Mrs. G. W. Ballard: Now as our Blessed, Beloved Saint Germain speaks His Heart to us—our Ascended Master Saint Germain, the Great Cosmic Presence of Freedom to the Earth—we offer Him our Love, Gratitude, and Eternal Obedience. May it be enough to save the Nation of His Heart—the Heart of the World, our home—and all that is of the Christ throughout the world.

BELOVED SAINT GERMAIN

Beloved Family of My Heart, I wish to thank you for every ounce of energy you have ever given in your Decrees, your Love for the Light, your willingness to stay within It, and your willingness to call It forth for the Freedom of the Nation and your fellowman. I can assure you, nothing can ever come back to you but the greatest Blessings that Love can give for the rest of Eternity.

It is necessary at this time to charge each one of you with all the Power of Light possible, and may every Blessing in the Universe pour forth to you and through you the Strength of the Light that makes the shadows fail everywhere you abide. It is necessary, Beloved Ones, to make each one under this Radiation as strong as possible at this time to draw every Activity of the Sacred Fire and Cosmic Light into the outer physical conditions, through which We expand the Power to consume mankind's unfortunate human creation. Since the hordes of evil do not reason with the Light of the "Mighty I AM Presence," I assure you, the hour of reckoning is approaching; and there must come whatever Cosmic Light and Sacred Fire is necessary to force destructive conditions back into their own cause.

But those of you who have loved the Light, have stayed in the Light, and have used the Light—not only for yourselves, but for your fellowman and the correction of conditions within the Nation—you must of necessity be clothed with certain Powers from the Ascended Masters' Octave. And it is to accomplish some of this tonight that I am come into your midst. May there be within you the response that becomes aware of what it means to use Our

Ascended Master Consciousness in your every daily activity to overcome that which the limitations of the human would impose upon you.

So when you seem to need more Power to handle physical conditions that oppose the Divine Way of Life, do not hesitate to call whatever Fiery Christ Blue Lightning Power from the Ascended Masters' Octave is necessary to overwhelm everything in the physical world that dares to oppose the Perfection of Life. You must be fearless! You must be dauntless! You must be able to act on the instant and call forth Our Ascended Master Power of Our Consciousness, which means Our Physical Control of physical conditions. This has much to do with your Protection, so fail not to use Our Ascended Master Consciousness of Our Mastery over every physical condition that approaches you.

Do not let down for an instant on your constant Demand for Indestructible Protection to at all times blaze around you the Cosmic Shining Light of Our Miracle Mantle of Love's Mastery that makes you invisible to the hordes of evil! Very often they see the Light, but they know not who abides within; and remember this always: the hordes of evil are terribly afraid of the Light because It reveals their plans, It reveals their methods, and It reveals what they intend ahead of time.

So when you care to charge yourselves with the Ascended Masters' Shining Consciousness of whatever is necessary to annihilate and prevent the hordes of evil *approach*—whether it be approaching you or the Nation or anybody or anything that is constructive, matters not. Remember, when We charge you with Our Ascended Master Consciousness, there is a direct Charge of the Liquid Light from the Ascended

Masters' Octave from Our Ascended Master Bodies through Our Feeling into the nervous system of each of you who uses It.

When We charge you with Our Ascended Master Consciousness, It is an absolute addition of the Light from the Ascended Masters' Octave from Our Ascended Masters' Love into the nervous system of anyone who calls to Us for Assistance. Therefore It is an increase of the Light in your own Life Streams, which means the Strength of everything constructive within you, and anything you are going to need to use to hold protection for that which is constructive wherever you abide; so that through your Radiation alone, many times We can charge forth—as you recognize and use Our Ascended Master Consciousness to prevent wrong conditions—We can intensify through Radiation the Cosmic Light Substance from the Ascended Masters' Octave in and around you without any limit whatsoever.

