Beloved Ones of My Heart, tonight I trust I may bring into your consciousness, into your feeling world, and into your experience Life, a deeper Understanding of what the Great, Forgiving Love and Mercy of the Sacred Fire is to Life. Once you enter into the Ascended Masters' Octave and become the Invincible Perfection of Eternity, you live within the Realm of the Sacred Fire's Love. Everything within and around you is Its Glorifying Perfection for Eternity. Everywhere you move, It is the Control and the Manifestation of Eternal Perfection, therefore Eternal Happiness and the greater and greater Release of the Power of the Sacred Fire to control manifestations in this world wherever you care to direct the Sacred Fire.

Therefore it is no trouble to Us to forgive mankind's destructive creation, because when We abide within Our Realm of Sacred Fire Purity and We live within That, continually aware of and expanding the Perfection of Our own Love and the Sacred Fire's Boundless Blessings which That is to Life, there is nothing, Beloved Ones, that is hard for Us to do in releasing mankind from the frightful human creation that has been generated through the centuries. Therefore, when We become the Forgiving Presence by the use of the Great Cosmic Fiery Christ Love of Eternity, it means that every time We call This forth into outer world conditions

to consume human creation and replace it by the Perfection of Our Sacred Fire Love, try to remember this: whenever We do that in the physical world, Our own Heart's Flame expands farther, and We have greater Joy in Our own Feeling World.

I want you to feel the Happiness that comes from abiding within the Cosmic Sun Presence of the Great Central Sun's Fiery Christ Love of Immortal Purity and All-Protecting Perfection, All-Masterful Control of all in existence everywhere forever. So when you learn to use the Sacred Fire's, the Fiery Christ Sacred Fire Forgiving Love which the Violet Consuming Flame is, and you use That day after day to consume the wrong mankind has generated within your own feeling world, there comes greater and greater Ecstasy within you, and that greater Happiness expands your own Heart's Flame until Its Radiating Presence fills everything wherever We abide with ever-expanding Perfection, ever-enfolding Love, and therefore ever-expanding Freedom to all that is less than Ourselves.

Sometimes in the unascended state it is very difficult for individuals who are surrounded by discord and the injustice which it has imposed upon Life, it's difficult sometimes to forgive those parts of Life that have created such terrible things and brought them into manifestation. But Beloved Ones, when you truly understand what Love and Mercy are to Life, when you really understand what the Sacred Fire Love is from the Heart of Creation, the Great Central Sun, when you understand It is ever-expanding, Immortal Happiness, then every time you use the Fiery Christ Purifying Love and pour It into physical conditions for the correction of what is wrong and the Purification of all that is here, you just can't help but keep

pouring It forth all the time to help every particle of Life be free from the human and become the Sun Presence of the Love and the Victory and the Forgiveness and Mercy of the Divine.

So every time you call the Fiery Christ Purity and Purifying Love into outer world physical conditions, try to remind your intellect that you are creating ever-expanding Sacred Fire Happiness that is filling your Causal Bodies with Its Sacred Fire Presence that becomes your Cosmic Power to produce Manifestation that ever keeps you happy and ever gives Happiness to Life wherever you are privileged to go. I think I'm bringing to you tonight a different concept from anything you've ever had; for "I AM" determined to bring the Cosmic Sacred Fire's Understanding of Life, the Ascended Masters' Understanding of all the Happiness that is within the Sacred Fire, and all that you can have by your use of It in the physical world as you realize that there must come the Fiery Christ Love, Forgiveness, and Mercy into all outer physical conditions in order to purify them. And therefore the Fiery Christ Purity is the Love which the world requires, and the Sacred Fire's Mercy is the Love that takes away the discord and allows each one's own Heart Flame to expand Its Happiness through the outer self until It becomes the Sacred Fire Presence manifest that raises the outer self into the Ascension.

So when you look back upon experiences that sometimes have been very strenuous and in which you have become enmeshed when suffering was great, try to remember Our present Feeling, Our Ascended Master Feeling, the Great Central Sun's Sacred Fire Feeling of the Happiness that comes whenever you use the Violet Consuming Flame and the Blue Lightning Purity

of the Cosmic Christ to consume human creation in the physical world, that destruction may cease to exist and mankind's suffering be compelled to come to an end.

And if you will realize that every time you make a Call for the Annihilation of human creation, that there is coming into you to blaze in, through, and around you for Eternity the Great Central Sun's enfolding Sun Presence of the Sacred Fire's Love, Purity, and Happiness to Life, you will realize that every time the Sacred Fire's Love is sent forth to purify the manifestations in this world, the greater Sacred Fire Love from your "Beloved I AM Presence" and Our Great Octave of Life, that greater Love and Happiness comes into you to make you more powerful, to use more of the Fiery Christ Purifying Love, Command and Force to drive into outer world destructive conditions to force them to cease existence by the Purifying Sacred Fire that you command to go into those conditions and compel the evil to cease to be.

