THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

BELOVED SAINT GERMAIN SAYS: “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any that you find in the Saint Germain Series or The Voice of the ‘I AM’ or in the Dictations! . . .*”

DISCOURSE BY
MIGHTY ARCHANGEL MICHAEL

CHICAGO, ILLINOIS • JUNE 25, 1970
RECORD CD 1620

MRS. G.W. BALLARD: As the Mighty Archangel Michael speaks His Heart to us this hour, we ask our “Mighty I AM Presence” to blaze through us whatever All-illuminating Victory of His Sacred Fire Love makes us Master over all in this world forever; and we thank Him.

MIGHTY ARCHANGEL MICHAEL

Beloved of My Heart, tonight I trust I may assist you in holding a certain Power of the Sacred Fire and Its Mightiest Love in and around yourselves, as you set the habit within the mind of definitely holding the Picture of your “Beloved I AM Presence,” the Electronic Body within the Causal Body—not only above yourselves; but train the outer memory, the outer intellectual consciousness, to see more frequently the “Mighty I AM Presence” above every Life Stream of mankind as you see people in the outer world.

Get in the habit of recognizing the “Mighty I AM Presence” of every Life Stream, because that is the God part of every Life Stream that cooperates with you in every constructive Call that you make and everything constructive that you want to do in the physical world. Try to form the habit of recognizing the “Mighty I AM Presence” and Higher Mental Body of every Life Stream with which you come in contact, and especially people with whom you are frequently in touch, or even in your daily association.

If you’ll do this, you’ll be surprised at the relaxation that will come within your feeling world; and the resistance will

go down that sometimes has caused you exhaustion and has caused, many times, discord between personalities. Discord can only connect with you as you connect with it by your attention. But when your attention goes to your “Mighty I AM Presence” and the Ascended Host, and you recognize the God Power and the “God Presence” of every Life Stream with whom you have to deal in the physical world, you’ll find there will come back such Blessing to you and such cooperation from the outer self as you can only understand as you practice this.

This is—the reason for this is because two-thirds of everyone’s Life Stream is an Ascended Being. Your Higher Mental Body has never descended, and your “Electronic Presence” has never descended; so two-thirds of everyone’s Life Stream, whether it’s yours or someone else’s, has never come into the destructive conditions of this physical world. Therefore, that much of every Life Stream is constructive and wants exactly the same thing that you want when you’re trying to get someone to cooperate with you and do something constructive in the physical world. It is also very grateful for your recognition of Its Presence as you call to It to help correct conditions in the physical body or the physical affairs of someone with whom you have to associate or work in the outer world, and whose cooperation you need. You have no idea how quickly life will begin to cooperate with you when you learn to bless it regardless of what’s in the outer personal self.

The moment the attention goes to that part that is Perfect, and you are willing to call that into outer action to help control the personality or the conditions which it generates in the world around you—the moment you are willing to *recognize the “Mighty I AM Presence” of every*

Life Stream and ask It to help you annihilate anything that is destructive with which you have to deal, It will be just as grateful for your help as you are for the Help of the Ascended Masters. When there's something discordant in your world and conditions need purifying and raising into something that is right, you're very grateful when you make your Call to an Ascended Being, and that Being comes along—either comes into the physical world or pours forth Our Sacred Fire Love that changes the condition or heals the individual or brings supply to your affairs or protects you or protects the things that you have to use.

You're grateful when the Ascended Masters answer your Call. And the “Mighty I AM Presence” of every Life Stream, when you give It recognition, will be grateful to you. And It will come back to you with all Its Blessings and will—most of the time, if you will see the “Mighty I AM Presence” and Higher Mental Body of a Life Stream with whom you have to cooperate or work in the physical world—if you will just hold the Picture of that Upper Figure in the Chart coming forth and stepping down in front of the physical body of the individual with whom you're dealing, your very recognition of the “Presence” of the “Mighty I AM” will automatically begin to hold Mastery in and around you and keep you from connecting with the discord or the limitation of the other individual.

Now this is very vitally important when it comes to Healing, also when it comes to Supply. When there seems not to be cooperation with people in the outer world, when they don't do what's right to you—and I'm speaking of the general public, not the “I AM” Student Body—when they do not cooperate in the outer, then there's just a barrier between your outer self and their outer self. It is to call forth your

own “Mighty I AM Presence’ ” Higher Mental Body, just as if It stepped down in front of you, and the Higher Mental Body of the other Life Stream stepped down in front of that other person, and the Higher Mental Body, the “Mighty I AM Presence” of each one, will agree. The “Mighty I AM Presence” of each Life Stream will cooperate with the other one. Then you will get some kind of constructive action in the physical world to do what is necessary to fulfill the Divine Plan.

This is a tremendous thing if you will practice It and bring It into your outer, physical, everyday work. It will keep you from having arguments. It will keep resistance away from you, and will enable people of the outer world to cooperate with you and harmonize with you to accomplish what is right. And if the politicians of the world could learn this, ninety percent of the disagreement in the governments of the world could be consumed.

This takes out the selfishness in the feeling of the outer self when it battles some other part of God’s Life, because all Life is God’s Life; and when the outer personal self of individuals battle some other outer personal self, My Dear Ones, it’s just like a tornado in that energy of each Life Stream. That is what creates hate, limitation, poverty, illness. It creates war, it creates disaster, it creates storms in the Powers of Nature and Forces of the Elements. It creates every destructive activity of this Earth because people battle, battle, battle each other in the personal self. And oh! if We can only impress upon you enough—and We can if you’ll let It in—the necessity of recognizing the “Mighty I AM Presence” of the other person instead of the limitations of the personal self, My Dear Ones, your limitations and your struggle will be gone.

Your problems will be gone, or you will solve your problems harmoniously and permanently and eventually free yourselves from them. But you cannot solve problems by fighting each other. The minute you get into argument, you have nothing but a tornado of human feeling which is darkness. As long as that whirls around you, it's just like a storm. It will not let the Light Rays through the brain structure that will enable the individual to see the right thing to do, and to have the feeling within to do it and to fulfill the Divine Plan.

So I come tonight to give you the Help which My Angels can give, because I assure you, when the Angels of the Sacred Fire sweep into a condition where two people are battling, They have but to walk through the atmosphere of those two that are disagreeing; and when They pass the Sacred Fire of Their Love through that atmosphere, They consume the impurity, the selfishness, the doubt and the fear and the discord that the hatred generates—or that the battle generates.

