## **MIGHTY RULER OF THE VIOLET PLANET**

THROUGH MRS. G. W. BALLARD

CHICAGO, ILLINOIS — JANUARY 17, 1953

SG 1869

Mrs. G. W. Ballard: As the Mighty Ruler of the Violet Planet speaks His Heart to us, we send Him our love, our gratitude, our eternal devotion and obedience. We ask His Help in all we are and have—to come quickly into the United States of America, and let His Sacred Fire descend, and forever prevent the hordes of darkness doing what they intend.

## **Mighty Ruler Of The Violet Planet**

eloved of My Heart, as we enter into the Release of the evening, let Me try to bring more tangibly before you the Fullness of the Reality, the Power, and Authority of the Great Violet Consuming Flame which has been brought to your attention, that you might have the Full Power of Its Freedom to the Earth. I want you to realize deeply within yourselves the actual existence of It within you and around you as you call to your “I AM Presence” and to Us to compel Its Descent and Invincible Victory to be held in and around you, regardless of what is in the outer world. Keep demanding the Descent of the Invincible Victorious Violet Consuming Flame in and around you all, to forever manifest your Mastery over the hordes of evil—because It can be intensified within your Electronic Circle through your Calls to the point where you could move through anything, and that Violet Consuming Flame would hold Command.

As you have been told before, think of It often as an Intelligent Being; for such It really is. The Great Violet Consuming Flame which We direct to the Earth is not what you would call just an ordinary physical flame, which seems to be not a personal thing. The Violet Consuming Flame which We have drawn to your attention is in reality an Intelligent Being, because within that Violet Consuming Flame, if you love It enough, and call It into your conditions of the physical world, and demand that all within your Electronic Circle be filled with Its Presence, then My Dear Ones, there does come a Cherub or a Seraph of the Violet Consuming Flame within the Flame. And therefore, there is an Intelligent Being within It whose

Authority and Love make It act with Instantaneous Power to produce Perfection wherever you command It to go.

This is part of the reason for the existence of the Cherubim and Seraphim. And when you call and demand the Descent of whatever Invincible Victorious Violet Consuming Flame is necessary to keep your Electronic Circle of Light filled with Its Presence in Eternal, Invincible Victorious Action, well, It just takes Command, that's all!—and that which is of human creation is forced to be annihilated. I want you to feel this tonight! That's the reason I come—to give you My Feeling—that you might more easily be aware of the Invincible Power that is yours to use to compel Victory for your Nation, and Purity to the world.

You can make this same Call, and demand the Descent of the Invincible Victorious Violet Consuming Flame to fill the Nation with the Victory of the Cosmic Christ. And then there could come not only Legions of the Angels of the Violet Flame, and the Cherubim, and Seraphim, but there would come other Beings who use It and direct It to this system of worlds beside Myself, and beside your Mighty Saint Germain and the Mighty Arcturus.

There are Others whose Cosmic Assistance you can have as you demand the Descent of the Cosmic Fire of that Violet Consuming Flame in Its Invincible Victory of the Cosmic Christ to fill your beings and worlds, all within your Electronic Circle of Life, and then to fill everybody and everything you contact with Its Invincible Victory of Eternity. Now let Me show you why: The Mighty Outpouring from the Physical Sun contains within It what you term the actinic rays of the Sun. And that actinic ray is the Violet Consuming Flame's Action within that Fire Element that comes to the physical world. Well above this system

of worlds stands the Outpouring from the Great Central Sun. And therefore every one of the Seven Mighty Elohim can concentrate an Individualized Flame or concentration of It into all the activities of mankind, and anywhere you particularly call It into outer Action.

Then there can come those of the Angelic Host who come from the Violet Flame Temple to the Earth. So Beloved Ones, I want you to feel with every atom of your being the Reality, the Power, the Authority and the closeness of that Violet Consuming Flame's Love and Action and Victory—Invincible to you; for It can dissolve, and Its Action is to dissolve everything that is of imperfection. Therefore, if It dissolves the imperfection, then there appears only the Perfection that is the Eternal Action of Life. And since the only thing in the Universe that is Immortal is the Eternal Perfection of Life, then when you have dissolved the imperfection, automatically that Perfection is revealed. The Perfection of Eternity comes forth to hold Command! That is why in the Healing of the body, It not only consumes the substance that is qualified with discord, but It has an Expanding Power to the very electrons within the body. In other words, as It purifies the cellular structure of the body, It automatically draws forth more Light from within the Heart Center of the electron.

