Beloved Ones of My Heart, I want to bring you today a Gift which I want you to remember to use as long as Eternity lasts, for there is no time when you cannot use It, once you understand your connection with Me—once you understand the Authority which “I AM” to the Life Streams of this World.

I want you to feel that since “I AM” One with your own “Mighty I AM Presence” and Higher Mental Body, then, if you will call the Miracle Love of the Sacred Fire of My Authority of Life in, through, and around yourselves, that Authority is One with your own Higher Mental Body and your Electronic Presence of the “Mighty I AM.”

The reason I call This to your attention is, that if you will do your part, calling first to your “Blessed I AM Presence” and then to Me, for the Miracle Love of the Sacred Fire to come in and around you, charged with My Authority over this World, then I can release in and around you certain activities of the Sacred Fire that your “Presence” must have established in the atmosphere about you before It can bring into your outer physical use certain Powers of your own Life Streams; because the Higher Mental Body cannot and will not release certain Powers into your outer physical use until the Miracle Love of the Sacred Fire has become the Authority and Power of Direction in the atmosphere about you, with My Authority that holds the Guard, so that the energy that is drawn through your Decrees

and released from your “Presence” or from Our Octave within your Electronic Circle is not touched by the forces of the outer world. So you can have your momentum build that accumulates to the point where one day, as you raise your hand and issue the Command of the Sacred Fire, the Manifestation blazes; and then you will find your Mastery over this World is but a continual Acknowledgment of the Miracle Love of the Sacred Fire.

When you love that Sacred Fire in your own Heart, the Unfed Flame of your own Life, and that Unfed Flame in the Heart of your “Presence,” your Higher Mental Body, that same Unfed Flame, the Sacred Fire of Life in the Heart of every Ascended Master or Cosmic Being, when you understand that to give that Miracle Love of the Sacred Fire your attention and your Call, and *demand that It takes Its Dominion and be Our Invincible Authority in the energy around you*, then We can hold the Protection and release Greater Powers into your outer use that will take you forward quickly, that will give you the ability to heal instantly, that will enable you to produce Manifestations that can be sustained forever as an Eternal Blessing to all.

There is no use just calling forth the Powers of the “Presence” by concentration to produce phenomena, for We tried that long, long ago in Theosophy. We have tried it in several other channels, and while it attracts mankind through curiosity, yet they will not make conscious effort to prepare themselves so they too might be worthy to use those same Powers.

The Beloved Saint Germain, in this Ascended Master Instruction of the “Mighty I AM Presence,” has reversed the process that has gone on many centuries in the past, of mankind’s concentration upon the Powers of Life without purifying the outer self and strengthening it to the point where it could be made Purified and Invincible first; and then, when the Power is released, It becomes an Eternal Part of your outer Life Stream.

So when you contemplate upon the Great Eternal Truth that the Miracle Love of the Sacred Fire of My Life and of your Life and the Life of your "I AM Presence" is One Great Honor Flame of that Great Miracle Love of Eternity, and we are all One within That, just the same as the drop is one with the water in the ocean, then the Greater Powers of your "Presence," the "I AM," and Our Assistance to you, is like a Mighty Current in the ocean that carries the drop forward with much greater speed than it could travel alone. So if you will think deeply and feel deeply *the Oneness of the Miracle Love of the Sacred Fire within your Heart which gives you Life, which releases the energy by which you move and do things in the outer world*, then if you will think deeply upon It, as *My Authority over the Life Streams of this World*, and you will think deeply upon It, as *the Life which your "I AM Presence" is giving you constantly*, in these three Activities will you find the Secrets of drawing the Powers of the "Mighty I AM Presence" into the physical world for use here to assist your fellowman, and to bring Perfection into outer manifestation that is commanded to be Eternal. Nothing can be made Eternal except by the Miracle Love of the Sacred Fire. The Immortality of Life is the Miracle Love of the Sacred Fire. There is nothing that can be sustained anywhere in the Universe and made Eternal as a Manifestation, except it be filled with and surrounded by the Miracle Love of the Sacred Fire, because within That is all of everything; within That is Eternity; within That is Perfection without limit; within That is the ever self-sustained, ever-expanding Action of Life forever. That is why I told you long ago, way back in the Shrine days, I TOLD YOU THAT IF YOU KNEW WHAT YOUR FEELINGS COULD DO FOR YOU, YOU COULD BE FREE IN A FEW HOURS! I still say I keep My Word, for My Truth is Eternal. That which I spoke then is an ever-living Word that has never changed through the ages and never will!

Were you to quiet the outer energy of the feeling world and use the Violet Consuming Flame and demand your Immortal Purity of all the energy of the outer self, and then acknowledge the Miracle Love of the Sacred Fire of My Authority in you, which is One with the Authority of your “Mighty I AM Presence,” a few hours in that Peace, the Silence of Love and Eternal Purity would saturate and reorder every condition in your outer selves, until you could behold within and around yourselves the Beauty and the Perfection which the Higher Mental Body could then draw forth, in, through, and around you, and make you the Perfection of Itself in outer Action, to be Its Victory over this World—and Its Perfection—to give to Life everywhere the Fulfillment of the Divine Plan. Do you remember, once I said to you, I have wrapped you in My Heart’s Flame without even asking your permission. Do you remember that? Do you? (*applause*) It is in the same Discourse in which I told you, “If you really knew what your feelings could do for you, you would be Free in a few hours”—all in the same Discourse. I am just giving you the same Discourse over again today! (*applause*).

