BELOVED OF MY HEART, as We welcome you tonight, to receive the Radiation that will be poured forth through the Royal Teton to those under This Radiation, and then throughout the Nation and the World, We ask you to make the outer self, your intellectual consciousness, aware that what Radiation is poured forth There tonight is the Illumining Presence of the Love of untold aeons of time.

When you understand that every Activity of the Sacred Fire or the Cosmic Light is some Life Stream's Love to the rest of Life, you will know what it means to draw forth into the physical conditions of this World the Purifying Love of the Sacred Fire, the Purifying Love of the Great Great Silence, and the Purifying Love of every Retreat of the Ascended Masters throughout the World!

Only as you realize the Light of Our Ascended Master Love is the Cohesive Power and the Sustaining Activity of every constructive thing on this Earth, will you understand how great is the Power that the "Great Presence of Life" is constantly offering to all who will accept, Power that is Limitless in Its Blessings, and Power that is always Master over human creation!

If We were to withdraw the Love that the Ascended Masters have poured forth to this World throughout the ages, everything would dissolve back into the Universal.

So, the very Light by which the substance and structure of Earth are held together, that the Powers of Nature may come forth upon it and give Their Blessings to the mankind embodied here, is, after all, Love's Great Gift of the Life and the Light that produces manifestation, and enables the Blessings of Happiness for Eternity to come forth for the use of Life everywhere.

Now, so it is with the Retreats of the Ascended Host throughout the World. So it is tonight, when the Mighty Cosmic Presence of Beloved Cyclopea draws forth from the Physical Sun

and the Great Central Sun, the Mighty Light Rays that are to go forth through the Great Eye in the North Wall of the Royal Teton. When that Mighty Stream of Electronic Force is poured forth to various places in the Nation and the World, try to realize that It is Love illumining the atmosphere of the Nation and the World! It is the Love of His Mighty Life Stream, pouring forth That which is constructive throughout the World, and It is the Illumining Presence of everything that is constructive, which He draws forth from the Great Central Sun; and so can it be with you!

When you make your Calls to your “Beloved I AM Presence” or any Ascended Master for Help in any condition, whether it be to yourselves, or others, or just the impersonal conditions of the outer world, remind your intellect that Love from some portion of Life is pouring forth Its Light to produce that which is constructive and fulfills the Divine Plan.

When you even gaze upon the Sunlight, often learn to qualify Light wherever you see It, with the Great Central Sun’s Heart Flame of the Purifying Love that always produces Perfection into manifestation for the use of mankind.

Once the intellect becomes aware of the tremendous Love that the Great Light of the Universe is constantly pouring to this World and this System of Worlds, what you understand as the Fiery Christ Love of the Ascended Masters’ Octave, or the “Beloved I AM Presence,” is the Master Hand of Creation, and is the Master Power that produces manifestation.

So, when you come to the Royal Teton tonight to receive the Radiation, the Outpouring, the Blessing, and the Cosmic Light Rays that will be poured forth by Those Who have come from Venus to purify the Earth, try to remember that these Mighty Beings have loved you into the Light! Their Love is coming to the Earth to give you more of Its Blessings, and Their Love must come into the outer activities of mankind in order to purify the substance, the energy, and the consciousness mankind has used down through the centuries.

When you see Light, and you recognize It is the Gift of Love, the Fiery Christ Love to which We refer will mean very much more to you! Then you can understand It as the Master Power of the

Universe that produces Perfect Manifestation for the use of those embodied here.

Since you can only accomplish the Ascension by the amount of Love that you pour forth, that purifies and illumines the substance and the conditions of this World, then, I am quite sure, as you remember that everything constructive that you call forth is the Illumining Love of the Universe, the Illumining Love of your “Mighty I AM Presence” and that of every Life Stream, the Illumining Love of the Ascended Host, the Illumining Love of the Great Central Sun, and the Angelic Host, you will understand how much Life loves you!

When you understand that it takes This Love to be willing to call forth the Sacred Fire into outer physical conditions that are discordant, in order to consume them, and purify them, and raise them into that which fulfills the Divine Plan, you will understand how necessary it is that mankind understands what Love has constantly bestowed upon the mankind of this World, and what Love it takes to produce a manifestation of a World, and the Powers of Nature upon it!

When you begin to understand what the Great Sacred Fire Love of the Great Great Silence pours forth into outer action for mankind’s use, and for the Life that is using It everywhere in manifestation, you will more frequently remind your intellects that mankind does not need anything except the Purifying Love that illumines everything with the Sacred Fire Life of some other part of Life.

So, when you understand that mankind in this World cannot get free from the human creation Individuals have generated, you will understand how necessary it is to constantly call forth the Purifying, Illumining Love of the Sacred Fire from the Great Great Silence, from every Life Stream in existence, from the “Mighty I AM Presence” and Higher Mental Body of each Life Stream, from every Ascended Master and Cosmic Being, and from every Retreat of the Ascended Masters throughout the World!

