

# Thanksgiving Day

“**B**ELOVED MIGHTY I AM PRESENCE,” today, on this most wonderful Thanksgiving Day, we give Praise and Thanks that we are Students under the Radiation of the Blessed Master Saint Germain. We give Praise and Thanks for the great Privilege of having been chosen to receive this Instruction and to spread It to the rest of mankind, to draw all into this Understanding by the Light and Love Thou pourest forth through us. We give Praise and Thanks that we are among those who have been gathered together by Beloved Saint Germain, and that we are rallying at His Call. We give Praise and Thanks that we are being trained and prepared; and that we have been, are now, and will continue to be used in every way possible in the Service of the Light.

“Beloved Mighty I AM Presence,” we give Praise and Thanks for the Assistance, the Guidance, the Protection, and the Inspiration of the Beloved Ascended Masters of Light, Wisdom, and Love. We give Praise and Thanks for this Joyous Understanding of our Great Cause, and the Transcendent Vision of Perfection that has been revealed to us. We give Praise and Thanks that this Ideal is not only possible of attainment, but that even now, even this very hour, the Golden Age for America and the Earth is being ushered in.

We again offer ourselves, dedicate ourselves in the Service of “*The Light of God that never fails*”; in Thy Service, O “Beloved Mighty I AM Presence”—Thou Glorious, Shadowless Light of Infinity!

Beloved Ascended Master Saint Germain, as we strive now to express our Boundless Love and Gratitude to Thee through our Service, use this Outpouring from our Hearts where It will help the most to bless and illumine all mankind; and as we do now pledge our all to the Cause we now engage, do Thou fill

us with the Joyous Realization of the Glory of our Cause, the Transcendent Happiness and Freedom which *is* ours in this Service to the Light!

In Thy Name, and by Thy Love, Wisdom, and Power in Cosmic Action, *we bow before Thee this Thanksgiving Day, in humble Gratitude for Life!*

Mr. and Mrs. G. W. Ballard
