The Magic Presence

MY “PRESENCE” AND I

I live in the Heart of My “Presence,”
I dwell in Its Realm of Light;
I blaze forth Its Love all transcendent,
I wield Its Full Pow’r and Might!

I speak with the Voice of My “Presence,”
I call to you from Its Height;
I offer to all Its Great Freedom,
I see Its Smile dazzling bright!

“I AM” bathed in Its Golden Glory,
I breathe in Its Breath of Fire;
I feel in my Heart Its Great Heartbeat,
I know Its Truth does inspire!

I sing now Its Glorious Praises,
I walk with Its Hand in mine;
I feel Its Full Light now blaze through me,
“I AM” Its Pure Flame Divine!

My Greetings, Beloved Ones, in the Joy and Harmony of My Being! While We are here, We shall also direct Our Love and Harmony to enfold our Beloved Mrs. Hall! Her Beloved One has fulfilled his great Joy in the long years when he had wished to contact the Great Host of Ascended Masters. Now it has been his privilege to meet Them, so it is not occasion for sorrow in any way, but one of great rejoicing for his Freedom!

Isn't it a wonderful thing, Beloved Children of Earth, to know that there is no such thing as death anywhere in the Universe! Think of all the mistaken grief that mankind has experienced—not knowing. But today is being restored the glorious, wondrous Memory of Life in Its Fullness, and with that Memory is coming the Glory of Harmony and Peace in the understanding of mankind, wherein they may come to know directly and individually the Glories of all that is.

You don't have to make the Ascension to become aware of the Great Perfection that is yours; for all forms of Life first receive through their feeling, and if you only understood, stilling yourself and listening to your Heart, what Revelations would come! I am going to say something possibly startling to you, but do you know that every Heartbeat is a spoken word to you? Really and truly, every Heartbeat is a spoken word to you of Love and Light. I call your attention to this tonight, that as you still yourself and call forth

the Powers of your Presence, the “Mighty I AM,” you may come to understand the spoken language of your Heart. That language is the most beautiful, the most perfect, because no human imperfection enters into that.

You have long heard the Voice of the Silence, haven't you? Did you ever know that that Voice was within you, your Heart speaking to you, which is the Law of Harmony, and never knew anything else. Mankind have thought that their Heart was disturbed by outer conditions, but never so. That is but a human concept again. The Heart, being the miniature Flame from the “Presence of all Life,” no imperfection can enter your physical Heart.

Mankind have imposed upon their Hearts many feelings that do not belong there and have accused the Heart of being imperfect—going too fast or too slow. That was not the Heart, but your human concept of it; and as soon as you can change your human concept, your Heart acts normally and perfectly. The Messenger has proven that innumerable times, and he found that most of the heart trouble was gastritis.

So tonight I want you to feel, if you will, that your Heart is the Center of Harmony of your Being, and your acceptance and recognition of that will enable the Presence, the “Mighty I AM,” to release to you, through you, and into your world of action that great harmonizing activity which mankind requires today more than ever in releasing the Powers of the “Mighty I AM” into Action to do for them what is required.

I say this to you and to our blessed one conducting the meeting, that in and through the old masters which we have studied and appreciated greatly, they were but the forerunners of the greatest Perfection in music that was trying to come forth then; but the lack of

understanding of the “Great Presence of Life” only enabled them to strike certain parts of that great Harmony of Life—and at those times, those melodies have lived on and on, creating and carrying mankind oft-times into a vibratory action that has been the savior of that individual.

You, most of you I think, know what Beloved Saint Germain did for Me right here in your city when for the first time I understood what stage fright meant. This part of it has never been conveyed; but why do you suppose suddenly fear beset me without any reason at all? Because there was a force seeing what would come to me in the future that attempted to interrupt my great outpouring of Harmony. Saint Germain, seeing this, silenced it forever and came to my rescue—and from that hour on when He touched my forehead with His Hand, then I began to know the Glory of all that the Music of the Spheres meant, and I went forward to boundless success with my voice.

Closing my career, if you wish to call it that, upon Earth in Cairo, Egypt, and then returning to our home, I received at regular intervals those visits from Beloved Saint Germain—and what Golden Moments! In those Words of Wisdom which He conveyed to me I was able, under His Radiation and Direction, to apply from the first with great Blessing. And yet I was not privileged then as you are today. I could speak to no one. That was a Sacred Sanctuary of my own Heart. Today you are privileged to convey your Blessings to others. And even my family—I could not make them aware of all that was being given to me; for they had, like you today, to stand on their own feet and wait that coming of Understanding.

