THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

BELOVED SAINT GERMAIN SAYS: “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any that you find in the Saint Germain Series or The Voice of the ‘I AM’ or in the Dictations! . . .*”

MRS. G.W. BALLARD: As the Mighty, Beloved Saint Germain speaks His Heart to us tonight, we ask our “Beloved I AM Presence” to bless Him, and pour forth through us whatever will give Him the greatest cooperation to do that for our Nation which forever prevents what the sinister force intends.

MIGHTY BELOVED SAINT GERMAIN

Beloved Ones of Our Shasta Springs Family, Beloved Ones of the Light, Beloved Ones of My Heart, I come to you tonight to bring a positive Force and around you that stills into annihilation anything and everything that is of discord, anything that seeks to disturb you, anything that would interfere with the Fulfillment of the Divine Plan to bring into this Nation what is needed—and now.

In the fullness of everything that We want to bring into the physical octave to purify mankind and raise as many as possible at this time into greater Perfection, there must come conscious awareness of Our Presence. More and more will you find the people of the outer world becoming aware of Our Presence and all that Our Presence means to this Nation. There comes the hour when it is the Command of the Great Cosmic Law that the Consciousness from the Ascended Masters’ Octave blazes Its Sacred Fire through the brain structure of unascended beings, through the emotional bodies of mankind, and through the life and substance of all in this world. This must come, and as quickly as possible,

to take out of the clutches of the sinister force the energy by which it would destroy further the blessings within this Nation.

So when you do hold the picture of any Ascended Master in your consciousness or you *call forth Our Miracle Mantle of Love's Mastery, Love's Protection, Love's Victory, and Love's Freedom to Life*, you give Us a Focus into which We can draw the Power that answers your Call. Just as you need a glass or a cup to hold water that you drink—or even, if you are up in the mountains, you use your hands—there must be something provided by those who make the Call that is a receptacle, a focus into which We can draw the Fulfillment of the Call. Otherwise everything becomes the Cosmic Onrush and flow of energy and consciousness and Life that goes on and on throughout infinite space until some focus is provided. So when the Messenger keeps after you to hold the picture of the Fulfillment of the Call, it is absolutely imperative, because you have all held, and are holding, many pictures in your minds of things that are destructive, things that have created your problems, things that have caused distress and limitation.

So when We wish to free you from the accumulation of the past, or even that which is generated from day to day, there must come the Conscious Command by your outer self that *commands the outer self to hold the picture of the Fulfillment of the Call*. If you are thirsty and you want to quench your thirst, you hold the cup to that substance which will quench the thirst. When you need supply in the physical octave, you must hold the picture of the supply. You do not realize how many negative pictures are in your consciousness. When you think you have no money, the picture in your mind is your purse or your pocket without

the money. If you want the money, hold the picture of the money! If you don't mind, I am going to keep after you on this until you've got plenty of supply of everything. (*applause*) Thank you so much.

Now when We mention supply, don't always qualify it with money. Qualify it with whatever the "Presence," your "Beloved I AM Presence" and the Ascended Host know you are going to require, as well as what you do require at the immediate moment. Sometimes it may be energy that you need. Sometimes it may be Ascended Master Friends. Sometimes it may be fresh air. Sometimes it may be opportunity. Sometimes it may be Ascended Master Friends, and sometimes it may be conditions in the outer world that are more harmonious for you than some in which you now abide.

Therefore, when We ask you to *call forth the supply of every good thing that you are going to need*, and what We know you are going to need, then hold the Picture in the mind of the Hand of your "Presence" reaching down; and within that, lowering from Our Ascended Masters' Octave, is the Onrush and the Giving of the Gifts from the Ascended Masters' Octave that will bring into you and your conditions that which fulfills the Divine Plan. This I wish you to know: The supply of every good thing which is contained within Life, the Supply of Life, the Supply of Light, the Supply of Energy and Substance, the Supply of Ascended Master Consciousness, is constantly flowing from the Great Central Sun, through the Physical Sun, from the Ascended Masters' Octave into the physical world. It is flooding through constantly like an ever-expanding river seeking an opening to come into the physical world and produce the manifestation that fulfills the Divine Plan.

