only* the Sacred Fire, that’s a different thing. But many times people through sympathy draw upon themselves, because of their desire to assist others, the very conditions that need consuming. This is the Power of Protection that the Mighty Saint Germain has given you in the use of the Violet Consuming Flame; for as you send your love and devotion and obedience to your “Mighty I AM Presence,” and ask It in Its Love and Mercy to project the Sacred Fire into a condition, there cannot come any connection to you with the distress in the condition that needs to be dissolved and consumed from all Life, so it cannot produce further manifestation.

The Healing Flame from the Heart of the Healing Violet Flame Angel, goes in and around the physical body and holds it close within that Flame until the Purification takes place, and it becomes charged with the higher Vibratory Action of that Sacred Fire. In that way, you may give help without limit to any condition of the outer world, always from the Heart Flame of your “Mighty I AM Presence” and the Angelic Host, and you remain insulated

in the Heart Flame of the Sacred Fire Love that is at all times your Eternal Protection.

In this way you may draw Healing Power without limit, and if you care to concentrate on the Sacred Fire Miracles of Instantaneous Healing, My Dear Ones, when you call that forth by the Violet Flaming Christ and Mighty Victory's Victory manifest, or the Violet Flaming Angels of Healing, you have no idea what Dispensations the Cosmic Law can give to more quickly purify and set mankind free. When enough of unascended Beings who understand This Law, CALL THAT POWER, THAT FREEING, HEALING LOVE OF THE VIOLET CONSUMING FLAME AND THE HEALING ANGELS OF THAT VIOLET CONSUMING FLAME TO EXTEND THE MERCY OF THEIR HEARTS' LOVE TO LIFE EVERYWHERE, because of the cycle you are in, you may have infinitely greater Power to use individually to assist the masses of the people, than has ever been given before in any age.

So, Beloved Ones, with this will come to you a sense of great calm and peace, and yet within that will be such a power arising within you to hold steady everything around you, that you will find it becomes an Invincible, Protecting Presence. Now if I were you, I would acknowledge the Protecting *Presence* of the Angelic Host, the Healing *Presence* of the Angelic Host — *always acknowledging the Presence of the Being or the Flame that is required to protect or perfect a condition*. Your remembrance of the *Presence* will keep you aware in the intellect and the feeling of the immediate Presence and proximity of the Being or the Flame for which you call.

Now if there are those of you who feel especially drawn to the Concentration and Use of this Activity of the Healing Angels of the Violet Consuming Flame, and the Presence of that Healing Flame from your own "Mighty I AM Presence" and Higher Mental Body, you become, in a short time, enfolded in a Sun Presence of that Flame. And then, many times without your knowing it, wherever you go, It goes forth and continues Its Action of purifying and healing all that you contact. This is one of the great Secrets of keeping yourselves invincible against destructive conditions,

because the Sacred Fire in Itself consumes that which is of evil; and therefore, as this Sun Presence is intensified and expanded around you, you become automatically protected by the very Power of Love of that Sacred Fire that you give for the Freedom of Life.

Beloved Ones, if you will experiment with this, watch the Miracles that will be produced; and if you choose to build a tremendous momentum of that Miracle Healing Presence, charge always that It be forever sustained, ever-expanding, ever-Victorious. Then whatever Power of Healing you draw forth will not act for awhile, and then disappear or you lose It. So many channels of healing in the outer world have had tremendous Powers from Our Octave of Life drawn to assist the people, but after a time they fade out or the people turn away from them. With this which I am giving you tonight, you draw that which is Eternal into this World to become a permanent part of all Life that passes this way. If We can depend on you to give this some attention and build this momentum now, you will be greatly blessed because of the help you give, and automatically it will perfect conditions around you. I hope We may have your cooperation! (*Applause*) Thank you so much, Precious Ones. Won't you be seated, please, and just remain so.

Now, *the Angel of the "Presence" is a very real Being!* The Flame that comes forth from Its Heart is a very tangible Reality, and if you care to acknowledge Its Presence you will find It abiding with you forever. Now let Me show you how real and tangible that is. The Messenger has told you several times of the Lady in Italy, who, some years ago when she went to sleep at night in the hospital which she was in for awhile, a Blue Flame about an inch high stood over the Heart. She was a person of very great devotion and love to God. Whenever she slept, the Blue Flame appeared over the Heart. The Presence of that Sacred Fire was in her and with her, and so can It be with you. But by Conscious Recognition It can be far more tangible and powerful. It can be revealed in and around you; and as we are entering into the more advanced Activities of Healing to assist mankind as the Incoming Violet Flame Age progresses, this Activity of Healing will become the custom of

assisting those Life Streams who as yet have not risen out of some of their distress.