During that time, I found after My Ascension, that

my Love and Gratitude and Radiation pouring forth through me to my family was doing wonders unheard of that I was not aware of at the time when I so longed to speak to them of all the Happiness that filled my Heart. Then when suddenly the strength began to lift my human form, and Beloved Saint Germain had not yet made me aware of the Final Victory, but when I closed my eyes and thought upon death, I opened them in the “Presence of Life”! Only a few moments, and there stood our Beloved Saint Germain with one of His gentlest smiles, and He said to me: “Get ready! You are not passing on, but You are entering Your Victory over substance and energy! Come with Me and I will show you how to turn upon your human form the Mighty Energy of your Stream of Life—flowing at that moment from My Higher Mental Body which I had entered into. As I turned in that Great Blazing Presence of Light and looked at Myself I could not help but smile, how little we know in the human form of the Glories that belong to our Stream of Life.

Then I was shown how to direct these Mighty Currents of Energy onto my human form, and had the family noticed it, they would have all seen the change within the hour; but having the attention upon death, as they thought, they failed to see the Radiance of Life encircling the form. Then We allowed the form to be placed within the tomb, and then I arose with that Perfected Form in which the substance of Earth has no barriers.

As the Ascended Masters pass through seemingly solid substance, so was I released from that tomb of metal and rock. Can you for a few moments feel what such a thing meant to Me? No words in any language,

with all the Power of the Elohim, could convey the Feeling that surged through My Being at that moment, knowing that never again in all Eternity would I be required to build another human form!

Now remember that in that embodiment there had been no great distress as many have experienced—and yet the Joy was so great in the Freedom that was Mine! And then many of the things Saint Germain had told Me became a living reality in My experience; and then I began to use Powers of which the fondest imagination can scarcely conceive; for do you realize what it means to suddenly step into a Pure, Perfect Body of Light with all the Powers of your “Mighty I AM” for use at any moment? Such was Mine! Then My only concern was hoping that My family might have the same Great Joy! But remember, Saint Germain is a very peculiar individual—He never tells you much beforehand, and as He must have seen My great longing, He never said a word. When He had sent the Message to My Beloved Ones—not letting Me know anything about it—then on the second night that He was in our home, Saint Germain came to Me and said, “Would you mind coming with Me?” I said, “I would be delighted always!” and I immediately began to feel something unusual. Presently We stood in our home, Our bodies still invisible, and there I saw the wondrous Radiance in the receptivity of My Beloved Ones to the Messenger. Then I saw the rest. I saw that My great longing, My great Desire was soon to be fulfilled. Can you feel with Me what that meant, Beloved Ones? Words could not describe it, so I shall not make any attempt!

Later when Saint Germain brought our Precious Bob to the Cave of Symbols and We were there to

greet him, it was very wonderful! Can you not see, Beloved Ones, how that was a great Circle of Life being fulfilled, and in the presence of Bob and Pearl was the completing of our Circle of Life. How long do you suppose it had been since we had the memory of that? We had met many times, but the memory was forgotten. That is the position that mankind stands in today. In all the Beauty and Perfection that mankind once knew, they have forgotten. Now, as our Blessed One said tonight, let us never forget that our attention to the Great Presence, the “Mighty I AM,” will release Its Beauty and Perfection of Form—as well as that which you term more needful: your supply.

Do you know, Beloved Ones, there is not one of you in this room who could not transform your face and body in the next six months if you only would! You could change them in the great similarity to your Higher Mental Body. That great one who sought the Fountain of Eternal Youth had held the Memory of that Great Beauty which he had once known, and was to a large degree, even then, outpicturing. So today, in all the glory and the freedom that mankind seeks from outer conditions, do not forget to include the beauty of face and form. That is the Outpicturing of the Ascended Masters. O Dear Ones, once that was thought to be vanity, but no longer. No “I AM” Student in the world would ever longer think of acquiring beauty for vanity—but to be the greater outpicturing of the Ascended Masters and all They represent. And remember, Beloved Ones, as Saint Germain has very often said, the Students now, since they have had sufficient time for adjustment, should in every way make themselves the Dignity and the Beauty and the Representative Glory of the Ascended Masters, and

remember what the Power of your attention will do.

I think I shall tell you something that happened to the Messenger once. He had not had the privilege up to that time of attending the theater, and he so longed to go. So finally he succeeded and was so lifted by it that on his return home, stepping before the mirror, he saw there in himself another being—and by the uplift which he had received, his Higher Mental Body showed him in the mirror the “Presence” which he really was—a Memory he has never forgotten or ceased to cherish.

Many people have had wonderful experiences but because of the doubt of their associates, did not hold all that was intended for them. But today, in the Understanding of your Great and Mighty “I AM,” there is not one thing that your Heart desires that cannot be fulfilled in a comparatively short time. Look at the Messenger! When Saint Germain came to him the second time on Mount Shasta and he was considerably concerned about his many desires, Saint Germain said to him even then, “Are not all your desires being fulfilled?” Since, his fondest desires that he had been holding throughout the years—every one, without exception—have been fulfilled.