Therefore, when you want supply, arise into the Authority and the Command of your “Beloved I AM Presence” and the Ascended Host. And now hold this Picture: Hold the Picture of the Causal Body, and the Higher Mental Body within that, lowering and enfolding the physical body; and then make your *Call for your “Beloved I AM Presence” to possess and control everything in your being and world and fill it with the Ascended Masters’ Outpouring of what produces the Fulfillment of the Divine Plan, and what manifests in the physical world that which your “Presence” and the Ascended Host know you are going to require.*

Many times your intellect thinks that you know what you are going to require; and yet there may come events the next instant, or the next hour or the next day, things that you did not know were going to manifest and which are sometimes very severe problems, or a crisis in which you are going to need things from the Ascended Masters’ Octave. I am trying to bring you Illumination tonight so that your supply will never be interrupted. I want you to have what will give you the greatest Protection, that which will hold the greatest Purity in and around you, and that which will dissolve and consume within and around you the accumulation of the discord that has produced limitation or distress.

Therefore, the first thing is Purification. Then Protection. Then make your *Calls for whatever supply your “Presence” and We know you are going to require.* One day you may need a great deal, and the next day you may not need anything; and your “Presence”—your “Beloved I AM Presence” and the Ascended Masters’ Consciousness—are the All-knowing, Dazzling, Fathomless, Diamond-shining Mind of the Heart Flame of Life in the Great Central Sun. You are a projection of that. You are that Consciousness.

Now We come to the Power that produces Instantaneous Fulfillment of your Call, and that Power is Ascended Master Feeling. Therefore, *when you call into your avenues of supply the Ascended Masters' Feeling and Invincible Prevention of what is wrong*, then you move forward into one victorious accomplishment after another. You open the Door and let the Divine Plan be fulfilled. You give Us the Open Door for Boundless Blessings from the Ascended Masters' Octave to take you forward into the victorious accomplishment that does free you and free all you contact.

When you need Assistance in the physical world, whether it be opportunity or assistance of human beings or conditions of the physical world, *ask your "Beloved I AM Presence" and Us to fill you and the conditions that you wish perfected with the Ascended Masters' Life of Immortal Perfection—Invincible, Eternal Protection; and bring that into the physical world to hold about you the Focus from the Ascended Masters' Octave of the Power you need to accomplish anything that is constructive.* When you call forth Power from the Ascended Masters' Octave, remember It is always the Heart Flame of Purifying Love, because that's the greatest Power in the Universe. When you need Wisdom, know It is the Heart Flame of the Ascended Masters' Love, because It contains all the Consciousness of Life's Perfection for Eternity, ever expanding. When you want the Power of the Love from the Ascended Masters' Octave, call It forth from the Heart Flame of both your "Beloved I AM Presence," the Great Central Sun, the Ascended Masters' Octave, or any channel in the Ascended Masters' Octave that is specifically occupied or holds the qualities of what you need.

Now sometimes when you don't know what you need, *turn back to the "Presence" and ask the "Presence" to*

give you what It wants you to have. Now We come to the place where you say: “Well, how am I going to hold the picture of something my ‘Presence’ wants me to have, and I don’t know what it is?” You’d be surprised! Your “Presence,” when It wants you to have a certain thing, will place the Picture of that from within Itself. And It will not be distorted by the discord of the world around you, therefore your Fulfillment of your Manifestation will come very much more quickly because there is no discord to be the resistance in between.

I trust I may clear this with you all because We want you Free. We want you to be free from many conditions in the physical world that will hamper you when We need to qualify your atmosphere with Power enough to prevent violence in this Nation. I have a very deep reason for what I say. So when I plead with you, and the Messenger does, to hold the Picture of your “Beloved I AM Presence”—the Causal Body—as if It had already come down and around you and becomes a Sun Presence of all the Qualities from your “Beloved I AM Presence,” and all the Qualities from the Ascended Masters’ Octave that are going to be required around you to control the atmosphere and prevent violence touching you.

Now when We enter into the *Call for the Violet Consuming Flame’s Invincible, Eternal Revelation of the Purifying Love that masters everything*, hold again that Picture of the Causal Body and see the Violet Flame come with that, in and around you, and then go on and expand. And the more times in the course of a day that you can hold the Picture of your Causal Body and the Violet Consuming Flame as a Sun Presence around you, the easier will be your pathway, the more harmonious will be your feeling, the more constructive

will be your accomplishment, and the more Invincible will be your atmosphere and the conditions in which you move. I have a very important reason for wanting you to concentrate on this at this particular time. With the chaos that is produced in the outer atmosphere of the physical world by the constant turmoil of riots and war and selfishness and discord and filth of mankind's daily creation, it is necessary that We clothe you in an atmosphere, a Sun Presence of this of which I speak.

