THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

BELOVED SAINT GERMAIN SAYS: “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any that you find in the Saint Germain Series or The Voice of the ‘I AM’ or in the Dictations! . . .*”

The Magic Presence

THE “CRYSTAL CUP”

The “Crystal Cup” of God’s Supply
God’s Hand holds here each day!
God’s Mighty Heart is offering all
To help all live God’s Way.

The “Mighty I AM Presence’ ” Heart
Is pouring Love to all;
Its “Blazing Presence” is our Way,
Its Voice to us does call!

Its Song of Life, Perfection’s Peace
Each one on Earth can hear;
Its Light and Blessing never cease—
They’re flooding far and near.

The “Crystal Cup” is Life’s great Gift
Of Blessings from above;
It does all in this world now lift
By Cosmic, Limitless Love.

Each one must raise that “Cup” to Life
And offer all God gives;

It holds the Flame of God's own Heart
And Light by which each lives.

The "I AM Presence" holds that "Cup"
From which each one may drink;
It pours forever from above;
It gives us Life to think.

That "Crystal Cup's" Eternal Flame
Is Sacred Fire, too—
Forevermore accepts Its Gifts,
"I AM"! God's Wealth come through!

BELOVED MIGHTY VESTA

Beloved Ones of My Heart, tonight in the Assistance which is being drawn into the United States of America, I wish you to understand that it has a very definite connection with the home life of all individuals embodied in this world. The United States of America being the original home—the home of the whole human race where embodiment first began—then it is of necessity a place where there must come much Protection to everything that is constructive in order to hold the control of the forces throughout the Americas and the world that definitely govern the future of the Earth.

There are being drawn into the atmosphere of Earth many activities of the Sacred Fire and the Cosmic Light that must be concentrated here to hold steady certain forces in order to give them Protection. There are Legions of Cosmic Beings anchoring within the atmosphere over this Nation for certain Protection that must come, and to help prevent destructive forces from gaining any further foothold within the Nation. There are many activities of Help coming to the people of Earth at this time and concentrating over America for the Victory of that which must come.

So in that which definitely affects your home life, I have much to do with the Protection of those Powers that are loaned to mankind to provide homes and provide embodiment for the Life Streams that come into this world to attain the Ascension. And it is vitally important that the home life of the whole human race be purified, and mankind awakened to the responsibility and the duty that is everyone's responsibility to purify and protect the home life of the whole human race, that the embodiments of

the future may be such as to honor the “Mighty I AM Presence” and the Ascended Host, that the Ascension may be attained.

The Purification of the Nation—and I am speaking specifically of the United States of America—this must be guarded as the Heart of the World. And the home life within that Heart is the Love that produces Perfection for the people here; and if I were you, I would *send a very definite Call to the Higher Mental Body of every human being within your borders to come forth through the people and do whatever is necessary to purify the homes within your Land*, that after all, are the guarding presence of those who take embodiment in this Country. There are many very marvelous Life Streams coming into embodiment at this time. They have tremendous mental capacity; some of them have very great Light. But if the home life is not kept pure, then the embodiment is practically wasted; and sometimes the evil created in one embodiment can bind an individual for many embodiments to come.

So there must come a return to the Purity of the home, the honor to Life, and the honesty in the way of living that enables every Life Stream to be given the greatest chance possible to understand the purpose of embodiment in this world, and that the Ascension is the Responsibility and the Duty and the Goal of all living in this world.

Now some channels of instruction to mankind have taught that individuals must come into embodiment to unfold this, that, and the other power within Life. I say embodiment is provided for the individual to attain the Ascension! You might live in this world for hundreds of embodiments and draw forth the powers of Life into your outer use, but if you know not the Goal of the Ascension, you would stay here almost indefinitely.

So what the home life of the people should give to the individuals embodied here is the illuminating Explanation of this Truth of the “Mighty I AM Presence” and the Reality—the Truth of the Reality of the Ascended Host—and teach mankind, teach all individuals to live daily from childhood to the Ascension in close association with the Ascended Host. That’s the Education that mankind requires! That’s the Illumination that is the Strength of the Light within to enable Us to raise people into the Ascension.

From childhood, people should be taught that that “Beloved I AM Presence” is a Being that stands above and lives above the physical body and from which it receives every Blessing. Individuals should be made to understand the Reality of the Great Cosmic Beings who have created through the centuries Boundless, Infinite Blessings in the great use of Life’s Mighty Powers to provide a magnificent world in which mankind may gain the experience of drawing Perfection into outer action to help attain the Ascension.

