

## *Gems of Light*

Beloved Ones of Eternal Light! Turn your attention with Me into the Heart of your own "Precious I AM Presence" and into the Heart of the Great Central Sun, commanding the Power of your sight to look deep within the Heart Flame, the Honor Flame of the Eternal Love of that Life which you are, knowing that your "Beloved I AM Presence," as the Individualized Flame of Life from the Great Central Sun, is One with that Flame in the Central Sun. . . .

Now then, in the future, I ask you to use the Power of your sight to see into the Heart Flame of your own "Precious I AM Presence" and that of the Central Sun. In your contemplation, when you are quiet, you could look within the Heart, holding the Picture there of the Unfed Flame, and asking the Unfed Flame in your Heart to tell you the Truth about Itself; then would Its Light expand and Its Flame expand, and passing through the intellect, would join with the Flame from the Heart of your Higher Mental Body, and there would come Illumination to the mind that would tell you what is within that Eternal Honor Flame of God's Great Cosmic Life and God's Eternal Love. . . .

As I am speaking these Words, I am charging the Flame of My Heart's Honor Love to Life in Its Eternal Authority and Victory into your consciousness, your energy, the substance of your body, the atmosphere about you, your feelings, your sight, your hearing, your power of choice, your power of Free Will. After all, what you want is your Victory, and that is what I am charging into you, that you may use it and produce it in outer conditions, so that you go forward, not with problems, but with Everlasting Happiness in the confidence, the security, the power, the knowledge that you can produce this Perfection into physical conditions. . . .

Demand your Cosmic Victory into yourselves over any of these conditions. Then, as the Flame blazes through you Its Eternal Love, you move in a Sphere of Its Presence and Activity; and then, like an arrow, can the Higher Mental Body flash into conditions of the outer world whatever Blue Lightning of Violet Flame is necessary, first of all to shatter the form in which those destructive activities are focused, and then dissolve and consume them. But you need to acknowledge Our Cosmic Victory in this. As your Decrees go forth, you demand the Cosmic Beings' Cosmic Victory of the Will and the Authority of the

“Mighty I AM Presence” in the Great Central Sun to strike into all the hordes of liquor, all the hordes of selfishness, all the hordes of human desires, all the hordes of war, and compel the Cosmic Victory of Eternity to cleanse the Earth by the Sacred Fire of Our Eternal Conscious Command! Then the Honor Flame of Eternal Love moves over the face of the Earth and uses whatever is necessary to consume that frightful dishonor to Life.

You are not to keep your attention nor the picture in your vision of the hordes or their activities. You are to keep the Picture of your own “Mighty I AM Presence,” Its own Heart’s Flame, and Its Heart’s Flame in the Central Sun; and the Ascended Host, the Cosmic Beings, with Their Will, Their Authority, Their Cosmic Victory in Action in the atmosphere about you. Then all you will see is those various Activities of the Sacred Fire and the Cosmic Light that will dash here and there and everywhere—like arrows of lightning—shattering, consuming, and forever annihilating that which has dishonored God so long. That is why I ask you to train the attention, to train the Power of sight within you, to train the Power of hearing, to train the Power of feeling to receive, by your Conscious Command, Our Cosmic Victory, Our Cosmic Will, Our Cosmic Authority for the Descent of the Sacred Fire and Honor Flame of Eternal Love to go forth and do Its Perfect Work, and release Life, substance, and energy from the frightful creation of human discord.
