THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

BELOVED SAINT GERMAIN SAYS: “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any that you find in the Saint Germain Series or The Voice of the ‘I AM’ or in the Dictations! . . .*”

THE ASCENDED MASTER INSTRUCTION ON THE “BELOVED MIGHTY I AM PRESENCE” was given to us by the Beloved Ascended Master Saint Germain, through His Accredited Messengers, our Beloved Mr. and Mrs. Guy W. Ballard, and is now presented to mankind under the auspices of SAINT GERMAIN FOUNDATION and SAINT GERMAIN PRESS.

The Voice of the “I AM” is not a publication for articles from the “I AM” Student Body, but is the Outpouring of the Love, Light, and Illumination from the Beloved Ascended Masters for the enlightenment of all mankind, and to bring forth this Ascended Master Instruction of the Fiery Christ Truth of the “Beloved Mighty I AM Presence.”

The “I AM” Activity presents the Original Ascended Master Instruction from the Teachings given in the Books of the Saint Germain Series; in the monthly Magazine, *The Voice of the “I AM”*; and in other material released by Saint Germain Foundation and distributed through Saint Germain Press. “I AM” Activity Services are offered worldwide through every “I AM” Temple, “I AM” Sanctuary, “I AM” Reading Room, and all “I AM” Study Groups.

CHICAGO, ILLINOIS • APRIL 18, 1969
RECORD CD 1518 • CASSETTE 6 0264-1

Mrs. G.W. Ballard: Thank you, Beloved “I AM” Students, for your Decrees and your presence with Us tonight and all the Love you have poured forth down through the years. Now as the Mighty Presence of Beloved Mighty Surya speaks His Heart to us this hour, we ask our “Beloved I AM Presence” to clear the outer self of each one and let Him pour through us as an eternal part of our Life Streams—whatever Sacred Fire Love’s Indestructible Purity, Protection, and Victory without any limit whatsoever He knows we need; and then through us, for the Purification of our Nation and the annihilation from the Earth of everything that is of war and hate and destruction, now and forever. We thank Him.

BELOVED MIGHTY SURYA

Beloved of the Light, We come to offer life the Freedom from human distress—when the outer self of each individual will turn the attention to the “Mighty I AM Presence” and the Ascended Host and open the way for Us to pour forth through the outer, physical self, your actual physical bodies, the Heart Flame of Invincible, Indestructible, Purifying Love from the Ascended Masters’ Octave and the Great Central Sun which It is Our Privilege to direct to this world for the consuming of what mankind has generated of destruction.

When We offer you the great Cosmic Flame of Love which is Our Power of Life, Our Power to illumine anything everywhere in infinite space—because the Sun Presence of Our Love is the All-illuminating Sacred Fire Power without

limit of all manifestation—so when We have offered you the Love of Our own Hearts' Flame, We ask you to accept It, feel It come within you, feel It stay within you, feel It become a part of you, a part of your Life Stream forever; for this way We can confer upon you the Power to dissolve and consume, wherever you abide, the destructive forces that have sought only to desecrate and destroy everything good.

So when you think of Us or you call to Us for Help, will you please wait just an instant; and as your Love comes to Us, wait just an instant to feel Our Heart Flames' Love return on your own Life's Energy and come into your physical bodies as an eternal part of your own Life Streams. And let Us expand Our Sacred Fire Love's Indestructible Purity and release Its Miracle Powers into you, and then through you and around you into your affairs—enough to make you master over the destructive conditions of the outer world that have tortured you so long and that have limited you and that are only trying to destroy everything in the world that is constructive. And therefore, if mankind wants freedom and release from destructive forces, there is only one way it can come; and that is within the individual's own Life Stream—from within each one. When you accept that from within, then the next Flame that comes forth can be Our Enfolding Miracle Mantle of Sacred Fire Love of such Power and Indestructible Sacred Fire Purity that It becomes your Invincible Protection. And then on an instant It can be like an Armor of Steel around you; or It can be a Sun Presence that blazes through you the Love, Forgiveness, and Mercy that dissolves destructive forces and sets Life Streams free for which you call.

There is no harmonious, permanent way to change any condition in this world from discord and destruction into

that which is harmonious and constructive—there is only one way: and that is to *call the Sacred Fire's Indestructible, Purifying Love into everything in yourselves first, and then into outer world conditions.* And in that way We can armor you with Our Power to protect you and make you Victorious over destructive conditions. But mankind doesn't take time to turn to Us and wait a moment after the Call comes forth to Us—and wait just a moment to let Us fulfill the Call. So long as the attention of the outer self is held upon destructive conditions, the door is locked against Us. It is locked against Our Love, and mankind cannot free itself without Our Sacred Fire Love which is Our Life's Mastery over everything in manifestation.

Therefore, when you want Help for your Nation or the world, stop a moment and realize that your “Beloved Mighty I AM Presence” must have Freedom through the outer self, so it can be made a Sun Presence of the Sacred Fire Love and Indestructible Purity from the Ascended Masters' Octave and the Great Central Sun in order to draw into physical conditions enough Force to compel the Purification that consumes them. Mankind cannot free itself. And there is nothing in the Universe that can consume hate but the Ascended Masters' Sacred Fire Love's Indestructible Purity.

Now there is Power without limit, and We speak of It as the “Sun Power” from the Great Central Sun because It is the Sacred Fire Love that creates Suns and Systems of Suns throughout interstellar space. And if It can create those Suns of Manifestation, Our Sacred Fire Love can create a Sun of Our Hearts' Flame in you and around you and into your affairs. And We can hold that there with Power unlimited if people will only accept It and let Us have the attention

long enough to let the Flame descend, become a part of your outer, physical flesh bodies, enfold you in Our Protection, and then pour forth the Sun Presence of Our Sacred Fire Control of physical conditions until We can purify them and change them into the Perfection that allows the Divine Plan to be fulfilled from your own “Beloved I AM Presence” and the Physical Sun and the Great Central Sun.

We have offered Love so long, and there is at no instant that We are not offering It. But mankind is interested in everything else except Our Love. Individuals want all of the Blessings that the Great “God Presence” provides in this world; but mankind does not want to give back to Life the attention that lets greater Blessings come—and releases at this time the Forgiving Love and Mercy of Indestructible Purity to consume the miscreation that human beings have generated in this world, and which produce war and the hatred that is destruction everywhere.

Mankind cannot have the Blessings of the Universe in this world and continually go on with creating destruction through war. We are making a last Supreme Effort to get a few people, if they will only give Us their attention, to make a few of mankind a Sun Presence of Our Sacred Fire Love’s—Our own Life’s Power, the Sun Power of Our Life to control conditions in and around the physical bodies of those who will accept Us, and who will give Us the Opening by which We may pour into the Nation whatever consumes enough of the hatred and enough of the impurity to allow the Nation to survive. The hatred of mankind’s impurity has created the wars of the world down through the ages; and now mankind must either stop the creation of evil or must face it and let it take its toll in the physical bodies of those who will not listen to Us at this time. We have loved

and loved and loved mankind down through the ages. We have consumed in every civilization the discord and impurity mankind has generated. We have consumed this after every war, and yet mankind goes on desiring war throughout the world.

