The Magic Presence

BELOVED GODDESS OF LIBERTY,
GREAT GUARDIAN OF THE FLAME!

ANGELS of the Fire! And
Great Guardian of the Flame!
All God's Fiery Legions of
Blessed Saint Germain!

Come to Earth and guard us!
Blaze Thy Powers through!
Come! Possess and rule us!
Make all bow to You!

Charge us with Thy Power!
Clothe us in Thy Flame!
Make all feel Thy Mastery!
Speak God's Cosmic Name!

All here must obey Thee!
This we all demand!
Wrong shall be consumed now!
By Thy Fiery Hand!

Thy Torch of Fire before Thee!
Makes all men do right!
The Earth does now command it!
By Thy Great Fire and Might!

BELOVED GODDESS OF LIBERTY'S DISCOURSE

Through Mr. G. W. Ballard

Washington, D.C.

April 4, 1938

BELOVED CHILDREN OF THE LIGHT, in the constant call of mankind for evidence, We have given you tonight some evidence of what Happiness means in your lives, individually and collectively. There is no one particular activity that is so helpful as Happiness in the release of Energy from your "Presence"; and the beauty of this is, as We know so well, mankind can generate this Happiness at will. It is not a thing requiring any certain condition.

Therefore remember that you are the Authority and that from your "Presence" comes all Happiness. You think that outer conditions produce It. That is not quite correct. Sometimes it does draw your attention to certain things that release this Energy of Happiness, but do you know, Beloved Ones, that Happiness is energy qualified? You are qualifying energy every moment; therefore why not qualify it with Happiness? Your "Presence" then will give you all the Happiness you require or need for any specific activity. Then in addition to the Happiness from your "Presence," that Light, that Energy which is carrying Happiness to you always contains the other Qualities which you require—for instance, strength and power of achievement for that which your attention is fixed upon.

Let us feel tonight, and oh, Dear Ones, when We bring your attention to these certain points of activity in this tremendously charged atmosphere, please charge yourself or the Power of your "Presence" or the Higher Mental Body to sustain that, hold Its Activity within you forever. You would be surprised how days or weeks later you will suddenly find the activity of this Charge released and anchored within your feeling world tonight. But oh, how easily we forget, not the things we should forget, but the things we want to remember. That is because of the discord that is charged in the world of activity of mankind; but still you can surmount any of these things and conditions which you find in the

outer world. Now please believe that; then you will be able to prove it to yourselves.

You must first believe a thing and that it is possible for you, because your “Presence” is not limited in any way. Now then, let us right now charge these Mighty Healing Currents to be sustained, not only the building but in and through your bodies; and let us go a step further, that you are able to project those Currents of Healing to anyone else whom you choose. Now establish, qualify, and charge That to be sustained in your world of action tonight. Oh, let us begin and build that mighty Victory of the Light through your human forms. If you are as determined as We are to set you Free, you will have that Freedom quickly!

Beloved Ones, oh, if you only knew how determined We are, and when We see your joy and happiness and your attention to the “Presence” of all Life, why, do you think there is anything in the world that We would not do for you that the Law of your being permitted?

Remember, as long as you will keep your feelings harmonized and give your Call to the “Presence,” there is not one thing that you cannot have. It only means a sustained feeling and Call to a gaining of greater and greater momentum and release of Energy from your “Presence,” until every limiting thing will be swept from your feeling world and you will stand forth a Being of Light—which you are.

Why do I say that, when We see the appearance of so much imperfection in the human form? Because I am not talking to that imperfection. I am talking to the Power of Light that is the Light in your human form; that is what I am talking about, and that is what I insist on bringing into action in Its Full Power through the flesh! Will you not join Me in that firm, powerful determination to have that Perfection of Light which is Health in your body?

As your Blessed Lotus has said to you so many times, all mankind needs in the human form is more Light—and it is true, oh, so true; because you are, the real *you* is composed of Light, Light-Substance, and then this is very wonderful tonight. Take the fullest advantage of it, and let us continue now just for a moment before we change the attention. Remember that here in your

physical Heart is this mightiest Presence of Light anchored—Its Currents and Rays of Light going to every cell of the body; therefore, as quick as you will realize this and gain the momentum of Its Action, you will find at any moment you can direct a greater intensified Current of that Light and Energy to any part of the body and restore it to Harmony; and not only that, but dissolve cause, effect, and record of whatever in your feeling world caused the disturbance.

Now tonight let us, in this particular activity, so far as the health condition of your body is concerned, let us take this Tube of Light into consideration, because there is where you hold your Dominion. Suppose I swept out of your bodies tonight every particle of discord that was there, and then you moved in the outer world tomorrow and you met all kinds of conditions and accepted into your world these conditions; again you would begin to experience those things over, would you not? Therefore, the need is for the Tube of Light about you, which Invincibly prevents any more discord striking your world, your physical body; and therefore, then you hold the Strength, Power, the Momentum that you have gained, and It would be sustained.

That is why, Beloved Ones, within the last few weeks an individual called to the Messenger for assistance, and the Healing was instantaneous. They were not anchored in the Work very much, just a new Student, so their curiosity got the best of them, so they thought, “Well, I am feeling all right since the healing, but I think I will go to the doctor and see what he says about it.” So off to the doctor they go. Fortunately the doctor was sincere, and to her utter amazement he examined her with the X ray and all the other examinations, and he said, “There is not a single thing the matter with you.” Well, it was a fortunate thing. If he had told her that the condition was still there she would have caused its return. That is why, Dear People, many times people are healed completely and instantaneously, but because there is still some effect left from the old appearances, they begin again to accept the same thing and—being the decreer of their world—bring on the condition again.

Dear Ones, I tell you, you can scarcely conceive, until you have gone a little further in the comprehending of the activities of

your life and your body, how really responsible you are for the conditions that you continually impose upon it just by the lack of understanding.

Now then, will you please study this Work? Oh, it does not matter if you have read it fifty times, Dear Hearts; to read a thing does not mean you comprehend it. But with a great determination, read so you comprehend, grasp, and apply these simple, majestic Laws which Beloved Saint Germain has given you—the most wonderful in the World, and yet so simple that a child can understand Them.

Now while We continue the talk of the evening, will you now charge your mind, body, feeling world, and activity to hold forever sustained this Charge which has been given into your being tonight, for your perfect Health sustained, and let It do Its Perfect Work for you and hold Its Dominion there?

