

Our Beloved Messengers Mr. and Mrs. G.W. Ballard

Our Beloved Lotus Speaks

“Mighty I AM Presence,” Higher Mental Bodies of everyone on Earth, and all Great Beings and Powers and Legions of Light, take command of every human being on this planet! Shock each one awake with the Love in their Hearts for the Light of Life, “The Light of God That Never Fails”! Awaken them to this Ascended Master Instruction of the “Mighty I AM Presence,” and make them demand their Freedom and Justice for all mankind! Draw into all Classes all who are constructive, and charge forth such gigantic Expansion of this Light and these Classes that they are cram-jam full forever, to overflowing at all times with strong, dauntless, determined, fearless, armored, loyal, dependable, fiercely loyal, God-victorious Ascended Master Friends and Defenders of “The Light of God That Never Fails” to expand, expand, and forever expand, to defend, defend, and forever defend this Light and the United States of America from every destructive force until all mankind are Ascended. And this which we call forth for the United States of America, we call forth for the Americas and all mankind.

In the fullness now of our Mighty Call to these Great Cosmic Beings, we now issue a Decree for the Mighty Guard and Protection to all within our borders and all who are constructive throughout the Earth. Mighty Cyclopea, Mighty Silent Watcher, Mighty Mercury, Mighty Harmony! You stand guard this instant and forever within, through, and around the brain, body, being, and world of every human being in the United States of America with Your All-Seeing Eye of God, with Your All-Hearing Ear of God, with Your All-Knowing Mind of God, with Your Indestructible Harmony of God, and never let any of the energy or substance in the United States of America ever be qualified or used for any destructive activity at any time!
