

Adoration to the Angels

(Beloved Ones, as this coming Thanksgiving Class is dedicated to the Great Angelic Host, and Los Angeles is the "City of the Angels," may we focus our attention on the Angels, and send Them our deepest Love and Gratitude for all that They wish to do for us and through the coming Class.)

Just imagine what would be your experience if you loved intensely and contemplated the Angelic Host for *one whole hour!* What do you think We could do for you? Most of the time mankind only thinks of Us when individuals are in trouble. Then, We are immediately forgotten as soon as the pathway is easy again. We would like to reverse that and be with you when the path is easy! It is more enjoyable for us both.

If you want to prove the Truth of My Words, love and contemplate Us in the midst of your daily work, even if it is for just a fraction of a second. You can send your Flame of Love from your Heart — the Feeling of Love from your Heart to the Angelic Host, and thank Them for Their Love to this World. If you recognize Their Love, more will come into you, and one day you will be like Them! *(Beloved Archangel Michael)*

"BELOVED MIGHTY I AM PRESENCE!"

I GIVE Conscious Recognition, Love, Gratitude, and Blessings to the Great Angelic Host; the Acknowledgment and Remembrance of the Blessings of the Angelic Host; the Healing Angels; the Protecting Angels, and the Illuminating Angels!

(Unless mankind's attention is called to These Great Beings again and again, the Door is open very little for Their Assistance to come in by Conscious Recognition.)