That is for you, Beloved Ones, every one of you. As you hold steadfast with determination in your Call to your Presence, the “Mighty I AM,” so shall It out-picture your fondest Desire in Health, in Beauty, in supplying the Harmony, which is the great important thing of Life in the human octave.

You will come ere long to revel in the Melodies that lift you and give such assistance in the quickening, holding, sustaining the vibratory action of the atomic structure of your body which those Harmonies

will create. Remember Dear Ones, you are dealing with a Great and Mighty Law of Life, which is Harmony—and music is the greatest outpouring of it, or should be. Much of the distortion today was intentionally intruded; but it can only exist for a certain period; then it too must vanish, and is rapidly doing so. Why do you suppose that before a Great Outpouring of Light there comes a period of seemingly most discordant action? Because mankind, when everything is going smoothly in the human octave think, “Oh, I should give attention to something else—to my joy through the human form.” There is where the great mistake is. Then would be the opportunity to take advantage and call forth the Glory and Perfection of your Stream of Life! But mankind have not understood. They could not be blamed for what they had forgotten—except that they had forgotten it; but now you today who have the Understanding and the minutest Application before you, is there any excuse why every one of you should not outpicture all of the Perfection which your Higher Mental Body is?

Remember, your “Presence,” through your Higher Mental Body, has given you the Light Pattern which is within your physical structure, Beloved Ones. It is not outside, Dear Ones. How would you be able to perfect and raise the purified structure of your physical bodies if that were not the case? You would not be able to do it! But I say to you, the “Presence,” through the Higher Mental Body, has provided the Light Pattern through the atomic structure of your body. That is the Real You, not the covering—because, unfortunately, you have covered it with great density; otherwise your Light would shine through! Your Light would shine through this structure of flesh. It does already,

only your eyes are not yet attuned to the Vibratory Action where you see It, although the Messengers see It about you.

That is how the Great Joy of Life is flooding your being and world. You don't have to seek the Inner Sight and Hearing, but as you give great intense Adoration, great calm Adoration to your "Presence," all of these things, these faculties which you have in your human form, will begin to act from the Octave of your Higher Mental Body, all perfectly natural in Divine Order at all times.

How do you suppose these eyes see and the ears hear, and the vocal organs vibrate to form speech? Oh, not by the human structure, but by the "Presence of Light" and Energy from your Higher Mental Body, from your "Presence" of all Life. And it is those Faculties from the Higher Mental Body that cause to vibrate, and be brought into your use in the density of the human octave, these organs within the human form.

Is it not magnificent, Beloved Ones, when you come to understand—even the outer structure which you are—and then far more wonderful when you come to understand that back of that is the "Great Presence of Light" that is the Victory of Life! You are that Light! You are not the physical, limited structure, and once you realize that all that acts in you is the Power of Light, then you will know that your fondest Desire can be fulfilled—and quickly. Look at the thousands and thousands of Students today who are receiving hourly, daily, the fulfilling of their Desires. Within the Staff surrounding the Messengers are Miracles after Miracles being performed! Within your lives are Miracles being performed! Some of them you do not see outpicturing, but I say to you, if you will go on in your

earnest, firm, calm determination and application, you can so quickly stand forth and raise your hands to the “Presence” and say to that “Great Presence”: *“Thank You! At last I know my Freedom! At last I know there is no human creation in the world that has power to touch, retard, or interfere with the Expansion of my Glorious Light, the Light of my ‘MIGHTY I AM,’ THE LIGHT OF GOD THAT NEVER FAILS!”*

Such is the Edict of Life which Life speaks to you. Stand in the Glory of that Light, Beloved Ones, beating your Heart, and never waver for a single instant from Its Mighty Power and Victory that is the Controlling, Masterful Presence of your outer form and your world of action. That “Presence of Light” that beats your Heart holds the anchorage of Infinite Power and Victory of all you require, and there is naught in the Universe to say nay to It. To every discordant appearance in the world, say: *“You have no power!”* and let the Power of your “Presence” through that mighty declaration flow forth and dissolve it into the nothingness which it is; for all human discord which has such terrifying appearance to mankind is nothing but that form and has no sustaining Life, except your attention feed into it to come back and frighten you.

I used to do that too, but not any longer! Think of it, Beloved Ones, of all the energy that I wasted—that many of you have wasted—in thinking that the effort of the human activity was the thing that brought Perfection. A certain amount of it is necessary for training the atomic structure, but the Great Power or Perfection comes from your “Presence,” and when intensity enough is given to the Desire, it enables the Power of your “Presence” to release it—and you think

you have accomplished it by your physical effort.

