WE GREET THEE! “LEGIONS OF THE DAWN”!
(alternate line)

We bless Thee for this day!
Make all Thy Love hold sway!
We walk with Thee all day!
Make Thy Love clear our way!

Thy Love and Light all bless!
Make Perfection here express!
Thy Angel Hosts we love!
Surround us from above!

Make Thy Love light our way!
With us forever stay!
Thy Cosmic Light here blaze!
All mankind shall Thee praise!

Great Freedom’s Day has come!
Thy Light has Victory won!
We welcome Thee here, too!
To all mankind step through!

You bring God’s Happiness!
Flood all Light’s Cosmic Power!
You bring God’s Cosmic Hour!

WE GREET THEE! "LEGIONS OF THE DAWN"!

(alternate line)

Your "I AM" Legions come!
As You announce the Sun!
With Angel Hosts of Light!
As morning brings God's Might!

In Cosmic Love's Great Flame!
Sing the "I AM" Mighty Name!
Let Thy Song fill each day!
Clothe us in each Light Ray!

Thy "I AM Presence" blaze!
Thy Love with us now stays!
Thy Miracles reveal!
Thy Secrets now unseal!

Flood all the Gifts of Light!
Until there is no night!
Thy Peace on all bestow!
Make all see Thee here below!

Let Thy Pure Song fill Earth!
Thy Light is Love's new Birth!
Thy Presence does free all!
"I AM" Thy Light's Great Call!