Now one more thing: For your own Protection, and because of the psychic forces that are everywhere in the atmosphere of Earth at this time, try to realize that your own thoughts and feelings have a voice and can speak to you. Now don't permit it! When you begin to hear things, arise immediately and say: "*'Beloved I AM Presence' and the Ascended Host! I forbid anything to speak to me but my 'Beloved I AM Presence' and the Ascended Host!*" And if you hear anything else, say: "*Show me your Light in the Name of the Ascended Jesus Christ!*" And if it can't flash you a Light, order them out because they are not constructive.

The reason I am telling you this is because there is a wave of psychic force flooding everywhere and trying to get the people's attention upon psychic forces until those forces get hold of them and control them. And this is a thing that is being publicized, and it's many times referred to as "speaking in tongues" that nobody understands. Now this is nothing but the psychic forces' way and means of getting your attention until they can hold control of your consciousness. And then they'll reveal their destructive intent.

So for your Protection, don't let anybody come and say, "Well, I heard you say so and so," or "You told me to do this." You just lock the door against that and you say: "*'I AM' Master*

in the Temple, and only my 'Beloved I AM Presence' and the Ascended Host are ever going to speak to me!" Now you will lock the door against conditions of which you have no concept at all. This thing is—a wave of it passing all over this Nation and the world; and I am trying to protect you against it, and you must take a definite, positive, sharp Command to *forbid anything to touch your consciousness but your "Beloved I AM Presence' "* *Immortal Perfection and the Ascended Masters' Consciousness of the Divine Plan Fulfilled!*

I am setting up a Guard for you tonight because of the sporadic wars and riots and so on that are taking place in various places of the world and are charging into the atmosphere of Earth the thoughts and feelings and desires of human creation that will try any conceivable thing to get the attention of constructive people, in order to prevent anything good being accomplished. So from tonight, take your stand and forbid anything to speak to you. When the body is asleep, or sometimes you are just quiet and resting and you hear things, just say: *"Shut up! There's nobody going to touch my consciousness but my 'Mighty I AM Presence' Immortal Perfection and the Ascended Masters' Consciousness of the Divine Plan Fulfilled!"* One day you will thank Me for this beyond any words to describe—from that of which I save you. (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, please, and just remain so.

If We could be absolutely certain that you would never allow any human creation or suggestion to be driven against you, and We knew your atmosphere could be kept absolutely clear, it will be no trouble at all for Us to come, visible and tangible, show you what is required, and then clothe you in the Power to do magnificent Service. And that would only bring Perfection to life. And it is to this end that I am trying

to set up the Guard tonight; and if you will remember this and give Obedience to My Request, it will provide Me with the Way and Means of doing for you many things you cannot do for yourselves.

So, Blessed Ones, I stand your Guard. But I must have your cooperation in order to hold the Victory. Everybody under this Radiation, everybody that is constructive on the Earth or trying to hold to the constructive conditions at this time, needs this Protection far more than the intellect understands. But fail not to keep charging the energy of your feeling with the Ascended Masters' Eternal Feeling of complete separation from human creation. *Definitely command your feeling to be eternally disconnected from human creation, and fill yourselves with Ascended Master Feeling of complete Control of manifestation here.*

Then if something arises within you that would be discordant feeling, there will be immediately—the check will come from your Higher Mental Body and be just like a Hand that says, “Oh no you don't! No feeling enters here but the Ascended Masters' Feeling!” because the Feeling of your Higher Mental Body and Ascended Masters' Octave is One. If you will take this positive Command and demand that every bit of the atmosphere about you wherever you move is for all Eternity filled with the Ascended Master Sun Presence of Eternal, Ascended Master Eternal Feeling, My Dear Ones, from the Ascended Master Octave there can come—like a complete Tunnel of Sacred Fire from Our Ascended Masters' Octave, that can go with you wherever you abide. And I can assure you, if We establish that around you—now this is outside of your Tubes of Light—you can at all times be held protected against violence and destruction in outer world physical conditions; for it is for your Protection I bring It to you tonight.

So, Beloved Ones, I trust I may have rendered you a Service. And as you go forward to use this Power, hold the Command within yourselves, and *command often the outer self shall not feel human feeling*; and eighty percent of your limitations and distress will drop away; and you'll wonder why you didn't do it long ago. You have done many, many things to get rid of your human creation, and some of it has been completely removed, and then you have created human creation again. This Decree will set up the Eternal Guard as you take Command and *forbid any human feeling to touch your Life Stream, any human consciousness to touch your Life Stream—and then anybody or anything in your beings and world*. And I am sure it won't take three days, Beloved Ones, if you'll pay attention to this and go right into action with determination. Only three days will prove to you the Power that It brings, not only to set you Free—It will clothe you with a Power to control conditions around you that will protect others and free them also.

