

DISCOURSE BY
BELOVED GODDESS OF PEACE

Chicago, Illinois January 14, 1955
CD 1764

MRS. G. W. BALLARD:

As the Beloved Goddess of Peace speaks Her Heart to us, we bless Her and pour our Love as powerfully as we know how, and feel ourselves completely at One with the Unfed Flame in Her Heart, until we have drawn the Power of the Flame of Peace into the Earth to become an Eternal Part of this world!

BELOVED GODDESS OF PEACE:

Beloved Ones of My Heart, I ask the Descent tonight, of that Power of Peace that is forever the Master Presence within each one, that draws the Feeling within and around you of such Power from the Great Great Silence as to hold everything in Perfect Obedience to that Great Flame of Peace, which, I assure you, is the Heart of Perfection, and is the Healing Presence of the Love from whence we all come. I ask you to feel the Flame of Peace tonight within and around you as a Pillar of the Power of Peace from the Heart of the Great Great Silence, Peace so Powerful, naught can describe It! I ask you to feel This entering into you and surrounding you like steel against everything that is of disturbance.

The Power of Peace at the Heart of the Great Great Silence is an Activity of the Sacred Fire that is Life Itself, in the Fullness of Its Perfection. And while all mankind, in the feeling, pray for Peace, yet they do not understand what privilege is theirs in the use of the Power of the Sacred Fire, which can come into outer physical conditions by the Conscious Command

and will and determination of any individual who desires Peace.

I wish you to understand something of the Power of the Peace in the Great Great Silence that releases Its Pressure into outer physical activity through Its Own Magnificent *Golden Flame*. When This comes forth by Conscious Call, It enters into the atmosphere about the one who called and becomes active in the feeling world instantly! And you cannot even speak the Word, "Peace," without feeling more quiet and more ease within yourself.

The Power within the Great Great Silence of the Flame of Peace is the thing that mankind requires in this outer turmoil of war in order to stand against that which would destroy everything. So when you understand that simply by turning your attention to the Heart of the Great Great Silence, to the Heart of the Great Central Sun, you may draw the Feeling of the Life that is There within yourselves instantly, and begin to feel Its Peace! Even within the Word, "Peace," is a Vibratory Action of that Golden Flame in the Heart of the Great Great Silence. You cannot say the Word, "Peace," you cannot think of Peace without the feeling within you becoming more at Peace.

So when you understand the Power that is yours to call forth the Flame of Peace from the Great Great Silence to be All-Powerful, in and around you, to hold the Victory of the Cosmic Christ in Full Action in your outer affairs, you will find everything moving in Divine Order, and the Power of that Peace to produce Success for you, will ever increase to the Fullness of your Freedom and your Victory.

I want you to understand, when the Master Jesus spoke to the turmoil in the energy of the waves and said, "*Peace! be still,*" they obeyed Him instantly, because within Him was the Flame and Feeling of the Power of the Great Great Silence. And as that Command went forth, within that Word was the Power of the Great Great Silence to control the energy in the waves.

So it is with you, Beloved of the Light! This Power is within the Word, and if you will understand this, It can still the turmoil in the feeling of mankind just as quickly as It can still the atmosphere about you, and still your own feeling—and as quickly as It stilled the waves when the Master Jesus spoke the Word, “Peace.”

I want you to feel tonight that He is not the only one who can speak that Word, “Peace,” and have conditions manifest accordingly. You can speak the Word, “Peace,” and things around you begin to quiet; because the Word within itself contains the Life, the Quality, the Power, and the Flame of Peace from the Heart of the Great Central Sun.

When you understand the power within words, My Dear Ones, you will soon be Master of circumstance! You cannot speak the word, “STOP!” with intense Command, without producing a vibration that stops whatever you wish to control. And so it is with Peace. When you understand the Power in the Great Central Sun that is surging through all systems of worlds, and pouring all of the Qualities of the Perfection of Life into outer action, then wherever there is Life in Action, the Power of the Sacred Fire that controls that Life and Action comes forth in concentrated form through the spoken word; and also through the feeling.