I thought that too, once, but I found the mistake. How privileged you are today, Beloved Ones! As I have observed the Students of America and the world, I have seen so many whose Hearts were so great, and there, resting within that feeling world was the disappointment in what they had longed and felt their voice should do. If they but knew it still, the Great Power of the “Presence” could change that Heart to its original color and flood forth the Voice of the “Great Presence of Life,” and they stand victorious in their great Desire.

Is it not wonderful to know that at last mankind is coming to know and understand that even though they have lived so many years in limitations, limiting themselves upon every turn, that There, beating their Hearts, is the “Presence of all Life” that will release at their Call—by sufficient Harmony maintained in their feeling world—and again restore the Beauty, Perfection, and the Harmony of Life that will express Itself and bless them forever.

Words cannot convey, Beloved Ones, Our Love, Our Gratitude, and Our Rejoicing with you at the slightest Victory you gain in your acknowledgment of the “Presence”; for every one means the Final Glory and Victory to you. Every little thing added together makes the Great Final Goal of Life, and as you bring together the small pieces to make a physical structure of form in your buildings, so does mankind gather the Perfection of Life, once they understand their “Presence.” And then from their building and from their Garden of Life is plucked out all that has grown there undesirable, and in its place are planted the Flowers of the Perfection of Eternal Youth.

That is what you are doing now. You are planting

within the Gardens of your Being the Flowers of Eternal Beauty, Perfection, and the Harmonies that are blessing you far beyond what you yet outwardly express, except that you are beginning to feel now the great Poise, Peace, Love, and Harmony—even in the face of things that would otherwise have terrified you.

O Beloved Ones, I have so many times wished that We might release Our great Wealth that is still here in the physical octave to the Great Light; but Saint Germain said, “Not yet.” But the floodgates will open one day to these Beloved Messengers, and all the wealth of America will be at the Service of the Light.

I ask you, please, if things financially sometimes seem to weigh upon you, please don't be discouraged. Go on! Your “Presence” will never fail you. Remember, only about five and a half years ago the Messengers were living on one sandwich a day—and see the difference today. That came through the most dynamic Application that individuals ever made, and in the face of the greatest hatred ever directed to two human beings. Now then, if two individuals can do that—how? *By knowing that human creation has no power!* That is what they know, and that is why they have gone on untouched by all human discord.

You can do the same thing, Beloved Ones; but you must be firm, dynamic and determined in your Application, and *know* It cannot fail—because It is the Power of Light, the Power of God, your “Mighty I AM Presence” that you are talking to and about, and are calling Its Mighty Intelligence, Power, Energy and Light into action to supply you and do the things that are required. How can It fail? It cannot do it and never did! Don't let those feelings enter your world that your Call to the “Presence” could fail in a single thing. It cannot do it, and I stand with you in that Power

and Determination that gives you the Strength to know that—and forever! There is no defeat to any human being who knows their “Presence”!

I trust our Blessed Friend of the Light who has done so much for the Perfected Harmony of the musical world will go on in her great, great opportunity to give to the world the perfected application that brings so quickly the outer structure into the Harmony of the “Presence.” That Blessed One is in the audience tonight!

Oh the Joy, Beloved Ones, to know that you stand the Mighty Focus of the Victory of all Life that naught can interfere with but yourself—that your great Determination is the outer activity of the “Presence” holding you in Obedience to the Great Law that releases Its Power in whatever department of Life you wish to find expression! So tonight, in the great Joy and Release into your world of action—when I see the blessed young people today who are coming into this Understanding and finding such Joy, and some of the Precious Ones who have stood against such great odds, oh, their victory is wonderful—I shall endeavor to give every one My Strength and Courage to stand in the Victory of their own “Presence” and have Its Glories fill their world!

Tonight, in all the Joy that fills My Heart, take It, let It fill your world, Beloved Ones, with all the Glory that is Mine. Let Me hold you in My Arms of Light, that you may feel Its Victory, Its Strength, Its Courage, Strength and Determination that in your attention to your Great “Presence of Life” is your certain Victory and Freedom in the Light, and I thank you.

Discourse by
Mighty Beloved Precious Victory

Through Mrs. G. W. Ballard

Santa Fe, NM

May 23, 1965

CD 1133

Mrs. G. W. Ballard:

Now as the Mighty Beloved Precious Victory speaks His Heart to us this hour, may our “Beloved I AM Presence” purify us, protect us, possess us, control us and raise us so close into His own Heart’s Flame that there can go forth throughout our Nation whatever Cosmic Purity is necessary to strengthen all that is constructive within our borders—so the Great Cosmic Law can protect it and hold Victory for all that is Divine everywhere as powerfully as possible, and as quickly as possible.