In bringing to your attention the conditions of the World, your America and Her people, when We ask you to work through your Decrees with great firm determination, know that it is not necessarily something that anyone should fear, but to accomplish the Victory of the Light is good, and is but the Sustaining Power of that Light. Now suppose tonight the Victory of the Light for America and Its Protection was here. Well, there is still more to be done beside that, for it means the restoration of conditions; the re-establishing of new conditions, which is the transforming; or shall We say for an easy understanding, turning upside down of human conceived ideas of what has been up to this time, or until you began to understand your “Presence,” because the Understanding of your “Presence” reverses almost everything in your life.

You all know, and We must keep reminding you of these things, as We bring out point after point for your consideration and contemplation, that the condition of the World exists because of mankind’s having requalified and charged this energy as it goes forth in the world and action of mankind with discord and destructive qualities. Now then what is the remedy? Knowing that you are the cause of what is in your world, then do you not have to reverse all your concepts in order to prevent its further action?

Now just let us take these simple things that every day you

look upon—the appearance world, and there you see these limitations and conditions that exist among mankind; and humanly you would say, “Oh dear, how in the world is that to be remedied?” And you see individuals who you think have power either politically or commercially and you say: “Well, you cannot govern those individuals; you cannot govern your politics; you cannot govern these people who are bringing”—well, to make it plain let us say, “deception into the world of action of mankind.” Well, if you accept that, as Students of this “Mighty Presence,” do you not see how you too are adding to the limitations of the World again?

You are quite a different being, Beloved Ones, from what you were before you came to understand your own “Presence.” Your responsibility is greater. Therefore, if you are not strong enough to take your stand and refuse acceptance of these various appearances in the appearance world of mankind, and you continue to accept that with your greater power which you are releasing, do you not see then you are making yourself a part of it to the greater destructive quality of mankind? Not that you want to do it, but if you are involuntarily accepting these qualities after you know better, then you have made yourself a part of adding to the World’s condition, which you are calling the Powers of the “Presence” to set free.

Now I am speaking of this tonight because in the feeling world of many, many individuals this is going on unknown to the intellect; and that is why many times the Students do not have immediate action to their Call for whatever it may be, because the feeling world is still accepting these limitations.

I talked to a lady yesterday, a Student in Europe whom I have watched over for some years, and I could only reach her through Inspiration; but it became clear enough so I began to question her, and I said, “Why do you not govern your feeling world?” At first she said to Me, “Why surely I am,” and I said, “That is because you do not see what is acting there.” Within two weeks I had brought into her hands *The Magic Presence*, and with the Chart before her, through the impelling power of her feeling, I caused her to look at that Chart, and by the attention upon that, I was able to cause her to comprehend that two distinct actions were

going on in her being—her intellect and her feeling world, and they were not in harmony with each other; and I was able to have her comprehend that. As soon as she began to take notice of it through the attention, then she began to analyze to see how far her feeling was from following the power of her attention, and her gratitude was tremendous.

That is one of the few that We are able to touch in that peculiar manner, clear enough to have them comprehend; but that lady I will watch, and give her the assistance to clear the comprehension completely. As she understands, reads the Books and gains in Application, she will be able to determine whether her feeling is following the attention in the full power of that which she wishes to have it do. And that is the need of all Students in the World today. Not that you should become analytical, that is not the idea, but to watch and stand guard that your feeling, to use one of your peculiar expressions, that your feeling is backing up the power of your attention—then your results will be with tremendous power and speed.

Now this concerns not only your individual life, but your political world, your governmental activity. Why, My Dear Ones, you want to have America protected; well physically it would be a most difficult thing, because when you attempt—now notice this in your individual lives as well as your governmental life—when you physically try to do a thing, sometimes in the lack of discrimination, you say something, you do something that sets up some form of antagonism, and you have lost your victory physically.

When you issue these Mighty Decrees to act in the mental and feeling world of mankind, there is no human resistance. Then do you not see when the feeling world of your governmental officials, your industrial officials, becomes quiet, then the Powers of their “Presence,” through each one’s Higher Mental Body, will take advantage of that and operate in their feeling world the Activity of these Mighty Decrees, Dear People.

Oh, do you not see how magnificent is your privilege in issuing these Mighty Decrees? When you issue Them in the vibratory action and power which you have today, now in the great release of that power and energy, oh, you have no idea! You Students of

Washington, you have been doing wonderful, blessed work, and of course now all of the Students of the World are issuing these Mighty Decrees for the Perfection of the government, the industrial activities. Won't you feel now and forever the immeasurable Limitless Power of these Mighty Decrees acting in the mental and feeling world, to produce these results in the government, the industrial world, that you need—that mankind must have to allow this great Perfection to come into action in the world of mankind?

Tonight as this great Energy was released in this room, in the number of people that are here, the Mighty Victory, the Great Divine Director, the Mighty Astrea, the Queen of Light, and Others are utilizing this Energy while I am speaking to you, with tremendous Power in your city. We are charging This into the mental and feeling world of all the Students of the World, to know This, feel what I am saying to you, that more assurance, more confidence may be given into the feeling world of the Students, in the tremendous work they are actually accomplishing.

If you will allow Me, through your feeling world, I will endeavor to convey into your feeling world the comprehension of This, because words do not, could not describe what is being done. But I call your attention to it for the great encouragement it should be as you go on and on in the adding to your Groups and the issuing of these Decrees.

But Beloved Ones, in your Group Work, may I suggest that all of it become so dignified, so admirable, that everyone will want to come again; that all the joy that you experience will enter into and flood their being and world with its full power.

Again tonight the Great Divine Director has enfolded you in that Great Light from the Cave of Light in India, to glorify your activity of the future with the Power which is contained in that Light. He wishes Me—the Great Divine Director wishes Me—to give you just a little more explanation tonight of what that means. The Messenger himself has not known this, but the Light drawn in the Cave of Light at Chananda's Home in India is a consciously drawn and focused Power of the Cosmic Light. It is not just as you would term a natural activity that is there, but is a concentrated Power of Light for century upon century; and especially in Its

present intensity for more than five hundred centuries. Therefore, that is how and why He is able to draw This in Its less intensified activity and enfold you, since you cannot be there.

Do you think, Beloved Ones, that these Great Beings of Light would take their time from Cosmic Activities to give this Assistance to the Earth if it were not possible for you to give the response and obedience that would enable Them to accomplish for you and through you what is necessary for the Protection of America? Do you not see, Beloved Ones, that it is only by the release of your energy from the human structure, the physical body, through your Call, that gives the connection to the Great Cosmic Light by which They may amplify and do this Service for the Earth; otherwise, your Call would not be necessary!