And please remember this: never be afraid to use the Ascended Masters' Consciousness and the Ascended Masters' Power of that Consciousness to overwhelm anything and everything human. There is no such thing as being afraid to use the Power that the Ascended Masters have offered you for your Protection, for your Victory, and for your Service to your Nation to save It. It certainly has not injured you up to date—then It can't the Nation. So will you please forever disabuse your mind and your feelings of any and every suggestion that there's so much Power that you don't care to use It just now, or that It isn't safe to use. That is nonsense! If the Power of Our Love is to be feared, God help you, that's all I have to say. (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, please, and just remain so.

It is necessary to keep flooding throughout the Nation the ever-intensifying Cosmic Light Substance because It is an Armor of Protection to all that is constructive. And at this time there is nothing of importance in the personal life of anyone within this Nation or the world—at this time—except the amount of Light that you are able to release into the physical atmosphere of Earth to strengthen and protect everything that is constructive, and to be the Wall-Pass-Not to the hordes of evil.

When you choose to charge everything around you with the Ascended Masters' Indestructible Protection of Eternity, if you set the habit, We establish the Sacred Fire there. Then in an hour of emergency, when sometimes people least expect it, if you have called—and you have set the habit of daily recognizing that and demanding Its Expansion—then in an emergency, We can make that visible around you; and I can assure you, It will shock the hordes of evil. (*applause*) Thank you so much.

Now as you stand ready at all times to call forth Our Ascended Masters' Fiery Christ Blue Lightning Protection around all who are trying to protect you in the physical world, so far as the outer physical arrangements go, remember this: In every Decree you ever give, your “Beloved I AM Presence” and the Ascended Host cannot and will not fulfill anything that is wrong. Therefore you have unlimited Power as you call the Ascended Masters' Indestructible Protection of the Wall of Blue Flame around everybody and everything that is constructive.

Just form the habit! Then as the Cosmic Law permits, will We intensify and expand that Wall of Blue Flame around you; and wherever you might go, It would be your Invincible Protection against the destructive activities of the

Powers of Nature or the Forces of the Elements or mankind's frightful evil. So, Beloved Ones, It is Eternal Protection no matter where you go—in this world or any other. We have offered this down through the years; and if I were you, I would often call for the Revealment—the Ascended Masters' Consciousness of Fiery Christ Truth about anything that affects your Protection or the Protection of that which is constructive within the Nation.

Ask your “Beloved I AM Presence” and the Ascended Masters, the Cosmic Beings, and the Great Angelic Host to reveal to you the Ascended Masters' Fiery Christ Truth of what you need to know ahead of time in order to keep yourselves prepared to avoid the destruction of the outer world. And then Our Wisdom can act to guide you, to illumine you ahead of time; and It can act to control you so you do not make mistakes.

Mankind has used the intellectual consciousness so long down through the centuries, and it has been full of every conceivable idea. And it in turn has charged the energy of the feeling world—the emotional body, which is the individual's Life Stream—with the mistakes, and therefore has created the conditions of limitation that have come back and tortured individuals embodiment after embodiment. And I think it's time to put an end to it! (*applause*) Thank you.

Therefore when We gave you the use of Our Prevention Flame, it was that you might avoid many of these conditions in the outer world that are rampant everywhere. But when you call forth the Ascended Masters' Fiery Christ Truth of what We know you need to know now to protect yourselves, to save the Nation, and to free the Nation from every destructive force, be prepared for surprises—because We

know many things that you need to know ahead of time for your Protection as well as that of others who are constructive.

Do not fail to keep calling forth the Ascended Masters' Fiery Christ Truth. And the reason for that is this: If We see that you are going to set that habit, and you demand the Shining Presence of the Ascended Masters' Miracle Mantle of Fiery Christ Truth around you, it will be impossible for those who are unfortunate enough to try to use deceit to entrap you or hurt you. This will be your Invincible Armor of Protection against the lying beast and the beast of treason everywhere throughout the Nation. Then nobody can deceive you and trap you into a condition where destruction would strike you. This is necessary for you all to keep charging forth in and around your automobiles—or any means of transportation—in, through, and around everything you are going to do before you do it. And *It is* the Prevention Flame; for I assure you, the Ascended Masters' Fiery Christ Truth will prevent the hordes of evil deceiving people and getting them under the clutches of the beast of destruction.

