Gems of Light

BELOVED SAINT GERMAIN

MERICA MUST BE FLOODED WITH PURITY! Her government must be charged with Purity, for all injustice is impurity. All selfishness is impurity, and Precious Ones, all financial lack is the result of impurity. Judge not each other. Pass no opinions, but go to work upon yourselves and your own worlds! Insist that the Full Mastery and Purity from your “Mighty I AM Presence” shall blaze through your minds, your bodies, your feelings, and your worlds; and the Limitless, Invincible, Eternal Purity fulfill the Divine Plan through you, and charge around you Oceans of the Substance of Eternal Invincible Purity; for I tell you, the concentration of that Light Substance from the Ascended Masters’ Octave can be drawn around you with such intensity that it makes it impossible for a shadow to come in!

Begin to build this not only around your own bodies, your own homes and affairs, but call this Substance into action and insulate every “I AM” Ascended Master Study Group so that you may have the Protection against the outer world’s discord. Then it will enable you to go forward and accomplish what you will with almost the speed of lightning.

There is nothing stands before you, Precious “I AM” Ascended Master Youth—nothing stands before you which can oppose or prevent your Perfection if you will stand with your faces to your “I AM Presence.” Call for this Purity! Sustain and expand It and go your way, looking neither right nor left, but just flooding the Light, calling It into action, blazing It through yourselves, and commanding Purity wherever you move. Give no quarter to anything less than that, whether it be in thought, feeling, spoken word or act; and you will know a reward that no generation on this Earth has ever experienced! And it will come quicker than you dream!

BELOVED SAINT GERMAIN

Thou Great Glorious Presence! Thou Mighty Elohim of Eternal Invincible Purity! Flood Thy Love over these the Beloved of the Light! Wrap them in Thy Mantle of Cosmic Power of Eternal Invincible Purity! all they hold near and dear, all concerning America, Her people, Her resources, Her Constitutional Government, and those in Her National Defense!

Great Elohim of Eternal Invincible Purity! when this Song to the Seven Mighty Elohim arises into the Heavens; when these, the Beloved of the Light sing, take unto Thyself their Calls for Purity; and through that music, blaze Your Cosmic Power and Pressure which compels Purity throughout America so I may give Her Freedom—and Victory may make Her His Victory of His Heart forever!

O Great Elohim of Eternal Invincible Purity! Purify the structure of these bodies! Purify the mental and feeling world! Purify the atmosphere wherever they move! Make them Thy Living Self in Action, and release Thy Cosmic Pressure of Eternal Invincible Purity throughout America! Purify everything within Her borders and take Thy Dominion! Thou Great Builder of Creation, Thou art the Cornerstone of the Universe!

Thou Mighty, Adorable Elohim of Eternal Invincible Purity, hold these, My Beloved Family of the Light within the Flame of Your Heart and purify all forever! Let the Sun of Thy Shining Countenance become visible to them all, and let Thy Love take Its Dominion forever. Clothe them in Mantles of Eternal Purity. Hold their feet upon the Pathway of Thy Purity! Blaze through their hands Thy Flame of Purity, and see that they purify all they contact as naturally as breathing. Let nothing longer dim their Light nor delay their mastery through these forms—wherever they move in America and throughout the world. Purify their worlds from all hate, anger, doubt, and fear; for these are but shadows upon the Purity of their own Life Streams.

Beloved Elohim! Draw their attention up into the Flame in their Hearts—and to Your Heart—and hold it there until It draws back to them Your Beauty, Your Youth, Your Purity, Your Perfection, and Your Cosmic Power forever!

BELOVED VESTA

Beloved Ones, since America is the Heart of the World, the Heart must be protected, because God's Fiery Love is here within your borders. Then the Invincible Purity of the Cosmic Christ must take Its Dominion and purify all within your borders. It must be so! If you will call forth the Great Central Sun's Cosmic Christ Protection for the Fiery Love of God's Heart in America; and the Invincible Purity of the Cosmic Christ that is needed within your borders to hold Protection and Balance and Freedom for those who abide within this blessed Land, then Powers from the Realms of the Sacred Fire can come into the physical affairs of the Nation and force the removal of certain activities within your Land that have to be taken out of the Universe.

We would deeply appreciate your calling for the Protection of the Love within the Heart of the World, which America is, and the Demand for the Cosmic Christ Purity within your borders that holds God's Protection for the Freedom of the Nation until the destructive forces can be bound and convinced that they are through with this world. This is very vital tonight; and is very important that you keep demanding the Great Central Sun's Cosmic Christ Protection for God's Love in America, the Heart of the World, and the Cosmic Christ Protection and Manifestation of the Purity of the Cosmic Christ to come within the Land and rule the people.