Now there's only one Master Presence that is the Ruler of all hate in the Universe, the only one Presence that can consume it; and that is the Sacred Fire Love's Purity from the Ascended Masters' Octave which is the Heart Flame of every Ascended Being. It's the Heart Flame of every Angel. It is the Heart Flame of the Central Sun. It's the Heart Flame of the Higher Mental Body of every Life Stream in existence. It's the Heart Flame of the "Electronic Presence"; It's the Heart Flame of the Physical Sun; It's the Heart Flame of everything that exists that is of God. It cannot, will not, never did, and never will produce discord; but It is the Consumer of discord everywhere It goes just the same as a light, when you turn it on in the

room, consumes the darkness. There's no battle. You don't have to fight to get the darkness out of the room. Bring in the Light, and the other ceases to be. When My Angels of Sacred Fire Love's Almighty Victory walk through the atmosphere of a room or walk through a meeting of—in business or in government or in conferences or in outer world conditions—when My Angels walk through, there is no hate left behind.

I want you to understand more about what the Angelic do to help mankind in this world survive; and They are the Mightiest Blessing, Gift, Glory, Love, Forgiveness, and Mercy of the Great Central Sun's Life, the "Mighty I AM Presence" in the Great Central Sun that the Great Cosmic Law of the Universe provides to bring into every manifestation the Almighty Presence of that Sacred Fire that can never be contaminated, never does anything but produce Perfection. It is Master over everything in physical manifestation whether it be in this world or any other.

That Sacred Fire from the Great Central Sun is the Mightiest Power in all Creation. When you call to the "Mighty I AM Presence" and Higher Mental Body of a Life Stream, that part of that Life Stream is part of that Love from the Great Central Sun regardless of what the outer personal self is manifesting. This is the Master Presence of Life; and if mankind would only recognize the "God Presence" of Life everywhere—it doesn't make any difference whether It's in individuals or in nations or in business or the Physical Sun or the Great Central Sun or your own Mighty Life Stream, if you will only recognize that as the Master Control of all manifestation, you'll find out something of what the Mighty Hercules meant when He said, "I AM' the Herculean Sacred Fire's Control of all manifestation."

I want you to experiment with this if you will. Then you will give Me and My Angelic Host an opening to bring into physical conditions and establish the Purity and protect It until the Earth and all upon it has been purified and set into Divine Order, and mankind, awakening as from a nightmare, sees the “Great God Presence” of the Ascended Host and the Angelic Host with the physical sight in the waking state as you heard the Messenger call.

We want you to see the Ascended Masters and Cosmic Beings; but in order to do that, you must be willing to see the “Mighty I AM Presence” and the Higher Mental Body of every Life Stream in existence. Now when you see people of the outer world, the Higher Mental Body and the “Electronic Presence” of the “Mighty I AM” stands above every Life Stream, sometimes hundreds of feet away if the outer self is terribly destructive; but the Light Ray goes forth supplying the energy of Life. And if you will *call to that “Blessed Mighty I AM Presence” to stop the destruction by the personal self*—of that which is right—you will send forth the Call into the Ascended Masters’ Octave, and instantly there can come back those Activities of the Fiery Christ Blue Lightning Purity that can instantly flash into what is wrong and consume it. If it isn’t consumed on the instant, It can stop the destruction until the consuming can take place.

So I want you to try this out so that you’ll form the habit of recognizing the “Mighty I AM Presence” everywhere possible in the atmosphere about you, everywhere possible in the atmosphere of the world. We have another reason for this. We want you to recognize the “Mighty I AM Presence” and Higher Mental Body of every human being who is compelled to go into war. And if you will see the “Mighty I AM Presence” and Higher Mental Body in the armies and

navies and war conditions of the world, and you recognize that and you *call to that* “Mighty I AM Presence” to blaze into the outer what stops that war and consumes the hate, you’ll have the cooperation of the other Life Streams that are embodied in this world and whose outer personal selves have been sent to war to do only that which is destructive.

You can positively bring a Pressure to bear in the atmosphere of Earth, because the Higher Mental Body of each Life Stream will cooperate with you, because It doesn’t want the outer self to go into war any more than you do. But this is a mass accumulation of mankind’s hatred and battle with each other in daily activities which boils up to a point, and bursts as war.

So, Beloved Ones, if you will practice not only calling the “Mighty I AM Presence” into action, but seeing, visualizing, the Causal Body and the “Electronic Presence” above every Life Stream. *Get in the habit of looking up over the physical bodies of people and calling to the “Mighty I AM Presence” of each Life Stream to keep pouring into the atmosphere whatever compels the Purification for which we have called.* You will have such Blessing come back to you; and you will find people who heretofore maybe have battled you—you will find will cooperate with you, surprising themselves and you, too, probably, because the resistance will go down when the Higher Mental Body steps forward in front of the physical presence and blazes a Flash of Its Sacred Fire Love and consumes the discord that has become the barrier between.

If you will do this in your Congress, in every business activity of the outer world, in the various activities of your government—if you’ll see this and hold this Picture over every human being that’s driving on your highways, if you

will see above every car the “Mighty I AM Presence” and Higher Mental Bodies of those who are in the car, you can send your Love there, and your “Mighty I AM Presence” will project in front of you Its Presence of the Sacred Fire Love and protect you and protect the other car, so that you do not have your accidents.

As you learn to give the recognition to the “Mighty I AM Presence” everywhere as the Source of Perfection and the Focus to which you call, if you will practice this and hold the Picture, you will have all the Miracle Proof that you want of the Reality of Its Mighty Authority and Power, and of the Victory for which you call. Now when you say, “*I AM’ the All-illuminating Victory of the Sacred Fire Love from the Great Central Sun,*” it means that your Life Stream wants to pour the Love of your own Heart Flame to all the rest of the Life Streams embodied in this world.

And the only part of all Life Streams that you will love safely is the “Mighty I AM Presence” and Higher Mental Body and Causal Body. When you pour your love there, you don’t connect with any of the problems or the limitations or the hatred that is within and around the physical bodies of unascended human beings. But you need to hold the Picture and train the outer self to constantly make the Call to the “Mighty I AM Presence” that is the Master Perfection of Life. And if you will recognize It and give It an opening, It will pour back to you the Power that helps you wherever you go to have discord around you consumed, and the pathway ahead of you purified and kept safe from destructive conditions.

I plead with you about this tonight because this is Protection against not only accidents in your automobiles, but this is Protection against crime. This is Protection against selfishness. It’s Protection against discordant activities in

families, in business, in government, and between nations. And Dear Ones, It is more than that. It is your Safeguard. It is your Insulation against the human destruction of other human beings, because when you call to your “Mighty I AM Presence” and the “Mighty I AM Presence” of another Life Stream that is doing something wrong here, *and you ask It to blaze between you the Cross of Fiery Christ Blue Lightning Control*, It can flash that on an instant and disconnect the energy of your Life Stream from anything that is of discord in the other person. And It is your Invincible Protection. You don’t have to fight anything. This is the Harmonious, Permanent Way to overcome evil, to control evil, to consume it, to repel it, and to compel its Annihilation in the outer activities of the physical world. This is invaluable if you will set the habit.

Now do not be surprised if various ones of the Ascended Host keep bringing to you many, many, many Ways and Means of helping you to control your visualizing faculty in the mind, and help you fill it with that which is constructive in order to insulate you against the destructive activities of the outer self. And more than that, when you hold a constructive picture in the mind, whether it be about another Life Stream or someone in the outer world or the Powers of Nature or within yourself, when your attention goes to something constructive, you hold the picture within your mind. That picture within your mind pours into your energy of your feeling world something that is constructive and pure.

If you don’t fill the mind with pictures of that which is constructive, pictures that hold the Peace and Purity and Harmony within you—if you don’t put Pictures in the mind to hold control of the energy in your feeling, well

then, the outer world simply fills your consciousness with the pictures that make you boil up; and you get irritated or critical or condemnatory because the picture of what is wrong in the mind stirred that feeling, created that feeling in your emotional body. Words produce pictures, thoughts produce pictures, and feeling produces pictures. So I bring this to you for your Protection as well as the Fulfillment of your own Divine Plan. If We in the Ascended State didn't hold the Picture around you of Our Heart Flames' Love and the Sacred Fire and the Immortal Purity of the Ascended Masters' Octave, We couldn't protect you—if We didn't hold around you the Sacred Fire of Our Love.

If We saw the destructive conditions in and around individuals and held a picture of that within Ourselves, We would make that immortal, which We cannot do, We will not do. The Cosmic Law of Our Octave doesn't permit it. So the only way you're going to be eternally, Invincibly Free from destructive activities is to discipline your mind—set the habit of holding in your intellect the Picture of what is right, the Picture of that which is of God, the Picture of the Light, the Picture of the Sacred Fire, the Picture of Our Love and Its Miracles of Manifestation.

If you want Miracles, you must hold the Picture of Miracles. If you want a house, you have to say to your architect that you want a house. You can't have your architect build you a house if you hold the picture of a garage—if he holds the picture of the garage. People do not realize the power in the mind of the pictures that mankind places there. So if I may help you tonight to set the habit of holding the Picture of the “Mighty I AM Presence” and Higher Mental Body of every Life Stream that you deal with, and then just get in the habit of seeing that everywhere in the atmosphere

of Earth, it will keep you disconnected from many of the things that are the cause of poverty, cause of illness, cause of accidents, and that keep your feeling stirred up when you're trying so hard to hold the Harmony.

Many times you want to hold the Harmony, and then when you don't—when you sort of fall off the perch, you are very angry with yourself because you didn't do it. And this will prevent this. It will prevent the habit in the emotional body of generating discord because something out here is discordant; and when you look at it, you take that discord into yourself. So, Beloved Ones, if I may serve you from tonight by reminding you how often My Angels of the Sacred Fire can come to you and can stay with you, and My Angels can keep you reminded to see the “Mighty I AM Presence” and Higher Mental Bodies of Life Streams—My Angels will help you set the habit; and when you've got the habit in the mind of recognizing the “Mighty I AM Presence” everywhere, you become Master over the conditions that heretofore have been your mistakes and your limitations. And I hope My Angels may serve you. (*applause—audience rising*) Thank you so much, and won't you be seated, please.

Now you can see what irreparable damage is done by the television. Where the sinister force constantly pictures destruction, and then mankind photograph that within, how can anything but destruction act within and around the individual? Now We are the Activity of Life that is on the opposite side. We photograph the Perfection from the Ascended Masters' Octave. Otherwise you wouldn't have a civilization. If We didn't give the Pictures of the Perfection, much of which you have in the physical world today in outer civilization—if We didn't give you the picture of the things to be invented that are the comfort and peace of

your modern civilization, you wouldn't have a civilization, because mankind didn't have those pictures until We give them to them.

You have your modern civilization, you have your air-conditioners, you have your refrigerators, you have your automobiles. Why didn't mankind invent them two or three or four or five hundred years before they were given to you to use in this civilization? The idea for the steamboat, the idea for the railroads, the ideas for your airplanes—the correct ideas came entirely from the Ascended Masters' Octave because mankind did not have those ideas within itself. Every constructive thing in the modern civilization is given by the Love from the Ascended Masters' Octave before that civilization can be built, can be created.

And now you as an individual can become Master of yourselves, of your world, your home, your business, your locality. You can keep *calling forth the "Mighty I AM Presence" "Almighty Sacred Fire Victory in and around conditions to dissolve and consume things that you physically cannot go out and do.* When things are wrong in the modern civilization, you as individuals can't go out and stir up trouble and get them changed, because that's exactly what's happening in your riots and your violence and the crime of the outer world. It is to shut off this thing that I bring this to your attention; and if you who understand this Law—and what the "Mighty I AM Presence" is, who the Ascended Masters are, what the Sacred Fire is, and what the Sacred Fire's Love is—will call this into yourselves first. *Visualize your own "Mighty I AM Presence," visualize the "Mighty I AM Presence" of the other Life Streams; and ask the "Mighty I AM Presence" of every Life Stream to come to the Assistance of the United States of America, that the Nation of Freedom which is the Heart of the*

World may be purified and survive, that the Purification may expand and bring Peace to the rest of the world.

And through this, when you hold the Picture of the “Mighty I AM Presence” of another Life Stream, We can send the Angelic Host to keep pouring in and around you, and the other Life Stream, too. The Limitless, Sacred Fire Victory and All-illuminating Sacred Fire Love from Our Octave can blaze in and around you. And It will be the Master. It will control physical conditions that you, on the physical side, cannot control.

When you realize what is charged into the atmosphere of Earth every day by sports, by war, by controversy, by family rows, by these riots of the outer world, by nations that have battled each other for centuries, by mankind’s misuse of the Powers of Nature and Forces of the Elements—when you realize what is poured into the atmosphere of Earth every twenty-four hours by mankind’s misuse of energy and life and consciousness, you will realize that to *reach up to your own “Mighty I AM Presence” and the “Mighty I AM Presence” of every other Life Stream, and ask the “Mighty I AM Presence” to blaze in and around the outer physical self whatever Sacred Fire is necessary to consume everything wrong, and prevent that wrong so the Divine Plan fulfilled can bring about the Harmony*—not just for you and some other Life Stream; but all of you doing this can help to bring about more Harmony in your Nation, in your government, in business, in your outer world activities, and to protect other Life Streams that have to be protected until this Knowledge is brought to their attention and they, too, learn to use It. Because there is no other way.

This is the Sacred Fire Love’s only Way of changing mankind’s manifestation. And the Light must come from

within the individual, and the Desire within the Heart Flame of each individual must reach up to the “Mighty I AM Presence” of each one’s Life Stream and the Life Stream of every other one with whom you come in contact. And make your Call there for whatever fulfills the Divine Plan in and around you so that the physical contact with individuals in this outer world will be harmonious, and people will cooperate with you and clear the pathway ahead in order to fulfill the Divine Plan.

Now when you see people struggling in the outer world who are trying to do right—sometimes they are in positions of trust, authority, in and out of business—do this same thing. Call to their own “Mighty I AM Presence.” When there is this battle that goes on in Congress and in various meetings people don’t agree, and you hear of this, and then you hear it on the radio—*call to your “Mighty I AM Presence” first, then the “Mighty I AM Presence” of the other person to blaze into that whatever Sacred Fire Purifying Love stops everything wrong, and replaces it by such Ascended Master Sacred Fire Control of everything there, that the Divine Plan can be fulfilled that harmonizes everyone and enables the All-illuminating Victory of Sacred Fire Love to control mankind’s everyday activities and solve the problems the outer world is generating until they are prevented existence forever.*

So if you’ll practice this—I would like you to train yourselves to do this for one week and see for yourselves what the Mastery is that you begin to feel over conditions, and how quickly people who sometimes before have not cooperated with you—pay no attention; *just bless that Life Stream and ask the “Mighty I AM Presence” of that Life Stream to consume what is wrong, fulfill the Divine Plan.*

And you hold the Harmony, and then outer world activities will not exhaust you. You will save your energy, and you will stay within your Higher Mental Body's Love and give It the opportunity to make you victorious over every outer world condition. And this is the reason I bring It, because I want the "I AM" Students, every one of you without one exception, to be victorious over everything in this world that is of discord. And if you'll do this, you will be victorious. (*applause*) Thank you so much.

Now this is part of the Law of Mercy and Forgiveness. This is the Action of the Law of Forgiveness, because you give the Sacred Fire Love, Purity, and Perfection of the "Mighty I AM Presence" into the condition to consume what is wrong, clear the way, and let the Divine Plan be fulfilled to take the place of limitation and destruction and war. And what's more, Beloved Ones, when people hate something, don't battle! Just go to your "Mighty I AM Presence" and the Ascended Host and the "Mighty I AM Presence" of the other person. Say, "*Mighty I AM Presence, forgive and blaze into that whatever consumes that hate out of the Universe, and the 'Mighty I AM Presence' take Command, hold Ascended Master Control, and fulfill the Divine Plan!*"

Then go on your way like the wind. And Blessed Ones, wherever you go, in sometimes one Flash of the Blue Lightning Christ from your "Mighty I AM Presence" and the Higher Mental Body of the other person will consume battle and resistance that sometimes has been held for centuries because people have battled each other; and they come into embodiment, and when they meet, they battle again. But this will consume the human creation and the destructive etheric records that have existed between

many Life Streams down through the ages. And you can consume this by your Call to Us, and We are the Release of the Sacred Fire that consumes it.

And the Limitless Legions of the Angelic Host of the Sacred Fire are the Master Presence throughout Creation that can walk anywhere and consume what is wrong. We want these Angels to abide with you; and if you'll start this habit and set it, many times when you don't know anything about it, these Beings will come around you and protect you to keep away things that you don't even know are in the atmosphere. So I give It to you for your own Protection, that you may release more Light to purify the Nation, and through the Nation release more Purity to bring Peace to the Earth, that war may be consumed forever. So call and hold the Picture of the "Mighty I AM Presence" around every Life Stream on this Earth just as if the Higher Mental Body came right down in front of the physical form and enfolded it and controlled it. And you will have Victory that you cannot realize—can't even imagine until you begin to make this Call and you set the Law into action by which Our Angelic Host can rule in the atmosphere of Earth, because They are the Sacred Fire that consumes what's wrong.

So when We speak of Our "Miracle Mantle of Love's Mastery," It many times is accompanied not only as Our Heart Flames wrapped around you, but It is accompanied by Legions of Angels of the Sacred Fire that can abide with you until you are safe in something that is constructive. So try It out, and We will be happy to help you accomplish the Fulfillment of the Divine Plan that not only safeguards you, but frees other Life Streams. And in that Freeing comes Peace to the Earth that will, eventually, purify and raise all for Eternity. So We commend you to your constant Call to

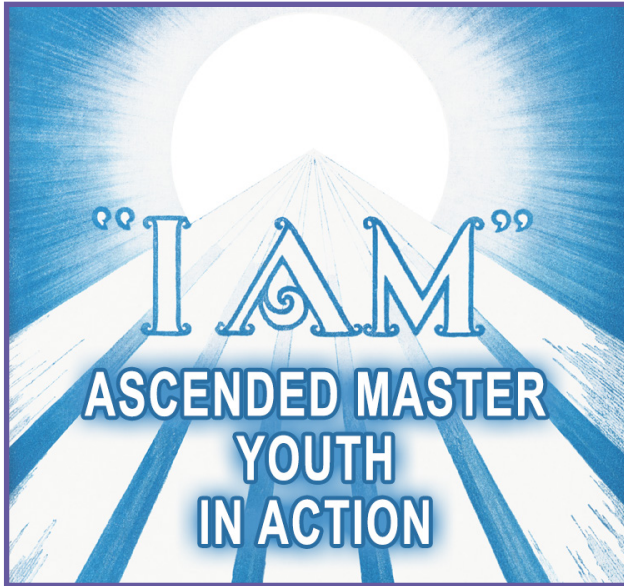

the “Beloved Mighty I AM Presence” by the Picture you hold in your mind that lets the Sacred Fire Love and the Angels who bring It into the physical world come into the lower atmosphere of Earth in your daily affairs, into outer physical conditions, and help you control everything around you until the Cleansing of the Earth takes place for Eternity.

We leave you enfolded in Our Hearts’ Flame of the Mightiest, All-illuminating Victory and Power without limit of Sacred Fire Miracles that are the Divine Way to live Life, and are forever Master over mankind’s discord. We leave you to the experiment of your own Victory; and may Our Limitless Legions of the Angelic Host blaze ’round you the Mightiest Sacred Fire that makes you Master for Eternity. Thank you with all My Heart.

MRS. G.W. BALLARD: Blessed, Beloved Archangel Michael, thank You for this night for all Eternity. Blaze in and around us Your Limitless Legions of such Sacred Fire Love’s All-illuminating Victory that It becomes the Wall of Invincible Protection around all under this Radiation for Eternity; and wherever we abide, blaze the All-illuminating Victory of the “Mighty I AM Presence” of each Life Stream in and around all we contact until no discord can remain, and we thank Thee.

• **DECREE** •

“Mighty I AM Presence” of every Life Stream! come to the Assistance of the United States of America, that the Nation of Freedom which is the Heart of the World may be purified and survive, that the Purification may expand and bring Peace to the rest of the world!

1945 CONCLAVE, VOLUME II, NUMBER 6

“I AM” Youth: Is there a difference between the Octave of Light and the Ascended Masters’ Octave?

Mrs. G.W. Ballard: The Octave of Light and the Ascended Masters’ Octave are not the same. The Upper Octave of the atmosphere of Earth is the Octave of Light where impurity cannot come. The most dense and discordant creations of mankind are held close to the surface of the Earth up to about 7,000 feet. Then it becomes more and more pure until you get into the Etheric Substance, which is the Octave of Light. In this Octave are the Focuses which are pouring to Earth Their Light Rays and various other Activities of Light into the atmosphere of Earth. There are Temples that belong to this Earth in the Octave of Light. The Ascended Masters’ Homes and Their Great Temples of Light are in the Etheric Belt around the Physical Sun, and that is the Ascended Masters’ Octave. The planet Venus abides in the Etheric Belt around the Physical Sun.

SPRING HOUSECLEANING

Beloved Victory

If you make yourselves a Sun Presence of Sacred Fire Victory—live, move, and have your beings within that, and feel Its Power as the only Acting Presence in and around you, then your Higher Mental Body comes in and around you with Its Almighty Power to fulfill Its Divine Plan. Together, as My Sacred Fire enfolds you, you go forward in rapid accomplishment; and may I say, you throw your human creation away. Isn't that a relief? Let's do it tonight! (applause) Thank you, Precious Ones.

So if you will strip yourselves of the useless things—which human creation, I assure you, is! It is perfectly useless to your “Mighty I AM Presence” and to Us. So let's have a housecleaning. This is springtime. If you will throw the debris of human distress into the Violet Consuming Flame and open the doors to the fresh air and the sunshine of My Sacred Fire Victory and let Its Sun Presence rule your world, you will find you have a Friend whose Cooperation you can depend on and for whom failure is impossible.

So let Us become the Action of the Cosmic Law, which I assure you, the Sacred Fire is with no uncertainty. Now isn't it a relief to come to the place where you are not uncertain any longer! (applause) Thank you, Precious Ones.

STANDING IN CLASS

Q. In our Group Meetings, we used to always stand to give the Outline Decrees. Now some people sit down and some of us stand. We remain seated during the extra Decrees—A, B, C, and D Set.

Mrs. G.W. Ballard: Well, if some of these very positive Decrees that we need—sometimes against war or very vicious conditions in our Nation—then sometimes we all rise and stand on our feet. But in the A, B, C, and D Sets, it's quite all right to be seated because it's easier to read and read correctly sitting down than it is holding your Book while you're standing.

Q. Are we still supposed to stand for the Outline?

Mrs. G.W. Ballard: If there's someone that's incapacitated or has been ill or something, well, then those people can sit—there can always be exceptions. But try to be as obedient as possible to the Regulations we have always had for the Activity from the beginning.

Q. It seems best to be uniform and not some people standing and some people sitting?

Mrs. G.W. Ballard: You're right about that! Whatever you do, you should all do the same thing.

Q. Should the Group Leader indicate when we should stand?

Mrs. G.W. Ballard: Yes! I do!

STANDING IN FRONT OF A MICROPHONE

Q. Please tell us how far away all Group Leaders should stand from the microphone to receive best results and words do not come like a quacking duck?

Mrs. G.W. Ballard: I know just what you mean. If you get too close, well then, it's very unpleasant. And if you don't get close enough, it's not strong enough to lead for people who are hard of hearing to pick up the sound easily. So usually anywhere from six to eight inches is the general spacing away from the microphone. Some public address systems are very bad. They have a howl sound like a spout down a rain barrel or down a well or something. A howl reverberation is very unpleasant if you release much energy or pressure into it. Try to adjust it. Different peoples' voices sound differently over a microphone because a deep voice will have a rumble and a high voice has a squeaky shrill to it. If you speak in a chest tone instead of a high head tone, it has more reverberation and will carry easier and you don't need to use so much energy and you don't force it.

SHOES

Q. Now in the early days we were told to wear medium, common-sense heels. So many of the Students are wearing high French heels. Is this varied—is this early instruction out?