So when things disturb you, when there seems the feeling of struggle, if I were you, I would say to that feeling of struggle, *Peace! be still! “I AM” the Fiery Love, the Fiery Miracle Love of the Peace of the Victorious Cosmic Christ!* Immediately, Beloved Ones, the Vibratory Action of that Flame comes instantly into you and around you! Your own Higher Mental Body can flash that Flame in an instant in answer to your Call. So whether you want that Peace in yourselves or in the world about you matters not; the Word itself contains the Power from the Great Central Sun to produce the Manifestation that the Word conveys!

So when mistakes worry you, whether they are your own or others, form the habit of saying within yourselves, “*Peace! be still,*” and I tell you, it will take a very short time for you to find that almost instantly the atmosphere about you will become quiet. Your own feelings will become at ease, and then the mind can see clearly the right thing to do: either correct the mistakes, or overcome the limitation, or stop the struggle, or dissolve the problem. After all, whenever there is turmoil, if you’re going to consume it, you’re going to have to replace it with something. So as you set the Violet Consuming Flame into Action to consume what is wrong, never fail to *demand the Victory of what is Right take its place and hold Peace in possession for Eternity!* As soon as you offer the possession of your outer self into the Complete Control of your “Mighty I AM Presence,” with the Demand that It hold Peace in you and your world, regardless of anything about you, that very Word sets into action the Release of that Sacred Fire from the Heart of the Great Great Silence, that brings the Love of the Cosmic Christ to produce the Peace that mankind requires.

The world is calling for Peace, or hoping for Peace one minute, and in the feelings the next moment feel that every preparation is going on for war, until the emotional world, the mental and feeling world of the mass of mankind, swings like the waves on the ocean. And unless somebody uses their God-Authority and God Command and the God Word of Life to say to that turmoil, “*PEACE! BE STILL,*” it goes on indefinitely—unless someone will do That!

While We could come and still the turmoil, yet, My Dear Ones, unless the Desire comes within the people to understand Life and use the Power and Authority and Energy of Life to produce that which will bless Life with the Peace that enables Perfection to come, the Great Cosmic Law does not permit Our Intrusion into the world of mankind. Human beings have created this turmoil, and human beings must call for its

annihilation, and want to use the Authority and Power of their own Life to produce the Peace that will bring Happiness and Blessing to all.

In the long, long ages in which mankind has deliberately and intentionally created one war after another, mankind has not been taught the use of the Great Command of Life, and the Great Creative Word of Life, and they've not been told they have the Authority through the Word—through the spoken word—to produce the Peace they crave. But you, who understand something of what your “Mighty I AM Presence” can do for you, are privileged indeed. And it becomes your responsibility now to *call this Flame in worldwide action into all outer physical affairs, to compel the Peace that enables God to move into action and control conditions that bring Freedom to the people, that they may fulfill the Great Divine Plan.*

So when there is turmoil within yourselves, Beloved Ones, go for a moment by yourself and just say that Word “Peace,” commanding the energy to be still. Then when you ask your “Mighty I AM Presence” to take Command of this outer self and make that Peace Eternal, and hold the Victory of the Cosmic Christ, and blaze Its Fiery Miracle Love without limit, your “Presence” will take you at your word, and it will be done!

Now this is one of the most wonderful Ways and Means of producing Healing, and the Miracles of which mankind has heard, and which they crave, and which they have the Power to produce if they would understand this Law!

Tonight, I trust I may bring to you the Full Conscious Illumination that *“I AM” the Law of the Flame of Peace to the Earth, and “I AM” the Power of that Flame in the Word “Peace” to produce that condition.* There are Legions of Angels who, if in concerted action, spoke that Word “Peace” into the atmosphere of Earth, all would become Luminous, and That would still everything in that locality! Now since I

bring this to your attention, I am trusting that you may practice this by your own Conscious Command until you can become part of those Legions who speak the Final Command of Peace to the Earth, till everything that is of human creation is stilled and consumed, and mankind released from the turmoil of their own unfortunate creation.

If you will *demand that your outer self be made the Illumined, Revealing Peace-Commanding Presence of the Great Great Silence*, then automatically that Feeling begins to come into you. And when you form the Habit of intensely feeling that Peace, It will radiate around you wherever you move. Peace will automatically begin to come into Manifestation, because you can make the outer self a Sun of Its Living Flame, until It actually becomes Luminous in the atmosphere about you!