Now you might say, “Well, the people don’t desire war.” They do desire war when they don’t want Our Love because every desire that is not Our Love’s Indestructible Purity is a form of hate; and hate is war. So from tonight I have come at the Messenger’s Call over the last twenty-four hours to release whatever Love, Forgiveness, and Mercy can be released to the “I AM” Student Body, as We wish to enfold each one in a Sun Presence of Our own Hearts’ Flames—Our Love, Our Indestructible Sacred Fire Purity and Our Sun Power—to help control conditions around you if you care to accept It of your own Free Will. (*applause—audience rising*) Thank you so much, and won’t you be seated, please. Just remain so.

Try to understand Our Sun Presence and Our Sun Power as the Sacred Fire Love’s Forgiveness and Mercy and Indestructible Purity in which nothing destructive can ever enter; and therefore whenever It comes into outer world conditions, It consumes everything unlike Itself. If We can make each one of you a Sun Presence of Our Heart Flames’ Love and Purity and Forgiveness to Life wherever you go and wherever you direct your attention, We can flash a Flame that will consume human creation—I can assure you of that—because not all mankind’s evil put together could ever touch any of the Sacred Fire Love that We release.

We want so much to make each of you an Invincible Sun Presence of Our Great Central Sun Power of Sacred Fire Love’s Indestructible Purity. And that Love will not accept the human creation of mankind or individuals—or the war creations of

the world; and therefore It is Invincible Protection. But there must come within those of you through whom We pour this Sun Presence—there must come within you the Desire to just forgive and forgive and forgive everything in the world that is wrong by pouring the Sun Presence of Our Indestructible Purity into it until It has consumed the hatred and the filth and the war mankind has generated. If We can depend on you to pour forth this Sun Presence of Love, Forgiveness, Mercy, and Indestructible Purity of the Sacred Fire as many times each day as possible so there may go forth into the physical atmosphere about you—every time you send forth that Call, We can pick that up and amplify It without any limit whatsoever and consciously direct It for the Protection of what is constructive within your Nation, and then what is constructive throughout the world.

So We are hoping for your cooperation; and We trust We will bring you in return the Blessings of Eternity that are without limit—Invincible, free as the air you breathe, and Our Mastery over everything in the physical octave. We would like to make you Invincible through this if you care to be a Sun Presence of Our Sacred Fire Love’s Forgiveness and Mercy to Life that demands *Indestructible Purity into everything in the physical world that is not the Sacred Fire Love of the Intelligence of the “Mighty I AM Presence” and the Ascended Host*. This is a Supreme Consciousness and the Intelligence of the “Mighty I AM Presence” in the Great Central Sun. It is from the Sun Presence of the Ascended Masters’ Octave. It is from the Physical Sun, and It is from every Activity of the Sacred Fire throughout Creation. It is the Infinite! It is the Invincible Power. It is the Victory of everything that is right, and It is absolutely Invincible against wrong! We would like to make you a Sun Presence

of Our Invincible Sacred Fire Love's Protection against all wrong if you will govern your attention and you care to be Our Love, Forgiveness, and Mercy to Life, that We may consume the hatred and the war and the impurity that is seeking only destruction everywhere it exists.

From tonight, Power without limit can blaze in, through, and around every one of you. And there are uncountable billions of Legions of the Angels of the Sacred Fire of Fiery Christ Blue Lightning Purity that can come to your Assistance in any situation and compel evil to cease to be. This is Power unlimited! I hope you want to use It, because It cannot hurt anything that is right and in Its Presence, evil cannot live. (*applause*) Thank you. If We may armor you with this Sun Presence and then intensify Its Power through you as often as possible in your waking hours, when you put the body to sleep at night and you will make the Call, Love unlimited can flow in and around your Life Streams from the Great Central Sun—of Our Love to Life and Our Desire to protect your Nation and free the world from that which otherwise will destroy everything. Much depends on this; and We are just hoping for as many as possible who will remember Us as many times in the waking state as possible, and will come to Us at night on the Wings of Love and let Us charge your Life Streams at night with all the Sacred Fire Power of Our Love's Indestructible Purity that will make you Master over destructive conditions when you return to the body in the morning.

So, Blessed Ones, to forgive and forgive and forgive by blazing the Sun Presence of Our Indestructible, Purifying Love is the Mercy of the Great Cosmic Law of the "Mighty I AM Presence" and the Ascended Host. Then your own Individual Life Streams—the "Mighty I AM Presence" of

each one of you can draw forth from the Great Central Sun, by Cosmic Command, certain Outpouring wherever you go, that can go before you, clear the way and strike into every destructive condition the Blue Lightning Christ Annihilation of that which has tortured you and life down through the ages. This is the Redemption of the world, and there is only one thing that can overcome mankind's filth and hatred and evil and war.

So if We may make you the Sun Presence of Our Love, Forgiveness, and Mercy to Life, you won't even need to be concerned about the destructive forces of the outer world except to *call forth Our Overwhelming Oceans of what Sacred Fire Love is necessary to wipe them out of the Universe before they can any longer desecrate life*. This is the Great, Forgiving Love and Mercy from the Great Central Sun that must come to purify this world and all upon it; and unless mankind arises and is willing to let the Sun Presence of Our Purity come into this world, then there is nothing but destruction left. There are those Life Streams on the Earth who are trying to hold to what is constructive the best they can under the present outer world conditions, and they are entitled to your Love, your Forgiveness. They are entitled to your *Call for Our Sacred Fire Sun Power and Presence to come to their Assistance and protect and help them to do what's right to save your Nation, that the Nation may do what's right to save the world from greater destruction*.

Therefore from tonight, We hope you will remember Our Sun Power and Master Flame of the Sacred Fire Love's Forgiveness and Mercy to Life that consumes even evil, that its suffering may cease to be. This is the Deliverer Come. This is the Resurrection and the Life. This is the Open Door that no man can shut because Love, Forgiveness, and Mercy are the Sacred

Fire Power Flame from the Great Central Sun, that wherever that Sun Power goes, everything unlike Itself is dissolved and consumed and Perfection takes its place for Eternity.

If you draw this in and around yourselves and into outer, physical conditions at this time, there will never be a time when destructive forces will flow back to try to touch you. This is Invincible, Eternal Protection, because Our Sacred Fire Love's Indestructible Purity at all times brings into the physical octave the Limitless Legions of the Sacred Fire Angels of Fiery Christ Blue Lightning Purity; and all mankind put together cannot control Them. These you need in order to have the Protection around yourselves and around that which is constructive in order to enable it to survive. So if you care to be Our Legions of the Sun Power and the Sun Presence of the Sacred Fire Angels of Fiery Christ Blue Lightning Control of physical conditions, I think you'll have some amazing experiences which I hope you will enjoy; and I am quite sure once you have Them, They will be yours for Eternity. (*applause*) Thank you so much.

When Great Cosmic Beings who throughout aeons of time have drawn this Love of Life from the Great Central Sun to create a Sun or a System of Suns or a Sun and a System of Worlds—and give and give and give the Perfection of Life for uncountable aeons of time to enable manifestation to take place on a world—you must understand, those Great Beings are Cosmic Authority of which mankind knows nothing, but which it is compelled to obey when that Sacred Fire comes into this world and releases Its Mastery. And that which is not the Love, Forgiveness, and Mercy of Eternal Purity must cease to be.

We want your Calls. But We want your attention to your “Mighty I AM Presence” first, and then to Us long enough

when you make your Call to stop—it doesn't take thirty seconds for Our Love to return on your own Life's energy, on your attention; and feel that Love come back into yourselves, blaze through you, and come back—another Wave come down and around you to enfold you in Our Hearts' Flames' Love that wants to protect you. It wants to purify you. It wants to harmonize everything in your world; for the Love of Our Life, Our Sun Presence, hasn't any desire within It except to protect you and purify you and harmonize you and blaze through you Perfection for Eternity. But in order for you to have It, there must be within you the Desire to send It forth to the rest of the world to purify all in manifestation and consume the hatred that has created war and consume the war and its impurity that have imposed their insults upon the Powers of Nature and Forces of the Elements that Our Love has given.