Here are these Great Divine Beings who throughout the Ages have created the magnificent beauties, the magnificent powers and blessings and activity and glories in this world through the Powers of Nature and Forces of the Elements that have blessed mankind so greatly—these Great Beings who are the Givers of everything good into manifestation here; and the mass of mankind do not even know We exist! This is the true Education of Life. This Knowledge of the Reality of Life, the Source of Life, the Giver of Life—that “Beloved I AM Presence” and the Ascended Host—should be understood and acknowledged. And there should be cooperation enough with this Greater Intelligence and Greater Power of Perfection and Blessing

to enable Us to give the Help that undoes the frightful human creation into which mankind has drawn itself.

The intellect of man does not understand and does not want to understand the reason for the degradation and the miscreation in this world. But whether it wants to understand or not is immaterial. The Light is breaking, and the Cosmic Light for which you have called tonight will yet blaze until everything that lives is compelled to see It and obey It and let go of the frightful things that have so desecrated Life.

Everything that mankind does that does not give recognition to and glorify that “Beloved I AM Presence” and the Ascended Host is useless. There is only one thing for which to live in the Universe, and that is to bear witness to the Glory from whence you come, and to let that Glory expand through yourselves to glorify the rest of the Universe, that you may bear witness to the Great Creative Activities of Eternal Perfection. That’s the purpose of embodiment. That’s the purpose of the existence of the Infinite Universe around you.

When people say they don’t understand Life, they don’t want to understand Life; and that desire must be consumed by the Light of God that is so intense nothing can live within It but Perfection. And Blessed Ones, I warn you tonight! Do everything within your power over the next two or three days to keep the agitation from breaking loose during the time of this election. It has broken loose in elections in other countries of the world. The hordes of evil are wholly uncontrolled; and *with everything you are and have, demand the Blue Lightning Prevention of anything that would produce chaos or riots or agitation.*

Be not sympathetic with that which is evil. Give no quarter to it, because you have an Almighty, Eternal, All-

powerful Scepter of Control in your Calls to your “Beloved I AM Presence” and the Ascended Host. You have Legions of Friends of Mighty Power! You are part of the Legions who can help control the Destiny of the Nation. Therefore, the Powers that come from the Ascended Masters’ Octave, I assure you, have never created discord nor chaos nor distress of any kind. So you cannot help but have Perfection as you call for these Magnificent Activities of Life’s Perfection. Whether that be the Cosmic Light or the Sacred Fire or the Blue Lightning Cosmic Christ Control, matters not. It is all the Power of the Greater Love of Life to control manifestation and purify and hold balance everywhere.

Don’t ever let anyone under this Radiation think for one moment that these Greater Powers that We are calling into outer world conditions—or are offering you for use in your own world—can ever produce anything but Perfection for you. And any other concept of the use of the great Energy of Love and Light and Ascended Master Consciousness—any other concept about that Activity of Perfection is deliberate, vicious, intentional desecration. The sinister force has so long ruled by fear and is still trying to rule by fear, and doubt and fear must both be eliminated from Life forever.

So Blessed Ones, when you *call forth these Cosmic Powers of Life into conditions in this world to hold the Ascended Masters’ Control of outer manifestation*, don’t for a moment fear that it’s going to produce discord in your world. It cannot! Discord cannot come from Our Octave; and when We consume mankind’s evil, We but turn its own pressure back into itself, and it does its own consuming. The Violet Consuming Flame purifies harmoniously and releases Life from distress. Why should It be feared or misinterpreted?

Tonight, with all the Power of Love in this Universe, your Calls have gone to the Heart of Creation; and those who are the Authority to purify the Earth and all upon it are ever coming closer into outer physical conditions until the final cleansing takes place. And in the meantime, you are held in a Sun Presence of Our Love, Our Blessing, Our Purity, Our Peace, and Our Protection. We cannot give anything else, Blessed Ones. And if there's any lack in this world of the constructive activities of Life, then where are they to come from except the Octave above the human? If there is anything you lack, whether it be the nation or the world or the individual—in this world, anything you lack of Perfection, where can it come from except above?