Mighty Beloved Precious Victory:

Beloved of My Heart, I wish to explain something this hour concerning Forgiveness, since you have called Its Law into action. What the outer world ordinarily thinks of as forgiveness is a letting down of the feeling of battle and resistance, and of course, that is part of it. But real Forgiveness is the giving of various activities of the Sacred Fire into any manifestation that is not producing the Perfection that is the Fulfillment of the Divine Plan.

Therefore every Call you have sent forth for Purification, every time you decree for anything that is constructive, you are forgiving some part of manifestation

for the existence of human creation, human discord or human limitation. So when you have called the Ascended Masters' Law of Forgiveness and Consuming Flame into action in the physical conditions of this physical world, it means that the Ascended Masters' Projection and Outpouring of the various Activities of the Sacred Fire go forth into those conditions, and they continue to expand there until those destructive conditions are consumed and prevented existence.

So the Law of Forgiveness has a much deeper Meaning and much wider Action from the Cosmic Standpoint than most individuals understand intellectually. "I AM" very grateful for your Decrees today, because they are part of My Victory for the Nation and the world. But when you speak of Forgiveness to the majority of people in the outer world, they are not very much interested. They are not particular whether they forgive anybody or not. Well, that's why they stay in their limitation! But when you *call the Ascended Masters' Law of Forgiveness into action to consume human creation, all inharmonious action and human consciousness*, you have called the Ascended Masters' Sacred Fire through the brain structure, through the mind, through the feeling; because all inharmonious action is the physical feeling, and human consciousness is the intellectual misconceptions that have created discord.

So when you set into action the Ascended Masters' Law of Forgiveness, I assure you, everybody and everything in the Ascended Masters' Octave rejoices and sends Love and Blessing to the Heart of Creation and to you for this response from the people of Earth! And I want you to have that Encouragement today! (*applause*) Thank you so much, and won't you be seated, please, and just remain so.

Now this is part of My Victory to the Earth. It's part of My Victory for the cleansing of this Nation, and it's part of My Victory for the Ascension of each Life Stream—of all under this Radiation, and all for whom you call, and then of all Life everywhere. So you can see how happy We are to fulfill your Calls, because We must have those Calls in order to produce the Miracles of Perfection that consume the human creation and let the Great Divine Law be fulfilled—the Great Divine Plan.

The Law comes into action to manifest the Fulfillment of the Divine Plan. So Beloved Ones, hereafter, when anything is wrong, stop, and within yourself, begin right then to call on the Law of Forgiveness. When you say: *"I AM" the Ascended Masters' Law of Forgiveness and Consuming Flame of all inharmonious action and human consciousness*, that means the consuming of human creation. The very Sacred Fire that is the consuming of what is wrong is the giving of the Sacred Fire from the Ascended Masters' Octave into the physical world to purify it and create Perfection here that can be sustained for Eternity.

So when you think of the Law of Forgiveness, think also of My Victory to the Earth. When you think of the Law of Forgiveness, think of Beloved Saint Germain's Violet Flame Freedom to the Earth, His Purifying Love. And when you call forth His Violet Flame Purifying Love into a condition to forgive it, you are giving His Sacred Fire Eternal Perfection a chance to flow into the physical conditions of the physical world and establish for you His Eternal Freedom. So I think from today you will all have a different concept of what Forgiveness is! Love, Mercy and Forgiveness, "I AM" quite sure, will remind you—every time you hear the

GODFRE, OUR LOVED ONE ASCENDED

LOTUS, OUR LOVED ONE ASCENDED

words after this—of the Victory of the Sacred Fire from the Ascended Masters' Octave. And that's all this world needs to purify it, and it can never be purified any other way.

Unless the Sacred Fire Purifying Love comes into the consciousness of Life, comes into the substance of the physical world, comes into the Powers of Nature and Forces of the Elements—if that Purifying Love from the Ascended Masters' Octave does not come, then mankind's human creation goes on. So "I AM" sure, from this moment, you will never feel that to forgive something that is wrong will ever be a struggle for you, or that you don't want to give it. "I AM" sure that this Concept will give you a sense of Freedom to draw Our Victory here that can never come until you have this Understanding of what the Law of Forgiveness is, how It acts, and how It must be drawn into physical conditions in this physical world if there ever is to be a change of conditions in the Nation or the world, or if there is to be the removal of the sinister force.

You can't remove human creation from this world unless somebody forgives it. You can't remove the mass accumulation of mankind's discord unless some Activity of the Sacred Fire comes from the "Mighty I AM Presence" of each Life Stream and from the Ascended Masters' Octave. When you clean house in the spring-time or the fall, or any other time, or you recondition things in the physical world, you always put them into the fire. The things that are old or broken or misused—the debris—you put in the fire, and that is a forgiving of it. It's a giving of the Sacred Fire's Purifying Love into the condition in order to transmute it into that which is Eternal Happiness, Perfection, and the

Fulfillment of the Great Divine Plan.