But it is not only your Call, and that is why the Messengers and various Ones have urged you to step up the vibratory action of your Decrees and Songs; because then you do release from your own body a certain quality of energy that is carried with the Energy from your “Presence,” that makes it possible to release this great Power from the Octaves of Light to render this Service to the Earth that cannot be rendered otherwise.

I think today that is one of the important things for the Students to understand. The Messengers have not expressed that specifically until within the last two, three, or four Classes; but I feel tonight, in observing the conditions, that it is a splendid point. I shall endeavor to bring this point out in every Class so that the people will begin to realize that the Service they are rendering, not only in issuing the Decrees, but with a Vibratory Action that releases energy from the atomic structures of your bodies—enough of that will give the connection that They need to qualify and release the greater Power which is Theirs, into the atmosphere of Earth for the requirements that are there. This We will also charge into the consciousness and feeling world of the other Students throughout America.

It is quite a wonderful thing to see how individuals at certain points in Europe who, seeing and knowing the conditions that have existed and do exist, have been calling—they do not know why, but they have been calling to the Powers of Light; and that

very Call to the Powers of Light brought them in contact with this Work of Beloved Saint Germain. And through that It is spreading like lightning from individual to individual, among certain groups of people—and some of them in official places—that We hope will do a tremendous work.

If We can get enough of this Idea of the “Presence” circulating in Europe, it will be a thousand times easier to stem the tide and hold the Protection for America, and that is what We are endeavoring to do. That is why Saint Germain has scarcely left Europe, except to come for a few hours for something; but He is finishing His Work, so He is ready to be here for the opening of the Class, which He never fails to do. I mention these things for your encouragement, for your strength, and for the quality of feeling that must be anchored in your feeling world that you will not just parrot words—you are not just having a good time. On the other hand, you are not overworking yourselves, but as many of you have discovered when you get your Decrees and singing above a certain tempo, there is no such thing as being tired or exhausted. It generates an Enthusiasm, Joy and Power, and such an intense release of the Energy that you receive ten times what you release.

That means that your feeling world is being charged with a supply of Energy for any emergency. I have seen, many times, when our Beloved Lotus asked the people to charge themselves with ten times more than they needed, and to many people that sounded ridiculous; but let Me tell you, it is not. If you do not have reserve energy in an emergency, where are you going to be? That is very important.

Suppose you are calling for ten times the money that you need. Does that too sound ridiculous? Well one day you will find it is not; just the same condition prevails. There are hundreds of instances in the lives of individuals when a certain emergency comes, through no cause of theirs, in which added energy, additional money is required; and if they sincerely called for ten times what they need, they would always have enough for an emergency.

Suppose they wanted to go to the Shrine Class; the money would be there to go. I am determined tonight to anchor for constant use in your feeling world—your “Presence” is the All-power

to release into your hands and use, money or whatever else is required for any constructive purpose. It is true, and there is not one of you who cannot call it forth. Suppose you want to go to the Shrine Class—why shouldn't you? If you take your firm, determined stand now, the money would be there, abundance to care for you. But also complete your Application, not only for your expenses there and back, but while you are there and ten times more than you need while you are there.

I am determined, Blessed Ones, that you lose tonight your human concepts and financial limitations. Blessed Ones, call your "Presence" silently to take out of your feeling world the last particle of the human sense of financial limitation. Your "Presence" is the Treasure House of the Universe, and if you will just call the "Presence" to dismiss from your world, dissolve and consume cause, effect, and record of that which has caused you to feel financial or money limitation, then when you call for the money released, it will come.

Let us repeat tonight again concerning this point. When you call to your "Presence," the Treasure House of your world, well, it does not mean necessarily that It is going to release coin, gold, or greenbacks into your hand precipitated; but it means that in that Call to the Treasure House of your "Presence," the Love, Wisdom, and Power of your "Presence" will act to produce conditions in the world of mankind, including yourself, in perfect Divine Order and Divine Justice, to have released into your hands the money you require. It cannot fail—it is impossible. Therefore, tonight please accept It and let that Charge be sustained in your feeling world to act there forever.

Oh, Dear Ones, once you see and feel and realize that all that has held the use of things from you, has been your own limiting concepts concerning that! It is true. There is no other cause in the world. It is not persons, places, or conditions, not at all; but just your own self. It is all very wonderful, Beloved Ones, so very wonderful and so easy—all struggle ceases. Oh, you know how you have worked, how you have struggled to keep a roof over your head, clothes to wear, and something to eat? Well, if you can only accept the loving Radiation that I am pouring into your world

tonight, you will be able to dismiss forever the feeling of money limitations in your world. I want you to do it. I want you to feel free, at ease; then as the Power, the Currents of Energy from your “Presence” are released, It will do Its work, perform Its Service quickly for you. Then as you see one Answer after another to your Calls, there arises from within, that great courage, strength, and confidence that holds you so firmly within its grasp, that no longer do the human concepts intrude to frighten you or cause you to become distrustful of the Powers of your own Life.

I want you to please understand this magnificent Point of Truth concerning the conditions that are prevalent today. You take officials that are not honest, politicians who are not honest, all that kind of thing that is going on and always has in the world. Do you not think their Higher Mental Body, their “Presence” wants them to be honest and just, just the same as you do? Now look! Please grasp this point with the fullness of your being! You are one of the individualized Presence of Life in the human octave; or in other words, you are this many people individualized by the Powers of Light in the human octave. You who are here, oh, any one of you have the full Authority and Power to call to all the Powers of Light for the release of all mankind from human selfishness, discord, and all those qualities that are not the Perfection of the “Presence.”

Now then, do you not see what your Decrees are doing in that authority? As the Messenger, for instance, is conveying My Words to you through sound, he has the authority, and often exercises it in the Class, to issue a Decree for the freedom of mankind; because that authority going forth for one who feels and wants the freedom of mankind honestly and sincerely, is the authority for that release of Power for all mankind, for the very reason I mention—that the “Presence,” the Higher Mental Body of everyone rejoices so exceedingly at everyone’s Call for the freedom of mankind that goes forth in the mental and feeling world of mankind, and everyone feels that. The Higher Mental Body of every one of those individuals takes up that Call, takes up that Energy and charges It into the feeling world, just the same as if that individual made the Call themselves, except perhaps a little less powerful.