In releasing Life from the torture of human evil, you do bring Happiness to the Life that is thus released; therefore the Happiness you give must, under the action of the Cosmic Law, be given to you by your "Beloved I AM Presence" and the Ascended Host, so that as the Great Activities of the Fiery Christ Purifying Love in the Central Sun are drawn in, through, and around you, as you render this Service to the Life in the world around you, there must come Eternal Happiness to you.

So may Its Love, Mercy, and Forgiveness ever keep you aware of the Power you have, the Authority that is yours, and the Sacred Fire's Presence from the Great Central Sun of Immortal Purity that you have a right to command to go forth and burn up, consume—

dissolve and consume — and forever wipe out of existence that which has tortured Life. And you will know no greater Happiness ever in all Eternity than to feel the Sacred Fire's Expanding, Purifying Love release Its Happiness through you when you draw It into outer physical conditions to release other parts of Life from the distress through which they have passed and through which sometimes you have passed.

You must realize that wherever discord is created, the Cosmic Law will one day consume that discord and replace it by the ever-expanding Happiness of the Fiery Christ's Sacred Fire Love. And this is part of the Miracle Mantle of Love's Mastery that has been brought to your attention and which becomes an eternal part of you as you use your own Authority and Power to command evil to cease to be. Replace it by the Sacred Fire's Purifying Love that brings Happiness to the rest of Life, therefore brings greater Happiness to you, so that you cannot lose!

When you understand how necessary it is at this time to extend the Fiery Christ's Purifying, Forgiving Love and Mercy to Life by your own Conscious Command and forbid evil to any longer exist, there will come such Power to you as you cannot understand until you experience It. And that Power can only come when your own Love, Forgiveness, and Mercy is used to send forth that Sacred Fire that consumes human creation and replaces it by the Happiness that Sacred Fire Love alone can give. And it is to raise you to This that We come again and again and again to make you aware of Our Consciousness of Happiness, Our Consciousness of what the Fiery Christ's Miracle Mantle of Love's Mastery means to you; for It is Ecstasy for Eternity and the Master Presence that rules

manifestation everywhere forever. And We want you to become That! (*applause*) Thank you so much, Precious Ones. Won't you be seated, please, and just remain so.

Now, Beloved Ones, I have a still deeper motive in bringing This to your attention for your use. You have passed through the veil of human experience; you have suffered along with the rest of mankind, and you have become awakened into the Presence of the Fiery Christ's own Heart's Flame of All-Purifying Love, that Blessed Violet Consuming Flame of Eternal Freedom. In becoming That you will look back upon the time when you felt resentment or hatred or rebellion or discontent in your human experience journey. You will look back upon that and wonder and wonder and wonder how you could have ever been bound by such discordant feeling when this Great "Presence," the "Beloved I AM" and the Ascended Host have all through the centuries offered the Fiery Christ's Purifying, Forgiving Love, Mercy, Power without limit, and Mastery, Eternal Happiness, and Boundless Supply—have offered, offered, offered It into the outer use of mankind, that the suffering might cease and this ever-expanding Happiness of the Sacred Fire's Love, Forgiveness, and Mercy to Life might take the place of the human consciousness and its creation of distress that you have experienced through the centuries past in your embodiments here.

So there must come to Earth someday, sometime, somewhere, through unascended beings, through your Calls, through your music, through your service to Life—there must come someday, sometime, somewhere, your own "Beloved I AM Presence" and the Ascended Hosts' Great Central Sun's Fiery Christ's Purifying,

Sacred Fire Love, Forgiveness, Mercy and Peace that ever expands the Happiness from the Heart of Creation that nothing human can ever change.

So when We ask you to use the Fiery Christ Miracle Mantle of Love's Mastery, it means you have been given the use of a Power so Invincible, so Eternal, that nothing of human discord can ever again touch you or your world, or those to whom you direct this Sacred Fire's Purifying Love and Mercy and Forgiveness to Life. This will dissolve the hard feelings in the emotional bodies of the people, because It will consume those feelings—the feeling of discord, the feeling of hate. And My Dear Ones, mankind's creation of hate is the most horrible crime against Life. So wherever that hatred exists, once you know this Law and can call into the physical octave the Fiery Christ's Overwhelming Annihilation of all hate, and you demand the Great Central Sun's Fiery Christ Love, Mercy, and Forgiveness to Life by the Immortal Purity of the Violet Consuming Flame, then send That forth by Conscious Command that forbids human creation existence anywhere that you place your attention.

Anytime you turn your attention anywhere the rest of Eternity to that which is discordant, remember, once you use this Cosmic Authority and Power of the Great Command, the Fiery Christ Almighty Master Presence and Its Miracle Mantle of Love's Mastery, you will understand what it means to become a Cosmic Being that forbids anything of imperfection to ever touch you or your realm of existence, your realm of action. And therefore nothing but Happiness that is Eternal is ever allowed to come into your experience or can ever touch anything that you create. And therefore your creation is Immortally Perfect. Your

creation becomes ever-expanding Happiness, Ecstasy to Life, and you, the Sun Presence, the Heart Flame in the center of your universe, you become the Giver of Its Boundless Perfection of Eternity. You become the Violet Flame Freedom to Life that is forever Ecstasy, because It is Eternal Purity, Eternal Love, Eternal, All-Protecting Perfection.