So do you mind from henceforth if I call you “My Forgiving Legions of Victory”? It won't hurt you! (*ap- plause*) Thank you so much; and if you will do this thing for Me, you will find I can come to you in a very much more Powerful Way. And do you know the Blessing it will bring to you? Your own feeling will be released from human feeling and human distress which have been the problem or limitations of the past.

So as you are willing to call Our Sacred Fire into the conditions of the physical world to forgive them in order that We may purify them and raise them into the Ascended Masters' Perfection, it must, of necessity, free you. It will free you from human feeling. It will free you from battle, irritation, discouragement, and the discord that has locked your world many times against the supply that you needed and could so easily come into your outer use.

So from this hour, whenever there is anything in the physical world that comes to your attention, may I depend on you to be My Forgiving Victory to everything of human creation that is called to your attention? And if you will give this Decree for its Forgiveness, there are Uncountable Legions of Angels and Beings of the Sacred Fire, and also Activities through the Powers of Nature and Forces of the Elements, that can consume human creation very much more quickly. Then We can reveal the Perfection of the Divine Plan fulfilled, and Victory will mean the Ascended Masters' Perfection in this world as It is in Our Octave.

So Blessed Ones, “I AM” sure you will realize *This is Beloved Saint Germain's Violet Flame Freedom to the Earth! Forgiveness is the only thing that can free any Life Stream from the discord of human creation*

and allow it to Ascend into the Ascended Masters' Octave. This Feeling of Love, Forgiveness and Mercy to all Life must go forth through the Violet Flame at your Command in order to loosen your connection with the discord in this world in order to give you the Ascension. The Ascension can't come until that Forgiveness comes first, and it's the Violet Consuming Flame's Purifying Love that is that Forgiveness that consumes human creation.

So I think from today you will realize you have reached a peak of accomplishment, a momentum of Power, an Illumination to the mind, and a Consciousness and an Understanding from the Ascended Masters' Octave that will always bring you Victory. That is what I meant when I said, "*I AM*" *your Victory*, because My Love and Its Sacred Fire Purity automatically consumes everything that is not the Perfection of the Ascended Masters' Octave. And so must you too, one day become That same Great Forgiving Love, Mercy and Forgiveness to Life that calls all the Sacred Fire Purity necessary into any condition to consume what is not constructive.

So Blessed Ones, you have a Scepter of Power second to none. You just cannot realize how great will become your Momentum, your Power, and your Victory as you really understand what this means.

Now I want to touch upon a feeling that is rampant everywhere in the outer world. There's scarcely anywhere you can go that it isn't manifesting in some degree; but I speak of it today to give you all Protection, and as you use this Decree, you will never come under its control—and that is jealousy. When people are jealous because others have accomplishment or Victory or something that is good, Dear Ones, remember

and remind yourselves that any consciousness of Life that isn't grateful when some other part of Life has something good, any consciousness that is jealous because some other part of Life has something good, I assure you, needs to be consumed, and it binds more people to tragedy, to ill health, to destruction, to lack, to limitation—and it's an inexcusable thing! So don't let it touch your feeling world! As you use this Command for the Ascended Masters' Law of Forgiveness and Consuming Flame of all inharmonious action and human consciousness to come into the feeling of your world, you will never again be distressed by irritated feeling or by jealousy or egotism—or anything that is a human feeling. It will free you from human feelings of things many times people do not know are acting in their own emotional bodies or in their worlds, or in any manifestation anywhere.

So if you can become Our Ascended Master Legions of the Victory of Love, Forgiveness and Mercy, We can flood you with Blessings and Miracles and Manifestations from the Ascended Masters' Octave that you cannot even believe are in existence until They come to bless you and abide with you in your world to fulfill the Divine Plan the Ascended Masters' Way. This Gift We want to give! This Gift is free as the air you breathe! It's Infinite! It's Limitless! It's Eternal! And oh, It's so worth anything you can do in Self-correction! You just BE the Forgiving Presence of the Ascended Masters' Sacred Fire Purifying Love, and once you begin to experience this Feeling, you will never again—never again will you accept discord of any kind!

So It is an Eternal Protection to your emotional bodies. It's an Eternal Protection to your consciousness, your mind, your mental processes; and I assure you,

It is the Heart Flame of the Elohim of Peace. You may have the most amazing Miracles and Victories and Perfection without limit. You may have Protection against anything that is destructive. You may have Boundless Supply of every good thing. You may have Limitless Light within and around yourselves that forever and forever and forever sets you free!

