ELOVED ONES OF OUR HEARTS' LOVE, be of Good Cheer! I want to bring you Encouragement tonight, and, I trust, a Peace that you will realize will never leave you; and I want to assure you, and this time, anchor within your feeling world the Absolute Certainty of Our Answers to your every Call!

I want you to realize, tonight, how Powerful is the Love that the Great Presence of Life, the "Mighty I AM" in the Great Central Sun, pours forth through Its Messengers, the Ascended Host, and draws into the lower atmosphere of Earth to consume hate. And I want to show you how impossible it is for Us not to answer your Call, when your Hearts are sincere, and you command in the Name of the "Mighty I AM Presence." I want you to realize that there is no quality in Our Life Streams, no qualities in Our Octave that could make Us fail you! *The Door is always open from Our Side of Life to you;* and therefore, when you make your Call to Us, since it is impossible for Us not to answer every sincere, constructive Call, then I want you to feel an assurance within yourselves, a positive knowing, a powerful force inside of yourselves, that never allows the feeling, the energy of the emotional body to doubt for the fraction of a second!

You see, once you enter into the Ascended Masters' Octave of Perfection, you lose the quality of failure! So, it would not be possible for Us to fail to answer your Call. I am quite sure, tonight, through this We will be able to take away from you all uncertainty, all doubt as to the Fulfillment of the Calls you have sent forth, when you are demanding the Ascended Masters' Divine Plan fulfilled on Earth. *I want you to know with every atom of your Being, that when you ask for Our Divine Plan to be fulfilled, Our Way, it would be impossible for Us to fail!* We couldn't in the Action of Our Life! We would not know how to fail you! We could

not fail to answer your Call, because when you make that Call for the Divine Plan fulfilled, which is the Requirement of the Cosmic Law, then, the moment you think on That, and you demand It, and you love It, you become part of That Law, which We are to the Earth! Therefore, We could not fail you; and so long as you sincerely want that Divine Plan fulfilled, and you demand It, you could not fail yourselves! Do you not see?

I want to anchor this within you tonight, with a Power in your feeling, to make you know that when you send forth that Call, there must come Assistance from Our Octave that is as certain to come to you as that the Universe exists; and the speed with which your Call is answered is determined by the intensity of your feeling, that knows We will answer that Call through Love.

So, there is no failure to you, Precious Ones, when you KEEP ON DEMANDING THE FULFILLMENT OF THE DIVINE PLAN, THE ASCENDED MASTERS' WAY! Then, within your feeling world, know with every atom of your Being, *with your whole, breathing Being, know one thing, that We, Who are That Law, have to fulfill Our Own Divine Plan of Life!* It must be so, because We have lost all ways and means by which It could not be fulfilled! Do you not see that? Once you enter into Our Great Octave of Life, then you have to fulfill the Divine Plan of that Octave; and I am quite sure this will give you an entirely different feeling from anything you have ever had before, when you ask for the Divine Plan to be fulfilled. Whether It be for yourselves, your Loved Ones, or the Nation, matters not. When Life, which is a part of Ourselves, asks Our Life to bring Its Perfection wherever your Life is, We have to do it! Therefore, your Decrees cannot be refused! I want you to know how Powerful They are when They come into Our Octave and connect with Our Life! Well, then Our Life and that Greater Life in the Great Central Sun, surges forward the Expansion of Its Own Perfection!

So, when your Love opens the Door from your side of Life, by your Calls to Us for Assistance to fulfill the Divine Plan, Our Way, then please know that That Way is the Way of Love; and wherever Our Flame comes forth, hate must be consumed. That is just as certain to take place when you continue to call Our Love

into a condition, It is as sure to consume that hate, as that the Great Universe exists!

I want you to feel this, tonight, with every atom of your Life Stream, that you have come to the point where, when you issue these Decrees by Cosmic Christ Command, demanding Their Manifestation of Our Divine Plan fulfilled Our Way, then realize Our Way is the Way of Immortal Love. That is the Immortal Authority of the "Mighty I AM Presence" in the Great Central Sun. That could not fail! The moment you send your Love to that "Presence," through your Calls, instantly It answers, and may I show you how?

Supposing you have a switch on the wall that turns on your electric light. When your energy, now notice, when your energy reaches your hand to the switch, it is your energy that turns the switch, isn't it? Well then, when your energy connects with that switch and you turn it, automatically your manifestation is instantaneous; and so it is with Us!

When your Love connects with Us, through your attention, then Our Love automatically must flow back to fulfill your Call. As soon as you realize that, and get that deep within your feeling, there will come such relief and such calm, quiet assurance within yourselves that the Call compels the Answer, and that the Answer is the Flame of Love which produces Immortal Manifestation!

Oh, Dear Ones, if those who love Me, those who have called to Me through the centuries, could but realize that, then they could feel that as My Love reaches down to fulfill their Calls, It becomes a Magnet that lifts them away from their distress. If you could only understand that the Power of Our Love is a Magnet, and the Action of Our Love is to draw you out of everything that is not Love. Therefore, the Great Power of the Central Sun Magnet, which is so Magnificent in Its Instantaneous Action in Our Octave, begins to act in your world, through your own Love to Us; and may I say, as the Flame of Love from your Heart comes to Us, that Flame, drawing Our Flame, and immediately, back comes to you the Answer to your Call, and the Magnet is complete. Do you not see the Picture? You, yourself, are the two Poles of the Magnet, and when your Love comes to Us, Our Love connecting with that,

offers you the Fulfillment of your Call; still It goes back into you, and that is a gigantic thing, once you get the feeling of it — of what your Love to your “Presence” or to Us can draw back into your own world — the Fulfillment of the Divine Plan. Why, Dear Hearts, the Divine Plan for you is the Fullness of everything! *The Divine Plan for you is the full flooding of everything from Our Octave into yours*, because We want to make this World an Ascended Master World, and We begin with you!