Because if you as an individual will make an intense Call for the release of the Power and Perfection of your “Presence,” it is the direct Call which perhaps would release a little more intensified activity than someone calling for you; but I mean so far as the authority from the human octave and the Call of Light is concerned, that Power is there within every individual for the rest of mankind, because you are one Presence, you are one Substance, Intelligence, one Light individualized in and through every human form.

That is why these Mighty Decrees are doing such tremendous work for mankind, and that is why these Manifestations in the sky take place, and there are many that have taken place that mankind have not noticed because they are busy in other things. You cannot sit up all night to watch the sky all the time. But if mankind would charge themselves to be alert to all these Manifestations, then many times hundreds would be prompted at the moment and contact and observe that Manifestation. But ere long you won’t have to be worrying about that; you will see plenty without having to watch for it, and you will have plenty of Them acting right in your own world if you are sincere in your Call to your “Presence.”

Oh, I want to say to you tonight, Beloved Ones, this is a most joyful occasion. Wonderful! As the Good Messenger said when the healing manifested to him, you don’t know what you have done tonight! Oh, Beloved Ones, it is so gratifying to see how you are really feeling Our Reality and closeness. Our visits to these Groups have been the most wonderful thing. My Dear People, I don’t know why you do, but you feel closer to Us in these Groups than you do in the Classes; you do, and it is wonderful, because it prepares you for the Mighty Radiation that is there, that gives you perhaps ten times the blessing and benefit you would have otherwise; and that is why We have taken advantage of these opportunities to do this extra work, Service, for the blessed ones.

Will you retrace your steps, just a few, not many, with Me for a few moments and go back just ten years ago, and see the conditions that existed then and the difference in you and your world today; or even in three and a half years for that matter. I tell you, Beloved Ones, if you saw the change in your feeling world, there is not anything that could contain your joy and happiness; and won’t

you feel that confidence, please, going on and on until the fullness of it outpictures?

All of this is a cleansing, purifying activity from within out, and there is only just this thin shell outside yet that remains just a little unresponsive; but it has to give way, just has to do it! As you stand firm and unyielding, all of a sudden even the shell will dissolve and disappear; then the Light will take Its Dominion in your world. What a wonderful thing!

Shall I draw to your attention, since We have touched upon this condition of health tonight, that in the outer surface of your flesh structure—perhaps I should make it clearer by saying within the skin of your body in most of the Students is the only part that is really not responding. Now that is not a thing to be defined and by that do not give it any importance; but I am trying to convey to you that just in the periphery of your flesh body is the only obstruction that remains yet of any consequence. So as you continue your Call to the “Presence” and call forth the Intensification of Light and Energy, and use the Violet Consuming Flame, you will find all that disappears, and then the very Radiance, the Power of Light going forth into your world will cause such a complete and perfect action in your Call to the “Presence” that you will see the evidence constantly before you! Therefore, have complete confidence in your Call to the “Presence” for the result you require. That is a magnificent thing, and I am sure tonight you are comprehending these points, and will hold them in your comprehension for constant use forever in your onward journey and the Perfection of Life, your Life, the most Wondrous, Glorious Being of Light, your own God Presence, the “Mighty I AM,” the Presence of all Light, the Presence of all Life, the Governor of the Universe, as well as your individual Life.

You have anchored within your own Heart the Power, the Dominion of Light that knows no opposite, therefore, making you the Victory of Light. And as the Great Being Victory has offered to charge into your world His Victory of the Light, just accept It with your own conscious effort, and remember that never in the history of the Earth has mankind been so privileged or received so great an assistance as at this time, because of the great need of the World.

So tonight, We enfold you in that Mantle of Light from your own "Presence" with Its Invincible Protection, Its Mighty Directing Intelligence, Its Outpouring of Divine Love and Blessing through your mind, body, and feeling world, and no longer can a single quality come that is not the Perfection of the "Presence" pouring forth Its Blessing everywhere. Just know that you are the "Presence," the Power, the Freedom, the Victory of the Light now and forever holding Its Dominion within your mind, body, feeling world, and activity, that produces forever sustained the Perfection of your "Presence" in your world throughout the Earth. We thank Thee, O Great Presence of all Life, that It is so established forever, All-powerfully active within each one forever.

GEM OF LIGHT

Beloved Godfre:

The Demand of the Cosmic Law, the Great Divine Plan of Life, is that the activities of the outer self become a Sun, a Radiating Center through which the "Mighty I AM Presence" of yourself, the Physical Sun, and the Great Central Sun can forever send forth Greater Honor to your Source, the "Beloved Mighty I AM Presence."

The purpose of Individualization is that the outer self may become a Sun Presence of the Sacred Fire's Expanding Love, which glorifies all Life, all substance, and all energy in the use of the outer self with the Perfection of the Great Central Sun from whence you came; and if you fulfill the Great Divine Plan of all Action, you automatically attain the Ascension harmoniously and without passing through the change called "death."

BELOVED FUN WEY'S DISCOURSE

Through Mrs. G. W. Ballard

Shasta Springs, California

October 4, 1951

Record—SG 2071 A & B

MY BELOVED ONES of My Heart, it is with very great happiness that again we come together, and what purpose do you think is Ours tonight? Not only to increase the Outpouring of that Love from the Central Sun that increases our happiness, but Our great Love and great Joy is pouring to you all with a gratitude and love you can scarcely comprehend when We see you are winning one Victory after another. And while sometimes it may not always appear like that to your senses, yet from the Inner Standpoint may I say you are all doing very well, and We are happy indeed. So there is great cause for great rejoicing even though there is great requirement for still greater Application. But as we move along Life's pathway and each day brings the opportunity for more blessings than the day before, your opportunity to understand Life ever expands with joy and love and power that ever stands ready to serve you.

Tonight, if you will just once a day, perhaps at night or in the morning, in just one great happy outburst of Joy and Power of Victorious Accomplishment, you command the outer self to enjoy making your Application—whether it is the enjoyment of giving your Decrees; or the enjoyment of your music; or the enjoyment of holding the picture in the mind, which gives you the opportunity to pour the love from your own Heart's Flame into that picture, that you may begin the use, or rather grow more efficient in your use of these great Creative Powers of Life. One important reason for turning your attention again to holding the picture clear in the mind and pouring your love upon it in order to produce the manifestation you require, is to train the faculties of the outer self to work together and concentrate all the energy of the outer self to one definite thing until you manifest it, and then keep right on with something else.