So may I bless you and leave you enfolded in My Miracle Mantle of Love's Victory, of Love's Forgiveness and Mercy to Life wherever you abide; and you will find there are no veils between you and Us, and Our Legions of Sacred Fire Protection will bring you Victory wherever you abide. May you enter into Its Great Ease and Peace and Comfort and Happiness, and be Its Master Presence to set Life free wherever you abide. And then anything that comes to your attention that needs to be forgiven, as you call this into action, will build your Momentum of Mastery; and That is the Ascended Masters' Great Central Sun's Heart Flame and Miracle Control of all manifestation wherever you abide.

I leave you a Priceless Gift, and it is My Heart's Sacred Fire Love to Life that forever compels Ascended Master Perfection to take the place of human creation in this world and leave you a Joy that is Eternal. May you experiment with this, and feel the Honor that it is to use Our Sacred Fire Love to purify everything in this world and forgive it, that you may be Free! I leave you to the Experiment of very Great Happiness, and as you use It, you will know Beloved Saint Germain's Violet Flame Freedom to the Earth is the Purifying Love of Victory. May you abide within It, be Its Master Presence, use Its Power without limit; and wherever you abide, human creation cannot distress you, so It is Eternal Peace. Thank you with all My Heart.

Chart Talk by Beloved Lotus

Chicago, Illinois

February 22, 1952

Washington's Birthday

Let us feel that while we are entering into the Explanation of the Chart, we, through the attention, enter into the Heart Flame of our own "Beloved Mighty I AM Presence" and the Unfed Flame in our Hearts. The Unfed Flame in the Heart of each one's "Presence" becomes one Blazing Unfed Flame that fills the outer self as we command It to go forth and possess and rule us all in Full Power, and compel the Victory of Christ in this world to possess and rule all in which we abide or direct our attention.

Beloved Ones, as we turn our attention to the Upper Figure in the Chart, try and feel that It is the "Presence" of the Sacred Fire, the Victorious Cosmic Christ of the Universe. This Projection of Itself out here, if uninterrupted by the discord of the outer self, would have around the lower body the same circle of various colors, the same Sphere of Power as abides about the Electronic "Presence" and the Higher Mental Body.

Now when we turn our attention, as I asked you a moment ago, hold the Picture of the Unfed Flame in our own Hearts anchored to, and "One" with, the Unfed Flame in the Heart of the "Presence," *and I want you to feel this with all the Power at your command.* The reason I turn your attention to it is this: the moment you actually feel the Flame which was just a moment ago in the Heart of the "Presence" is *Energy that has come down in the physical form*—is the Energy that is the "Presence" Heart beating through each one of your physical hearts—now when

you really realize that the Energy in the Heart at any moment was just a moment before in the Heart of the Electronic “Presence,” then do you know that your Heart is the Heart of God in this world! The moment you take your stand and forbid the discord in the energy of your own feeling world and the energy of your own affairs, the moment you take the Authority of the Unfed Flame in the Heart of your own Electronic “Presence,” and in the Authority of that Unfed Flame say: *“Beloved Mighty I AM Presence”! “I AM” the Authority of Your Heart’s Flame, commanding forever Your Full Power of Perfection in all the energy of my outer self! I demand that the Unfed Flame in Your Heart be the Authority in everything in my world! I demand all energy obedient to the Flame of Your Heart, and “I AM the Presence,” Your “Presence” of that Unfed Flame in me, that forbids discord to touch the Energy of Your Life that You have given me!*

The more you feel yourselves at One with that Flame, the more you will realize your responsibility in the use of energy through the outer self. It only takes a small amount of energy to think a thought, but if all the energy in your feeling world, all the energy of your emotional body is qualified with the Authority and the Power of Eternal Purity and Perfection from the Heart of your “Mighty I AM Presence,” the moment you *command That to be the only authority over all the energy of the outer self*, you will feel your Oneness with that “Presence.” Then as you maintain that Harmony in the energy of the outer self will you find the Powers which are within the Heart Flame of the “Presence” will act through the Heart Flame in the outer self. And you are One with that Heart Flame, or you wouldn’t exist! That is self-evident!

Many times the intellect knows a thing is reasonable and agrees with it and wants it in the outer; and then the battle is on, because the feeling either from former qualification or stubborn rebellion in the present embodiment does not allow the feeling of Perfection that is in the “Presence,” which has come through the intellectual consciousness, to have control of the energy of the emotional body. Until all the energy of the emotional body is dedicated and consecrated to the Eternal Purity and Possession and Perfection of that Heart Flame in the Electronic “Presence,” then, until that occurs, limitation, problems and distress continue to go on in the outer self, and they will continue to go on throughout the ages because the outer self does not want to surrender its desires to the Possession and Control and the Heart Flame of the “Presence.”

