

CHRISTMAS BLESSING OF BELOVED JESUS
DECEMBER 25, 1960

Beloved Ones, you who have stood so faithfully in this “I AM” Activity and held to this can teach the rest of mankind how real it is. And every time someone else takes up the Call and sets it into motion in this world, just that much more Light has come into the world to release Our Perfection here.

This is My Christmas Blessing, My Christmas Love, My Christmas Illumination to you all who have been acknowledging Miracles. And Miracles are the Perfection of Life uninterfered with by mankind’s discord, and the Ascended Masters’ Octave is that Perfection. Your “Beloved I AM Presence” is that Perfection. Your Higher Mental Body is that Perfection, and that is the Great Miracle Presence of Life. Now go forward and call without limit for My Miracle Control of all conditions around you, and let Us see what Manifestations of the Sacred Fire can come into outer conditions—and if you will so decree it, astound mankind into the Awakening.