Now the same thing can happen to you and your world. You are the Heart Center of your world, which is bounded by your Electronic Circle of Light. So as you call the Violet Consuming Flame in and around yourselves to be, now mark you, the Invincible Victory of the Cosmic Christ in your world, It will manifest that Perfection. Then It expands everything that your Higher Mental Body releases into the outer self. The Violet Consuming Flame protects and expands

it in outer Action. So to love that Violet Consuming Flame with everything you are and have, My Dear Ones, draws such Power of Its Love in and around you as to enable Its natural action to enter into everything in your beings and worlds, till you simply become Its Power manifest! When you ask for the Invincible Power of that Cosmic Violet Consuming Flame to manifest in and around you as your Deliverer Come, truly It is the Deliverer from all evil! Your “Blessed Mighty I AM Presence” and Higher Mental Body are those Activities of the Sacred Fire that can at all times produce Perfection; but the Violet Consuming Flame is Their Messenger, so to speak, to go into physical conditions which the Higher Mental Body and the “Electronic Presence” do not. Therefore, They give the Violet Consuming Flame to go into the conditions and do what is necessary to purify them so that the Full Perfection of the Higher Mental Body may be revealed through yourselves, and through every condition where you call It forth.

Oh! you do not yet know a fragment of what is within the Glory of that Violet Consuming Flame! Beautiful beyond description is the Reality of Its Presence in Our Octave—and into yours where you call It forth! And truly, It is the Freeing Love from the Heart of the Central Sun! It’s the Freedom which that “Great Presence” gives to Its own Fire Element into all conditions in this physical world. And since, mark you now, It is the Authority for the next ten thousand years in this entire system of worlds—not just to the Earth—and so, when you demand the Descent of Its Invincible Victorious Cosmic Christ Sacred Fire of that Violet Consuming Flame from this whole system of worlds, there comes a concentrated Action of It in and around you to produce Miracles unbelievable in Instantaneous Action.

You can have that which is given to the whole system! You can have an individualized River of that, so to speak, continually flowing through you and your world to keep consumed everything that is not the Eternal Purity and Perfection of that Violet Consuming Flame.

So Beloved Ones, Oh! It is your Friend of Eternity! It is, My Dear Ones, the Divine Gift of your Blessed Saint Germain through the centuries as a reward for His Boundless Courage and Strength and Love and Power that He has given age after age to the mankind of this world. And the Love He has bestowed, the Help He has given, has been this Glorious Violet Consuming Flame in Full Cosmic Power and Action. And that's the only reason, My Dear Ones, that you are here tonight as nearly Free as you are—because His Love revealed to you the “Mighty I AM Presence”; His Love explained to you the Violet Consuming Flame; His Love taught you the Power in the Word “I AM”! And may I say to you, He is My own Divine Son in Service! (long applause) Thank you, Beloved Ones, for that blessing and love to Him. May it be qualified with such Invincible Victory of that Violet Consuming Flame as to come back to you and bless you for all Eternity! Thank you. Won't you be seated, please.

Now since the Power of that Violet Consuming Flame is to be intensified through this whole system of worlds over the next ten thousand years, then you can see what the Expansion of Its Blessing is to both you and the world. So you are entering into the Invincible Victorious Cosmic Action of Its Great Enfolding Love. Love It with all you are and have; know It as your Deliverer Come; know It as the Purity you desire; know It as the Power of Transmutation, the Power of the Transfiguration, the Power of Redemption

to the Earth! The Master Jesus uses It constantly, and He did use It in His Manifestations during His Ministry. Every Being of Authority and Power to this system of worlds uses that Violet Consuming Flame sometime, somewhere; and in all who are watching the Earth to compel the Purification—all who are the Guardians of the saving of the Earth will use that Violet Consuming Flame in Its Cosmic Action. So you can at all times demand the Invincible Victorious Cosmic Action of that Violet Consuming Flame in and around you and your Electronic Circle of Life, and you move then in the Powerhouse of Its Activity as It affects the whole planet and the whole system of worlds!