So the Fiery Christ Truth of what you need to know now to prevent the hordes of evil contacting you or imposing any limitation upon you—depends on your use of this Call; and *It is* the Ascended Masters' Shining, Illumining Consciousness that can and will reveal everything that is of deceit. The sinister force is afraid of Fiery Christ Truth; therefore if you armor yourselves in the Ascended Masters' Fiery Christ Armor of Indestructible Truth, you have the Master Hand. You have the Scepter of Power. You have Indestructible Protection, and you blaze a Light of which the hordes of evil are afraid.

Just remember, your hordes of evil act in the darkness in order to hide what they intend to do to destroy you. So you need to have the Revealing Consciousness. You need to use the Ascended Masters' Fiery Christ Truth. And if you care to armor yourselves in Our Ascended Master Miracle Mantle—the Shining Miracle Mantle of the Ascended Masters' Fiery Christ Truth so blazing no one can ever speak a lie in your presence—you'll find It a very practical use of the Powers of Life and a very practical means of Protection.

If you have a great momentum of this, My Dear Ones, you would not have financial loss, you would not have ill health, you would not have disappointment, you would not have problems. We don't have them in Our Ascended Master Octave; and when We offer you Our Ascended Master Consciousness and Our Shining Christ Presence to prevent the hordes of shadows existing, I assure you, it's a very practical, comfortable, easy way to live life. And I just hope you will experiment with It every day as much as you can. *(applause)* Thank you so much.

The outer world—I'm speaking of human creation everywhere—won't let you alone an instant if it can make a connection with your attention in order to pull your life out of you to destroy you. Therefore, We—and you—must work on the opposite side. And don't let an opportunity go by wherein you do not call for the Ascended Masters' Fiery Christ Truth of Indestructible Protection of everything that affects you or your world, and you will find the hordes of evil that would like to destroy you will find other fields and let you alone.

This is the solution of your problems and eventually becomes the condition wherein you have no problems; for

if you use Our Ascended Master Consciousness in everything you do, you could not create human creation. Now this is in the mind. But don't forget to charge your feeling world with Our Ascended Master Consciousness of what We know you need in your feeling to hold Invincible Protection, because if there is fear in the feeling, that's a human feeling. If you fill yourselves with Our Ascended Master Consciousness, It has no fear. And this will help you to eliminate doubt and fear—both of which are shadows upon the Light of your own Life Stream. They are all shadows imposed upon the Unfed Flame in your Hearts.

So when you want Indestructible Protection, it is very practical, very wise, and it's just good sense to keep charging everything in your beings and worlds with the Ascended Masters' Blazing, Shining Consciousness of such Indestructible Truth that the Light blazes like lightning around you. And I assure you, the hordes of evil won't want to approach! You need this; and if I were you, I would call this on all the highways of your Nation. If you'll experiment, you'll see what I mean. If you were to call your "Mighty I AM Presence" and the Ascended Masters and the Cosmic Beings' Fiery Christ Illumining Consciousness everywhere on the highways of your Nation, It would be a Pathway of Light—Cosmic Light Substance—and Activities of the Violet Consuming Flame and Blue Lightning Purity that would not only clear the way ahead of you but would turn away that which otherwise might impose its discord upon you.

So, Blessed Ones, this has a very practical application in everything you do in your waking consciousness every moment until your Ascension is complete. I hope with all My Heart you will armor yourselves with the Ascended Masters' Armor of the Fiery Christ Blue Lightning Truth

and Fiery Christ Blue Lightning Control of the atmosphere about you that prevents human creation approaching. Then you do not take on the radiation of those who might be filled with fear or destruction or the activities of hate and whatever is charged into the atmosphere wherein you must move.

