Mrs G. W. Ballard: As the Beloved Mighty Cosmos speaks His Heart to us all, we offer Him our love and gratitude, and thank Him for Eternity for His Outpouring to us tonight—and down through the months past. And may we be fully aware of that which He is doing for the Assistance of all.

## MIGHTY COSMOS

cloved Ones of the Sacred Fire, We are drawing in and around you, from time to time, that which it is My Privilege to give—and to watch expand in My Assistance to Life—that will enable all of you to be more consciously aware of the Activity of the Sacred Fire within yourselves, and in your outer activities, that take you forward to your final Victorious Accomplishment of the Ascension.

I wish you to understand that when each of Us comes to bring another Wave and Release of the Sacred Fire into each of you and your worlds for your greater Freedom and for your service to the Nation, try to remember, each time this Sacred Fire is increased in and around you, It is drawing constantly from Heights inconceivable the Perfection of Life, the Perfection of the Ascended Masters' Octave, the Perfection of the Great Central Sun.

Now We are accumulating that, helping It to expand and to grow and anchor in and around the energy of your Life Streams in all your outer activities for the accomplishment of that which is your final Victory. And just as it takes some months for a flower to develop until it comes to the time when the blossom releases its fragrance and its beauty and its perfection in its fullness, so is it with you all. Through the long months of the growth of the flower there is constantly accumulating the substance, the energy, the fragrance, the strength, and the power to bring it to its full beauty and perfection in the fulfillment of its own Divine Design.

And so is it with you all. The Power of the Sacred Fire, which It is My Privilege to pour forth to the Mighty Saint Germain's Family, is an ever-increasing, balancing

Activity—Inner and Outer—of the Action of the Unfed Flame. While within your own Heart abides the Unfed Flame from your “Mighty I AM Presence,” yet within your mental and feeling worlds, and around your mental and feeling worlds, there is also anchoring, and expanding for your final Attainment each day, an increase of the Unfed Flame and the Two Secret Rays that come under My Control that are drawn from the Electronic Belt around the Physical Sun.

They are drawn each day a little bit more, and balanced a little bit more, Inner and Outer; and each day that increases, until when it comes to the final moment of your Ascension, everything stands around you that is required to disconnect you from all magnetic pull of the Earth and the things of the Earth, so that you abide only within the Sacred Fire of Eternal Perfection.

When the Fire is called “Sacred,” it is because It is the Eternal Purity and Invincible Perfection of Life that never is qualified by any human creation. And so when you call forth more and more of the Sacred Fire within yourselves, you are calling the Invincible Perfection of the Great Central Sun into your flesh bodies, into the energy of your mental and feeling world—the atmosphere about you. It continues to intensify and expand until It has purified and raised all in you and around you into the Sun Presence of the Sacred Fire, the Heart Flame of the “Mighty I AM Presence” in the Great Central Sun.

It raises you into the Perfection of your Higher Mental Body, which is that Sacred Fire Presence—then into your “Electronic Presence,” which is again that Sacred Fire Presence. All within your Causal Body is that Sacred Fire Presence, and therefore the drawing up of all the Life in

your outer self—the atmosphere about you—is all a raising into the complete Perfection of the Sacred Fire.

Now this goes on for months and years, gradually transmuting everything in and around the outer self into that Sacred Fire, until all has been raised into Its Eternal Purity and Luminosity. And then the final work is of very short duration, so that when you are ready to reveal the Fulfillment of the Divine Plan of your Life Streams, everything is in readiness. All Powers are there to assist you. And that which is of Our Life's Gift and Activity of the Sacred Fire that has been released in pulsations that you absorbed through the years from time to time—all is in readiness to raise the final activity of the outer self completely into the Sacred Fire.

So you are a Sacred Fire Being, Beloved Ones, in more ways than you realize. Your own Heart Flame is the Heart Flame from the Great Central Sun. That which We bring to you as Radiation—or Activity of the Sacred Fire of any special quality to assist in producing Perfection—is again the Sacred Fire from the Great Central Sun which We give as Our Life to you. And this is the Power of Transmutation. This is the Power that raises always all that is lesser into the Greater. And that always takes place by an increase of the Sacred Fire in and around an individual—in and around the entire Life Stream until all has become the greater Flame of the Sacred Fire for Eternity.