Don't let the human have a chance to lie down and wait

before it, because it is very apt to tell you, “Well now we’ve accomplished that, let us take a rest!” And that’s the time for you to be the Master and say, “No! We will not rest! The next accomplishment must come quicker, must be more magnificent, and must release greater Powers into our outer use!” Because in your use of the great faculties of Life, you are the directors of those faculties; and you must learn to live within the Unfed Flame in your Heart as you take your Authority of the Sacred Fire and issue the Commands or the Decrees for Manifestation to appear.

Now in practicing holding the picture and then pouring your love upon it, and pouring your love to the Violet Consuming Flame, you are letting certain faculties of the outer consciousness unite, and you are training them to work together simultaneously and quickly at your Call. The purpose of that is this: Your Mighty Saint Germain told you that when you *train the outer self to see the Unfed Flame from the Heart, the Flame from the throat, and the Sevenfold Flame from the forehead unite out here at one point*; then you become very still and you enter into that stillness, greater, deeper and deeper, with greater and greater Love; then suddenly you picture within those Flames that which you desire to produce in the outer—as you train yourselves to do this you will find one day it will produce Instantaneous Manifestation!

This is but a training in the use of your faculties of creation. Love is the great motive Power of the Universe and is the Desire within the “Mighty I AM Presence” that, through Its Flame, expands Its Activities of Perfection; so when you hold the picture still within the mind, you pour the Powers of the Sacred Fire upon that, and then pour your love, holding that steady until Love, the great magnetic Power of the Universe, draws together the energy and the substance and pours into your outer use the Fulfillment of your Call.

Now We want you to have more Instantaneous Manifestation! And the more you train the outer self to hold the picture in the mind, pour the power through the spoken word or your Decree from the Flame in the throat, and then the Love from the Unfed Flame in your Heart, you have three Activities of the Sacred Fire; and as you hold that still, deep, deep, deep within the Great Great

GODFRE, OUR LOVED ONE ASCENDED

LOTUS, OUR LOVED ONE ASCENDED

Silence, there comes the Light that will reveal to you Its Power to produce the Fulfillment of your Calls instantly. And that is why I said if you will charge the outer self with the love of making Application, so that your Calls each day carry the greatest Joy that you have ever experienced, when you get through with your Application you will almost walk on air; and this might also have an effect upon your Power of Levitation!

There is something I wish you to understand because it is so vitally important to your health. When the body is filled with the Liquid Light from the Higher Mental Body, into the nerves, and you draw the Light in the atmosphere in through the breath, so that the outpouring and then the indrawing of both activities of Light maintain their balance within the body, you will find the strength of the body building up to the place where you feel you have plenty of reserve energy. So as the Light comes into you from the Higher Mental Body, and It comes into you from the atmosphere about you, or the great Universal Light, this concentration within the body holds a certain balance in the atomic structure, and this is imperative if you are going to maintain health in the body and balance in the feeling world.

So in maintaining greater strength and energy into the outer self, there will come more peace, more quiet, and a controlled relaxation. You must watch so that when you relax there is at the same time a consciousness of great calm protection and security about the energy, or about the outer self while you are relaxing or resting within the Light and the Love from the Higher Mental Body. *This is imperative* so that in gaining relaxation you do not just let go of everything and become just “blah” in your control of that energy; and We are watching carefully to draw about you, all the protection possible. Many times were you to call forth your own Higher Mental Body’s absolute Control of every bit of energy in you, you would not find it difficult to control your feelings in the midst of aggravating circumstances, or in the midst of conditions in the outer world in which you must move sometimes to render a service.

You see, the outer self has been so in the habit of taking all the energy it wanted and doing anything it wants, and not feeling

any responsibility as to the results produced; and that is where the sinister force gains the energy to sustain its destructive activity. Now if you are to be masters of yourselves enough to produce Manifestation quickly in using these greater Powers of your own Life Stream, there must come the Higher Mental Body's absolute Possession and Control of the energy of the outer self.

How many times have you, in the midst of aggravating circumstances, just tried to hold onto yourselves with everything you had, and have gotten under considerable tension doing that? You've all had that experience. Well, now let us release that sense of strain, and when you suddenly find yourselves in conditions where you must hold onto your thoughts and your feelings and the spoken word, so you do not do something under an impulse that causes distress to yourself or others, the moment you find yourselves facing that sort of a condition, instantly, just as if you jumped into the lap of your "Presence," call to It and say, *"Mighty I AM Presence" and my Higher Mental Body, possess and rule this energy!"* Just like you drew everything of the outer self quickly into the Heart, into your own Heart's Flame, and then raised that into the Heart of the Higher Mental Body.

If you will practice this a few times, you will find no struggle at all in handling these conditions, for you will take away from the disturbing thing that is trying to connect with your energy, you will take away that energy and let it go into the control of the Higher Mental Body, which will then stand your guard.

There's a powerful *secret* in this, My Dear Ones, and there is an Activity that has been given you occasionally; but I think only a few of you have remembered to use It. Sometimes in moving among others of the outer world, you suddenly come into contact with someone of the outer world who means perfectly good, perfectly well towards you and yet, not knowing the Law, sometimes does things to you that either give you something to handle or cause some sort of discord. Now in addition to the Beloved Saint Germain's Wings of Violet Flame, which His Great Love has drawn about you, there is a marvelous Activity of Protection of that same Violet Consuming Flame, only in a very concentrated Action; and that is, when you are moving among people of the

outer world and its discord, if you will sense, just hold the picture again with intense feeling for just a moment, as if the skin of your bodies were solid Violet Steel so no one coming close to you can really connect with your energy.

You can always visualize your Wings of Flame about you, and that is a reservoir of Power and an Action that holds your energy under control for your direction to help others, as well as to protect yourselves. But when you begin to feel the outer part of the physical body like Armor of Violet Steel, Dear Ones, if you will just hold that picture and love it, and ask the Higher Mental Body to sustain it; then go into whatever you have to in the outer world's activities, aware of Its presence, you will not come home exhausted! You may move about your business in the outer world, you may go into conditions where you wish to give help, and you will not take on the discord due to the radiation of others.

Now your Mighty Magic Electronic Tube of Ascended Master Light-Substance is this Protection; and your Wings of Flame, of Violet Flame, are the Purity and Protecting Power about the energy that you are gathering through your Decrees to produce Perfection quickly and to assist others, as well as to draw Activities to yourselves. But this Violet, Steel-like Armor of which I speak, is the Insulation of the flesh structure, as well as your feeling world, from the connection with the radiation and discord that is in the world about you, and in which most of you move from time to time.