And now as you call forth the Great Central Sun's Fiery Christ Violet Consuming Flame's Immortal Love, Purifying Love, Forgiveness and Mercy to Life, you become the Song of the Resurrection; you become the "I AM" Ascended Master Miracle Music of the Spheres; you become the Redeemer of Life; you become the Ambassador of Freedom, and you become the Victory of the Heart Realm of Life. And as the Mighty Victory has explained to you, the Garden of His Heart is this Forgiving, Purifying Love and Mercy to Life that consumes the human, replaces it by Eternal Happiness, and enables constructive manifestation to ever come forth in greater and greater Perfection, greater and greater Happiness, and therefore greater Power of Blessing to all Life everywhere in manifestation. Think you not the world needs this Instruction tonight? (*applause*) Thank you so much.

So now, since the world needs only the Fiery Christ's Immortal Purifying Love, Forgiveness and Mercy to dissolve, consume and close out of existence everything that the sinister force has created, you can become the Legions of the Fiery Christ Violet Flame Freedom to this nation, to the world, to Life wherever you abide. And then your Service to Life will become an ever-expanding experience of dwelling within the Heart Realm of Life, wherein only that Love is experienced and Its ever-expanding Mastery forever goes on and

on in Its Mighty Creation of systems of worlds in which only Happiness can abide.

Mankind needs to learn this Fiery Truth of the “Beloved Mighty I AM Presence” and the Ascended Host, the Fiery Truth of what the Sacred Fire does for Life, and the Fiery Truth of the Reality of the Great Cosmic Law, Its Dispensations and Its Love, Forgiveness, and Mercy to come to Earth and dissolve and consume that which mankind has generated, and issue the Command that human beings may no longer create evil to desecrate God’s world and the Life that has placed here the Blessings of Eternity.

Thus you become All-Authority of the Fiery Christ’s Great Command to the Earth, to mankind, to Life everywhere, to cease the creation of evil. You become that Authority and Power once you understand that the Fiery Christ Almighty Power of Sacred Fire Purifying Love, Forgiveness, and Mercy to Life has taken command of you and your world, goes forth for Eternity in Conscious Command to all Life wherever you abide, and you forever become a Blessing of the Sacred Fire’s Manifestations to Life to fill the world and all wherever you abide with the Ever-expanding Perfection, Happiness, Music, and Glorifying Presence of the “Beloved I AM” and the Ascended Host and the Sacred Fire’s Almighty, Overwhelming Power of Eternal Victory.

I want you to become aware tonight of all the Authority and Power that is yours tonight in this Command once you understand what happens when you call forth the Great Central Sun’s Fiery Christ Miracle Mantle of Love’s Mastery, the Sacred Fire’s Purifying Love, Forgiveness and Mercy that is All-Authority to say to everything of human discord: *Thou shalt cease*

to be, and the Perfection of Eternity take thy place, and thou shalt no longer, ever again, touch Life! Such is the Power that is yours. Such is the Dispensation that is given. Such is the Fulfillment of the Divine Plan. And then you will know the Fulfillment of that Statement, “Divine Love always has and always will fulfill every human need,” because It will dissolve and consume the need, and the Boundless Blessings that only Sacred Fire Love can bestow take the place of mankind’s limitations and the shadows that have sought to close out the Sunshine of Eternal Happiness.

That only comes from the Feeling of the Fiery Christ’s Sacred Fire’s Forgiving Love, Immortal Purity, and therefore the Everlasting Peace of Violet Flame Freedom and the Victory of the Garden of Mighty Victory’s Heart. It is the Garden of the Heart of every Ascended Master and Cosmic Being; and if you ask Us to make This alive within you and make you feel what We feel when We use the Fiery Christ’s Miracle Mantle of Love’s Mastery, you will understand you can wrap anything in It and demand all wrong be prevented forever. And the Happiness you can give will be an Ecstasy that is forever your Song of Life.

This is the Resurrection and the Life out of the use of those who have generated discord in this world, and that Life is drawn up and used only to create Happiness, Beauty, Perfection, and ever-expanding Glory to the universe around you; and never again can you experience the discord of human creation. Therefore it is a great Joy to become the Legions of the Cosmic Sacred Fire’s Purifying Love, Forgiveness and Mercy to Life. And then the Violet Flame Heaven made physically manifest on Earth forever brings you the Music, the Happiness, the Victory and the Freedom

to ever create greater and greater and greater Joy and Glory and Blessing to the universe around you. Become It, Beloved Ones! Experiment with this Call, and let Us show you the Happiness that becomes yours when you use the Fiery Christ's Purifying Love of Eternity to give Happiness to some other part of Life that has passed the way of the shadows and can only be Free by the Sacred Fire Love of Eternal Purity. Enter into It, feel Its Reality, use It without limit, and become Its Master Presence in Full Violet Flame Mastery over all in this world; and feel forever your Eternal, Divine Perfection, and give It without limit, and become forever the Ascended Masters' Protecting Perfection in Full Cosmic Victory, and We thank you forever.

Mrs. G. W. Ballard:
