

## **VISUALIZATION BY BELOVED MRS. G.W. BALLARD**

*Will you visualize again today everything in that intense Violet Flame—the substance of the building, the atmosphere of the room, your own bodies, everything in your being and world blazing with the Power of the Violet Flame, the Unfed Flame from the floor to the ceiling, the building held within that great Pillar of Violet Flame from the Heart of the Earth to the Great Central Sun. And also pour into that that intense Action of the Blue Flame.*

*We ask all those Great Beings and Powers of Light to charge and charge and charge that today with the full Cosmic Action of the Ascended Masters' most Dynamic Concentration of the Blue Flame from the Great Central Sun, and blaze It everywhere throughout America and the world until It has consumed every destructive force of Earth. See that great Pillar of Violet Flame expand until It includes the entire western half of the Three Americas, and may the full Power released through that still forever all that wants destroy the Americas.*

*See the three Hearts of Violet Flame over the Three Americas, the Wall of Steely White Light surrounding Them and forming the Dome-like Covering in the atmosphere above; the Wall of Blue Flame for a thousand miles in every direction, encircling the Three Americas and their possessions, charged by the Mighty Surya as that impassible Wall against which all destructive forces dash in vain and are driven back into their own center and their own cause to annihilate its cause and effect from the Universe forever.*

*K-17, charge into that your Ring-Pass-Not of the Blue Flame through the Three Americas, that they may never know connection with any destructive force for any reason whatsoever. See the waters and over the landed surface of*

*Earth become great Blazing Violet Flame also; and as the Cosmic Light descends to meet that, see It drive into all war conditions of the world that great Whirling Pillar of Blue Flame from the Central Sun that goes in and eats out every activity of war like a mighty suction, drawing it all up into that Blue Flame and freeing the Earth forever from all war—all substance that injures or destroys mankind—removes the rest of the discarnate entities, their claws and emissaries,\* the rest of the discordantly qualified substance in the atmosphere of Earth, the claws and emissaries of all the black magicians, all war lords, all dictators, all spies, all strike agitators, all wholly destructive individuals, drawing them into that Great Whirling Pillar of Blue Flame and releasing the Earth from the tentacles of their creation this very instant. And make all the Powers of the Central Sun needed to do that go forth this instant and fulfill our Calls even as we speak.*

*Great Divine Director! command this into action. Set aside the action of time and space and forever release everything that is required to produce this manifestation and charge the whole world with Your Ascended Master Feeling of Its Mighty, Physical Manifestation.*

Note: Since the end of 1939, all discarnates have been taken out of the United States of America, the three Americas and Switzerland. If the Students from other nations will make the Call for the Ascended Host to take the discarnates out of the nation from which they come, the Ascended Masters will begin their removal from the Earth.