So, Blessed Ones, from tonight, I hope We may accept you as Our Sun Legions of Our Love's Mercy and Forgiveness and Indestructible Sacred Fire Purity into everything in the physical world, that you may never again feel irritation or criticism or condemnation or judgment of anything that is wrong. When it is wrong, you simply pour the Sacred Fire Love's Indestructible Purity into it with Our Master Power, Our Sun Power of whatever annihilates the wrong. Leave that to Us. If you will make the Call and hold the Picture of the Sun Presence descending into the condition and wiping out of existence everything that is wrong, you will be Invincible against destructive forces; and you will have Power without limit to assist your loved ones and to assist all who are constructive, that We may save part of this civilization—and that which is constructive within your Nation—until the war creation mankind has generated can be consumed and removed from the Universe forever. And

whenever you think of destructive forces that are in other places of the world, *call forth frequently the Limitless Legions of the Angels of Fiery Christ Blue Lightning Purity to strike into every destructive etheric record whatever Great Central Sun Blue Lightning Force annihilates every destructive etheric record*; and you'll see many destructive activities collapse completely almost overnight.

This is necessary; and wherever you go, if you will use It ahead of time, you will find opposition and delay and resistance unable to affect you or your affairs, and It is part of your Protection. So from tonight I hope you may be—I trust you may be Our Sun Presence of Love, Forgiveness, and Mercy to Life by the Ascended Masters' and Cosmic Beings' Great Central Sun Heart Flame, the Sun Presence, the Sun Power of the Sacred Fire's Indestructible Purity that can come to Earth and do that which only It can do to help purify as soon as possible and to protect what is constructive wherever you call It into existence. If I were you, I would *ask the Sun Presence of Our Love to enfold your loved ones as well as your own Love*; and only Love and Victory and Perfection can be the result. Your loved ones need It; and those who are caught in destructive forces—and yet are trying to free themselves from that destruction—can be enfolded in Our Great Central Sun Power Flame that, I assure you, will enable them to have their Victory and will enable you to give Protection to everything that is constructive and all who are trying to hold to the Light at this time.

This is very, very, very far-reaching and can be drawn into the physical octave without any limit whatsoever. It is Power without limit and Protection of Eternity. It is the Victory of Our Love; and It is the Supreme Mercy and Forgiveness that consumes mankind's human creation and clears the world,

that the Sun Presence of Perfection can unfold the Ascended Masters' Way of Life and fulfill the Great Divine Plan that raises all into the Ascension. This is part of the Ascension Flame.

So the Sun Presence of Our Love, Forgiveness, and Mercy is Power unlimited; and the Sacred Fire Legions of Sacred Fire Angels of Fiery Christ Blue Lightning Force unlimited can strike into every destructive condition the Cosmic Annihilation of Eternity. So We ask you to use the Power, stop long enough to feel Us fill you with Our Love and clothe you in the Armor of that Love's Protection, that you may be Its Mighty Victory over every destructive condition and be able to give to everything that is constructive as much Protection as possible at this time. And in the meantime, *call forth whatever is necessary to compel the Annihilation of all hate, all war, and all impurity*; and let Us see what We can do as soon as possible in the physical octave to put an end to that which is doing naught but destroying and desecrating the Blessings that Life has bestowed here.

We shall watch and watch and watch; and if you need Us, We will come again. And every time We come, there will be Unconquerable Legions of the Angels of Fiery Christ Blue Lightning Purity to help fulfill your Calls and hold Protection around that which is to be sustained and fulfill the Great Divine Plan. May They abide with you and make you feel Their Protection. May Our Sun Presence Love fill you and enfold you and reveal to yourselves Its Mighty Presence and Power to conquer everything in this world by Our Life which We loan you to redeem the Earth and put an end to suffering forever.

May you feel with every fiber of your being Our own Heart Flames' Love which We offer to you to become an eternal part of your own Life Streams. We give It to you for

Eternity; and We clothe you in It until you have absorbed everything from Our Octave that makes you Master over this, that you go forward and know only the Victory that Our Sun Presence is to Life. And that Victory is Sacred Fire Love's Invincible Perfection and the Mastery that forever compels evil to cease to be. May you feel It with every Power of your being and let your "Mighty I AM Presence" reveal through you Its own Powers to put an end to the destructive forces as soon as possible, save your Nation, and purify the Earth enough to bring Peace as soon as possible.

May Our Love and Our Sun Presence make you feel It within yourselves, that It may abide within and around you and do only that which Our Sacred Fire Love can do to make you the same Master Presence wherever you abide—as you are willing to give this Help to the rest of life until all in this world is purified once again, this time forever. May you feel Our Sun Presence Love of Indestructible Purity, abide within It, and use Its Power to free others as soon as possible. And We shall be with you the moment your Love comes to Us. The Limitless Legions of the Angels of Fiery Christ Blue Lightning Protection come and abide with you and hold your Victory until the world and all upon it are Ascended and Free forever. Thank you with all My Heart.

Mrs. G.W. Ballard: And to You, Blessed, Beloved Mighty Surya, make us the Sun Presence of Your own Heart's Flame; and do through us what needs to be done as quickly as possible for our Nation and the world. And We thank You for Eternity.

Beloved
Mrs. Ballard's
Round Table Talks

MARRIAGE

Q. Would you please explain a man and woman's position in the home? Is the man to take leadership or are they equal?

Mrs. G.W. Ballard: Now you've got a hot potato! (*laughter*) All marriage is a gamble to begin with. But if you go into any association—and I don't care whether it's marriage, a family relationship or business or government or religion or social life or anything else—if you go into any association with the idea that you're going to demand and have your own way all the time, you've failed before you begin. You're either going to have reciprocity and it's going to be fifty-fifty or else there's going to be hallelujah to pay until there is fifty-fifty. . . .

Family associations are mostly karmic debts that we are paying for our misbehavior and injustice to life in the centuries past. That's why some folks can't get out of distressing family conditions. And others come in and carry a load for the whole family because, in many cases, of our own Free Will—Beloved Saint Germain told us—people take embodiment in a family or group of people with deliberate choice and predetermined agreement to come into that family to give the radiation of that one's life and assistance to help the rest of the family. And, He says, in many cases, it is just completely refused. In many other cases it's the lifting power that raises those in the family to greater Harmony, Purity, Freedom, and Obedience to Life.

570914.9

Q. Are these marriages among the youth karmic marriages or is it just human desire?

Mrs. G.W. Ballard: Only the individuals and the Cosmic Law know. I'm not anybody's judge. Marriage is always a gamble.

Round Table Talks

How many of you are absolute master over your own feeling, your own emotional body? How many of you have absolute, invincible control of all the energy in your feeling world and in your mental world? If you, for instance, do not have complete, eternal control of all the energy in your feeling world and you keep it eternally purified, when you get married, you hook into all the energy of the mental and feeling world of the individual you marry. But that isn't all. You hook into their feelings about their relatives, about their enemies, about their friends, about their business, about their social standing. You tie into all the energy, past and present, of all their faults, all their failures, and all their desires. Now if you can't manage your own, how in the name of God do you think you're going to manage yours and somebody else's, too? It is a mystery to me. As John the Baptist says in the film, "It's a mystery to me!"

