

SPIRIT OF CHRISTMAS
PEACE ON EARTH, GOODWILL TO MAN!

Beloved Godfré

Now you demand the Invincible Powers of Violet Flame Freedom into yourselves to hold control, and, Brothers and Sisters, (laughter) you will be free! (laughter and applause) Thank you so much, Precious Ones. Now let Us go forward and see how happy you can be during this Christmas season. And give this Happiness to others, and just experiment with using the Powers of your own Violet Flame Freedom that bring Happiness to Life wherever you abide; and you will find an Ever-expanding Sun Presence of those Blessings not only filling you and your world, but all that you contact will be blessed and bless you. That is the Spirit of Christmas—Peace on Earth, Goodwill to man. . . .

May My Love enfold you, and as I said long months ago—sometime within the last year or so, I gave you My Miracle Mantle of Love's Mastery. Beloved Saint Germain offers His Miracle Mantle of Freedom's Powers to keep you free, to flood your world with Happiness and make you such a Violet Flame Sun of Power as to make the hordes of evil flee at your approach. So, Blessed Ones, this is Reality Itself. It is Invincibly Eternal; It is All-powerful; It is the "Magic Presence" Way of Life.
