

My “Beloved Mighty I AM Presence!”

I live in Thy Heart Flame,
This Miracle Day!
My “Beloved I AM Presence,”
You *must* now hold sway!

You *must* now control me!
You *must* now rule all!
You are my Full Mastery,
Released in this, my Call!

You are all my Victory!
All my Freedom here!
You are my Protection,
To all I hold dear!

You are all Life's Glory!
All Power of Light!
You are my Perfection!
My Peace and my Might!

You are all the Love I ever feel!
You are all Its Purity I ever need!
You are all Its Heart Flame,
By which I now succeed!