But I know very well that most marriages are a gamble. Some are forced conditions in which you have to pay a karmic debt to an individual. If that is done harmoniously, then you get your freedom. If there's a rebellion against paying that karmic debt, you just build more discord—build more karma. Most marriages are either for convenience, to gain support, or to just gratify human desire. Now regardless of what the outcome is, the motive is what determines the result; and nobody is the judge of anybody else's motive except the Higher Mental Body of each Life Stream. If it's a karmic debt you have to pay, then the Law will hold you to it until you pay it. But this, too, is the Law: if there's physical abuse—Beloved Saint Germain says that's the only excuse for divorce. Where there's physical abuse, there's no law in the Heavens or Earth that compels you to put up with that. Then separation is quite in obedience to the Law because your Temple belongs to God, your "Mighty I AM Presence," because It gave it to you; and if you allow it to be abused, that's your fault. You don't have to unless you want to!

Round Table Talks

If you're married for a meal ticket, God help you, because you'll have to take what goes with the meal ticket; and most of the time it's indigestion and worry and bills and a lot of other unexplainable things. . . . Our own "Mighty I AM Presence" is the only thing that owns us. We can't own our husbands or wives. We can't own our children. We can't own our parents. We are just privileged, if we understand the Law, to associate with each other as harmoniously as may be. But when we begin to own each other, then just as sure as this universe exists, there's going to be an explosion someday.

So you're the judge. It's your world—your life. You have to live in your bodies; and I wouldn't allow anything in this world or any other to desecrate or interfere with my body consciousness because my body belongs to my "Presence." I'm obligated to make it pure, keep it pure, protected as an Altar in which abides the Unfed Flame from the Great Central Sun. And it is my duty to protect that and honor It and let It blaze through me Its Perfection that fulfills the Divine Plan unto the fullness of the Ascension. And if I am privileged to gain mine, I hope I may be privileged to draw others with me into that Freedom also.

570917.14

Q. According to the Law of Life, is divorce permitted—and on what grounds?

Mrs. G.W. Ballard: Beloved Saint Germain said only on the grounds of physical violence because that's inexcusable. We do not believe in divorce. If you take a responsibility, then live it out. If things are wrong, keep making your Calls for the correction of them until the Law of Life automatically releases you. It's loose divorce that's the cause of so much immorality and tragedy and viciousness that has crept into America.

590918.1

Round Table Talks

Q. In our city a person who has been going through prolonged divorce proceedings for a long period of time is allowed to lead an Outline Group—and also read Fundamentals. Would Beloved Saint Germain approve of this?

MRS. G.W. BALLARD: Well, it depends entirely on what the cause of the condition is, what responsibilities the individual is carrying, and how hard the individual is trying to work out of the condition. You're not the judge and neither am I. If you think there's something wrong about it, ask for the Ascended Jesus Christ Violet Flame Control of it that sweeps enough Violet Flame in there to consume everything wrong, replace it by the Victory of everything right, produce Perfection, keep It Invincible against the anti-Christ; and then go home and mind your business and keep your mind off of it.

Precious Ones, now it doesn't make any difference whether you see this with your eyes—the outer sight—or whether you see it with the mind from within. “What thou seest, that too, become thou must. God if thou seest God, dust if thou seest dust!” The Masters have said through the ages, “The sins thou condemnest in thy brother were once thine, and they will become thine again if thou condemnest thy brother.” There it is in a nutshell! Now mind your business. That it is the most wonderful piece of advice I can give you in all Eternity. (*applause*)

Mrs. G.W. Ballard: Some lawyers got together and oh! they were just going to give us the business because it was against the law to live a decent, clean life and to not be forced into a sex activity if you didn't want it. When they asked me about it, I said, “It's your life. If you let that life out of your body, what are you going to live on? There's no difference between that and a murderer. This is my life. I'm going to give it to God. I'm going back to God. I'm going to manifest

the Perfection of God, and you can do as you please. I take my freedom and I give everybody else theirs!”

There is nobody on this Earth or any other that would ever bind me in it once I know that I’m going into my Ascension. It’s just plain, unadulterated selfishness! There’s no difference between a person who kills someone else by sex activity than someone who comes in with a gun. There’s not a bit of difference. It’s murder. People don’t like it, but that doesn’t make any difference. The anti-Christ is nothing on Earth but the energy mankind has misused through the wrong use of sex. That’s the whole cause of it. If anybody wants to challenge that, I’ll face them with evidence they’ll never refute the rest of Eternity. That’s the thing that has been the cause of the downfall of every civilization, of anything and everything that was ever decent.

Even criminologists admit that all criminals are criminals because of that. There was a piece just recently in the newspaper to that effect. A man who had dealt with criminals all his life said that was the one cause of crime everywhere in the world. Right’s right and wrong’s wrong! The Great Creative Force of the Universe is the Sacred Fire from the Great Central Sun, and the Radiation of It is Liquid Light that goes through the nerves of the body. It was never meant for anything except the procreation of the individual; and if it isn’t used for that, then the sinister force does use it to create crime, war, desecration, violence, and every destructive force there is on the planet.

And anybody who doesn’t want to agree with us has no business in this Activity. We are teaching the Purity of Life for the Freedom of all Life. If people still want to go on with their human desires, they do not want the Ascended Masters’ Perfection. They do not want their Freedom. They do not want the Ascension. They do not want to be fair to Life. And every disease in existence is caused by the misuse of the Life Force.

Round Table Talks

Mrs. G.W. Ballard: The Inner Action of the Law is this: If you marry, then you assume an obligation to Life; and the honorable thing to do is to live that obligation out until Life Itself releases you. You see you cannot take lightly your connection with the emotional body of another individual. You sometimes have a struggle with your own emotional body to free yourself from the creations of the past. But when you become entangled with the Life Stream of another, you, of your own free will, make that connection; and if you take on the obligations of married life, remember always, you cannot, just because things become uncomfortable later, say, “Oh well, I can get a divorce and come back.” The events of life will compel you to live out whatever obligations you have taken. Don’t take those obligations lightly! You will find as life then goes on, events of the outer will compel something else than what you expect.

I say to the blessed girls in the Activity: Remember always that the outer world activities—for centuries—have been to marry girls off so they have someone to support them. Your “Blessed Presence” beats your Heart. It provides Life, and It will provide for you so long as you hold the Harmony and make your Calls to It first. The mass of the women of the world have been trained to feel that they should be supported by a man. Well, the “Presence” is the Support of all, so watch out—give your “I AM” Decrees so you never take on suggestions from anybody or anything in the Universe except your “Mighty I AM Presence” and the Ascended Masters. Take your stand to fulfill the Divine Plan of your Life Stream so you do not have distress any longer. You have been through so much of this thing all throughout the centuries, at least take advantage of your opportunity to have Perfection and gain your Ascension now.

Changing the
Feeling World of Mankind

Beloved Saint Germain: In the Radio Work and the Class Work and the Books, all together it is getting the attention of enough people. And while their attention is upon that, the Great Host of Ascended Masters, the Legion of Light, the Cosmic Beings, can utilize that to change the feeling world of mankind. Your Beloved Victory has done some of the most tremendous Work in that respect; and David Lloyd—and the Children, of course—never stop for a moment. My! the marvelous manner in which They go from one part of the world to another, pouring forth with dynamic Power and Energy, gathering this Substance from the Calls of individuals and utilizing it.