Mrs. G.W. Ballard: No! Not by any means! The medium height of common-sense heels keeps the body in much

Round Table Talks

more sensible balance than the very high heels. Now I'm on my feet almost all day long, and I wear low heels in the morning or when I'm going to do a lot of walking. . . . But I change the position of the strain on the foot several times a day. You ought to change the shoes you wear, I'd say, at least three times a day so that nothing gets set into a position where the muscles get so hard that accumulation around the joint—or crystals form around the nerves that interfere with the circulation of the foot.

So it depends on the shape of your feet. It depends on the height of your arch, depends on the kind of work you're doing, and depends on what is comfortable at one time. . . . But I do say, those terrible stilt heels—there's nothing constructive about that. You're going to hurt the foot sooner or later if you get into those because they strain the ankles and they'll make your arch fall, and before you get through, you're going to have foot trouble. But a medium high heel, whether it's a French heel or a Cuban heel—sometimes a medium high heel is a very great rest.

And the foot can hurt from a shoe that's too big that lets the whole foot just spread out like that. It can hurt just as bad as one that is too tight that cramps it. There's a right-shaped shoe and lathe for each foot. The people who have long, narrow, slender feet that are quite flexible—can move around in several different styles of shoes and still be comfortable. You can have a short stubby foot; it won't fit into a lathe that is comfortable on a person that's got a long, slender foot. The long, slender foot isn't comfortable in a short, wide lathe. You have to watch that the height

Round Table Talks

of the arch—if the shoe fits the arch of the foot. That’s the thing that should govern you in selecting shoes or wearing them.

As I say, when your feet get tired in one kind of a heel or one kind of a shoe, change and put another one on that holds it up and relaxes the part that’s been under strain and helps it to carry the weight more balanced.

ARMS AND FEET CROSSED

Q. In the Classes and here at the Round Table, so many Students keep their arms and feet crossed. Is it wise and necessary?

Mrs. G.W. Ballard: Well now, Precious Ones, this is the Law. When we are receiving the Ascended Masters’ Radiation, we sit this way—the hands and feet uncrossed—because the Higher Mental Body is pouring Its Flame through us, and the assisting Master is enfolding us and pouring through us also. When you’re in crowds of people—now I’m not speaking of the Student Body—I mean when you’re in the outer world, in business or in conferences or social activities and things like that, it’s quite all right to sit with your hands and feet crossed because you don’t want to take in everything that happens to be in the atmosphere about you; and when you close the hands and the arms and the feet, it just shuts out the surrounding vibratory action.

But many times people do it just to rest the arms and the legs, so don’t be fanatical about it. Ask the “Presence” to help everybody else do what’s right, and you just watch

Round Table Talks

what you're doing. The biggest problem you'll ever find in this world or any other is just you to yourself! Don't watch the other fellow! (*applause*) And do you know what, if you mind your own business, you wouldn't even see what the other fellow's doing! (*laughter*) Let's have a good time of this!

570919-16

STANDING QUIETLY AT THE END OF CLASS

Mrs. G.W. Ballard: When we stand up at the end to say "God Bless You," don't begin to wiggle around and grab your coats and move your chairs and everything else! If you can't wait thirty seconds or one minute to give gratitude to the Great Ones for all that we've received in a Dictation or in the Class Work of the evening, after the Masters have come from Their High Estate to spend twenty minutes or half an hour or two or three hours with us, if we have to get so restless—wiggle-tails, just like a bunch of kids—if we can't be still to the end until the Thought Form is built, and then pour into it the Sacred Fire that makes it Eternal, if we can't wait a few minutes to do that, then don't kick if your Decrees aren't answered.

Its perfectly ridiculous to let those crazy human habits "wiggle-tail, wiggle-tail"! The old human would disturb you—if the "Presence" was ready to open the Great Central Sun and give you everything there, the old human would have some kind of excuse for doing something to prevent it. *Train that outer self to shut up and sit still* until you get through with it, and I don't care whether

Round Table Talks

it's now or three o'clock in the morning. (*applause*) The old human has disturbed you a long time, Precious Ones; and if you are ever going to settle it, you might as well practice now instead of letting it run us. . . .

The Master comes to give His Love and the Power to help protect us and supply us and heal us and help us to help the Nation. And if we can't wait another half minute, or one or two minutes until we get through completing the Form so the Master can take It and put the Sacred Fire into It and then send It forth to fulfill our Calls, if we can't stop and do that, well, let's don't ask the Ascended Masters for anything. I'm not going to ask the "Mighty I AM Presence" and the Ascended Masters for help for anybody that can't honor these Masters that have given us so much, these Great Ascended Beings who have poured Love to us throughout the ages and have drawn us out of the viciousness and clutches of the destructive forces and brought us this far in the Light. And it wouldn't make any difference—if Beloved Saint Germain asked me to stand there and work all night, I'd do it, because if we can't give Him obedience, then we've no right to ask Him for help.

DISCOURSE BY
BELOVED MIGHTY ORION

SHASTA SPRINGS, CALIFORNIA • AUGUST 22, 1955
RECORD CD 333 • CASSETTE 6 0194-1

MRS. G.W. BALLARD: As the Beloved Mighty Orion speaks His Heart to us, we ask our “Mighty I AM Presence” to bless Him, to pour our Love to Him with such intensity that at all times He can have the Door wide open through which His every Power can flow back into us, and through us to assist life everywhere to be free.

BELOVED MIGHTY ORION

eloved Ones of My Heart, in coming tonight to enter into a greater Release of more Power for Victorious Accomplishment, I wish to remind you that when We speak of the Luminous Presence of the Ascended Jesus Christ or of any Ascended Master or Cosmic Being, if you will hold the Picture of an Oval of Blazing White Light, within which is the Presence, the Luminous Presence of the Ascended Being whose Assistance you require or to whom you send your love, you will find that Focus becoming permanently established in your own atmosphere.

The reason for that is this: You may not even know what an Ascended Master Likeness is of someone whose Assistance you require and who has been called to your attention. So in drawing a Focus of that Master's Assistance into your outer use, there is placed within this Oval of Dazzling White Light a small Flame, which is the beginning of the concentrated Action of that Ascended Master's Outpouring and Power of His own Use of the Sacred Fire. Therefore, in giving to each one within that Oval of Blazing White Light the tiny Focus of the Sacred Fire, that then begins to become the Life Center, or the Heart Center and concentrating Power of whatever you desire manifested in your outer experience life.