Very often people of the outer world take on conditions just from the places in which they pass by, and they don't even realize that some of that discordant energy has come into their own world, and they don't understand what has happened. This takes place in all epidemics, My Dear Ones; in all plagues; and in all conditions that are the hatred and aftermath of war. These conditions are in the atmosphere about you, unless your use of the Violet Consuming Flame has kept the locality purified from the discord of *other* people. But in this which We give to you, you may move among those conditions, render service, send forth the Power from your Wings of Violet Flame to give assistance, to produce Manifestation, and to accomplish certain things; but *you*, your

mental and feeling world, and your actual flesh body stays insulated against the substance and vibratory action of the radiation in the world about you. This has a certain magnificent assistance to your health!

You know from the medical standpoint, they think that ozone is pretty powerful to help people recuperate their health. May I say that in wearing this Violet, Steel-like Armor—which, you might call It, your skin becomes That under this Activity—It generates an actual ozone in the atmosphere about you, and you can call This forth with such power that anyone can sense It in the atmosphere about you. It is a Powerful, Purifying Activity to the atmosphere, as well as to the actual Power of Protection to your flesh bodies. Then if someone comes up and touches you, you are unconcerned because nothing gets through that Steel-like Violet Armor. It can be as thin as a piece of paper, but absolutely impenetrable. I would like you to accomplish this, if you choose; and I think you will all feel a very much greater reserve of your energy. Much of the energy that just automatically goes out into the outer world's activities because of radiation, will stay within you to keep you energized and protected, and keep your reserve energy ready to produce a Manifestation quickly in the Fulfillment of your Calls, that otherwise might take you weeks to accomplish. This is a very practical Application of the Violet Consuming Flame.

Now My Dear Ones, in the use of your great Cosmic Christ Tube or your Mighty Magic Electronic Tube of Cosmic Christ Substance, the moment you become angry or irritated, or sudden depression strikes you, you have opened your Tube of Light; there's not any question about it, you just have! But with this awareness of the Violet Consuming Flame around you, if something like that occurs, then do just what I said a moment ago—draw quickly within the Unfed Flame of your Heart, and then see That rise into the Heart of your own Higher Mental Body, and as you do that, you sweep it up here; then calling on the Law of Forgiveness, ask It to blaze the Violet Consuming Flame and again establish your Invincible Protection through your Tube of Light.

We are trying in every conceivable way, My Loved Ones, to bring about Protection around you all, so you will not be subject

to the discord, the accidents, and the conditions that belong to other people. You so often know that in your automobiles or your airplanes or even trains, it's not so much what you do as it is what someone else does, and these things We are giving you as an Insulation to disconnect you from the vibratory action of what is in the world around you. Now this of which I speak is a tremendous Protection against epidemics; so We are very practical! We do not want you touched by these conditions in the outer world; and if you will stand the guard over your energy and hold everything in reserve for when you need to produce a Manifestation or give help, then you do not feel an exhaustion in the energy, which you do otherwise.

Just as the insulation around an electric wire disconnects the electricity within the wire from the static electricity in the atmosphere, just so does this Violet Steel-like Armor or Insulation of the flesh body disconnect you from the vibratory action of conditions in the world about you. It is very practical, My Dear Ones! Now your intellect may say: "Oh dear, well, They give us so many things and I can't remember them all. I don't know which one to use. I can't use them all"; and you'll find a hundred and one excuses in the human as to why you shouldn't do it or why you don't want to! But again take your stand with that outer self and say: *"It doesn't make any difference whether you like it or not, 'I AM' going into the Mastery of the Unfed Flame, and 'I AM' surrounded at all times by the Victorious Purity of the Violet Consuming Flame, and It shall continue to increase until you are consumed forever!"*

Now you will find tremendously greater ease in everything you wish to accomplish as you just do these things naturally. You will become so joyous in Their use, it will almost be a game. There will be this Picture come and you will hold it for a minute, flash your love upon it, and accept its manifestation. Then you will go on your way. And I tell you frankly, because of My own experiences, the Joy that comes from this use of the Sacred Fire is indescribable. It will lift you into Happiness every time you use It!

And this has another tremendous Blessing. How often, My Dear Ones, has your intellect been uncertain as to what you should

do? But there comes a gentle feeling in the Heart, just a very gentle feeling, “Well, I feel this,” or “I feel this would be right.” If you follow that feeling, ninety-nine times out of a hundred, and eventually a hundred times out of a hundred, you’ll be correct! But if you let your intellect argue you out of that obedience to the feeling, you make a mistake and then you say, “Well I had the feeling that I ought to do it, but I didn’t do it!” But why didn’t you do it? If your “Presence” went to the trouble to give you the feeling through your Heart, why didn’t you obey? I’ll tell you! Because of these constant suggestions from the world about you that register doubt in your intellect. Therefore, until that gentle feeling in the Heart is allowed to pour Its Radiation of Light through the intellect, and hold that Light there so these suggestions from without cannot connect through, then mistakes go on unless you will let This occur. And, that is what it means to unite the Unfed Flame in the Heart, the Flame in the throat, and the Flame in the head into One glorious Unfed Flame and Activity of the Sacred Fire!

Then will the Love from the Seven Mighty Elohim, through that Sevenfold Flame enfolding the Unfed Flame in the Heart, keep cleared out all discordant creations, all suggestions of any kind that will not produce Perfection for you.

Now since, may I say, Enjoyment is one of My main characteristics, then I have come tonight to charge your Application, not only with enjoyment, but with the thrilling exhilaration that brings more energy into your outer selves for use, and only for the use of that which is constructive.

If you could see how the discord of the outer world saps your energy, My Dear Ones, you would arise tonight with a fierce determination that that should never occur again; because I tell you frankly, it is like quicksand, and if it is allowed to connect with your energy, it has drawn you into destructive activities before you can catch yourself, before you know what has happened. But if you will use This of which I speak tonight, you will go on your way serenely with a happiness, with an exhilaration in your energy, with a sense of power you’ve never known, and you will have Victorious Accomplishment in one-tenth the time that you’ve ever had before.

