**Feeling World of Mankind**

*Beloved Saint Germain:* In the Radio Work and the Class Work and the Books, all together it is getting the attention of enough people. And while their attention is upon that, the Great Host of Ascended Masters, the Legion of Light, the Cosmic Beings, can utilize that to change the feeling world of mankind. Your Beloved Victory has done some of the most tremendous Work in that respect; and David Lloyd—and the Children, of course—never stop for a moment. My! the marvelous manner in which They go from one part of the world to another, pouring forth with dynamic Power and Energy, gathering this Substance from the Calls of individuals and utilizing it.