So do not be disturbed if you do not yet know what We look like from the appearance standpoint. The day will come when, as you see within this Oval of Light, as you hold steady looking within that, will you see the Likeness of the Ascended Master or Cosmic Being to whom you call or to whom you turn your attention. Now this is like a Cosmic Mirror in a way, into which, if you will steady the mind and

quiet the feelings and purify the atmosphere about you, you have drawn into your outer use what is tantamount to a Cosmic Crystal. And looking within the Blazing White Light and asking for the Illumination, the Cosmic Illumination of the Ascended Masters' Blazing Light, you will never make a mistake. As you set this as a habit and give It your attention and let It form within and around your atmosphere, you will find those to whom you send your love in the Ascended Master Octave will reveal Themselves sooner or later.

But it does require practice and the gathering of the Power of Light in and around your own atmosphere before the Higher Mental Body releases through you the Projected Vision to reach into the Higher Realms of Life's Perfection and allow you to see some of the Activities that are there, whose Radiation and Love pouring back to you gives you Assistance in your outer physical affairs. So as we enter into the concentration and use of the Luminous Presence of the Master Jesus, or anyone else in the Ascended Masters' Octave, through this, you come closer and closer into Our Octave of Life. And therefore within this is the Perfection into which you can reach and draw forth the Power that compels the manifestation and fulfillment of your Calls much more quickly and more powerfully in the affairs of the outer world.

Now if all of you in this room were to hold for perhaps a half an hour, in concentrated action, an Oval of this Blazing Light within your minds, and see that Oval enfolding everyone in your government, you could call forth the Victorious Powers of Ascended Master Government into physical conditions. And by that Power of the Sacred Fire you would enfold everyone in your government in the Luminous Presence of the Cosmic Christ as you make this a

habit. And that strengthens every constructive impulse within the individuals in governmental channels, and It begins an Expansion to neutralize that which is not constructive. So It renders a twofold Service, and you will find becomes the Peace-commanding Presence and the All-controlling Authority of Ascended Master Government over human government.

Now you have many constructive activities within your government which have been brought forth from the Ascended Master Octave and placed in the physical world's activities to hold that which is constructive in control of outer conditions so the people may be blessed. And this to which I call your attention tonight is a Cosmic Action of this Great Oval of Blazing Light, within which is a Focus of the Sacred Fire. Now you can hold that either as the Threefold Flame or the Sevenfold Flame of the Seven Mighty Elohim or any special Flame of any special color whose special quality you require in any particular condition.

Now I am calling this to your attention for another reason. The hour will come when the Ascended Masters must step through the atmosphere of Earth to render certain Assistance in controlling the Powers of Nature; and when that occurs, I do not say always, but most of the time the Assisting Master will step out of an Oval of Light. You would see that Oval of Blazing White Light first before you would see the Body and the Activity of the Master who has come to give you Assistance. So in setting this habit within yourselves of holding the Picture of the great Oval of Blazing Light, and within that the Luminous Presence of any Ascended Master you want to contact, or to whom you send your love, it forms the connection through into Our Octave and clears you and your outer activities so you can receive clearly that which We wish to give you.

Now We do not need to clear the atmosphere from Our Side of Life. It must all be done from your side of Life, because the Power of the Sacred Fire in the Ascended Masters' Octave is manifesting constantly everywhere in Full Cosmic Control. But the Sacred Fire drawn into the physical atmosphere of Earth becomes the Consuming Presence that consumes the veils between the human and the Divine. And since the human cannot create a Blazing, Dazzling White Light, you are always infallibly, invincibly safe in your use of this Oval of Dazzling White Light, within which is the Sacred Fire, as you send your Call to those who will assist you.

In the Instruction which the Mighty Saint Germain gave this Messenger in the early days of their experiences, He explained the Action of the Oval of Light on the forehead, within which was the Luminous Presence. Now that has a Radiation and a Controlling Power that protects the mental body and pours into it the Light of Ascended Master Illumination. It protects the brain structure from accepting wrong ideas in the outer, and It also prevents the mind of the individual from carrying into outer conditions thoughts that are wrong. The same thing is true of the feeling world and the emotional body.

So this has a tremendous import to you all. Were you, as I said a moment ago, all within this room, to concentrate on a thing of this sort for perhaps a half an hour, you would become attuned more closely to these Activities of the Sacred Fire and the Cosmic Light out of which comes all Perfection. In other words, you are drawing through this Picture, a Focus into your outer use, of the Cosmic Light Substance and the Sacred Fire that produces Perfect Manifestation.

As you understand this and use It more just as a matter of habit, you will find many things occurring that surprise you—but more than that, many things occurring by which conditions in the outer world can be changed by Radiation instead of by conscious action through the outer self’s control. This will allow the Higher Mental Body unconditional Freedom through the outer self in controlling your affairs in the physical world, and I assure you, will be a powerful Assistance to all who will make the effort to set this habit and let the momentum focus in and around you by which We can act on a moment through your outer, physical affairs. And I trust It will bring you boundless Blessings and Eternal Joy. (*applause—audience rising*) Thank you, Precious Ones. Won’t you be seated, please, and just remain so.

Now this becomes like an accumulation of Power in and around you; and yet if you understand that the Action of that Flame within the Oval of Blazing Light is the concentrated Love from both your “Mighty I AM Presence” and the Great Central Sun through the Physical Sun, you can draw into yourselves and into your affairs this Cosmic Christ Love by which the Universe has been created and is sustained. Therefore, since you are a miniature Universe within yourselves, this can come into you and around you to produce Perfection in your world just the same as it can in Systems of Worlds.

This has another very important use in allowing the Student to draw forth the Power of Projected Vision, and It is a Safeguard to you in this way. If curiosity should act through you in your desire to see something at a distance, and if the motive should be a mistake, you will find that your faculty of Projected Vision would not pass through

this Oval of Blazing Light if the motive were wrong. It is a short-circuiting, so to speak, of that which is wrong; and only when the motive is pure and wholly unselfish, can you understand and use these greater Powers of your own Life which you have used in the past, and which will again come into your outer use for your greater Freedom.

So when the need arises for these greater Powers to be released through you, They will act very much more quickly if you have already gathered a Momentum of this Oval of Dazzling Light, within which is the Sacred Fire—a Focus of that. And as you watch that, It will teach you many things about yourselves and will never tell you an untruth. It will never give you a destructive picture. It will never release any feeling to you except the Love from the Heart of Creation.