So, the advanced method of Healing, I assure you, will be the Conscious Recognition and Use of the Sacred Fire's Purifying Love, and the Violet Flame Angels will come to reveal Its Action to mankind as time goes on. You may have the use of this far in advance of the rest of the people because of your understanding and awareness of Its Presence now.

We are concentrating upon this because, since the hordes of evil have sought to enslave mankind and injure individuals through evil that has unfortunately entered into some of the healing channels of the World, We are offering this to you to offset that, to eventually replace it, and to eventually purify and prevent mankind having to exist in bodies in which there is distress and disintegration.

Your opportunity is very great, and your mercy and love to Life, if extended through this Service, will draw to you tremendous Power of the Sacred Fire, and the Beings Who direct that Sacred Fire will dwell with you as you do with each other, and They will be the Guardians of the Miracles you call forth, until They have fulfilled the Great Divine Plan for the Freedom of all.

So, Precious Ones, because those of you who require assistance in healing, as your Call for that healing intensifies, if you will **ACKNOWLEDGE THE PRESENCE OF THE HEALING LOVE OF VIOLET FLAME ANGELS TO COME AND ABIDE WITH YOU AND TO HEAL ALL YOU CONTACT**, you will lift Life wherever you abide, and in lifting all Life, you yourselves are raised into that same greater Perfection which is Eternal Freedom.

Blessed Ones, when the Mighty Saint Germain asked you to accept and acknowledge everyday a Violet Flame Angel with you, it was laying the foundation for this which We are opening to your acceptance and offering for your use tonight. May you go forward and enter into the enjoyment and use of this Power of the Sacred Fire that will more quickly awaken the masses of the people and produce the Perfection that is the magnet to draw them higher into the obedience that eventually gives them their Freedom in the

Ascension.

May you be privileged to enjoy the use of this Power, and It ever grow greater under your direction, and Its enfolding, purifying Love become your world of manifestation, and such Miracles bless you as mankind has not yet beheld, but which shall one day come forth, and We hope soon, as you build a momentum in the use of the Presence and Healing Love of the Violet Flame Angels. I commend you to Their Healing Power and Victory to raise you forever out of distress.

Thank you with all My Love.

JOHN THE BELOVED

When I witnessed the Ascension of My Beloved Master, Jesus, tears streamed down My face for hours, and I was wondering and wondering what I should do in His absence. Little did I dream how soon I would be privileged to join Him in that Great Octave of Light. You Beloved Ones are standing in a similar position today. Who of you, any more than I at that time, can imagine what is just before you? I say this to you in all sincerity. Who of you can tell Me just what is before you?

ASCENSION DAY

May 12, 1983

Forty days after Easter:

At midnight previous to Ascension Day, ask the "Presence" to take you into the Heart of the Great Central Sun, and charge you with the Full Ascended Master Consciousness of all the Ascension means to you!

At noon (twelve o'clock) the following day, be quiet for half an hour or an hour, and give Conscious Recognition to your "Presence." Ask It to see that you make your Ascension in this embodiment, if possible! Ask your "Beloved I AM Presence" to give you the *Feeling* of the Ascension!

"BELOVED MIGHTY I AM PRESENCE!" I HERE, NOW AND FOREVER GIVE YOU ALL POWER! I GIVE YOU ALL OBEDIENCE! TAKE CHARGE OF THIS BODY AND PREPARE IT TO BECOME THE ASCENDED MASTER, AND SEE THAT I MAKE MY ASCENSION NOW!

Make a written record of the following:

"BELOVED MIGHTY I AM PRESENCE!" TAKE COMPLETE CONTROL OF MY BEING, WORLD AND ACTIVITY! SEE THAT I MAKE MY ASCENSION IN THIS EMBODIMENT, FOR "I AM" THE RESURRECTION AND THE LIFE! "I AM" THE ASCENSION IN THE LIGHT!

Keep this near you for twenty-four hours, then burn it with this Decree:

IN THE NAME OF THE "BELOVED MIGHTY I AM PRESENCE," BY THE POWER OF THE SACRED FIRE AND GREAT ASCENDED MASTERS! SEE THAT THIS DECREE IS FULFILLED!