Now if We could awaken mankind to the concentrated use of This, so that Individuals would call It into outer action by Conscious Command, the clouds of human imperfection, and impurity,

and discord, and frightful creation mankind has generated, could be consumed like the Sun consumes a fog!

You, who are aware of This Law, can set It into Action now; and as you receive Its Power tonight, be consciously aware that you are absorbing That! Ask your “Beloved I AM Presence” to anchor It into the outer flesh body, your outer, physical, personal self, with such Purifying Power of the Life Streams Who have come from Venus to draw This into the structure of Earth, to prevent mankind’s evil being allowed to destroy any longer, then, you can hold That in the waking consciousness when you return to the body; and We want you to do This, if you will care to use the Power! (*Applause*) Thank you, Precious Ones! Won’t you be seated, please, and just remain so.

When you understand this deeply enough, you will realize that the Heart Flame of the Sacred Fire Love in the Great Central Sun, or in the “Mighty I AM Presence” of each Life Stream, or the Physical Sun, or the Ascended Masters, or the Ascended Masters’ Octave and Temples of the Sacred Fire, you will understand that the Sacred Fire’s Love is the Light of Eternity, and is Eternity Itself!

It is the Eternal Perfection of manifestation! It is the Eternal Power to produce Perfect Manifestation, to protect It, to hold It ever-expanding, and to give It to the rest of Life! It is the Sustaining Power of Eternal Perfection, forever expanding. If you will understand that This is the Power through which you can attain, and which you can use every instant, long before your Ascension, wherever you make This a part of yourself, and you understand that your Life Stream must give the Light of the Ascended Masters’ Love to the Earth, when you are willing to give That, the atmosphere about you will automatically carry forth Our Perfection into your world; and It will produce the Manifestations in your world that fulfill the Great Divine Plan! Only as you call It forth to bless the rest of Life, can It expand through you!

So, when you think of Power to accomplish, when you think of the correction of conditions in this World that are wrong, try to remind the intellect, whatever is to be changed in manifestation only needs more of the Ascended Masters’ Illumining, Purifying

Love, to change any condition into the Perfection that reveals the Divine Plan and lets It come into existence to bless all Life. Because the Divine Plan fulfilled will bless every particle of Life in existence; and so must you become the Sun Presence of the Ascended Masters' Heart Flame of the Sacred Fire's Illumining Love; and you command It to go forth and produce the Perfection that fulfills the Great Divine Plan. Then, Our Sacred Fire Love becomes Eternal to this Earth, becomes Eternal within you, your own Life Stream's Outpouring becomes Eternal in Its Blessing to the rest of Life, and as you expand It, you automatically become the Greater Perfection of the Ascended Masters' Octave!

So, I welcome you, tonight, into the Heart Center of the Outpouring of that Supreme Presence of Love tonight, the Heart Flame's Illumining Love from Venus that the Great Ones are already drawing and pouring forth into the atmosphere over this Nation; and as you enter in, and abide within Their Radiation, can you absorb This and hold It for your own, make It an Eternal part of your own Life, and then feel the Responsibility of using It in all outer world conditions to change manifestation here into the Purity, and the Fulfillment of the Great Divine Plan, that the darkness of mankind's discord may be consumed by the Light of the Sacred Fire Love from Venus, from the Great Central Sun, from every Life Stream in existence, from the Ascended Masters Octave, and from the Great Temples of the Sacred Fire! Think you not that the Great Cosmic Law loves Life so greatly as to provide This for mankind? Only Love can provide That!

So, if you will become Its Victorious Presence from tonight, and each of you feel yourselves a Sun Presence of the Heart Flame of the Great Central Sun's Purifying, Illumining Sacred Fire Love, and pour It forth everywhere like the Sun pours Light to the Earth, there isn't a thing you can ask that We could not give you! So, We want to open the Door tonight, offer you the Best We have, that you may accept It and use It for the raising of the rest of mankind, and for the Purification of the Nation in which you abide, that It may become the Home of the Ascended Masters' Heart Way of Life; and the Heart Freedom of Eternity clothes you with the Power to accomplish anything and everything that makes

you Victorious over the conditions of this World, until this World and Our World become One Ascended Master World and Sun Presence of Our Hearts' Love and Perfection of Life for Eternity!

I thank you, and bless you with all My Love! May you use It, until It becomes a Sun Presence around you to bless all you contact, until all the shadows of human creation have been consumed, and the Perfection of Our Love reveals here the Ascended Masters' Way of Life!

So, We open the Door! We invite you in! We want Our Way of Life to set you Free; and your Love to your Nation, We hope, will bring to Earth the Love from the Great Great Silence that illumines, purifies, perfects, and raises whatever Life you contact into Our Perfection for Eternity!

Thank you with All My Heart!