So My Freedom is the Violet Consuming Flame's Immortal Purifying Love. My Freedom is the Ascended Masters' Feeling of Complete Disconnection from human creation. And then nobody can fool you. Then nobody can deceive you, and nobody will try to impose upon you the things that otherwise will destroy you. So, Blessed Ones, go forward and use this until the full Power reveals Itself to you, inside of you, by the conditions It controls that releases the pressure and the power of the things in the outer world that have caused your discord. This will bring you continuous Peace; and as soon as you hold your feelings continuously harmonious, the supply of every good thing is automatically flowing into your use for the blessing of yourselves and the rest of mankind.

So go forward and remember that Boundless Supply of every good thing is seeking to flood into your outer use Its marvelous Happiness to Life. And only the discord of human feeling interferes with the continual lavish Supply of every good thing from the Ascended Masters' Octave. Therefore, tonight, *stand with Me and command that human feeling shall never touch your life again!* And that means, if Our Feeling comes in and around you, you have continuous Harmony, therefore continuous supply of every good thing. And in that, remember your Protection, because continuous supply contains Protection. Send this forth to enfold your loved ones in the national and civil defense and *keep demanding their freedom from war everywhere forever.*

I commend you now to the enjoyment and use of this which is one of the Master Powers of the Violet Consuming Flame's Freedom to you, Freedom to Life, Freedom from human creation for Eternity. Take your Freedom tonight and stand with Me and have your Protection and be clothed in the Power that can protect others. I commend you to your Victory. Thank you so much.

MRS. G.W. BALLARD: Beloved Saint Germain, thank You for Eternity for all Your Life and Your Love has done for us. Clothe us tonight in Your Miracle Mantle of Love's Mastery and Its Eternal Divine Memory to do this which you offer to us, that we may forever be everything our Nation needs for Freedom and Protection for Eternity, and we thank You.

• **AFFIRMATION** •

Beloved Saint Germain! I stand with You and command that human feeling shall never touch my life again!

GEORGE WASHINGTON, OUR BELOVED GUY W. BALLARD

Tribute by Beloved Saint Germain

I will be with you again on Tuesday evening, which is Washington's Birthday. And on that day, may We pour forth through you the Fire and Love of Freedom which was the Gift of His Heart to America—the Heart that guarded Freedom for the Earth, the Light of whose Life Stream was great enough to open the Door fearlessly and let Me give this Light in this embodiment.

May mankind feel its responsibility to Life deeply enough to value the Gifts which have been given, and to guard them, so those they love may have Freedom and Peace. All here must be guarded and left as a heritage to generations yet to come if safety is to be given now to the people of America. When Life has given great Blessings, Life expects you to protect those Blessings so they may serve through generations the Life that is yet to come.

PROTECTION FOR POLICEMEN AND FIREMEN

Beloved Sanat Kumara

When you understand that mankind cannot, in its present state, release enough Purity to overcome the discord that has been generated, without the Help of the Ascended Host, you'll understand why it is so necessary that mankind become aware of Our Presence and make the conscious effort to call to Us for Assistance. And now I offer you a very practical use of Our Love, and I think it is something you owe to those of mankind who are serving in constructive channels and are doing everything possible to protect what is constructive and prevent the destructive activities from accomplishing their destruction and desecration of the blessings in this world.

Now this is what I offer; and as I say, I feel you owe this to the blessed ones who are in channels of constructive activity and are serving the rest of life. And I especially have reference to the firemen and the policemen, particularly your firemen who serve you in these big cities and serve the Nation, as well as those in other nations of the world. When you understand that Our Love, if called into the physical conditions of this world, can control—and will control—every destructive activity of the fire element, We can be the Assistance to you when destructive forces try to destroy that which has come to bless mankind.

If, when you see those who serve in channels of the firemen activities or the policemen, or others in channels of constructive activity that are trying to keep mankind obedient to Law enough to let good come to the outer, then you will use Our Love in a very practical way. And if I were

you, I would *call for the Heart Flame of either Myself or the Mighty Beloved Being Venus or others of the Seven Mighty Kumaras—the Lords of the Flame from Venus—to enfold the physical body and Life Stream of every fireman in your city, every man in the fire department that goes out to try to put out fires that otherwise will destroy homes and buildings and people and conditions in the city that otherwise bless you and offer you their assistance.*

Mankind should learn to protect that which is constructive by the Master Presence of the Sacred Fire’s Love which We direct. And if you would *ask for Our Hearts’ Flame to enfold the physical body of every person serving in those channels and to prevent destruction touching them, We could give very much greater Assistance to put out the destructive activities of fire that break loose in a large city, or anywhere throughout the Nation, through many, many channels.*

“BELOVED MIGHTY I AM PRESENCE”! I CALL FOR THE HEART FLAMES OF BELOVED SANAT KUMARA, THE MIGHTY BELOVED BEING VENUS, THE SEVEN MIGHTY KUMARAS—THE LORDS OF THE FLAME FROM VENUS! Enfold the physical body and Life Stream of every fireman and policeman in our cities!