"BELOVED MIGHTY I AM PRESENCE"! RAISE THE LIQUID LIGHT IN MY BODY AND TAKE IT BACK INTO THYSELF TO PRODUCE PERFECTION FOREVER!

Ascension Day:

During the time of giving recognition to the Beloved Master Jesus' Ascension, from noon of the preceding day, Ascension Day, to noon on the day following — for three days — try to live in the Constant Call for the Cosmic Christ Victorious Accomplishment of the Ascension of every individual, the Nation and the World! DEMAND THE COSMIC CHRIST POWER OF THE MIGHTIEST LOVE IN CREATION, AND CALL THE ANGELIC HOST WHO DIRECT THE BLUE FLAME, TO SPREAD THAT FLAME EVERYWHERE. Then, mankind will feel the Pull toward the Light, and thus raise the attention, until once again the Magnetic Pull from the Great Heights of Creation, from whence all Life comes, draws upon the outer self, and it turns away from the misery of its own limitations through the centuries.

At the moment of the Ascension and just previous to It, as the love is continued from your outer self to your “Beloved Mighty I AM Presence,” your “Mighty I AM Presence” lifts the struggle and the pressure of the outer self by consuming the discord! As It pours Its Love in the Violet Consuming Flame to the outer self, every vibration of discord is dissolved and consumed! The impurity fades; the Light within expands; and the Love from Above joins the Light from below, and draws It up until It becomes that Greater Love also — and I assure you, it is not strenuous!

As you enter into the Great Great Silence, demand before you go into It, the Ascended Jesus Christ's Knowledge and Use of all the Powers of the Sacred Fire, during this time and until after Ascension Day!

Ask for the Full Understanding and Use of all the Powers which He used when He produced certain Manifestations which it was not wise to explain to the outer world at that time!

Ask Him to reveal to you the things which He did which He could not explain to the outer world at that time!

Ask Him, by the Power of the Sacred Fire which He directs, to teach you to do the things that He did!

You will have Great Illumination! You will find yourselves

having Mastery over world conditions which will surprise you!

If at any time you want to know more about the Ascension, and in the anticipation of your own you begin to wonder how you would feel, call to Me (David Lloyd). I anticipated It and lived It, My Dear Ones! I desired That for more than fifty years. Even the Master Jesus did not have that Momentum of Desire! It is a very *Deep* Record in My Feeling World, and if you want to know how deep My Feeling and Desire for It were in My Life Stream, ask Me to illumine you and make you *feel* My Desire and the Joy of Its Victory!

The Protection of your Nation, the Protection of yourself, the Manifestation of the Incoming Golden Age, the Manifestation of your Ascension are all contained within your Acknowledgment of the Sacred Fire Control in you, and the Sacred Fire World around you — the Sacred Fire's Possession and Control of you unto your Ascension!

The Sacred Fire is the Power which gives you the Ascension! Not one imperfection can remain within that Sacred Fire! It is the Love which is the Mightiest Power at the Heart of the Great Central Sun! It is the Power which sustains the manifested System of Worlds — this System! It is the Power that gives you embodiment! It is the Power which sustains you in anything that is constructive.

It matters not whether It be the Sacred Fire of the Violet Consuming Flame, the Unfed Flame, or the Blue Lightning Purity! Whatever you call forth is controlled by and is the Manifestation of Love's Perfection to Life, and you cannot fail!

The Cosmic Law stands Supreme, and Its Demand of Life is that the Ascension be attained by the Power of the Ascended Masters' Love, because unascended Beings cannot generate enough Pure Love and keep It Pure long enough, and be constructive enough to hold the Guard until the Attainment of the Ascension. That is why unascended mankind must have Our Enfolding Flame of Love in order to hold the protection, and be the Strength to take individuals to their Victory of the Ascension!

(Beloved Messenger No.1)

BELOVED MIGHTY LORD MAHA CHOCHAN'S DAY

May 22, 1983

“We ask all ‘I AM’ Study Groups to turn all their attention, activity and devotion to Him, and through Him to the Powers of Nature and the Forces of the Elements, that all destructive forces may be shattered, and prevented from acting upon our crops, our people, and our Land. Then we ask His Blessings to keep expanding throughout the Earth, until all are Free and Victorious in the Ascension!

“Let us ask Him to release all on Earth from all war, destruction, selfishness and discord forever!

“We wrap our Hearts about Him in Eternal Devotion and Gratitude; and may His Mighty Cosmic Light flood this World and all upon it, until all are Perfect and Free in the Ascension.”