So it is very practical, and as the Mighty Saint Germain told you, Joy is the great motor of existence; therefore when you enjoy using the Powers of your own Life Flame and all Activities of the Sacred Fire to do these things that need to be done in the physical world, you will have forgotten the word “labor.” You will have forgotten the word “work”! All will be just a Joyous Activity of the Sacred Fire, and your love for That will let Love flow through you without delay and without obstruction. You will give It unconditional Freedom from the Central Sun to flow through you and do Its Will, and your Life becomes the Song of Joy and Ease and Comfort, and such Power as you can never have until that Joy comes into you! You can only draw forth a certain amount of Power in the use of your outer faculties until you come to the time when the Joy is drawn forth that is the limitless use of Power. This Joy of which I speak is part of the Great Mastery of Life, and I think your Mighty Saint Germain and the Blessed Cha Ara are two of the most Joyous Beings I think I have ever known!

Beloved Cha Ara’s perhaps most predominate characteristic is His enjoyment of raising individuals out of their conditions with a sense of humor that they cannot resist. When He smiles at you He smiles as if He always had a Secret up his sleeve that He was going to spring on you if you didn’t look out, and usually He does! But He’ll make you happy, and you’ll never come into His Presence and not leave in Happiness. I have tried to be like Him! I trust I have succeeded to some extent, because I love to be happy and I love to bring that Happiness to others. And your Mighty Saint Germain a large proportion of the time carries that same great, great Happiness! The Blessed Godfre also has It! And your Beloved Master Jesus is not a man of sorrows; how could He be, if He is the Cosmic Christ which He has become!

Don’t you see how mankind have placed these labels upon themselves, really, and then century after century those have been perpetrated down through the ages, and they have been just like chains upon mankind? I am here, with the Cosmic Sword like the Blessed Archangel Michael, to cut those chains and sever them every time I find them! (*applause—audience rising*) Thank you, Precious Ones; won’t you be seated, please.

Dear Friends, won't you please realize that when you call forth the Ascended Masters' Feeling—from any Ascended Master or Cosmic Being—of Their Love to the Heart of Creation, to that Great Love in the Central Sun, when you call That into yourselves, how could you be unhappy? Don't you realize in that Love is the Greatest Joy that you can ever experience? In that Love is Boundless Energy! In that Love is Invincible Protection. In that Love is Wisdom and Illumination and Boundless Supply!

So in the Happiness which it is Our Great Privilege—in which it is Our Privilege to abide, and which it is Our Great Privilege to give to you, That ever increases. And, My Dear Ones, as you charge these Activities of the Sacred Fire into your physical conditions, do you not realize that every time you do that, your “Presence” gives you infinitely more into yourselves and into your world? That goes on infinitely, and it is the way you draw forth Cosmic Christ Power, while yet unascended, to assist your Nation; because you as an individual do not require such a tremendous amount of Power to set you free. But if you will let this great Cosmic Christ Fiery Love from the Heart of Creation pour forth through you, and expand Its Love and Blessings to the Universe around you, then there comes into you, all you require to raise you; and This which you draw forth, floods forth to your Nation, and in your assistance to help release the Earth from its frightful discord, does the Cosmic Law say to you, “The Doorway is open, and you may enter through whenever you will!”

Oh, Dear Ones, the Law of Love is tremendous in Its Great Blessing, and I wonder if you just know how much I love the Beloved Eriel, who saved Me? You know the greatest, most wonderful relationship in the Universe is that between Master and Student, for It is Eternal Friendship, created by Love and sustained through the ages by Service to Life. And I assure you, That brings Joy that opens the floodgates and gives you everything in the Universe with which to do your service in this World, or any other.

Oh, My Dear Ones, Life is so wonderful! It has so many things within It, and Love is Its great motive Power, and Its Illuminating Presence. Therefore, with all the Explanation that has been given by the various Ones to you all, day after day after day

have these Dictations come forth; day after day after day have We poured the Radiation through those Dictations! Why, We have released enough to have lifted you all to your Ascension long ago, and that which We have given is to safeguard your Nation and to hold a certain balance in the physical octave to keep destructive forces from accomplishing their end. We have come again and again, and We shall continue to come until the Great Cosmic Law, moving into the lower atmosphere of Earth, releases the Light that is Irresistible and in Eternal Command.

My Dear Ones, We also would appreciate your Calls for the beloved constructive people of China and of India, for We have certain responsibilities there. Their service to mankind has been great through the centuries. They have given much that is beautiful and wonderful to the western world, and now you who carry the Light can render service and bring many wonderful things into those countries through your Calls alone. Please don't forget My Beloved China; and We love India, too, for the magnificence of centuries gone by and that which will yet return to bless the future.

We live with the World as Our Home, and to do good, Our Religion! And therefore in calling forth these Activities of Love, oh, don't forget the constructive people in every nation of the World. They must have Love and they must have the Light of this "Blessed I AM Presence" in order to be strong enough to stand against the mass accumulated energy of discord.

So as We have drawn your attention to these various Activities, it is that you may keep yourselves insulated from conditions in the outer world in which you move, but in which you move to pour a Radiation that consumes them, and sometimes without saying one spoken word. If the Radiation about you is powerful enough, in walking by, evil that was planned can never occur. That is the Power that We wish you to draw forth into the outer, but at the same time, remain perfectly protected and insulated against those conditions while you are consuming them.

Do you wonder sometimes what occurs from the Inner Level when Beings like the Blessed Goddess of Light, when She went into those dives in New York, into the lowest depravity mankind can create, She, the Being of Light, so dazzling We could scarcely

see Her within, and yet She walked into that condition and vibratory action and rendered the Service to Life. But She did not take on the depravity that was there! And that is why We are speaking of This in order to enable you to render this Service, but keep yourselves untouched by the condition which must be consumed. And it is an avenue of very great Service in which you can be extremely happy as you feel the Security of yourselves within these Activities of the Violet Consuming Flame. You will be just as secure within these Activities as a diver is when he puts on the rubber suit and he goes into the water and renders his service, and yet, is not touched by those destructive conditions in which he moves. It is the same activity only with the fire element instead of the water element.

Dear Ones, you are privileged beyond any people on the Earth to have this Knowledge. Please do not forget It, and please do not forget to use It. *Do not think that anything on this Earth is as important as your attention to your "Presence" and the reading of these Discourses and the absorption of this Knowledge which has been given, that you may use It in the time of struggle and trial in the outer when the rest of mankind must face the Hour of Judgment!* You have had Blessings untold, and We have stood your guard many times, and shall still stand your guard! But *please, please* fill your worlds with these Activities of the Sacred Fire, and demand always that that great Victorious, Cosmic Christ Love in Its Powerful Feeling from the Great Central Sun must now have Its Dominion in you and, blazing through you, hold Light's Dominion in the world about you, until It gradually expands and that which has been of the shadows can no longer find a place to exist.