Mankind is not Perfection. Well then, it can't give Perfection. So don't look to the outer world for the Perfection you desire or wish to experience. Anything and everything that is better than what you have in this world today must come from the World above. It must come either from the Higher Mental Body's great Realm of Life or from the Ascended Masters' Octave, and They are One. What is there in the physical world that can give you Perfection, that can give you the Strength of the Light that enables you to attain the Ascension? Every bit of Consciousness and Understanding about the Ascension must come from your Higher Mental Body and the Ascended Masters and Cosmic Beings. Unascended beings can't give you the Ascension; therefore, the same situation exists within the home life of your people.

Since mankind has created this chaos and is bound by the conditions—covered over with the conditions of distress—who can release those conditions but the “Beloved I AM Presence” and the Ascended Host? Don't you see how much

you are dependent on that which is greater? If individuals were taught to desire the “Beloved I AM Presence” and the Ascended Host to be the Directing Intelligence and Control of the outer self to produce greater Perfection, it would be so easy for Us to perfect the individual and take each one through to the Ascension without strain or struggle or effort or distress of any kind.

Now where do you think mankind stands before the Great Cosmic Law of the Universe—the Great Cosmic Beings who have created and sustained this System of Worlds and have given it Their Life and Energy and Substance for aeons of time. And mankind takes embodiment in the substance of this world, and the Life of those greater Beings is ever sustaining the activity of life in this world. And the privilege of coming into embodiment to attain the Ascension is the Great Divine Plan of Love Itself. Do you not see how mankind, the Life Streams that embody here, depend for everything upon the Life, the Consciousness, and the Love and the Light of the “Mighty I AM Presence” there—and the Ascended Host’s Octave, which is One. Do you not see how mankind is dependent on the Perfection of Life instead of the conditions in the outer world which mankind has generated.

So from tonight, if you care to dwell in the Feeling and the Consciousness and the Love of the Brothers of the Golden Robe, the Angels of the Golden Flame, the Angels of Peace, and the Beings who dwell within the Great Activities of the Physical Sun, if you care to accept Our Love and dwell within Our World of the Blessings of that Sacred Fire, if you care to dwell within Our Love and know that is your home instead of the distress of this world, you will give Us an opportunity to bring more

of that Sacred Fire into this world until this world, too, becomes the Home of the Sacred Fire's Love, within which abides all Perfection and Happiness and the Divine Plan fulfilled in action forever.

I hope you may recognize that the Love of the Beings who are in the Realm of the Physical Sun—the Love of those Beings who are seeking every conceivable way to get mankind's attention upon that which opens the Door for Their Love to come in and set free those who are bound in the shadows. Your homes, My Dear Ones, your Divine Home is the Sun Presence of the Love of Life; and your physical homes in the world should be a duplicate of that. Each home on this Earth ought to be like a Sun Presence of the Love and the Beauty and the Happiness and the Perfection of Life that assists all unto the Ascension.

So from tonight, since it is My privilege, My prerogative—it is My opportunity and My responsibility to purify the home life of all mankind in this world, I am beginning with you; and I hope you will never have cause to live anywhere else except in My Love. (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, please.

Now there will again come into existence, as there has been before in other ages, an individualized Focus of the Sacred Fire's Magnificent Power and Presence in every home on this Earth in the future. And that individual Flame will again be given into the home to let the Radiation of Its Love and Its Perfection fill everything in and around the home with that which helps every Life Stream unto the Ascension. And We cannot give that into the present homes of mankind until Purification takes place. Each home, Beloved Ones—it matters not whether it's a room or a house or a locality or what—every home of each individual is your individual

Powerhouse. And therefore, since it is the Focus of the Sacred Fire's Love to help you individually fulfill the Great Divine Plan, it is necessary that it be guarded and kept purified if the Divine Plan is fulfilled, and if the Blessings and Powers that are needed to fulfill It are allowed to come into the use of the individual.

Your home is your Powerhouse; therefore do not permit discord within it. I am saying this for more reasons than one. Since the United States of America is the home of the whole human race, We want as much Power of the Sacred Fire's Love and Purity anchored within the homes of those under this Radiation, that It may spread Its Radiance throughout the Nation, since the Nation is the home of the whole human race. It's where mankind first began embodiment. So in guarding the Heart of the World, We must guard you who are the Light of Our Love within the Heart of the World. You didn't know that We gave you Our Love—long ago. And therefore the Love We have given you is Guard to the Heart of the World; and the Love in the Heart of the World is that which guards the body of the world.