This Messenger had an experience in New York, I think in 1937, simply in passing a store-window; and as she looked in, just passed by, observed some of the things in the window, and the next day went in to inquire about something. The lady inside said, “You passed here yesterday, and when you passed I felt such Peace, I wondered why!” Now That shows you, Beloved Ones! She didn’t even know it, wasn’t even using any of the Commands; but when you feel Peace within yourself, you can be of very great assistance to every particle of Life you contact! But by your Conscious Command for the Flame of Peace now to come in and take the place of all turmoil, you’ll become Master of circumstance, you’ll begin to reveal the Victory of the Cosmic Christ; and the Miracles of Love that should long ago have filled this world begin to manifest in and through and to you!

So wherever you become the Illumining, Revealing Peace-Commanding Presence, most of the time you don’t have to say one word—just that Flame will fill you and surround you with such Power of Peace, that everyone you contact will feel

It and will be healed by It. So in using this Command in combination with your other Decrees and with your Music, and in your work for your Nation, I tell you, this Expanding Flame will go forth in leaps and bounds in channels you do not even dream exist, and will go on doing Its Perfect Work!

When people are constantly in turmoil, Precious Ones, they cannot see or know the right thing to do unless enough Peace and Stillness is held within for the Higher Mental Body to reveal to the outer self what to do in physical affairs, or sudden crisis, so that the Perfection and Protection that is needed can act in the condition. So This has many, many Blessings! And another one that I assure you is very practical: you will find as this Peace is maintained within you and grows in the atmosphere about you, you will find It becomes a Magnet of Attraction for everything in the physical octave that will bless you and fulfill your need. It automatically acts to draw That which produces Perfection into your outer use. Therefore It is of Great Blessing in drawing Supply, in drawing Health and Strength, in drawing Protection; and It is the Healing, Peace-Commanding Presence, My Dear Ones, that all mankind require today!

There are no solutions to any of the plans of the nations of this world in the turmoil in which all governments are functioning tonight, and unless this Cosmic Flame of Cosmic Christ Peace comes into the mental and feeling world of the people, they do not know the right thing to do; and so the turmoil goes on unless someone commands it to stop. And if mankind wants to overcome what the world calls death, then they must understand this Command for Peace to come into all physical action and close the door to the discord that has produced what you call death.

This Great Perfection of Life for which you call, of which you know, and which you're trying to bring into outer conditions, comes always from within the Sacred Fire.

Whether that Flame be the Flame of Love or Peace or Purity, it matters not! It is in reality One Flame that contains the Sacred Fire of the Perfection that manifests in outer action the Glory of the Source of Light to this world.

Beloved Ones, feel the Strengthening Victory now that can be yours. Enjoy just the use of this Command, and command the turmoil around you to be still! And that which is of outer activity, command it to fulfill the Divine Plan of Peace to Life everywhere; and then you become such a Blessing, My Dear Ones, to all that you contact, that most of mankind's turmoil will roll off or pass you by, or at least will not enter in to disturb you or your affairs. You'll find This a Powerful Protection against the exhaustion that the discord of the outer world imposes upon you because of its frightful destructive quality. Just as surely as discord disintegrates, does Peace build and raise and glorify and expand everything that is constructive, and everything moves into Divine Order and blesses Life with Happiness. You can't be happy without Peace! You can't have Peace one minute and the turmoil of the outer world the next, and make any progress ahead!

So if you will come within the Throne Room of your Being, which is the Unfed Flame in your Heart, and entering into the use of your own Cosmic Authority and Power of the Sacred Fire with which you were endowed before you left the Great Central Sun, you may use this Command, *PEACE! BE STILL!* And then *demand the Fiery Love of the Victorious Cosmic Christ to move into conditions ahead of you and compel Perfection manifest!*

I trust, as you begin the use of this Mighty, Magnificent Blessing to Life, and you feel your responsibility to be the Peace-Commanding Presence when turmoil seems to arise, the more you feel It within, the greater will be the Flame that flows through you. And as you establish the habit and build the momentum, you will find, if the Earth dissolved under your

feet and the Heavens fell, you would stand like steel as a Blazing Sun of that Peace which no turmoil could touch!