I DEMAND Your Hearts’ Flames enfold the physical body of every person serving in those channels and prevent destruction touching them!

“ALMIGHTY I AM”! (3)

Messenger Number One from the Secret Love Star

Hold the picture in your driving of your automobiles or your flying of your airplanes or whatever you're handling—if you will hold the picture of everywhere you go, you are clothed in a Tunnel of the Violet Consuming Flame or a Tunnel of Dazzling, Diamond-shining Light so dazzling you can scarcely look into It. And if you'll form the habit of moving in this as the Pathway ahead of you, you will close out, by the very picture in your mind, you will close out the hordes of evil that try to impose darkness and destruction and desecration on your pathway or into conditions that affect your finance, your health, your success in business, or the harmony of your relationship with others.

This Acknowledgment of the Ascended Masters' Diamond-shining Control of every bit of manifestation is a thing that you need to just set it as a habit of your own speech, your thought, and your picture held in your own mind—becomes for you a Living Presence around you. And then, many times, one or more of the Angelic Host would stand near you and

pour forth the Activities of the Sacred Fire or Cosmic Light that would hold control of physical conditions that you physically cannot control.

And I mean, for instance, on the highway, if a tremendous truck were coming under full speed and if something happened, you physically haven't the amount of energy to control that; but the Angelic Host could on the instant flash the Flame there that would stand between you and the oncoming vehicle—whatever it might be—and would protect you if you have this Momentum around you. Because when We see the Light around the physical body of an individual, when We see that from a distance, and then We watch what takes place in the emotional body, the atmosphere around the physical body, when We see the flares of feeling, We know from both their color, and the shape of the energy—as it whirls in the atmosphere, We can tell whether the hordes of evil are driving at you, or you're driving into something where they might affect you, but from which you could just as well be free if you will call this into outer Action.

And then the Guarding Angels could just—even from a distance, could flash, like that—a Light in and around you, or a Flame, to repel the destructive conditions and protect you so as to hold control of the physical action in the physical world of other people besides yourselves.

Our Beloved Lotus Speaks

We, as the “Cup of Light” within the American people, must be now that Power of the Unfed Flame. We will ask Beloved Daddy and the Great Ones to take hold of us and make us whatever Love in that Unfed Flame is necessary, whatever Victorious Cosmic Christ Love is necessary to come through these physical bodies into the energy of the Nation. If we will ask Him to make us whatever Saint Germain requires in the Nation to prevent the slaughter which is intended, then there can come, and there will come, Dispensations from the Great Central Sun to permit many things done for the outer self—when it has unconditionally and eternally surrendered and consecrated the outer self and all its energy into that Unfed Flame in the “Electronic Presence.” . . .

Precious Ones, Blessed Daddy has done something in the last three or four days—I am not completely aware in the outer of everything. He has done—but it is as if He had drawn us all very much closer into His own Heart’s Flame with greater Love, like we were much, much closer to Him than we were a week ago. I want you to feel that and have this explanation because, Precious Ones, individuals do not yet know what I mean when I say, in your own private, secret thoughts and feelings, there must come within you the constant reminder that you will not have one thought, feeling, spoken word, or act that you could not perform in the Visible, Tangible Presence of an Ascended Being, or that could not pass through the Heart of a Master.

DISCOURSE BY
BELOVED GOD OF GOLD

CHICAGO, ILLINOIS • DECEMBER 26, 1955
RECORD CD 1733 • CASSETTE 6 0424

MRS. G.W. BALLARD: As the Beloved God of Gold speaks His Heart to us, we offer Him our Love, our Gratitude, and thank Him for all that the Golden Ray and Golden Flame to this Earth does for Life. We ask Him to clothe us in the Blazing Presence of His own Heart's Love and make us feel It always.

BELOVED GOD OF GOLD

Beloved Ones of the Light, as We enter into the Release this hour of greater Victories and Power of the Golden Ray and Golden Flame to the Earth, I hope I may make you feel closer to Me in My effort to bring to you the Blessings that it is My Privilege to bestow, and the Powers that come within the great Golden Flame and Golden Ray from the Physical Sun. Try to feel yourselves held within My Sun Presence. You may think of Me always as a Golden Sun, within which is My Luminous Presence. And the ever-pouring Love that goes forth through the Golden Flame brings Illumination to the mind and Peace to the feelings.