So, tonight, if you will realize that your Love coming to Me in your Call, and My Love returning to you, completes the Action of the Great Central Sun Magnet’s Outpouring and Gift of Love to you, then there comes a steady flow of the Perfection from Our Octave into your world. By each of you becoming that Magnet, you lift this World into the Ascended Masters’ Octave, and We pour Our World down into your world, and you have an Ascended Master World! If you do that individually, then your individual world becomes an Ascended Master World for you, even before your Ascension! If all mankind were to do this en masse, why, how quickly would the whole World become an Ascended Master World! Oh, when Love is so ready to do these things, sometimes it is difficult to stand and watch mankind suffer, when Our Love, which We love to give, can so easily set them Free!

So tonight, if you will feel with Us a part of the Activity of the Great Central Sun Magnet, you will draw a certain Cosmic Action of That into your Nation, to help raise It more quickly out of the shadows that have sought to engulf It in destruction. Only Love held to that “Great Presence” in the Great Central Sun, only Love can hold that Connection through, that is the Savior of all! *Love that reaches to the Height of Creation, the “Mighty I AM Presence,” is the Power that draws you away from, and cuts you free from all connection with the hate of the World!*

Therefore, when hatred and discord seem to hold sway, as you turn away from it for a moment, and send your Love to your “Presence” and to Us, and ASK THE POWER OF THE GREAT CENTRAL SUN MAGNET’S GREAT LOVE COME TO THE EARTH, TO LIFT ALL UP AND OUT OF THAT HATRED, you, individually, can have the Instantaneous Response to that

Call. As you use that Power of the Great Central Sun Magnet more and more in the physical octave, will you find the Nation arising as an Ascended Master Nation, and the various nations following that, until We will have raised the Earth out of the shadows of that which is not Love! Oh, Dear Ones, it isn't worth spending one instant of your time, or an atom of your energy to do anything that is not the Immortal Perfection of that Love, the Immortal Love of the Great Central Sun, which is the All-Expanding Perfection of Its Life throughout all Creation!

You may just as well from tonight, each of you, be a Flame of the Great Central Sun Magnet's Love, that pours into this World the Raising Power that lifts it out of connection with all that is of the shadows of hate. Not one thing on this Earth in the doing and activities of mankind, is worth anything, unless it brings the Flame of Immortal Love to the Earth to make it an Ascended Master World!

So, each one may begin with his or her own world, to make it an Ascended Master World by the Immortal Love of that Great Central Sun Magnet to which your attention has been turned, that has an Action Irresistible and Joyous and Immortal upon Life! Just as surely as the needle would jump to the magnet, will your Call for that Great Central Sun Magnet's Love to reach out into conditions of the outer world, and draw your Loved Ones away from the shadows, will that Love reveal Its Immortal Authority, Its Immortal, Infinite Power, and Its Immortal Peace to Life! *That Love is the Healing of the World, and it cannot be healed without It!* It is Imperative!

Tonight, if you will hold this Picture, that the moment you send your Love to your "Presence" or to Us, instantly the other Flame comes down, and you, holding the two Flames of Love — one, that which you have sent; the other, that which We have given — you, yourselves, stand as a Magnet of that Great Central Sun's Love and Immortal Perfection of that Fire Element, that compels everything to come up out of the shadow, and into the Light of Immortal Perfection, Immortal Happiness, until the World Itself becomes an Ascended Master World!

You may become an Ascended Master World to your

“Presence” and to Us, and to the world around you, by this Call; and I know of nothing needed so much. *There is not a thing on the Earth that is needed so much as This which I give tonight!* When you once begin to feel the Magic of Its Power, when you once begin to make yourselves the Magnet of Its Illumining Presence, when you once begin to feel the Joy of the Peace and Happiness and Freedom that you can give to others when you lift them out of their distress, your Happiness becomes Immortal for you, by your use of the Immortal Power of the Love and the Great Central Sun Magnet that is yours to use, answers every Command, and has been here since the Manifestation of the Universe, and will remain Immortal in Its Great Love and Blessing to Life! So all your world and everything in it, is nothing on the side of this Love which is All!

So tonight, if you will think on This, and draw Its Power within yourselves, demanding Its Flame lift your world out of connection with everything human, and make your world an Ascended Master World, even before you ascend, it will enable Us to pour forth through you and flood into your outer use, many Gifts We have been waiting to give, and many Blessings for which the World is waiting tonight.

May the Love of My Life Stream — and all who have looked to Me through the centuries, tonight receive this same Flame, till It goes forth to them, carrying Its Illumination into their Beings and worlds, until they feel Its Drawing Power raising them into the conscious Knowledge of the “Mighty I AM Presence,” till they give the Command, and send forth the Love and the Demand to Life for their own Ascension; and That is accomplished by the Love of the Great Central Sun Magnet!

May the Mantle of Its Power clothe you all tonight! May your use of It bring you such Happiness as only you can know, when you use It by Conscious Command and see the Joy It can bring to Life everywhere! I shall not keep you longer tonight! My Visit may be short, but I trust I shall make up for it in the Power and the Love I leave with you, and the Gift I give you for Eternity! Good night.