I want you to come to that Mastery by the Full Recognition and Power of your own Life, that your “Mighty I AM Presence” may have Its Dominion in, through and around the outer self, to do Its most Perfect Service to Life, and to hold in and about you all the Anchorage of this Flame of Peace into the nation; for It will be like an Anchor to the nation itself to prevent the turmoil that would seek to destroy everything everywhere. Beloved Ones, I trust you will be happy as My Family of Flame of Peace from My Heart! (*applause*) Thank you, Precious Ones!

You know, so often individuals say, “Oh, if I could only have some Peace!” Everybody wants that Peace when turmoil presses heavily upon them, but in order to have It, you’ve got to command It! You are on the Conscious Path of the Light to Mastery, and that means the Conscious Command for every Manifestation that you wish to have in your world. So instead of wishing for Peace, use the Divine Authority of your own “Mighty I AM Presence,” and *command the Flame of Peace to appear!* And if you begin with yourself, and when you say, “*Peace! be still,*” then you say, “*Mighty I AM Presence,*” *take Command of me and my world, and compel Peace manifest everywhere around me, and let Its Sacred Fire intensify to such Cosmic Action that nothing in the world can change it!* Then you may go into very Intense Activity, but at the same time that Peace will be like a breath of Happiness to everything that lives that comes near you.

So, Beloved Ones, just become now the Sun of Everlasting Peace! But in order to have It, forget not the Divine Birthright that is yours to use the Great Command of Life, to use the Power of the spoken word, and *demand by your own authority that Peace be yours for Eternity, and you give It to the world as the Sun gives Light to the Earth!* You have this

Power within your Life! The world is in the shadows of its own distress, and needs your Sunshine Presence of Eternal Peace to issue the Command to still the forces of the shadows until they are forever removed from the Earth!

Go forward, Beloved Ones, and know that the Angels of Peace are as Real as reality can be! They are ever at your Call, and if you want Their Assistance, if you want Their Blessing, if you want Their Love, then *call for the Angels of Peace to fill and surround you and your world, and bring you the Peace that will no longer allow anything of disturbance to touch you or your loved ones or your world!* This Magnificent Flame from the Heart of the Great Great Silence, when called into physical conditions, can produce the most amazing Miracles you ever dreamed could exist. As you just, automatically, become the Sun Presence of this Peace, will you find everything in the outer world cooperating with everything you want to do, so long as it be constructive.

So since the world is starving for It in the shadows of their own selfishness, mankind must awaken to the Conscious Command for the Descent of this Sacred Fire. And It will come just as surely as It is called into the physical conditions of this world! You understand the Law! You know how to make the Call! The Responsibility is yours, and We are the Power that answers your Calls!

So may you go forward from tonight with the Full Realization that as you call This within yourselves, *ask your Higher Mental Body and your "Mighty I AM Presence," the Electronic Presence, to keep this Flame ever intensifying around you, that wherever you move, naught but the Peace from the Great Great Silence can dare approach!* Then can you use these Great Powers of Magnificent Assistance to Life, because the very Peace around you will hold the Protection that enables Them to act freely to give Their Blessings and lift you into the world of God's Heart, where, long ago, you should have come!

So as you go forward on your journey, may the Fullness of all the Peace that My Heart's Love can convey, and all the Cosmic Power in the Word "Peace," come to enfold you, and bless you, and abide with you, and make you Its Cosmic Victory over everything wherever you abide.

I commend you to Its Almighty, Eternal, Conscious Command, and the Perfection that brings the Glory of the "Mighty I AM Presence" into the physical world to the Attainment of the Ascension, the Way of Peace, so that that which has been known as death in the past is gone forever, and only the Happiness of the Peace that Love can give can express to those who pass the way of Earth. May you feel your Privilege tonight and feel very close to the Angels of Peace from this hour; and thank you so much!

Mrs. G. W. Ballard:

Thank You, Beloved Goddess of Peace, and we thank the Angels of Peace for Their Presence with us; and we ask Them to stay, and come in Ever-increasing Power till Their Flame envelops the Earth, and has compelled everything that is not Their Peace of Eternity to have been consumed forever! . . .

Peace! Peace! Peace! Be with you!
Peace! Peace! Peace! Perfect you!
Peace! Peace! Peace! Give you Peace!
That you may multiply It; for the Prince of Peace
forever holds Command!