So you must—now this does not take the place of your Tube of Light. Your Tube of Light is a Protection in the atmosphere about you. Your Wall of Blue Flame is the Protection to the Powers you are calling forth. And your momentum of energy—that is your Protection and the way and means your Decrees are fulfilled. But this which I am calling forth to your attention tonight goes inside of your own Life Stream—comes into your emotional bodies. And that's where you need It if you are going to keep out the fear and the destruction of what goes on in the world around you. When the habit of the masses of the people has been established—of lying and deceit and treachery, which the hordes of evil are constantly expanding—then We must constantly expand the Ascended Masters' Fiery Christ Truth that won't let anybody or anything deceive you.

And when you know what you need to know in order to protect yourselves, then the use of It is yours. We cannot use It for you. We can offer you the Gift. We can enfold you in Our Sacred Fire Presence—and We have from the beginning of this Instruction. But I tell you now, you need this Cosmic Light Substance around you wherever you go—in Cosmic Concentration—and far enough around you to prevent the destructive forces from knowing where you are or what you do.

This is part of the Cloak of Invisibility that keeps destructive forces from knowing what you are going to do

ahead of time. If the destructive forces could not hide in the shadows, they could not hold mankind enslaved to their destruction. Therefore We must reveal to you the Ascended Masters' Cosmic Illumination and Fiery Christ Truth of Our Consciousness—which is Our Feeling. Our Feeling is Our Love. Our Love is Our Power. Our Power is Eternal Protection and Eternal Perfection. We offer It to you as freely as the air you breathe; and if you accept It, if you use It, if you constantly call for your “Presence” and Us to establish It around you in everything in your beings and worlds, It becomes a Sun Presence of the Perfection from the Ascended Masters' Octave. And I tell you, Dear Ones, you need It! This will give you the power over conditions in the outer world in which sometimes you are surprised—or in an emergency, you do not know you have to go into those conditions until the thing is upon you. But this will prevent that emergency.

So I plead with you with all I am and have: keep using Our Ascended Master Consciousness of such Fiery Christ Blue Lightning Truth that none of the hordes of evil can approach you or ever touch anything with which you are concerned. This is just as if you had an atmosphere about you of blazing lightning that continually repels everything destructive, and as It repels, consumes it. You are not at the mercy of destructive forces if you will use Our Ascended Master Consciousness to prevent what human creation intends! And more than that, this—if you charge your feeling with Our Ascended Master Feeling of the Blazing Light in which human creation cannot live, your own habits, your momentum, your destructive etheric records cannot exist longer within you as a disturbing consciousness. *(applause)* Thank you so much, Precious Ones.

So if you'll just go forth and try this, the very Miracles that It will produce will be proof to you that It is a Scepter of Power second to none. It is what We have used to become Ascended. If you use It, It will help you to Ascend. If you use It for your fellowman, It will help your fellowman to Ascend. If you use It for your Nation, It will help the Nation to Ascend. And so Its Power is limitless. It is ever expanding. It is overwhelming to all human creation, and therefore, It is Victory Eternal. None can oppose It, but each one must use It for himself or herself. All We can do is offer It, because It is Our Life which We offer you to protect and illumine your life in order to raise it out of the conditions which human creation has generated in the Nation and the world.

There are Legions of the Angels of Fiery Christ Truth that can stand in the atmosphere about you as you make this Call; and I assure you, the hordes of evil won't want to approach because everything will be revealed before they can accomplish it. And you need this, My Dear Ones, throughout the Nation tonight. Blaze the Ascended Masters' Fiery Christ Truth around every politician within your government and within this Nation, and let Us see what We can do while there is yet time. (*applause*) Thank you so much.

When the hordes of evil understand that their plans are revealed, they have to make other arrangements and start other plans; so this is not only a deterrent, but It is the absolute Mastery of destructive conditions. It is Master over the individual. It's Master in the Nation. It's Mastery everywhere in the Universe wherever you go. There will never be a time where you won't use It. So as We enfold you in Our Miracle Mantle of the Ascended Masters' Fiery

Christ Presence of Our Fiery Christ Truth, Our Fiery Christ Feeling, Our Fiery Christ Annihilation of the hordes of evil, wherever you go, your “Presence” and one or more of the Angelic Host can go before you and prevent that which otherwise you’ll have to handle.