Our Beloved Messengers Mr. and Mrs. G.W. Ballard

Beloved Lotus Speaks

May the Great, Blazing Power of this Light today increase with such pressure as to release each one into that Mighty, Blazing Glory—the full Power of that Light within which we always stand and draw to ourselves our Own. And may everything that is our Own be released now here in the physical octave, and move each one forward in the most Blazing Victory Earth has ever known.

May the Treasure House of the “Mighty I AM Presence,” that of the Ascended Masters’ Octave of Light and that of America! open wide Their Floodgates! Pour forth Their limitless Avalanche and Ocean of Blazing Supply of every good thing including money, for the perfect upkeep of all under this Radiation, the perfect Expansion of this Light, Its Invincible Protection, Its Victorious Defense! Now Its quick, overwhelming Onrush that fills America—floods America, flows over America, and stills forever all that is not of the Light.

May that Burst of Light come now with such Power and Pressure from the Heart of the Great Central Sun that no destructive force can longer move within our America, and America’s Cup of Light o’erflows until It fills the Earth.

DISCOURSE BY
BELOVED PEARL

THROUGH MR. G.W. BALLARD
DENVER, COLORADO • MARCH 11, 1939

I greet you in the Name of Light of your own Life and the “Presence,” the Giver of all that is ever manifest in the human octave. However, before I continue, one in the room was very angry when Lotus remarked that there were no fallen Angels. That is true, and you will be very wise to remove that feeling from within you.

Can you imagine how joyous it is to greet you in this manner? Within a day’s drive by automobile is where I first beheld the Great God Tabor on Table Mountain referred to in the Books. With this Beloved Messenger, Rex and Nada and I—there—for the first time beheld that Great

Presence, and He spoke to Me. Even then little did I dream in my fondest imagination all that would take place so soon.

Beloved Saint Germain was kind enough to take Me under His Wing long before my brother Bob or anyone else knew it. When He led me to them, oh how wonderful it was! How little you beloved ones dream today how soon you might be led to those Ascended Master Friends, even in human form, wherein and through which might come your Freedom. Oh how often, Beloved Ones, we move among Angels in human form and do not know it. The first day I met the Beloved Nada when I came to visit Bob at the mine, little did I understand, even in the illumination I had, that she was an Angel embodied, really, in the Harmony and Purity of her being.

You are so near to the Cave of Symbols where We had so many wonderful hours, little dreaming even then the Preparation that was going on within Us because of the Joy of that which We were witnessing. Oh! the day that you realize, Beloved Ones, what your attention and your sight will do for you, you will make it your greatest, most magnificent servant. It is always at your command, obedient to you. Your attention will not of itself defy you. It will not go where you do not wish it to go. Since the fault, if that be such, is within the feeling body—or your feeling world that causes your attention to be drawn—then by the Command of the “Presence,” in your Call to the “Presence,” you can regulate and hold in complete obedience your attention.

Now, Beloved Children of the Light—for I do consider you all, regardless of age, Children of the Light—remember that you are the authority. You can have and cause to be done what you wish, but it must be to put aside everything that has held you limited. Now in your previous understanding, it did not give you Freedom, did it? Then today in the

Understanding of your “Great Presence” of Life which is giving Freedom to hundreds of thousands of people—and as you have observed, has given Freedom to the Messengers who stand as an Example before mankind as that Freedom, that Dominion over every conceivable condition that confronts mankind—then you must see how it is the Law, the Understanding of the “Mighty I AM.” *It is the Law.* It is not anyone’s opinion.

It is vastly different from someone’s opinion about a thing when you enter into the Activity of Life and command Its Currents of Energy to cleanse, purify, and take Command of you and your world. You have set the greatest Law in the Universe into action to bring this about; and with your harmonious cooperation with It, It cannot fail. And the period in which that is accomplished depends wholly upon the intensity and firmness and determination to which you hold to that Call to your “Presence.” Therefore you are no longer living in a world of chance. Such has been the case, I am frank to say; and from Our unlimited Vision now, in seeing all that is going on among mankind, We see how the steady Release is coming—and oh! the Joy when I see this as I move among the young people of America.

I wish to call your attention today, Beloved Ones, and to the older ones as well—in this quiet atmosphere—to the Truth concerning marriage. In the Octaves of Light, there is no giving in marriage. There is only the Activity of the two Rays which came forth from the One Great Flame of Life as you have seen illustrated in the Magazine. Only in the human octave are the mistakes of human marriage made. It is not that marriage should cease in the human octave, but those who understand the “Presence” of Life should call for Wisdom to direct them so no mistakes be made.

The Wisdom of your “Mighty I AM Presence” will direct you. If your Life Stream requires the association of another, the correct individual will be brought to you who will be harmonious. Then It can intensify your companion’s and your own Light to the Perfection of both.

We must make the following more clear and firm in each Class. When people come into this Understanding, both the young and older people, and after a lifetime of great inharmony, begin to feel harmonious to each other, do not misinterpret that harmony as a desire for human companionship. A vast number of the Students have oftentimes misinterpreted it as such. Sometimes that might be true, but be sure of it before you take such a step. Please listen to Me! This is the most vital thing among the Students of mankind today. Marriage in its Purity in the human octave is a magnificent thing. But marriage through human desire is a tragedy as you all know quite well. The “I AM” Students of today are not subject to those conditions if they will wait and call earnestly to the “Mighty I AM Presence” for Its Wisdom to direct them. If such a condition seems apparent in one’s life, the individual should call earnestly and wait until he or she is sure; then no mistakes can be made. This will do more to encourage others of humanity to enter into the Glory of this great Truth of Life than perhaps any other one thing.

I say to you blessed young people and others, if you seek the Presence or Truth of Life just for your financial freedom, just to solve your problems or for any human event, you are not getting the fullness of the Action of your “Presence.” Seek your “Presence” for Its Freedom and your Love for It. Then all things that you require for use will be added, and that is not a mistake. That timeworn Statement will become a Reality in the Life of every human being. That is what We

see today in the great Joy in the Expansion of the Light. In some places, some of our young people have made some very serious mistakes by not listening to the Messengers' promptings; and I trust you here will listen so carefully and stand so firm within the Call to your "Presence" and Its Directing Intelligence that no mistakes be made.

You do have a privilege over most places, most localities in America, because of your altitude here. It is only a short way above you where human creation ceases to function; and in your locality, that is only two thousand feet above you. You see how near your altitude is to being out of the accumulation of human creation. When I say that, of course, understand that I mean all that is discordant or limiting.

I do feel today I should call your attention again to the appearance world which holds everything to frighten you, to intimidate you, to make you feel your inability to cope with the conditions that are there. Yet those appearances have only that which humanity has given them as a sustaining power—through the attention carrying their life energy to it. Since you can, in the Power of your "Presence," withdraw all energy from the appearances which touch your world and make them helpless to act there to produce discord or limitation, then you are the master of your condition, are you not? I wonder how many quite understand what the word "mastery" means. Just the Dominion of Light over human qualities. And that is what the word "mastery" was derived from in the long, long centuries past. One who gained self-control, "mastery," or the command and directing of the currents of energy which their life poured forth, became the "master" of themselves and the conditions which concerned their world.

Only a few years ago some of our very lovely Americans went abroad on a vacation for their health, as they thought;

but then they found and met a very Great One. Having met that Great One, and almost in the twinkling of an eye, having removed from their feeling world the cause of their breakdown, so to speak, they returned to bless their fellowmen. It is quite likely that ere long many of you will meet this Individual, not knowing that He is the one to whom I refer. Having in a few minutes gained the Understanding in the Presence of this One—how to govern the currents of energy that flowed through his body—and with an intensity of comprehension, held It for constant use. You today are having a similar opportunity.