There are many wonderful Activities of the Sacred Fire of which mankind in this world knows almost nothing, and so We are endeavoring to gather around those who understand this Law this Assistance for your greater use and greater Freedom. Now I'm going to refer to another Activity of the Sacred Fire which will come into the outer physical world's use as the years go on. Centuries ago on Atlantis there was a Focus in one country of the Sacred Fire in Its Consuming Activity. It was held concentrated within a Flame, and everything that was in need of Purification was placed within that and returned instantly to the Universal. The Mighty Saint Germain told these Messengers in the beginning that there would come forth in America another Flame of the Sacred Fire anchored within this Country for the sustaining of Perfection; and It would be the Life-giving Flame, so whatever entered within It would be purified and healed.

I just mention this to you that you may be a part of that Accomplishment in your Country. As you establish the habit of accepting and seeing and using this Oval of Cosmic Light, within which is a Focus of the Sacred Fire, it will more quickly bring into the outer conditions of the Nation the preparation necessary for this other Flame to be given. But It cannot and will not be given until certain Purification takes place within your borders, either by the desire of the people or by the Powers of Nature and the Forces of the Elements.

So you may have a corresponding Focus of that Sacred Fire in your own aura if you choose to accept this, and charge It daily in and around you to produce the Perfection that sets you Free, and frees all wherever you abide. So I just leave this with you with a Reminder that the Sacred Fire within that Oval is the Love which, as It expands, becomes the Drawing Power upon any Being to whom you turn your attention, until that Being's Approach opens the Oval and steps through to you. Now this is not an unusual Action of Life. This has gone on in the Universe for uncountable aeons of time, and It is the beginning of the Way by which individualized Flames of God's Heart take embodiment in the substance of a world. So as you understand It and use It, you will go deeper into the Secrets of the Universe; and I assure you, not one thing wrong could ever come out of that to you. But as you value your Life, do not pretend to have that if it has not appeared to you. You cannot fool with the Powers of the Sacred Fire because Purity is the Law, Love is the Action, and manifestation is the result.

So if you care to make effort to purify yourselves and ask this to be established within your atmosphere, then

We can begin this greater Service to you all, and through you, to the world. So if you really want an infallible Action of Life to guide you and guard you at all times against that which is the confusion and mistakes of the outer world, then this is the way Life provides by which you can always know the right thing to do. So I leave you to your own devices, and I trust that just a little use of this will begin to reveal Itself to you with such happiness and such freedom from mistakes of the shadows that you will dwell within It. And as you live, move, and have your being within this conscious recognition and use of the Luminous Presence of one or more of the Ascended Host, you will know how Real We are; and you will know that We walk beside you until that hour when the veil is lifted, and We come and go to you like you associate with each other.

This is the beginning of Our Entrance into the physical octave to render certain Service to the Nation and the world; and later on, It will become just the Great, Natural Action of Our Assistance to the people of this world as they purify themselves and raise into the Perfection of Ours. And then the veils are no more. So as you understand what this Great Divine Love of the Sacred Fire can do for you, I am sure you will remember to use this and call up this Picture often. And as you feel the Thrill of Happiness that It will release within you, you will realize a very tangible Power has been brought into your outer use for your Freedom. And My Love shall dwell within that Great Oval of Dazzling Light to convey to you that which only Love can give. So I trust you will understand the Freedom We want you to have and the Action of the Cosmic Law by which you attain

It. So to your own Victory do I commend you, and with the Full Illumination of the Sacred Fire may you dwell within Its Blazing Love and Wisdom and Eternal Power. Thank you forever.

MRS. G.W. BALLARD: Thank You, Beloved, Mighty Orion, for the Gift of Your Love and the Help which we want so much to draw into all outer physical conditions.

Beloved Godfré

Mankind has not a fragment of an idea of how that Mighty, Mighty Blessing serves the Earth—mankind and all upon the Earth—how much is drawn forth on this planet through that Golden Ray.

So tonight may you enter into the Golden Temple in the Etheric Belt around the physical Earth as your bodies go to sleep. May you enter there and receive of Its Mighty Blessings, Its Power, Its Beauty and Its Perfection, Its Victory and Its Mastery—and be consciously aware of what a magnificent Blessing that Golden Temple is to this Earth and all upon it, and the Blessings that come to the Earth from that Etheric Belt. You can just as well go forth and receive intensified Gifts and Blessings from that Great Focus of Assistance as you can lie down and go out of the body with no special Command as to that which you wish to bring back into it.

Tonight as I meet you through the veil of sleep while these bodies are being restored and rested, I shall take you on a journey and show you at the Inner Level of Creation still

greater Blessings of the Golden Flame of the Love of God's own Heart. And when you use that phrase, the "Cosmic Love of the Cosmic Christ," it means, My Loved Ones, every possible Activity of that Golden Flame that exists throughout Creation, and into which you can reach at any time and draw forth any of Its special Blessings to assist yourselves, your fellowman, and all upon the Earth until all the Perfection that is there has come to clothe the world and give it Peace, Love, and Perfection in the Victory of God's Heart forever.

Then will you know why the Elohim of Peace is called "He of the Sunshine Countenance," because in that blazing Golden Flame that He directs is the Mightiest Joy of all Creation and the Limitless Gifts and Activities of the Sacred Fire. Give Him recognition, as well as the Goddess of Peace and those who come with Them; and call forth Their Blessings everywhere you go, that you may be a Sun of that Peace and an Ambassador of His Love to the Earth that has longed for that Peace so long through the centuries. Let Him, once again, take full Dominion throughout the Earth and reveal to mankind the great Joy that is within the Fulfillment of the Divine Plan under His Direction throughout the world.

It is My Privilege and My Joy to assist Him in drawing forth more intense Action of the Golden Flame to this Earth. And in cooperation with our Beloved Saint Germain, may We help you to become so blazing in the use of this Golden Flame to build Perfection, after you have used Saint Germain's Violet Flame to purify, then may the Golden Flame come in and build the permanent Perfection in the world that becomes the Golden Age of His Freedom to all.

VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every "I AM" Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every "I AM" Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every "I AM" Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the "I AM" Students, as well as the Nation.

Lovingly, "I AM,"
Mrs. G.W. Ballard