So Blessed Ones, for the survival of mankind to again try toward the Ascension, there comes again from the Heights of Eternal Purity—from Heights of Inconceivable Perfection and Love and Power without limit, there comes again to the people of Earth the greater Love to purify and hold steady the activities in the home life of the people. And that is My Cosmic Service to this world. Therefore I am certain Authority to establish the Power of the Sacred Fire's Love within every home where I am wanted, where I am called into existence, where I am given the opportunity and the opening to anchor an Eternal Gift from the Physical Sun

into the outer activity of those under this Radiation, that the Love of the Sacred Fire which We draw here into the homes of those under this Radiation, may ever expand Its Strength and Its Blessing and Its Healing Power to you all individually—but more than that, through which we can amplify to the Nation the Strength and the Power of the Light to hold control of the feeling of the people powerfully enough to keep individuals from coming under the control of the sinister force.

Now many people are sometimes swung into destructive activities—not so much because they have created great evil as it is from influence by those who do have a destructive accumulation, because the attention of individuals comes into association with those who have great evil accumulated. It draws other Life Streams down into that destruction unless a very positive Command goes forth and the individual takes the determined stand to be no part of the evil, but go forward to constructive accomplishment. And it is that influence of those who have come within your borders who have great evil accumulation—it's that influence and radiation that has done such damage to your homes and to the younger generation. The hour is striking when We're going to turn that into reverse. (*applause*) Thank you so much, Precious Ones.

So now if you will accept Me as a Guardian of your home, I will be happy to anchor a Sun Presence of My Love of the Sacred Fire. And My Love coming in and around you is connected with the Physical Sun, and the continuing Stream of Its Blessing to purify the home life of your people shall ever expand. And as It expands, It enfolds you in Our World of Happiness and Perfection, and will give you every Blessing your Heart can desire.

There isn't a thing you could desire in the unascended state that Our Love from the Physical Sun cannot give to you. It is the sustaining Life of all that is Perfection in this world. And so since I am Guardian of the home, I naturally must pour My Love of the Sacred Fire to guard those who are within the home. And since the home life of the Nation needs to be guarded, then We need—through you—to pour the Sacred Fire of Our Love to the younger generation that needs Purification, and to the homes of the people, until We establish once again Honesty, Honor, and Love to God the “Mighty I AM Presence,” and the Purity that lets the Perfection manifest just naturally.

So Blessed Ones, We are doing this and will continue to offer everything to strengthen the Light in the people of the Nation by strengthening the Purity and the Love in the home life of the people. And as time goes on, you will see arise here and there and different places within your country various activities of the people themselves trying to purify and reestablish the Honesty, the Honor, and Purity in the home life to return the people to the Divine Way to live Life and go forward to the Victory of the Ascension.

After all these centuries, My Dear Ones, of mankind—the masses staying in such degradation throughout the centuries and not attaining the Ascension—after all that Life has placed in this world, surely you must realize what tremendous effort We are making now to awaken the people, awaken the Desire within the people to reach up and want this greater Purity and Beauty and Perfection of the “Mighty I AM Presence” and the Ascended Masters' Octave. They must desire and want that, and in that will come the Illumination that takes them forward to attain the Ascension.

But after these centuries of effort from the Ascended Masters' Octave, the Ascensions are still so few that it takes tremendous shock from the Great Cosmic Law of Cause and Effect to awaken mankind to the desire to know why these conditions exist, and how individuals may rise out of them and be free from them. Therefore, the Illumination of this Instruction of the "Mighty I AM Presence" and the Reality of Our Existence is absolutely imperative to come to the minds of mankind—minds of the people. And the Desire and Purity in Our Love and the Sacred Fire must come into the feelings of the people in order to be the Raising Power that takes them out of the discord long enough to let them see the Goal ahead. And then We must strengthen them with the Strength and the Light of Our Love to help them make more conscious effort toward the Ascension.

So Blessed Ones, the Nation must Ascend as well as the world; and the Nation can only release Its Light by the Love and Light in the individuals within the Nation who do attain the Ascension. And you'll never know until you are completely Ascended what it has meant to this Nation to have as many of the "I AM" Students Ascended as have already accomplished that Victory! (*applause*) Thank you so much.

It is the Strength of the Light in the Nation that has been released by those who have attained the Ascension under this Radiation. And since this has been their home, and the Light has taken them into the Ascended Masters' Octave, when they go, they raise the whole vibratory action of the Nation a certain proportion of activity toward the Illumination that must come, until the Nation itself has the Light within that is strong enough to raise it unto the Ascension also.