O Beloved Ones, how magnificent it would be if everyone who comes to these wonderful Classes would, the night before, *call the “Presence”*—remembering that the Higher Mental Body is the Director of those Currents of Energy—to *cleanse and purify your atmosphere by the use of the Violet Consuming Flame, and then to clear and hold in Perfect Action your comprehension of all that was said during the Class.* Oh! you would gain such Power of Action over that. And you would not again do this, for your “Presence,” your Higher Mental Body wants you to have the comprehension, the Freedom—and quickly. It does not wish you to wait for months or years in gaining the comprehension, the fundamental points that you might grasp at once.

We are beginning to take this up today and shall continue it throughout all the Class Work, that each one may arise more quickly into that clearness of comprehension that enables them to apply the Law with so much greater ability, so much greater power, that all will then more quickly enter in and have the Freedom which they should quickly have. It is not a matter of persons, places, or conditions; but it is a matter of how much you, in your Call to the “Presence,” have

cleared your feeling world of disturbance. I know what that is. You know, Blessed Bob and I never had a real home in the human octave in this embodiment. Our mother passed on following my birth and I lived with an aunt who was so kindly, but oh, so irritable. Then that day when Saint Germain—or rather, that night when Saint Germain came into my room and said, “My child, you shall no longer be disturbed by these conditions!” and to my utter amazement, I found that never again was my aunt irritable to me. Then later she passed on, and I came to Bob and entered into that great Freedom. So again—you, today, My Beloved Ones, no matter what the conditions of the outer world are that beset you, so can you be released, so can you go forth to meet those Ascended Master Friends everywhere they may be. The “Presence” of Life will draw Them to you, that you may go forward in your Freedom as We did.

Beloved Ones, human qualities, human powers which have created limitations and disturbances, to the outer sense seem a great, tremendous binding power; but how quickly you can release yourself from it if you really understand it. I could not help—as I stood here by Our Beloved Lotus as she was talking to you and when she called your attention to those many things—I could not help but put My Arms around her and bless her for her boundless courage and strength to voice the Truth straight from the shoulder. (*applause—audience rising*) One day perhaps you will know how that Mighty Power has released thousands and thousands of people who have come into these Classes. When you know the Truth, Beloved Ones, your courage is boundless; and when you know that no human opinion can change It, then in your Call to the “Presence” of Life, allow It to be the Commanding Presence under all circumstances and conditions.

I think the Messengers, as well as yourselves, will be interested to know that last night I visited our old home in My Tangible Body; and can you come with Me just a moment and realize that the same magnificent Harmony continues at the ranch—at the mine—that was there when My Beloved Father [Mr. Rayborn] was constantly with them. He still is, not in person, but by the Projection of His Mighty Light Rays that stand there a Life-giving, Commanding Presence to those whom he loves and who love Him.

Can you quite understand how a group of men that are considered hard-boiled by the rest of the world in mining and ranching, can and do contain such a love for their benefactor that it will last forever with them. Such is your opportunity, your privilege, every one of you, to pour forth such a Power of the Radiance from your “Presence” that It becomes the Harmonizing Glory of Life pouring out that will one day lift you into the full Glory of Its Action—when one will determine to remove all irritation, inharmony from within their feeling world and spoken word.

Long before His Ascension He poured forth that Radiance, or His “Presence” did through him, because of the natural Harmony that was there; and that grew into a mighty Action. Today We are entering into the Glory of the restoration of that throughout the industrial world of America. (*applause*) Mr. Rayborn will have a great part in the restoration of that to humanity and to the industrial world. Now He understands the great Service that He may render to the world of industry.

Now then, Our Beloved Lotus will appreciate this: Up until two years ago the question was, “How was it that a man having a ranch and selling cattle could have been selected to such great Freedom?” Do you know that there

are thousands of activities in the world of industry today so much worse? Are there any activities in the world of human industry today that are perfect? Think of it! Can you show Me any activity in the world of industry today that is perfect? All the outer world, My Beloved Ones, is largely human creation, because most of it is discordant; and that means that it is human creation. Only when a thing becomes charged with complete Freedom is it the Activity of the Perfection of Life. Yet all of these conditions, all of these activities within our industries—and conditions that exist in transportation and all that—all are using this Pure, Perfect Energy of Life. Then what is the matter? Your power of qualification, My Beloved Ones, is a gigantic thing in your use. You cannot help but use it. You are using it every waking moment. From the time you open your eyes when you are born until the Life Stream disconnects, are you using your power of qualification.

Now that you know how to govern it, you can make it your most magnificent, obedient servant which will raise you quickly to the Heights by qualifying everything that goes forth from you with the Perfection of Life, the “Mighty I AM,” amplified and intensified by the Ascended Masters and the Cosmic Beings. That is how you can reverse all conditions that have existed in the outer world because they have come into human concepts, human interpretations which are not correct. Since your Life Stream, acting at the Command of your Higher Mental Body, is the only Director or Authority for your world, then to give It your attention—and thus by giving attention to your “Presence,” you are giving it to your Higher Mental Body, which will direct those Currents of Energy at your Call, cleanse, purify, harmonize, and hold you within the Mighty, Directing Intelligence of your “Presence” in your

Call to It. That is positively unerring. Now observe: When you call to your “Presence” and know your Higher Mental Body is a wholly Perfect Being, the Real You—when you ask It to do something, It does it. It has all Power with which to do it and only requires your maintained Harmony in order to carry out your Command or your Call. Then is it not certain? Could there be any uncertainty about it? I think not.

This is one point that Saint Germain gave me in the beginning of my Training and enabled me to hold my peace under any condition. And up to that time it had been very inharmonious among the children at the school where I was going. But from that moment—and of course, I know that It was His Assistance given forth; yet I had the very clear comprehension of It, and all that ceased then. Even as a child I began to realize how all disturbance and limitations of mankind were experienced and came alone from their own misuse of the Power of their attention and their physical sight. Qualification, physical sight, and attention—may I use the term—are your invincible weapons of defense, because in your Call to the “Presence” to establish about you the Invincible Tube of Light or Circle of Blue Flame, then you use your power of qualification to sustain that, and you will find yourself moving Invincible in that magnificent Environment which no outside human qualities affect in the slightest, because they must all become subservient to It because It is the “Presence” of Life acting which knows no opposite.

Now then, all who will give that Obedience to Life by Harmony maintained in their feelings will find it quite easy to establish this condition, even as a child. And remember, at fourteen years old I was able to govern every outer condition which touched my world—harmoniously, every one! (*applause*) Those about me and my aunt often looked at

me in amazement when I knew the feeling that was trying to assert itself in her, yet could not find expression. Then when it did not find expression, it would subside and disappear at my Call. The children, my associates—their love became so great; and they would often ask me how it is “that you are always so happy?” I said, “Just because I am happy.” That is the only answer I gave. I said to them, “You can be as happy as I am if you will.” But He did not allow Me to discuss that at that time.