The Golden Flame and Its Radiation is the natural color within the brain structure of the physical body. It is the natural color of the Radiation from the Heart. And if you could understand that the Power which that Golden Flame is, as It is drawn from the Physical Sun into activities of this world, is the Peace that passeth the understanding of the mind, you may enter into that at anytime that you give It recognition. It has many, many Blessings that pour constantly to Life everywhere. Within It is the great Healing Power that brings Peace to the feeling and Peace to the troubled mind of mankind.

The natural Illumination of the Christ Mind to the people of this world is the Golden Light, as I said, within the brain. At the base of the brain abides a Golden Sun, which is the Reserve Power of the Electronic Force from the Higher Mental Body, drawn into the physical flesh structure to supply energy through the nervous system for the use of the outer self. The Radiation of the Light from the Heart is Gold, and the solar plexus should be the Golden Sun

Presence within the feeling world of the individual; for such It was in the beginning, and such It must become again through the Purification of the feeling, that there may come into outer action the Power of this Golden Flame and Golden Ray from the Physical Sun to the people of Earth.

This Power of Light flows constantly from the Higher Mental Body down into the outer self, and We who draw that Golden Flame through the activities of Nature are privileged to enfold each individual in what you might call a “miniature Sun” of the Golden Flame from the Physical Sun. It is Our Pleasure and Our Privilege to ever leave this Blessing around everyone. And sometimes, could you see Its Light expand when you are happy and when your attention is upon your “Mighty I AM Presence” or the Great Heights of Attainment of the Ascended Host, you would see that Golden Sun enfolding yourselves and breathing, as it were, in pulsation, extending around you like a Golden Atmosphere that has the Peace-commanding Authority and Power from the Physical Sun to the people of Earth.

If you give this recognition, you intensify Its natural action in and around yourselves tremendously in every way. So you may draw whatever intense Power that you desire of the Golden Ray and Golden Flame in and around yourselves by Conscious Recognition and Conscious Command—*Conscious Demand upon your “Mighty I AM Presence” and upon Us for the more intense Action and Release of this greater Power to compel Peace in you and your individual activity, and to compel Peace to the outer world.* Then wherever you move, you manifest as the Peace-commanding Presence just by your Radiation alone. And the world needs that Peace, Beloved Ones. Individuals need rest and surcease from the incessant demand and turmoil and activity of the outer life.

So wherever you abide, you may become like oil on the troubled waters. You may become the Power to *command outer turmoil to be silent and compel Peace where distress seems to be*. When the Beloved Master Jesus used this Power to still the motion of the sea, and when He said, “Peace, be still,” He spread the Flame—the Golden Flame of the Love of His Heart—over that substance of the water and over that energy in the atmosphere. That Golden Flame took command and compelled Peace. And so it is with you. The energy in the atmosphere about you is always subject to your conscious control as you understand more and more of the use of these great Activities of the Sacred Fire, for They are the Controlling Power of the Universe to govern these other elements and hold them in Divine Order to compel Perfection to come forth into outer manifestation.

So I am offering you the Activity of the Powerhouse of the Universe as you understand the necessity of holding Harmony within yourselves, and understand your responsibility for maintaining Harmony—Peace in the atmosphere about you. You open the Door to let this Golden Flame act with greater Power, control your affairs, to bring you Its Blessings, and to be the Action of the Great Central Sun Magnet’s Love to draw into your outer use all the Blessings of what you call physical gold. As you hold the Golden Sun of Peace within yourselves, as you dwell within a Golden Sun of Peace in the atmosphere about you, you make yourselves a magnet to draw more and more of the physical substance of gold into your outer use to give its greater Blessings to the Life around you, and to produce the greater Beauty and Perfection that is the Fulfillment of the Great Divine Plan.

Now when you understand that the Golden Flame and Golden Ray are an Individualized Action of the Great

Central Sun Magnet, you will understand why mankind has loved gold through the ages, why it has become the so-called “standard” of the outer world, and why, as a Healing Flame, It is absolutely imperative that the Purifying Power of the Golden Flame produces Peace within the feeling of the individual. Now to unawakened mankind, just the possession of gold has seemed to be the control of certain conditions. But I assure you that mankind does not own the gold of this world. That should be brought to the attention of every intelligent being, because no unascended being ever placed the gold that is in the structure of the Earth on this planet at all. You didn’t bring any here when you came. You can’t take any away when you go. It was placed here by Cosmic Beings who created it, who own it and still do, and who control it to the Fulfillment of the Great Divine Plan.

