

EXCERPTS FROM
**THE PRESENTATION OF
THE “CRYSTAL CUP”
AT THE SHRINE CLASS**

JULY 27, 1941

SAINTE GERMAIN has brought to us the “Crystal Cup” of His Great Light! He is that “Crystal Cup,” and He has given us the privilege of carrying His Love and Light to the people—His “Crystal Cup” of Cosmic Light. The large “Cup” you saw presented here last Sunday is a Focus for that Outpouring into the outer world. Sanctuaries and Reading Rooms and those who really choose to accept It can have a “Crystal Cup” from our Heart Center here. Each sincere “I AM” Student can have one for the home. There is nothing obligatory about this, as each one has free will.

There can be drawn forth the “Crystal Cup” for the sustaining and harmonizing Power in the home for the Expansion of the Light there—if you care to give It recognition. But this Activity is one which is a very, very Sacred Power; and It is not to be treated lightly nor is It something to be shown to everybody. It is to be held in deep devotion in the silence and is a Sacred Powerhouse in the home, the Sanctuary, and Reading Room if given daily attention. . . .

Three times a day, stand before the “Crystal Cup” with hands upraised. In that position you, too, become a “Crystal Cup”; and the Flame of Life in your Heart should be called forth and expanded like a Sun forming a “Crystal Cup” of Light into which the Great Beings can pour Their Light into you. Through your

Calls to these Great Beings, They can focus Their Power of the Unfed Flame, the Liquid Light, Their Perfection, Supply, and every Activity of the Cosmic Light Substance from the Ascended Masters' Octave, and charge those "Crystal Cups" to become a Powerhouse of Electronic Force. As you gain a momentum, the Perfection and Supply of all good things can come forth to all who give their Light and Love and attention to It.

Each day it is our obligation to make the Call for that Light to be poured into America's "Crystal Cup." As we draw the Light into our own "Crystal Cups," we ask the Cosmic Light to overflow and fill the "Crystal Cups" of all under this Radiation. All under this Radiation should draw the Light and ask their "Cups" to overflow and fill the "Crystal Cup" of America. Then call that America's "Cup" may overflow and fill the Earth with the Cosmic Light that stills every destructive force forever!

Do not discuss this Activity with anyone. It is a Sacred, Silent, Mighty Activity of Life and Light, because the "Cup" has always been a symbol of God's Supply and Freedom to man. We ask you to regard It as a Silent, Sacred Privilege, second to none except your Ascension. If you will do this, the Great Ones can pour an added Charge of the Power of the Cosmic Light into America. It is to call forth greater devotion to God the "Mighty I AM Presence" and release greater gratitude—in the sacred, sincere Love and silence of our Hearts—for all America means to us and all mankind in the Freedom of the Light.

There will come forth Instructions and Decrees to be used with these "Cups," but if you are to have this Blessing, the "Cups" must be uniform. Do not go out and get just any kind of a cup and expect that Outpouring to be held uniform. Let us be in attendance upon the Plan of the Great Ones and cooperate with Them perfectly to produce the Perfection we all desire. Each

day, call forth the Ascended Masters' Flaming Substance of the Cosmic Light to enfold your "Crystal Cup" in Their Radiance which illumines the atmosphere around It. Call forth and accept Their Power of Precipitation released into It until you gather enough of Their Electronic Force to draw forth all that you require for your complete Freedom and for the Protection of others who are constructive and to whom you may need to give assistance.

The Voice of the "I AM" 41.8:20-21,22-24

Three times a day, stand before the "Crystal Cup" with hands upraised:

"I AM" A "CRYSTAL CUP"! I call forth the Flame of Life in my Heart EXPANDING LIKE A SUN, forming a "Crystal Cup" of Light into which the Great Beings can pour Their Light into me!

ALL GREAT BEINGS! POWERS! AND LEGIONS OF LIGHT! I DEMAND THAT LIGHT POUR INTO AMERICA'S "CRYSTAL CUP"!

As I draw the Light into my own "Crystal Cup," I demand the Cosmic Light overflow and fill the "Crystal Cups" of all under this Radiation!

MAY ALL UNDER THIS RADIATION draw the Light and ask their "Cups" to overflow and fill the "Crystal Cup" of America; then America's "Cup" overflow and fill the Earth with the Cosmic Light that stills every destructive force forever!

I DEMAND! I COMMAND! AND "I AM" the Ascended

Masters' Flaming Substance of the Cosmic Light enfolding
my "Crystal Cup" in Their Radiance which illumines the
atmosphere around It! I call forth and accept Their Power
of Precipitation released into It.