So the Mighty Saint Germain in the Service He has rendered in bringing forth this Knowledge of the “Mighty I AM,” the Great Sacred Fire and the Love He has poured, has rendered tremendous Service not only to you individually, but to the Nation of His Heart. And being the Heart of the World, It has been the Raising Force to the whole world. And so now We must keep agitation and destruction of every kind out of the people and out of your borders as powerfully as possible.

So your own homes—wherever there is a Cup dedicated to the “Beloved I AM Presence” and the Ascended Host, I assure you, a Flame of Our Love anchors within that Cup and around you to continually pour forth Its Love and Its Blessing and Its Purity to the Nation to stabilize all within your borders, to strengthen that which is constructive, and to be the Barrier against that which is not constructive. So Blessed Ones, if you care to *call the Legions of the Angelic Host whose Love is the Light that guards the home of each one under this Radiation, then guards the Nation against all that is not of the Light*, We will establish a pulsation and release of that that can blaze through you and your homes daily, and then through that, to the Nation. And as It goes on, It will strengthen and continue to expand until one day It purifies the world and strengthens the Light in each one to take all into the Ascended Masters’ Octave.

Our Love is the Light and the Raising Power that takes individuals out of the clutches of the hordes of evil, and there is no other way in existence to free mankind. The Master Jesus came and gave and gave and gave, and has continued to give ever since His Ascension. And what has He given? Love. The Light and Illumination of the Words

He spoke were the Gifts of the Love of His Life that has raised many to the Ascension; and He will always give Assistance to the Ascension of any Life Stream from this world. And so We stand with Him and the Light of Our Love which We offer from the Physical Sun to come into your home and make each of you a Sun Presence of Our Light and Love to the Nation, so the Nation may give It to the world.

Try to realize, We are your Guarding Presence. You are the Guarding Presence of the Nation, and the Nation guards the existence of the world. So Blessed Ones, try to feel you do live, after all, in the Sun Presence of your Physical Sun—in the Love of that Sun—and Its Life is ever pouring to fill you with the Blessing and Perfection of Itself; and you in turn, pour It to the Nation, and the Nation to the world.

And please remember, no matter what affects your homes, if you will *call to your “Blessed I AM Presence” and to Me as a Guardian of the Sacred Fire in the home*, you will find I will manifest My Love there, and My Love will control conditions around you. And your “Beloved I AM Presence” will have greater Dominion though all of your homes. May you go forward and know there are Legions waiting to assist who will always protect that which is the “Great God Presence” and Love and Light of Life in the home life of those in this Nation and the world.

May We dwell within you as a Sun Presence in that home until more of mankind understand this Law and can make the Call for their own “Mighty I AM Presence” to bring the Light into this world that does purify and illumine the homes of the whole human race, and then the world. Try to realize, you may live within Our own Hearts’ Flame of

Love; and all you have to do is *ask your “Beloved I AM Presence” and Us to flood It into your homes, and let It control everything there to give you Peace and Purity and Perfection for Eternity.* Thank you with all My Heart.

— DECREE —

“BELOVED MIGHTY I AM PRESENCE,” BELOVED MIGHTY VESTA, AND ALL GREAT BEINGS, POWERS AND LEGIONS OF LIGHT!

FLOOD Your Hearts’ Flame of Love into our homes, and let It control everything there to give us Peace and Purity and Perfection for Eternity!

EXCERPTS FROM
**THE PRESENTATION OF
THE “CRYSTAL CUP”
AT THE SHRINE CLASS**

JULY 27, 1941

SAINT GERMAIN has brought to us the “Crystal Cup” of His Great Light! He is that “Crystal Cup,” and He has given us the privilege of carrying His Love and Light to the people—His “Crystal Cup” of Cosmic Light. The large “Cup” you saw presented here last Sunday is a Focus for that Outpouring into the outer world. Sanctuaries and Reading Rooms and those who really choose to accept It can have a “Crystal Cup” from our Heart Center here. Each sincere “I AM” Student can have one for the home. There is nothing obligatory about this, as each one has free will.