So try to realize the Inner Power of the Great Golden Flame of Life, and know that It is the Peace that the Love of God’s Heart gives to life, that Beauty and Happiness may manifest to all life for the Freedom of all life. Now in recognizing the Inner Power and Cosmic Illumination which the Golden Flame brings within the brain structure, you have a very marvelous way of quieting the mind, clearing the concepts of the mind, and keeping the Door open for the uninterrupted Ideas from your “Presence” to come forth through the outer self correctly without distortion, without delay, without interruption. So in thinking of your Higher Mental Body, try always to realize It as the White Fire Presence abiding within the Golden Sun of the Love from the Heart of the “Electronic Presence” of the “Mighty I AM.”

And you, the outer self, should be also that Purified Presence abiding within the Sun of the Love from your “Mighty I AM Presence,” the Love from the Physical Sun,

the Love from the Great Central Sun. If you can remind yourselves frequently that the Light of this world is the Radiation of the Love from the Cosmic Beings who have given it existence, your constant recognition of the Power of that Love will enable It to act for you in your outer affairs—your outer conditions; and that will always bring Peace. And when that Harmony is established, then God is in Action releasing Perfection for you. When you wish to hold Peace in outer conditions, *call for My Presence, My Luminous Golden Presence*, and see whether My Love will produce Peace in your contact with your outer fellowman. You do not need to tell anyone who accompanies you. You do not need to reveal that I have a definite interest in your welfare; but if the Golden Presence of My Love can assist you, I shall be very happy to render that Service. (applause) Thank you, Precious Ones.

But I plead with you, don't think of Me just to draw physical gold into your outer possession and use. I would like to be of more Inner Service than just to supply you with finance. I have many other Gifts that the gold of this world can give you, not connected at all with the commercial world. Isn't that a relief? (applause) Thank you, Precious Ones. One of the most Powerful Blessings of My Golden Flame of the Love of My Heart is Its Healing Power to bring Peace to distressed mankind. Wherever I pass by, I can command Peace to be held forever as I set My Golden Flame into Action to bless the substance of Earth with the Peace of My Love. And so it can be for you. If you care to have the Flame of Peace of My Heart's Love fill your homes, then ask that It be established there, and I will answer you. I can give It without limit. It's no effort for Me to send the Flame of My Love to fill your

home and to abide there forever; for My Love can bless life, substance, and energy everywhere I command It to abide.

So It has many wonderful Gifts, wonderful Activities and wonderful Blessing to flood your world with Happiness that you have always craved, and which is nearer than breathing and closer than hands and feet. You know, you've been told by the "Great Presence," the "Mighty I AM" and all the Ascended Host, "Prove Me now if I will not open you the Windows of Heaven and pour you out a Blessing until there is not room to receive it!" All these Blessings are contained within these various Activities of the Sacred Fire, and you may have your world filled with those Blessings just as well as to let discord of the outer world fill your activities with distress.

You know, "I AM" the Neutralizer of distress! And I assure you, it's a Great Joy to see the shadows of distress disappear at My Approach as mist before the morning Sun. And after all, "I AM" a Sun of the Sun! If I may abide within your world to illumine it, My own Heart's Flame will fill it with the Blessing which My Love is to Life. So if you care to make your world the Sun Presence of My Love to Life, I think you will know a Peace you've never had before; and you will feel a Freedom and a Mastery that comes only when that Peace abides within you permanently.

So let Us go forward and have no more interruption with the Peace which My Heart's Love offers to you to anchor the Sun of Peace to this world. When the Great Elohim of Peace first dictated here in Chicago in 1944, He anchored a certain Flame of His Heart's Love here. Today "I AM" come to anchor My Heart's Flame beside His to help purify this city and bring Peace here for Eternity if there are those who love that Peace enough to give It recognition.

So I enfold you in the Sun, the Golden Sun of My own Heart's Flame. And may Its Love be Peace that surpasseth the understanding of the mind in you and your world, that you may give It to others, and let It grow until It has become the world-enfolding Redeemer of all on this Earth; and Peace that raises all into the Ascension spreads Its Golden Flame, Its Illumination, Its Healing Power and Its Enfolding Love to protect you all and keep you at peace until the hordes of the shadows are removed from the Universe and Eternal Peace takes Its Dominion where distress has seemed to be.

I enfold you then in the Miracle Peace-commanding Presence of My Heart, and may Its Glorifying Flame hold about you a Sun of such Power of that Peace that nothing on Earth can ever disturb you again. May the Song of My Heart's Love within that Sun ever take you forward in the Happiness of Its Heart that sets you Free. Thank you forever.