So when you hear Us speak of the Two Secret Rays which come under My Direction, Inner and Outer, remember always, that has something to do with the Unfed Flame in your Heart. And the Balancing Activity of those Two Secret Rays is an Action of the Sacred Fire that gives the Power and Powers and Qualities from Our Perfection of Life into

the substance of your outer selves, into the energy of the outer self, and into the consciousness of the outer self to always produce Perfection.

So, Beloved Ones, when you take your stand for the Purification of the outer self by the Fiery Christ, you will have much Assistance of the Sacred Fire rushing to help you. And I hope you will always fling wide the Door, and let It come in to give you Its Priceless Gift of Eternity. This which We offer is always the Sacred Fire from Our Great Octave of Life, and your world has to have this Sacred Fire. Whether it be you, individually, or the mass of the people, or the structure of Earth itself, there is only one Transmuting, Purifying Release and Way of producing Perfection anywhere in this world or any other.

The Sacred Fire is the only Source of Perfection, the only Source of Transmutation, the only Immortality of Life's Perfect Dominion and Perfect Balance of all substance and energy in the Universe. So when these Inner Activities are explained to you, it is because We have already been called by your own Higher Mental Body to come and anchor this greater Release of the Sacred Fire into your outer selves, while your own Higher Mental Body fans again the Unfed Flame in your Hearts and makes It expand to meet the Unfed Flame around you—which We are drawing with no uncertainty to produce Eternal Freedom, Eternal Perfection and Mastery in you and for you and around you, that your beings and worlds may no longer register discord or limitation or unhappiness of any kind ever again, whether you abide here or are Free in the Victory of the Ascension.

We are bringing the Freedom of the Sacred Fire for your outer use long before your Ascension, and We offer It

tonight with full Freedom. (*applause—audience rising*) Thank you, Precious Ones. Won't you be seated, please, and just remain so.

Now whether you fully understand all I have reference to tonight doesn't make any special difference—if you will accept and know that there are rhythmic Pulsations, rhythmic Releases of Wave after Wave of that Sacred Fire in and around you from time to time, just as your Higher Mental Body releases through your Heartbeat the energy to the outer self with which you do your daily service to Life. So from Our standpoint, and from your Higher Mental Body, comes into and through and around you the ever-increasing Expansion of the Sacred Fire, and all of Its Master Powers and Blessings that can forever produce Perfection for you.

So when you command Perfection manifest, hold the Picture of the Release of some Activity of the Sacred Fire, so you give recognition to the fact that the Sacred Fire is the only Perfection Life provides anywhere in the Universe. And even the Universal Light Substance is, in reality, composed of sparks of that Sacred Fire. And each Focus may be fanned into a Cosmic Flame that one day becomes a Sun. And so it is with you. As your own “Beloved I AM Presence” expands the Unfed Flame in your Heart, and We, enfolding the outer self at the Call of the Higher Mental Body, add or draw the Flame of the Sacred Fire from the Physical Sun and the Great Central Sun to render Its Inner and Outer Service, It joins the Unfed Flame in your Heart; and the Pulsations extend farther; Perfection becomes released, strengthened, expanded, and holds Dominion.

It is to give you the mastery that is your dominion over conditions of the outer world that this great effort of the

Ascended Host has been made in this “I AM” Activity over the last twenty-five years—to bring Conscious Understanding of what the Sacred Fire is to you all, that you may think of It, picture It, use It, and feel yourselves filled with Its Presence until you know you are a Sacred Fire Being instead of the flesh body or the limitations that have been accumulated through the centuries or the years past.

The moment your attention goes to the acknowledgment, acceptance and use of the Sacred Fire—whether It be from your “Mighty I AM Presence” or from Us matters not. When your attention and love and Call is there, and you use this in your outer affairs, your world then becomes, little by little, Our World of the Sacred Fire in which only Perfection ever exists or manifests. And I assure you, this does release you from your problems. It does correct mistakes. It does remove the struggle, and the limitations are gone.

So Blessed Ones, won’t you, from tonight, instead of battling conditions that are wrong, instead of fighting and rebelling against problems or struggle or resistance, or resenting injustice—instead of that, won’t you just call the Manifestations of the Fiery Christ to take the place of human creation and distress, and so make you the Victory of the Sacred Fire of that Fiery Christ that never again can any of these things disturb you or even exist within you.

If you will only—when there seems struggle in the feeling, you are trying to overcome something, so often it is the human intellect trying to overcome or hold the human control of things, while if you would open your Heart to your “Mighty I AM Presence” and to Us and say: “Fill me with the Sacred Fire of God’s Heart! Make myself and my world Its Fiery Christ Perfection, and see I never again feel anything but Its Mastery!” My Dear Ones, habits

that have bound mankind for centuries could be consumed in a very short while. Distress and struggle and fight and resistance and irritation—all this, My Dear Ones, I tell you, can be lifted from you overnight if you believe me tonight! (*applause*) Thank you, Precious Ones.