There can be drawn forth the “Crystal Cup” for the sustaining and harmonizing Power in the home for the Expansion of the Light there—if you care to give It recognition. But this Activity is one which is a very, very Sacred Power; and It is not to be treated lightly nor is It something to be shown to everybody. It is to be held in deep devotion in the silence and is a Sacred Powerhouse in the home, the Sanctuary, and Reading Room if given daily attention. . . .

Three times a day, stand before the “Crystal Cup” with hands upraised. In that position you, too, become a “Crystal Cup”; and the Flame of Life in your Heart should be called forth and expanded like a Sun forming a “Crystal Cup” of Light into which the Great Beings can pour Their Light into you. Through your

Calls to these Great Beings, They can focus Their Power of the Unfed Flame, the Liquid Light, Their Perfection, Supply, and every Activity of the Cosmic Light Substance from the Ascended Masters' Octave, and charge those "Crystal Cups" to become a Powerhouse of Electronic Force. As you gain a momentum, the Perfection and Supply of all good things can come forth to all who give their Light and Love and attention to It.

Each day it is our obligation to make the Call for that Light to be poured into America's "Crystal Cup." As we draw the Light into our own "Crystal Cups," we ask the Cosmic Light to overflow and fill the "Crystal Cups" of all under this Radiation. All under this Radiation should draw the Light and ask their "Cups" to overflow and fill the "Crystal Cup" of America. Then call that America's "Cup" may overflow and fill the Earth with the Cosmic Light that stills every destructive force forever!

Do not discuss this Activity with anyone. It is a Sacred, Silent, Mighty Activity of Life and Light, because the "Cup" has always been a symbol of God's Supply and Freedom to man. We ask you to regard It as a Silent, Sacred Privilege, second to none except your Ascension. If you will do this, the Great Ones can pour an added Charge of the Power of the Cosmic Light into America. It is to call forth greater devotion to God the "Mighty I AM Presence" and release greater gratitude—in the sacred, sincere Love and silence of our Hearts—for all America means to us and all mankind in the Freedom of the Light.

There will come forth Instructions and Decrees to be used with these "Cups," but if you are to have this Blessing, the "Cups" must be uniform. Do not go out and get just any kind of a cup and expect that Outpouring to be held uniform. Let us be in attendance upon the Plan of the Great Ones and cooperate with Them perfectly to produce the Perfection we all desire. Each

day, call forth the Ascended Masters' Flaming Substance of the Cosmic Light to enfold your "Crystal Cup" in Their Radiance which illumines the atmosphere around It. Call forth and accept Their Power of Precipitation released into It until you gather enough of Their Electronic Force to draw forth all that you require for your complete Freedom and for the Protection of others who are constructive and to whom you may need to give assistance.

Mrs. G. W. Ballard and Donald
The Voice of the "I AM" 41.8:20-21,22-24

Three times a day, stand before the "Crystal Cup" with hands upraised:

"I AM" A "CRYSTAL CUP"! I call forth the Flame of Life in my Heart EXPANDING LIKE A SUN, forming a "Crystal Cup" of Light into which the Great Beings can pour Their Light into me!

ALL GREAT BEINGS! POWERS! AND LEGIONS OF LIGHT! I DEMAND THAT LIGHT POUR INTO AMERICA'S "CRYSTAL CUP"!

As I draw the Light into my own "Crystal Cup," I demand the Cosmic Light overflow and fill the "Crystal Cups" of all under this Radiation!

MAY ALL UNDER THIS RADIATION draw the Light and ask their "Cups" to overflow and fill the "Crystal Cup" of America; then America's "Cup" overflow and fill the Earth with the Cosmic Light that stills every destructive force forever!

"ALMIGHTY I AM"! (3)

I DEMAND! I COMMAND! AND "I AM" the Ascended

Masters' Flaming Substance of the Cosmic Light enfolding
my "Crystal Cup" in Their Radiance which illumines the
atmosphere around It! I call forth and accept Their Power
of Precipitation released into It.