How wonderful is your position today! Notice how you stand. Every one of you precious ones stands in the same position today that I did with Beloved Saint Germain at that time. He came forth and sought Me out, as I afterwards learned, because of the Expansion of My own Light—which I knew nothing about until I came into His Presence. He has sought you out. Your Life, your Higher Mental Body, My Beloved Ones, has sought out Beloved Saint Germain; and He has sought you! (*applause—audience rising*)

Now rejoice as never before today that all this Activity which has occurred up to the present time has come about through the exact Action of the Law, the Law of your own Life. You could not be here; you could not be giving your attention to the “Presence” of Life if the Light had not expanded enough in you in order to hold the balance in you to do it. Do you not see that, Beloved Ones? Once you do, you will see then how that your future Victory in your Call to Life must be sure. It must be certain. It only demands your determination and Command to go forth to enable this great “Presence” of Life and this great Stream of Life to flow forth in a greater volume which harmonizes everything about you and brings into your use every good thing that you require.

I think today I should call your attention to one Activity. It is so simple and yet it is so powerful. If any one of you, every one of you, every “I AM” Student in America today, or all whose attention has been called to this Work, this Great Light—would, of their own volition decide to take a few moments, either upon retiring or upon arising in the morning, and stand holding their hands to the “Presence,” *call Its Light forth to expand with such Power and Intensity that everything, every person that they touched in their movement of the day, would become harmonious to that Great Light that was flowing through them; and that they would remain in the Harmony of that Light as It flowed forth into action through them*—that one simple thing would do wonders untold for them.

But be thorough about it! Just don’t do a thing today and forget it the rest of the week. Beloved Students, if you were driving a post—you see, I became somewhat familiar with activities on the ranch, and I know what it is to drive a post—anyone who is wielding that sledgehammer to drive that post, if he hit it a lick, then expected it to go on down, it would hardly do it, would it? Therefore, you keep on until it is where you desire it to be. Just so in your sledgehammer blows, in the Call to the “Presence” that dissolves and removes the accumulation of discord about you. Just be that firm and sure, and the results will be there. It cannot fail in a single instance.

O My Dear Ones, it is only because most of the time, unknowingly, you keep allowing the attention to go back and revolve in your feelings the conditions of the past. My Beloved Ones, if this hour you could forget everything that had passed—up to this hour—in your life’s experience and go on in the world of the “Presence,” oh how quickly everything

of discord would disappear from your world! As your Beloved Lotus has said, so apropos, it is just as important to have a good “forgettery” as a good memory. (*applause*)

O My Beloved Ones, to forget all that has been! what a glorious achievement! And you can do it. You can, in your Call to the “Presence,” cause everything of the past to be forgotten. That is why, as you who have been in the Classes of the Messengers have heard them plead and plead and plead with mankind to refuse to criticize, judge, condemn, or have an opinion about another—a person, place, or condition—because as long as your attention is upon that quality, you are compelling it to act in your world. Oh, it is not a matter of persons, places, or conditions, but the Law that is acting; and if you set It into motion, you must experience the result. Since mankind has been doing this so powerfully, why can they not see it, reverse it, and now have the other much more naturally. I was about to say: “just as naturally,” but it is “more natural” because whatever the Activities of Life in its Reality are, the limited conditions are but human creation.

Therefore, My Beloved Ones, let the Fullness of that Power of your “Presence” take Command, release Its Mighty Light and Currents of Energy through you, going out about you to harmonize and oh! not only perfecting your world, but be such a Blessing to everyone whom you come in contact with. Then you will be the Child of Light moving among mankind spreading Its Radiance everywhere. I thank you.

“ALMIGHTY I AM”! (3)

VISUALIZATION BY BELOVED MRS. G.W. BALLARD

Will you visualize again today everything in that intense Violet Flame—the substance of the building, the atmosphere of the room, your own bodies, everything in your being and world blazing with the Power of the Violet Flame, the Unfed Flame from the floor to the ceiling, the building held within that great Pillar of Violet Flame from the Heart of the Earth to the Great Central Sun. And also pour into that that intense Action of the Blue Flame.

We ask all those Great Beings and Powers of Light to charge and charge and charge that today with the full Cosmic Action of the Ascended Masters' most Dynamic Concentration of the Blue Flame from the Great Central Sun, and blaze It everywhere throughout America and the world until It has consumed every destructive force of Earth. See that great Pillar of Violet Flame expand until It includes the entire western half of the Three Americas, and may the full Power released through that still forever all that wants destroy the Americas.

See the three Hearts of Violet Flame over the Three Americas, the Wall of Steely White Light surrounding Them and forming the Dome-like Covering in the atmosphere above; the Wall of Blue Flame for a thousand miles in every direction, encircling the Three Americas and their possessions, charged by the Mighty Surya as that impassible Wall against which all destructive forces dash in vain and are driven back into their own center and their own cause to annihilate its cause and effect from the Universe forever.

K-17, charge into that your Ring-Pass-Not of the Blue Flame through the Three Americas, that they may never know connection with any destructive force for any reason whatsoever. See the waters and over the landed surface of

Earth become great Blazing Violet Flame also; and as the Cosmic Light descends to meet that, see It drive into all war conditions of the world that great Whirling Pillar of Blue Flame from the Central Sun that goes in and eats out every activity of war like a mighty suction, drawing it all up into that Blue Flame and freeing the Earth forever from all war—all substance that injures or destroys mankind—removes the rest of the discarnate entities, their claws and emissaries, the rest of the discordantly qualified substance in the atmosphere of Earth, the claws and emissaries of all the black magicians, all war lords, all dictators, all spies, all strike agitators, all wholly destructive individuals, drawing them into that Great Whirling Pillar of Blue Flame and releasing the Earth from the tentacles of their creation this very instant. And make all the Powers of the Central Sun needed to do that go forth this instant and fulfill our Calls even as we speak.*

Great Divine Director! command this into action. Set aside the action of time and space and forever release everything that is required to produce this manifestation and charge the whole world with Your Ascended Master Feeling of Its Mighty, Physical Manifestation.

Note: Since the end of 1939, all discarnates have been taken out of the United States of America, the three Americas and Switzerland. If the Students from other nations will make the Call for the Ascended Host to take the discarnates out of the nation from which they come, the Ascended Masters will begin their removal from the Earth.

O Beloved Ones, how magnificent it would be if everyone who comes to these wonderful Classes would, the night before, call:

“BELOVED MIGHTY I AM PRESENCE” AND HIGHER MENTAL BODY!

CLEANSE AND PURIFY MY ATMOSPHERE by the use of the Violet Consuming Flame! (3) Clear and hold in Perfect Action my Comprehension of all that is said during the Class!

Remember that the Higher Mental Body is the Director of those Currents of Energy.

7

If every one of you, every “I AM” Student in America today, or all whose attention has been called to this Work—this Great Light—would, of their own volition decide to take a few moments either upon retiring or upon arising in the morning, and stand holding their hands to the “Presence”:

“BELOVED MIGHTY I AM PRESENCE”! I DEMAND YOUR Light expand with such Power and Intensity that everything—every person I touch in the movement of the day—becomes harmonious to that Great Light that is flowing through them! And they remain in the Harmony of that Light as It flows forth into action through them!

“ALMIGHTY I AM”! (3)

BELOVED LADY MASTER NADA
SEPTEMBER 23, 1951

Excerpts and Decrees taken from
The "I AM" Discourses on America, Volume 18 of Saint Germain Series

8

"BELOVED MIGHTY I AM PRESENCE," MIGHTY SAINT GERMAIN, BELOVED LADY MASTER NADA, AND GREAT ASCENDED HOST!