Then My Dear Ones, will there come to you many from the Violet Planet to reveal to you more of the Glory and Blessings of Its Power. And when you ask the “Mighty I AM Presence” and the Great Invincible Victorious Cosmic Action of the Great Violet Consuming Flame to teach you about Itself—by making you feel Itself within you until you comprehend and understand Its Power of Life—then there will come from within you the Illumination and the feeling of all that It can do for you, and all that It can do for the world.

And I want you to know the Beauty, the Power, and the Activity of that Violet Consuming Flame to you is Invincible in Its Blessing! I want you to realize that Its Mighty Action in the Violet Planet is of tremendous Cosmic import! Since It is the Authority of Its Directing Presence to the Earth, as well as to this system of worlds, It comes to bring a Blessing that will be yours forever, and the Beauty that is within It brings only Love and Happiness and Perfection to all! It is one of the most marvelous Blessings that the Sacred Fire can bestow upon the mankind of this world.

It is God's, the "Mighty I AM Presence," Great Mercy and Love and Forgiveness to Life, and is also a Drawing Power of the Great Central Sun Magnet to lift mankind to Purity—where, within the Violet Consuming Flame, there takes place what you might call the "remodeling" of the substance of this world that has been misused. Oh! It is wonderful beyond words to tell as It draws those destructive conditions into Itself. The impurity and imperfection disappear! The Beauty of Eternity is revealed! It is charged with Power consciously directed to fulfill the Great Divine Plan! Oh! love It! Dwell within It! Adore It! Command It to go forth and produce all the Glory that is within Its Heart, till all Life is raised by It into that Eternal Perfection that glorifies the "Mighty I AM Presence" here! and there! and everywhere in the Universe!

May I tell you that the Beings who dwell upon the Violet Planet are happy and beautiful beyond description! If you want youth and beauty, it is within the use of your Violet Consuming Flame. Mankind has sought for youth and beauty throughout the ages, and yet that Violet Consuming Flame has always been in the Universe, ready to change the outer into the Eternal Perfection of the Higher Mental Body. And more than that, It has to be in action at the moment of your Ascension! It's the only way by which the Points of Light within the body are released and raised into the Higher Mental Body. Projection of Its Mighty Ray has to come into the physical flesh body and render a Service which It alone can give.

So go forward, knowing within you the Glory of Its Presence! And if you will demand that all of Its Power and Powers reveal themselves through you as the Deliverer Come to the Earth—to transmute the outer activities into

that which they ought to be—surely will you be a Blessing to Life! And then will you know the Mercy of God’s Love! The Forgiveness and the Mercy of that Violet Flame Love is the most wonderful thing the “Mighty I AM Presence” could ever offer to unascended mankind!

Now then: charge yourselves with Invincible Victorious Cosmic Power to make you feel Its Cosmic Action and Authority in physical command in this world, and see for yourselves what takes place in and around you and your affairs! Then can you have Legions of Ascended Master Friends ever with you to help expand Its Action and render the Service in the world about you that is forever a Blessing to all in the Universe! It is the Great Love that consumes hate! It is the Great Authority and Power of that Purifying Love to the Earth! Ever know It as your Eternal Friend, and love It with all you are and have, that It may render Its greatest Service to you. And as you go forth clothed in the Mantle of Its Glorifying Power and Its Wondrous Presence, may you be Victorious everywhere you abide, and the Violet Consuming Flame come forth revealed in Eternal Command! I give It to you as My Heart’s Love about you; and may Its Cosmic Action one day bring you to Us, where I may show you the beauties of the Domain which it is My Privilege to rule. Thank you, and good night.

Mrs. G. W. Ballard: Beloved Mighty One, Thou Ruler of the Violet Planet, hold us close in Your Heart’s Flame, and let the Sacred Fire of Its Love forever descend and hold us all in Your Victory over all in this world, and make us Its Invincible Victorious Presence everywhere, till all stand Ascended and Free! Thank you for Your Love tonight.