(Mrs. G. W. Ballard)

Excerpts from Beloved Lord Maha Chohan's Discourse — Long Beach, California — September 2, 1953.

“ . . . Tonight I trust I shall give you a Picture that will not be difficult to hold, which I hope you will enjoy using, and I hope you will love with all your Being. Therefore, in making the Demand upon your ‘Mighty I AM Presence’ that It reveal Itself in Full Victory through your outer flesh forms, until none can fail to see Its Full Authority and Love in command, you can hold the Picture of the Higher Mental Body, or the Picture of the Electronic Presence within the Causal Body, descending and filling your outer physical form, and holding the Great Sphere of Colors around the physical body.”

“When you realize the outer self is but the Crystal Cup into which the Electronic Presence or the Higher Mental Body pours Its Light continuously, then as you hold the Picture of the Higher

Mental Body's Dazzling Presence in and around the physical form, enveloped in the Great Sphere of Colors, then the Unfed Flame in your Heart, expanding and going before you, becoming the Pathway of the Sacred Fire, you will also understand what the Mighty Saint Germain meant when He said, 'If you really know what your "I AM Presence" can do for you, you will find there is no such thing as an adverse condition.' Now wouldn't it be wonderful to arrive at the place where never again do you accept or experience an adverse condition to the Fulfillment of your own Divine Plan?

"When We offer you the Flame of Love from Our Hearts to consume the accumulation of the centuries around you, it is as if We threw a door open like that (motion of hand) and you step out into the Sunshine of your Higher Mental Body and the Radiation of Love from the Ascended Host, and you walk on a Pathway where stumbling is unknown. I want you to hold that Picture, because I want you to walk that Pathway as soon as possible!"

"If you will but hold the Picture of the Luminous Presence of your 'Mighty I AM' coming into the body, encircled by the Sphere of Colors, there will automatically come more Victory of Its Love in you and into your affairs; but there will also come more of Its Illuminating Love into the outer Radiation of the atmosphere about you. When your Higher Mental Body gets close enough to this physical form to hold Its Radiance enfolding the upper part of the body to just below the Heart, you will radiate Its Light through the flesh. That is why I want to set into action, with your cooperation, the Pattern of Perfection that must some day appear and act through you to outpicture that which fulfills the Divine Plan.

"So as you begin to love your 'Presence,' as your Heart's Flame enfolds It, and you ask It to come into the physical flesh form and reveal the Fulness of Its Victory over this World, and blaze the Fulness of Its Miracle Love of Eternity, filling your Electronic Circle of Life with the Great Sphere of Its Radiance and Blazing Colors, there will come a very rapid action in and around you of that great willingness to call the Great Law into action and expand Its Mercy to Life everywhere."

VIOLET FLAME CLASSES

Our Beloved Ascended Master Saint Germain has said that He would appreciate it greatly if every "I AM" TEMPLE or "I AM" SANCTUARY would increase their Violet Flame Classes.

It would be well if every "I AM" SANCTUARY would have Violet Flame Classes on Wednesday as well as Saturday; and wherever possible have Violet Flame Classes every morning from 7:00 to 8:00.

We want this added Power in every Group for Greater Protection, Supply and Victory for the "I AM" Students as well as the Nation.

Our Beloved Saint Germain's Words: "Consider yourselves part of My Legions of Eternal Purity in the use of the Violet Consuming Flame, and you will soon begin to feel a Majestic Power and Authority to command Purity and compel Its outer manifestation to hold Command through your Call forever.

"The keynote of the Violet Consuming Flame is Its Mercy, Its Forgiveness and the Purity of Its Eternal Love! It loves to produce Purity! It loves to Forgive and set you Free!

**"LOVE IT AS YOU HAVE NEVER LOVED IT BEFORE!
LOVE IT, AND THE MORE YOU LOVE THE VIOLET CONSUMING FLAME, THE MORE FREEDOM YOU WILL HAVE IN YOUR WORLDS, IN YOURSELVES, IN THE ATMOSPHERE ABOUT YOU AND IN YOUR AFFAIRS! For your Love to that Violet Consuming Flame draws the Power of the Great Central Sun Magnet to lift everything in your world into Its Eternal Perfection. NO DESIRE WILL REMAIN WITHIN YOU EXCEPT TO LOVE IT; AND IN YOUR LOVE TO IT, DOES IT GIVE YOU FREEDOM!"**