Now when struggle seems to appear, or problems, if the outer will only be still a few moments and say: “This is not me nor my world! ‘I AM’ the Divine Sacred Fire of God’s Heart! My World is the Power and Perfection of that Sacred Fire! ‘Mighty I AM Presence,’ flood through me the Sacred Fire now that dissolves away forever the problems and the struggles that seem to disturb me!” Precious Ones, you have no idea—in a few weeks time, or even a few days—the release you can have from the sense of physical effort to do these things, of correcting habits that seem to fight you back because the Sacred Fire has not come in to consume either the momentum or the etheric record.

“I AM” offering you the Way of Peace; and may My Two Secret Rays, Inner and Outer, reveal to you the Rivers of Flame within Them that replace the human struggle, the human habits and the problems that have no right to be in your world. Suppose you did create them! If you have the right to use this Sacred Fire and forgive them by giving the Sacred Fire into them in which they can no longer exist, isn’t it worth it?

So if you will, when struggle seems great, if you’ll only be still a few moments and let the Sacred Fire that is so willing to come into you and your world, enter in and be the Perfection of the Love of your “Mighty I AM Presence” and the Ascended Host that is Mastery over distress. You can fill everything in this world with the Miracles of the Sacred Fire, the Freedom of the Sacred Fire, and the Victory

of the Honor Flame of God's Love that honors all Life with the Perfection of Eternity, and is constantly raising, raising, raising all into the Ascension. It is the Great Transmuting Power of the Universe.

The Violet Consuming Flame, the Unfed Flame, and the Sevenfold Flame of the Seven Mighty Elohim are, each one, the Flame of Mastery. And if you will only demand that everything in your beings and world be now the Sacred Fire of Eternal Freedom, your struggle and problems and limitations must dissolve harmoniously; and there comes the realization that in the Heart of God—the Sacred Fire of Cosmic Christ Love—is the Power that absolutely masters everything harmoniously and permanently. And It can be instantly as you enter deep into this, and feel the Peace which is within that Sacred Fire. And the moment you feel that Peace, the Sacred Fire has gone into Action to handle the condition.

I hope you will enter into My World tonight—of the Sacred Fire of those Two Secret Rays, Inner and Outer. You call for Them, and leave the rest of it to Me. And I shall prove Myself, and I shall prove the existence of those Rays, and show you the Sacred Fire that is within Them that does manifest Perfection only. (*applause*) Thank you so much, Precious Ones.

Now for just a moment, feel this; and while you feel It, hold the Picture of the Sun Presence of the Sacred Fire, within which is the Unfed Flame. And just feel It in and around your physical bodies for just a few moments. (*pause*) Now feel It expand. (*pause*) As you enter into Its Peace, and you ask Its Expansion to go into a condition and consume it, command the Expansion of the Sacred Fire into a condition; and by that Fiery Christ Authority, dissolve all

unlike Its own Perfection from you and your world forever. And then use It in outer world conditions until It gives Freedom to Life wherever you abide, and you become the Great Central Sun Magnet of that Sacred Fire's Love that lifts life here and there and everywhere; and the substance of the shadows will have been consumed, and the Sacred Fire reveals Its Perfection and Mastery in its place forever.

I commend you to the Victory of Its Heart and the Power of Its Fiery Christ Control. May you use It without limit, and manifest as quickly as possible the greater Perfection We want you to have, and hold the Protection you need by this Sacred Fire. I am forever pouring that forth to all who make the Call; so to your Freedom you must turn, and Its Attainment is your Victory here and now by every Use of the Sacred Fire which We have called to your attention—and which We have given you from Our Octave, that you may not be touched by the discord of the outer world longer. And from tonight My Heart Flame shall guard you as you make the Call. Thank you with all My Heart.

Mrs. G. W. Ballard: Beloved Mighty Cosmos, make everything in our beings and worlds from tonight the Victory and Miracles of the Love of the Fiery Christ. And may Your full Blazing Sacred Fire Power pour Its Victory in, through, and around those under this Radiation, and hold command wherever we abide until It has closed out forever all that has been of human distress. And we accept your Presence with us from tonight until our worlds are the Worlds of Your Fiery Heart forever.