Send your Blessings to the younger generation without limit! Charge forth these Cosmic Christ Activities of the Sacred Fire and demand, and demand, and demand Victory of God's Immortal Love to the Earth to be the Law that controls all energy; and you will find yourselves a race apart, and yet ever leading your fellowman on to the Goal of Freedom in the Victory of Love that knows never a failure. How can you fail when you use the Sacred Love of the Sacred Fire from the Heart of the Central Sun? Your own "Beloved I AM Presence" is that Flame! It extends that Flame down

into your physical body, and it is your responsibility to give that Freedom through the outer self, with the Command always that It produce the Perfection of God's Will done physically in this World in the outpicturing of the Divine Plan fulfilled that sets all Free! Your happiness will grow greater hourly, and as yet you haven't seen but a fragment of what you will yet accomplish. May I say, the next year your advance will be as much as the past ten years! (*applause*) Thank you, Precious Ones.

May that be qualified with such Love as shall bless you for Eternity. Go forward and know that as you advance in the use of this Greater Power which will come into your outer direction, your Happiness will increase in leaps and bounds. Your ability to give assistance to Life will lift you on the Wings of Happiness; and the world about you, as it faces the hour of crisis, will look to you for Security, for It will not be anywhere else. We will watch every opportunity to increase your Power as rapidly as you will let Us, and We are without limit in Our ability to assist you; for you, while yet unascended, can give Boundless Assistance to the people of the outer world, and it will not be long until they will honor and respect you with a Love that will last for Eternity. For there must come this Illumination to the people of the Earth, and they must face the hour of choice when they will either do as the Divine Will commands in Its Purifying Activity of the Sacred Fire, or they will be subject to the outer world's destruction.

You are the saviors of mankind as you do these things! And may I say Those who have gone before you and prepared the way in the Octave above are pouring back to you more than you can ever dream exists, and They will hourly give you more and more with which to operate in the outer world; until the Victory attained forever reveals the Hand of God, and the Love of the Sacred Fire becomes the Law of the Earth that none will ever be able to disobey in the future.

Glory without limit awaits your Call, and Happiness that is Eternal in the use of these Boundless Powers now shall clothe you with That which sets you Free! I bless you for your presence here this night, and I shall bear to Those who assist Me every Call from your Hearts for Happiness to ever abide with you, and make your

way just the Song of Joy that shall draw all into their Freedom!

I have been helped without limit until I attained This which is My Freedom this night, and in that Great Freedom I can never rest until all others have that Freedom also; and It comes only by Love that gives Happiness and Perfection of the Sacred Fire to all.

Feel yourselves clothed in Our Love, the Feeling of Our Love which is a Flame of the Eternal Fire of Creation, and go forward with Legions of Ascended Master Friends and the Angelic Host, Legions of the Sacred Fire, who know only the Service of Love. Just use It, and use It, and use It, and express your Mastery to the rest of the world until they have forgotten how to hate, or how to become angry, or how to be selfish. They will just all of a sudden turn and let go, and facing the Light, remember the Home that they have left and which now awaits their coming. You have crossed the threshold into that Home! You have entered through that Door of Life, and now you set the table that welcomes home the prodigal sons that have chosen to experiment with the outer world that has only contained distress.

From tonight, My Dear Ones, will the Banquet Table be set for you who want to use this Power of the Love of the Sacred Fire, and Our Joy shall ever flood your world like Sunshine from on high, and in the Glory of your Victorious Accomplishment will you know that your Freedom is Eternal!

I call you to Its Everlasting Happiness, and may It guard you with My Love until you enter into Our Octave. Thank you, and good night.

EXCERPTS BY THE BELOVED GODDESS OF LIBERTY

December 21, 1953

The Unfed Flame in each Heart is surrounded by the Protecting Flames from the Ascended Beings who guard the destiny of the Life Streams on this Earth.

When the devotion and Call goes to God for the Sacred Fire to rule the Nation, then the Heart Flame in every Life Stream is spoken to by the Higher Mental Body, and when that desire comes forth through a few people, such as this Group, those Heart Flames unite into One Flame; and that Flame touches the Heart Flame in every human being within your borders who loves America and who wants to save America, and who loves God and wants God to take the place of evil.

Therefore, when you make this Call, the Heart Flame of Life that guards the Freedom of God unites with every other Heart Flame within the Nation through individuals who want America saved and who want God and God's Hand to run the Nation.

Therefore, when this Call goes forth, feel your own Heart Flame expand and unite with the Heart Flame of everything that is constructive within your borders; then raising that to your "Mighty I AM Presence," *demand* It rule the Nation!

By your own Heart Flame of God's Life and Love there will arise the Expanding, Raising Action within the mental and feeling world of the masses of the people that will release a strength, an energy, and a determination within individuals to turn to God and try to give obedience to the constructive way of Life; and this Sacred Fire, as It is expanded from within and around the Heart Flame of those Life Streams who are the Guardians of America and the Guardians of that which is of God in America, will unite and enfold that which is of God. Then from Our Octave can come the amplification to enter into physical conditions and begin the control of the evil until it is removed.

Our Beloved Saint Germain's Words: "Consider yourselves part of My Legions of Eternal Purity in the use of the Violet Consuming Flame, and you will soon begin to feel a Majestic Power and Authority to command Purity and compel Its outer manifestation to hold Command through your Call forever.

"The keynote of the Violet Consuming Flame is Its Mercy, Its Forgiveness, and the Purity of Its Eternal Love! It loves to produce Purity! It loves to forgive and set you Free!

"LOVE IT AS YOU HAVE NEVER LOVED IT BEFORE! LOVE IT, AND THE MORE YOU LOVE THE VIOLET CONSUMING FLAME, THE MORE FREEDOM YOU WILL HAVE IN YOUR WORLDS, IN YOURSELVES, IN THE ATMOSPHERE ABOUT YOU, AND IN YOUR AFFAIRS! For your love to that Violet Consuming Flame draws the Power of the Great Central Sun Magnet to lift everything in your world into Its Eternal Perfection. NO DESIRE WILL REMAIN WITHIN YOU EXCEPT TO LOVE IT; AND IN YOUR LOVE TO IT, DOES IT GIVE YOU FREEDOM!"