I am bringing it to your attention, Beloved Ones, because it is not that you did not know that I have said it before, it is not that you were not aware what I meant by it, but I said it, and you read it, and then you stored it in your memory; but it has not been functioning in the outer, intellectual consciousness, nor in the energy of your feeling world, because the incessant demands of the outer, physical conditions have crowded it back so you didn’t remember that it is here to act for you. So I am drawing This to your remembrance. That is what the Master Jesus meant when He said, “Do this in Remembrance of Me,” that as you remember the things We have told you, you swing the Door open again, and the Sunshine of Our Presence comes into the darkened creation of the demands of the outer

world; and then Our Authority of the Life and the Sacred Fire purifies the outer conditions and sets the Divine Order that makes you Master over circumstances.

If I could make the experiment—not that I lack the ability, but it is the condition of the outer world that surrounds you—but if I could make the experiment with this roomful of people, and keep you for six or eight hours with the Violet Flame playing through the energy of the outer self, purifying it from the vibratory action of the outer world, and then after that, I could get you to acknowledge the Miracle Love of the Sacred Fire of My Authority of Life in you, and then you abide in That for a few hours, Children, you could go forth Free! After those few hours you would scarcely recognize yourselves in the mirror. I can give This, and I have given This to thousands of those on the Path who passed through the Cave of Light in India and received their Freedom—and those bodies in which some of them lived twelve and fifteen hundred years before their Ascension took place! We have done This through the centuries. The Law is the same forever, and Our Love never changes. Our Authority never diminishes. The Cosmic Law is ever in Action, but you must swing the door wide, and you must make the outer world wait until you have come deep enough into the Heart of the Sacred Fire, that you understand what is required, and you render that Obedience to your “Presence” that enables that Sacred Fire to act in and around you, to bring about the change that sets you Free.

Freedom is ever at hand, My Dear Ones. You do not have to go under these limitations of the outer self unless you want to. God, the “Mighty I AM Presence” and the Ascended Host, are ever ready to give you This. The Sacred Fire is ever in existence awaiting your use. The Miracle Love of Eternity is ever within Life, awaiting an opportunity to expand through you; but

you must say to the outer world, *“Stand aside while I go to my God”*—if you have the backbone to do that, and I much suspect you have. Isn’t that encouraging? *(applause)* Thank you, Precious Ones, and just a moment now while you are standing, I will complete what I started to say. If you have the determination, or you use it to say to the outer world’s demands, *“Stand aside while I go to My God, the ‘Mighty I AM Presence,’ the Miracle Love of the Sacred Fire”*—then, as you surrender to your *“Presence,”* and *you demand Its Perfection and Its Authority in you reveal the Sacred Fire from Our Octave,* and you stand There unafraid in the Power of that Sacred Fire, and stay There until the Peace of Eternity fills your feeling, and you know that your Mastery through that Sacred Fire has come within you to dwell, to abide, and to forever control your outer world conditions—once you have felt the Peace of That, then you will know what was meant in those Words of the Beloved Master Jesus when He said, *“Come unto Me, and I will give you rest. I will give you Peace.”* I say to you, come into the Miracle Love of the Sacred Fire of Our Authority over all Life. Abide within That until It has saturated the energy of your outer self, and the Higher Mental Body comes closer and releases Its Powers through you; and then as you turn again to the outer world, you will find that which has been delay and obstruction and limitation will have been dissolved, and like the Sun coming forth from within, or ever abiding over the fog, when the Sun increases Its Light, the fog lives no more. So it is with you. When you determine to fill yourself with that Miracle Love of the Sacred Fire and *demand It expand through you and let your “Mighty I AM Presence” and Higher Mental Body accomplish the Fulfillment of Its Divine Plan through the outer self—with My Authority over the Life of this World*—you will find the fog and the shadows that have been your limitations of the past will have

simply ceased to be. Won't you be seated please.

The same thing will take place in you that took place with the Children in the Cave of Light. When I sent the Light Rays from My Heart and My Head into the flesh structure of those Blessed Children, and through the energy of their mental and feeling world, sheet after sheet of the discordant substance of their human creation passed off like a vapor, and it allowed the Miracle Love of the Heart Flame within to expand Its Light. Then that Light became the Authority over the conditions in the world around them, and when They left the Retreat to move back in the outer world among conditions that had to be corrected, They felt no more the limitation of the outer—but were aware of their own Mastery; and they used My Authority of that Sacred Fire to keep clear the way till their own “Mighty I AM Presence” could accomplish in those conditions what needed to be done for this Nation—and wherever they moved in the rest of the World.