When the filth mankind has generated is returned upon the people of the Nation or the world, there is no escape, Beloved Ones—if people have those qualities within themselves. This way you release yourself from the qualities of human creation. So I plead with you, charge your feeling with the Ascended Masters’ Consciousness of Indestructible Fiery Christ Truth and hold Peace within yourselves. You will find problems and habits that have disturbed you in the past will either cease to disturb you or cease to exist. And as you continue to use It, they must of necessity be consumed. This is part of the Consuming Flame. It is part of the Prevention Flame. It is part of the Master Presence that releases this Nation and the world from mankind’s frightful human creation.

So tonight when you think of My Violet Consuming Flame’s Miracle Mantle of Love’s Mastery, It contains many, many, many things that you will not understand until you call this Fiery Christ Truth of the Ascended Masters’ Consciousness into everything in your beings and worlds. Then it will just be as if you flooded a room that is dark with Blazing Light, and everything is the Perfection that does fulfill the Divine Plan.

We clothe you in Our Miracle Mantle of the Ascended Masters’ Consciousness. Demand whatever Ascended Master Illumined Feeling is necessary within you to prevent all wrong—not only within yourselves—but just when you pass by, the very Radiation that goes forth compels the hordes

of evil to either recede or be consumed. So It is Power without limit, Power that none can take from you, Power of Indestructible Perfection for Eternity. We give It to you without money, without price. All We ask is that you use It now for the Protection of yourselves, your fellowman, and everything that is of the Christ within your Nation.

When you call forth the Fiery Christ Truth of the Fiery Christ Protection of all that is constructive within the Nation, you will find the masses of the people will learn many things. And they need to learn many things that are right! So the Cosmic Illumination is here. The Fiery Christ Truth is here; and the Fiery Christ Power that Truth is, is invincibly, eternally Master over all in this world—including human beings. So We enfold you now in the Power Flame of the Ascended Masters' Feeling of such Illumining Truth and such Illumining Love and such Illumining Protection that wherever you abide, if you set It into action, you will find the Divine Plan is fulfilled harmoniously—permanently. And that makes you indestructible so far as the outer world is concerned.

So We commend you to your Victory; and in the use of this, hold It for the Protection of your Nation and give no quarter to anything that is deceitful for any reason whatsoever, because Our Fiery Christ Truth will reveal it. If the "I AM" Student Body calls this forth with enough Power throughout the Nation, the plans of evil will have to, of necessity, be annihilated before they can impose any more desecration upon life. This is the Prevention Flame. And only the Fiery Christ Truth can prevent lies. Only the Ascended Masters' Fiery Christ Feeling can prevent human feeling. Only the Ascended Masters' Fiery Christ Presence can prevent and annihilate the hordes of evil. And this is what We offer for the Freedom of the world.

Beloved Jesus came and brought It. Every Ascended Master offers It constantly. The Angelic Host are constantly pouring It into outer physical conditions, but the people must put their attention upon It in order to have Its use. So you who understand this Law are privileged indeed, and there is no balance in all Eternity for the Light you have already received and that which you can yet have until you stand wholly Ascended and Free.

I commend you to your Invincible Victory by your use of Our Ascended Master Fiery Christ Consciousness. Try It, and it is possible I may be with you again before the Conclave is over. (*applause—audience rising*) Thank you so much, Precious Ones. Now I enfold you in My Miracle Mantle of the Fiery Christ Consciousness of the Ascended Masters' Annihilation and Prevention of all wrong, and wherever you abide may Its Shining Presence forever establish the Ascended Masters' Cosmic Control and prevent the hordes of the shadows ever existing anywhere in this world ever again. I commend you to your Victory as you use this to free your Nation and the world. Thank you with all My Heart. Won't you be seated, please.

Mrs. G. W. Ballard: Beloved Saint Germain, for all Eternity do we love and praise and bless You and thank You without limit for all that has brought us this far in the Light. Do through us whatever frees our Nation from this hour from everything that is not Your Divine Plan fulfilled for Eternity, and we thank You.