This is the only reason you have war. War is selfishness, and every desire which is not the Eternal Desire, Satisfaction and Contentment of the Unfed Flame in the Heart of the Electronic Body, every desire which is not that Eternal Desire is the anti-Christ. That is why we, as the “Cup of Light” within the American people, must be now that Power of the Unfed Flame! We will ask Beloved Daddy and the Great Ones to take hold of us and make us whatever Love in that Unfed Flame is necessary, whatever Victorious Cosmic Christ Love is necessary to come through these physical bodies into the energy of the Nation. If we will ask Him to make us whatever Saint Germain requires in the Nation to prevent the slaughter which is intended, then there can come and there will come Dispensations from the Great Central Sun to permit many things done for the outer self—when it has unconditionally and eternally surrendered and consecrated the outer

self and all its energy into that Unfed Flame in the Electronic “Presence.” That is the surrender; that is the renunciation; that is Mastery. The moment that surrender and consecration is complete and unconditional and you never want one thing in this world except what the Unfed Flame in the Heart of the Electronic “Presence” wants, the moment that is complete, every Power of the Ascended Host could clothe you and act through you and do for you what the world calls “Miracles”—superhuman. It *is* superhuman, for it is above the human and it is out of this world until we bring it into this world by that renunciation.

Precious Ones, Blessed Daddy has done something in the last three or four days—I am not completely aware in the outer of everything He has done—but it is as if He had drawn us all very much closer into His own Heart’s Flame with greater Love, like we were much much closer to Him than we were a week ago. I want you to feel that and have this explanation because, Precious Ones, individuals do not yet know what I mean when I say, in your own private, secret thoughts and feelings there must come within you the constant reminder that you will not have one thought, feeling, spoken word or act that you could not perform in the Visible, Tangible Presence of an Ascended Being, or that could not pass through the Heart of a Master. If there is any feeling or picture or anything within your consciousness that could not stand in the Presence of an Ascended Being, or at least through the Heart of that Being as Blazing Light, then anything else is nothing else but the desire of the anti-Christ.

I have seen, and I could cite you cases again, again and again, where people in their own private feelings want to play with this one or that one or someone’s

feelings—and get tangled with someone else! I have seen person after person pass out of the body for no reason but that! When I see these things taking place, I do everything I know how to explain the Law and hope the individual will turn away from that and use enough Violet Flame to keep them disconnected from that mass energy. Unless enough Violet Flame is used to disconnect you, it is like you were caught in quicksand, and it sucks you down before you can call for help.

I cannot help but know the Law, Precious Ones. Blessed Saint Germain explained it to me in those early days, and the reason I am pleading today is because this is what has happened to the Nation. Unless we purify that energy in the feeling world of the people, then the people, if they have those same desires, automatically connect with the mass layer of that energy, and the individual cannot stand against the accumulated energy of the mass.

I could show you person after person, condition after condition, civilization after civilization wherein this thing has happened all down the ages; and we are no more exception to the Law than anybody else. Therefore, if we will take our stand today and dedicate and consecrate our entire outer activities to the Service of the “Beloved Mighty I AM Presence” for the Freedom of the Nation of God’s Heart, then we will have and be the Guardian of America’s Freedom and Peace. And there is no other way! (*applause—audience rising*) Thank you, Precious Ones, with all my Heart’s Love. I ask Beloved Daddy to take that energy up, qualify it with His Heart’s Flame and His Desire fulfilled for the United States of America, Her people and Her resources, and those under this Radiation. See that that is amplified with Cosmic Christ Victory of such

Cosmic Christ Love and Fire of the “Mighty I AM Presence” from the Heart of the Great Central Sun that it stands the Guardian of everything within our borders and drives and binds back into its cause all that seeks to destroy the Nation of God’s Heart. That is what America is. Don’t forget—you are God’s Heart in these bodies.

America is God’s Heart in this Earth embodied in the substance of the world, and unless we dedicate and consecrate each day every bit of energy of the outer self to the Fulfillment of the Desire of the Heart Flame of our “Presence,” then we are traitors to ourselves. We are traitors to everything that is of Perfection in the Universe unless we get rid of those anti-Christ desires. All selfishness and desire of the outer self to have its own way opposed to that Flame in the Electronic Body—every desire has no right to live. Let us get rid of it once and for all!

The first thing in the morning when you awaken, say to your “Presence”—your first thought: *“Mighty I AM Presence”! I dedicate and consecrate everything in my Being and world this day to the Service of Your Heart’s Flame, to do Your Will and fulfill Your Divine Plan on this Earth and manifest the Perfection of the Ascended Masters’ Octave into the physical world! Here “I AM”! Possess me and compel this fulfilled!*