I DEMAND! I COMMAND! AND "I AM"! THE COSMIC CHRIST VICTORY AND LOVE OF THE VIOLET CONSUMING FLAME! (3)

"ALMIGHTY I AM"! (3)

9

"I AM" VICTORY OF COSMIC CHRIST LOVE IN THE VIOLET CONSUMING FLAME AS OF THOUSANDS OF SUNS! (3)

10

You who are fortunate enough to know of this "Beloved I AM Presence" and the Ascended Host should never miss the day when you stand with your Heart, your head, and your hands in adoration to your "Beloved I AM Presence" and the Ascended Host:

"BELOVED MIGHTY I AM PRESENCE" AND GREAT ASCENDED HOST!

I send You my Love and Gratitude for the privilege of using the Violet Consuming Flame! Thank You, "Beloved I AM Presence" and Mighty Saint Germain for the privilege of using the Violet Consuming Flame for America!

"ALMIGHTY I AM"! (3)

11

I'm going to ask the entire "I AM" Student Body in America and the world to make up your minds that you are going to bless each other with such Victorious Love of that Violet Consuming Flame that there cannot be one breath of discord between you. You're going to have to get along with each other! (applause)

“I AM” SUCH VICTORIOUS LOVE of that Violet Consuming Flame that there cannot be one breath of discord between the “I AM” Students of America and the world! WE DRAW the Victorious Love of the Violet Consuming Flame in Its Cosmic Christ Power to protect those who are trying to do that which is constructive and trying to save the Nation!

To the entire “I AM” Student Body in America and the world, we say:

GOD BLESS YOU! (3) WE LOVE YOU! (3) WE THANK YOU! (3) FOREVER! FOREVER! AND FOREVER!

“ALMIGHTY I AM”! (3)

12

I DEMAND! I COMMAND! AND “I AM”! the Victorious Love of the Cosmic Christ Violet Consuming Flame in and around _____! WRONG SHALL NOT PASS INTO OUTER ACTION! (3)

“ALMIGHTY I AM”! (3)

13

Please, I plead with you, put down anything and everything that you know would create one breath of discord among those under this Radiation. Do not take out of the Hands of the Beloved Saint Germain any of the energy that He requires at this time.

“BELOVED MIGHTY I AM PRESENCE,” MIGHTY SAINT GERMAIN, BELOVED LADY MASTER NADA, AND GREAT ASCENDED HOST!

KEEP CHARGING AND SURGING AND BLAZING FORTH the Cosmic Christ Victory of the Love of the Violet Consuming Flame in such Cosmic Christ Power as shall forever prevent discord!

“ALMIGHTY I AM”! (3)

Then you give yourselves the greatest Protection. You give those under this Radiation the greatest Assistance and Protection, and

you give to the Mighty Saint Germain and to Us the greater Power of the Violet Consuming Flame that you have demanded come into the physical octave.

14

I DEMAND! I COMMAND! AND “I AM” the Treasure House of the Universe! I DEMAND! I COMMAND! AND “I AM” the Treasure House of the Universe in and around us! I DEMAND! I COMMAND! AND “I AM” the Treasure House of the Universe into all conditions!

“ALMIGHTY I AM”! (3)

15

I CALL THE VIOLET CONSUMING FLAME in Its Mighty Cosmic Christ Victorious Love into me! I call the Violet Consuming Flame in Its Mighty Cosmic Christ Victorious Love into my problems! I call the Violet Consuming Flame in Its Mighty Cosmic Christ Victorious Love into the atmosphere about me!

IN DYNAMIC APPLICATION, I demand the Will of my “Beloved I AM Presence” and the Ascended Host! the Will of the “I AM Presence” in the Great Central Sun done physically in this world as It is in the Ascended Masters’ Octave!

I DEMAND THE WILL OF GOD done in this physical world by the Cosmic Christ Victorious Love of the Cosmic Victorious Violet Consuming Flame!

“ALMIGHTY I AM”! (3)

Then after you have charged this into action and made your Call, then give that to Us; and We will take it up and amplify it into the Fulfillment of the Call. But after you’ve given it to Us, don’t you come back and pick it to pieces and take possession again. You’re either going to let go of it or you’re going to hold onto it.

16

Now My Dear Ones, if you want the Victory of Peace to come to the Earth, if you want your loved ones brought back from the warring sectors of the world. . . .

I DEMAND! I COMMAND! AND “I AM”! THE VIOLET CONSUMING FLAME in Its Cosmic Christ Authority and Victory of Cosmic Christ Love!

I DEMAND the Victory of Its Love go forth and annihilate the hate that continues as war!

“ALMIGHTY I AM”! (3)

. . . You who are willing to give that Service, My Dear Ones, will be loved by the Ascended Host—and greater Power and greater Cosmic Christ Fire focused in and around you until there is enough to hold that which is constructive within your borders in Command of the Nation. Please do not give vent to your personal feelings against each other. You’re going to have to get along with each other if you’re going to survive.

17

You don’t realize what the Power of that Violet Consuming Flame is. You don’t realize what Cosmic Christ Victory means. You don’t realize what the Cosmic Christ Love of that Violet Consuming Flame is or can do for you. Why, It’s the Magic of Eternity if you understand and value your opportunity to use It. Do not neglect It for one instant of the day, My Dear Ones.

I DEMAND THE VIOLET CONSUMING FLAME be set into action the moment I open my eyes in the morning! The moment anything comes to my attention that is wrong, I demand the Victory of Cosmic Christ Love of that Violet Consuming Flame take the place of that wrong! correct the mistake! prevent that wrong from entering me or America!

“ALMIGHTY I AM”! (3)

Then you will go forward with a dynamic Power that is irresistible.

18

Were every "I AM" Student to put in hours of the day, not sitting down in a corner, but in the very midst of your outer activities:

I DEMAND THE VICTORY AND LOVE OF COSMIC CHRIST VIOLET CONSUMING FLAME go into everything I do! Be charged around all in our national defense! Be the Possessing Intelligence of those within the Nation who do wrong!

"ALMIGHTY I AM"! (3)

I tell you, My Dear Ones, you can bring such changes in this Nation as to save it without bloodshed. And I think that's worthwhile.
(applause—audience rising)

19

IN THE NAME OF THE "BELOVED MIGHTY I AM PRESENCE"!

I DEMAND! I COMMAND! AND "I AM" CONSTANTLY CHARGING FORTH the Cosmic Christ Victory and Love in Boundless Power of the Cosmic Christ Violet Consuming Flame!

"ALMIGHTY I AM"! (3)

. . . were It to be turned into that incessantly in outer action, the Blessings and the Joy that would come to you, you would remember for Eternity.

20

I GO FORWARD IN THE JOYOUS USE of the Violet Consuming Flame's Mighty, Victorious Power! I call It into outer action to act around_____!

"Blessed I AM Presence," Beloved Saint Germain, Angels of the Violet Flame Temple, Beloved Lady Master Nada! Send Legions of the Angels of the Violet Consuming Flame

to produce in physical action the Fulfillment of our Calls!
to compel the Will of the Violet Consuming Flame done in
this world as It should be in the Fulfillment of the Great
Divine Plan that frees all!

“ALMIGHTY I AM”! (3)

21

IN THE NAME OF THE BELOVED MASTER JESUS, I

Christ Love of the Cosmic Christ Violet Consuming
Flame be the Law of our Land that possesses our people,
rules our people, and compels Divine Justice everywhere!
“Beloved I AM Presence” and Mighty Saint Germain,

VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every "I AM" Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every "I AM" Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every "I AM" Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the "I AM" Students, as well as the Nation.

Lovingly, "I AM,"
Mrs. G.W. Ballard