I come to bring this to your attention today, and I trust that you may feel deeply My Desire for you to have this same Freedom which My Authority can produce, which your “Mighty I AM Presence” awaits to give you, and which is the Fulfillment of the Divine Plan and is your Destiny in this World—so you may move without limitations until that hour when the Ascension is accomplished. But you have many years of service in outer world conditions in which you may bring Perfection that is to come for Eternity, and you may have It with perfect ease, with glorious happiness, with the limitless, ever-expanding use of that Miracle Love of the Sacred Fire and Our Authority in the physical world that makes you Invincible against the human creation and chaos of the outer world that has sapped your energy, has destroyed one body after another through the centuries, and has kept you in turmoil and limitations and

distress, because you did not command it to stand aside while you went to your God!

At any time, Beloved Ones, in the outer, when turmoil sometimes seems to press heavily upon you, when there seems to be distress or obstruction in the outer, fail not to remember My Words today: *“My ‘Beloved I AM Presence’ and the Ascended Host! Take Command of me! Blaze Your Miracle Love of the Sacred Fire in and around me, and Your Authority over me and around me! In Your Heart Flame, I say to the human creation of the outer world: ‘Stand aside while I enter into the Authority of My Eternal Freedom. The Miracle Love of the Sacred Fire is My Commanding Presence that holds Dominion wherever I abide and establishes the Perfection of the Divine Plan fulfilled wherever I move in this World’ ”*

Now you may have this—if you will but practice this Call. Then if the human demands again, and again tries to reach through, one day you must take your stand and use the Great Command of Life. You must hold the commanding attitude—impersonally—to the human creation of the outer world, and speak to it with Authority of your *“Mighty I AM Presence”* and Our Authority over the Life Streams of this World and say: *“Stand aside while I enter into the Sacred Fire of the Miracle Love of Eternity. My ‘Mighty I AM Presence’ is the Authority in me and my world of affairs. The Great Divine Director’s Authority rules this World, and you must obey!”*

Speak to the impersonal creation, the human creation of mankind’s discord, but do not drive this at individuals. It is but the human creation that is your limitation, not the individual, because the Heart Flame in each one is the same. Say to every disturbing condition of the outer world: *“Stand aside, and go into the Violet Consuming Flame! ‘I AM’ within the Miracle Love of the Sacred Fire, the Heart Flame of My ‘Mighty I AM*

Presence,' the Authority of the Divine Director, the Sevenfold Flame of the Seven Mighty Elohim, and 'I AM' Master here!" You will know what I meant after you use This a short while when I said when you knew what your feelings could do for you, you would be Free in a few hours. When that feeling surges within you of the Authority of your own Mastery, and when you speak with Authority of the Great Command to that which is of human creation, you will find, once you have accepted the Authority of your "Mighty I AM Presence," you will find the outer world's authority exists no more for you, because the Sacred Fire Itself consumes it. There is no battle, because nothing in the Universe dares battle your "Mighty I AM Presence" nor Me; and if you choose to come within, and, as it were, hide yourselves within the Miracle Flame of Life of Our Miracle Love and Our Miracle Authority, if you come within that Sacred Fire, there is nothing of human creation will ever battle you again. I tell you, it is worth everything you can ever make in the way of an effort to come to the place where you feel the Great Calm, Peaceful Dominion that is as self-evident that as the Sun exists. You enter into the Glory of Its Flame. You use the Miracle Love of Its Glorious Power, and you go forward, and conditions change and part, and let you accomplish what you need to do to bring Perfection into this World that is to become an Eternal Flame, and bring the Victory of Our Octave into this World to forever release Life from its limitations.

So Beloved Ones, We enter in now to the use of this with Great Joy. I shall remind you often of My Presence, and if you give this Command to the human disturbance around you, you will find soon, even with a small momentum of It, there will surge forward the Flame, and Its Miracle Love will handle conditions by the Power of the Silence that you will never handle in all Eternity through talking.

So I give you the easiest, most wonderful, Perfect Way to live Life. I offer you My Authority. I have offered you My Love—I have offered you the Sacred Fire. Use It, and go forward and experiment in this Call, until you will feel the Great Release that comes whenever you speak with Authority to the human creation of the outer world and demand that it stand aside. There will come from within you the rush of the Sacred Fire of Our Miracle Love, and you will be surprised at the way outer world conditions will change and obey your Commands.

I commend you to the Greatest Happiness you have ever known, and the Eternal Freedom of that Light from your “Mighty I AM Presence” and Our Octave that is forever the Miracle Love of the Sacred Fire. Go forth, and be a Pillar of Its Living Presence wherever you abide. Enjoy the Perfection Life intends you to have, and give It like the Sun gives Light to the Earth, so wherever you abide, the rest of mankind arise and come into the Light, until there is nothing left to create or feed the shadows longer. Come into the Everlasting Sun Presence of that Miracle Love of the Sacred Fire, and use your Call for Our Authority to come into the physical octave and help set all Free that you contact. I commend you to the Victory that is yours forever!

Thank you with all My Heart.
