

# MAKE ME ALL GOD'S LIGHT!

## MAKE ME ALL GOD'S LIGHT!

(Alternate Line)

By God's Presence, "I AM"!

By God's Great Command!

Till I blaze like the Sun!

Till all Victory I've won!

Till my Earth journey's done!

Till God's Freedom has come!

Doubled each instant of each hour!

By God's Great Cosmic Power!

And Victory's Mighty Power!

Reveal "I AM" each hour!

By Purity's Cosmic Flame!

To serve Beloved Saint Germain!

Make all know God's Great Name!

By God's Great Violet Flame!

By Mighty Cosmic Might!

"I AM" my "Presence" " Light!

And Glory's Great Great Shrine!

And All that is Divine!

Till naught else can appear!

Protect all we hold dear!

MAKE ME ALL GOD'S LIGHT!

(Alternate Line)

It now forever expands!  
Makes all here understand!  
To hold complete Command!  
Heal all now through my hand!

As God's Music I now play!  
Do all by God's Great Way!  
Till Light floods everywhere!  
To perfect—to do—to dare!

Till God's Miracles now flood all!  
God answers every Call!  
I accept that Light here now!  
Obedient to Thee I bow!  
"I AM" All God, now Blazing Bright!  
'I AM"! "I AM"! "I AM"! GOD'S LIGHT!