MRS. G.W. BALLARD: Beloved God of Gold, thank You for the Love of Your Heart and the Peace You bestow. Make us a Blazing Sun of Your Presence, and hold Peace everywhere forever.

• **DECREE** •

Beloved God of Gold! send Your Golden Flame into Action to bless the substance of Earth with the Peace of Your Love! Send the Flame of Your Love to fill our homes, and to abide there forever!

HANDS IN A RECEPTIVE POSITION

In the use of the hands, Beloved Ones, now especially at night when Beloved Papa says, "I charge this room with the Ascended Master Consciousness," He releases the Cosmic Light Substance and the Light Rays, or the Activities of the Sacred Fire from His own Heart Flame and Hands through us. And when we sit with our hands this way in the receptive position [palms up], that Light Ray can go completely through, and not only clear out of us, as He often says, anything that's an obstruction, but it keeps charging us—our bodies and our hands and our feeling—with the Blessings and Activities of the Sacred Fire and Cosmic Light that He can give us

When you are receiving from the "Mighty I AM Presence" and the Ascended Host, the Light Rays and the Sacred Fire come down from above; and as that passes through the body, if you sit in that position, It can sweep out of the body through the feet and through the hands—it can sweep out a great deal of discord. And if you will sit there with your love and gratitude to the "Presence" or whoever is pouring out the Assistance, you are in a position harmonized and unobstructed by which your own "Mighty I AM Presence" could release through you not

Round Table Talks

only Its Purification to clear your own world, but could at the same time, release into the atmosphere about you Sacred Fire for your Protection, and also Assistance to others.

People need to understand how to sit in the receptive position by which the Ascended Host can give us the greatest Assistance anytime we turn our attention to Them. And it's gotten so now you can scarcely mention Beloved Jesus or the Angelic Host without the Current coming—just like a high-powered electrical current can sweep right straight through your body. And that is the Release of His Love, or that from the Ascended Host to whom we are calling. And as we make that Call and They sweep It through us, there comes into outer physical conditions many, many times a Purifying Activity of the Sacred Fire that will hold Protection and Perfection around you or your loved ones, or give you the Health and the Strength and the Blessings which the Great Ones are so willing to give, which are everywhere at Their Command, and which we need in the unascended state.

Beloved Goddess of Justice

For just a moment while you are standing, I wish to thank you. And will you accept the responsibility—at least say to yourself; you need not say it aloud, but you can say to yourselves—“I take the responsibility of returning America to God! Thou Cosmic Christ Flame of Eternal Authority, clothe me with Yourself, with Powers mankind know naught of! Reveal to me the Secrets of Eternal Dominion, and blaze Their Victory to assist the Land I love!” Say this to your “Presence” and to that “Great Presence” in the Great Central Sun known as the Cosmic Christ. And as you demand that Its Flame flood and charge into your beings and worlds the Perfection that honors God, will you find yourselves truly returning the Nation to that which drew It forth. In that Service will there come to you Friends of the Light and those who will assist you to render that Service that none can give unless they take this responsibility. . . .Wherever you move, call that Flame into outer action. In other words, it is as if you reached your hand out to a condition or an individual or a location—as if your hand became a Flame and wrapped it around that to which you are giving assistance and lifted it back into the Possession of the Cosmic Christ. That is the Authority I want you to feel. Then you become a Balancing Force wherever you move.

I DEMAND! I COMMAND! AND “I AM” the Dispensation that will permit, under the Great Divine Director’s Authority, the consuming of at least two-thirds of the discord and impurity within our borders!

I DEMAND that the Light of my own Life Stream be strengthened to the point where the Cosmic Law will permit this to be done!

O Great Central Sun!

Till Earth’s battle is won!

To the Children of Light!

Remove now war’s blight!

You, being Light within that Nation, can become a brighter Light when you ask in Love:

5

Let Us try it! We are willing to do everything the Cosmic Law will permit if you will remember to do this once a day for the Freedom of the Nation. No one can tell what the Higher Mental Body of each of you will do—or the “Presence” Itself—in a way that will affect the whole Nation as that Call goes to the Heart of the Central Sun for more Assistance to set this Country Free

I want you to feel, Beloved Ones, the importance of your own Light. And when you call to your “Beloved I AM Presence” or to Us for more Light to not only strengthen you and your worlds, but when you demand enough Light to save your Nation, then the Cosmic Law is compelled to listen and to assist you in every way possible.

VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every "I AM" Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every "I AM" Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every "I AM" Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the "I AM" Students, as well as the Nation.

Lovingly, "I AM,"
Mrs. G.W. Ballard