"ALMIGHTY I AM"! (3)

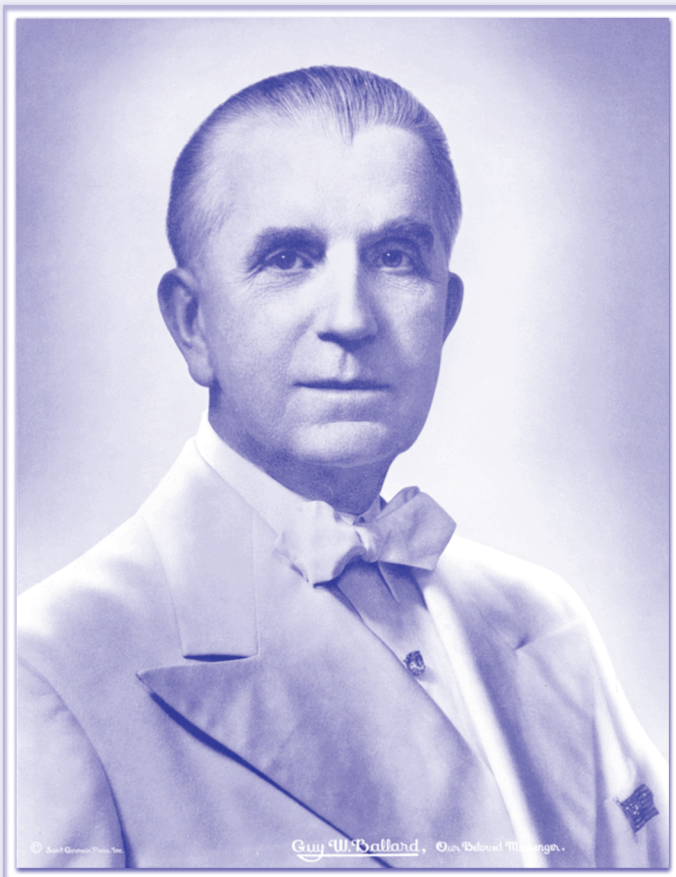

Let us keep calling that all our young people be sealed in the “Crystal Cup’s” Flaming Substance of the Cosmic Light which is intense enough to illumine the atmosphere about them, so destructive suggestions of the outer world cannot reach through to destroy, injure, or draw them from their Victory in this Light.

Mrs. G.W. Ballard and Donald
The Voice of the “I AM,” 41.8:25

“BELOVED MIGHTY I AM PRESENCE” AND BELOVED SAINT GERMAIN!

RECORD CD 1001

Beloved Ones of Our Hearts, I wish to give you some Assistance this hour that I trust will make you feel your mastery in whatever you must do in the outer world that is either your service to Life, or that which you choose to do to expand the Perfection of your own “Mighty I AM Presence” as you design greater Perfection to serve the world around you. Very often when you are uncertain as to what you wish to do in the outer, or what needs to be done, whenever you

make the Call to the “Beloved I AM Presence,” always say: *“Beloved I AM Presence” and the Ascended Host! Show me the Ascended Masters’ Fiery Truth about this condition. Tell me what I need to know. Make me know that which will fulfill Your Divine Plan; and then fill me with the Strength of the Light and the Immortal Protection of the Sacred Fire that will enable me to do it! And then possess my outer self, and come into me and make me do it; and I promise You my Love and cooperation to fulfill the Divine Plan and manifest the Perfection for which I call regardless of how great is the Service that needs to be given.*

It is one thing to call to your “Beloved I AM Presence” and the Ascended Host to know the right thing to do; but many times there is not always the Strength of the Light within to do it, or there is not always the self-control to use the Powers of your own Life Stream to do that which fulfills the Divine Plan in the physical conditions of your outer world affairs. Therefore, *when you ask for the Illumination, ask for the Strength, the Ascended Masters’ Cosmic Strength of the Light within yourselves that makes you have the ability and the Strength to do it; and then more than that, you command the outer self to cooperate with the “Presence” and the Ascended Ones so that you do the physical thing in the physical world that needs to be done in order to let the Perfection through that is revealed to you.*

Many times when people have a tremendous responsibility—even when they know the right thing to do, they very often feel inadequate in the ability to do something that carries great responsibility in its effect upon others. So never fail to *call forth the Ascended Masters’ Strength of the Cosmic Light and the Sacred Fire’s All-protecting Love that enables you to do*

what needs to be done in the most perfect way possible—gives you the Strength to do it; and then you must command the outer self to cooperate with the Call that you make. There are so many, many wonderful people in embodiment at this time that have great ability along some lines but not along others. And so often even when people know the right thing to do, the sinister force, through fear and doubt, makes the individual feel he or she cannot do it. And it is to protect you against this that I am offering My Assistance to you.

So when you call forth the Strength of the Cosmic Light from yourself, your “Mighty I AM Presence” and the Ascended Host, you call forth Our Enfolding Sacred Fire Love’s Protection of your outer self and your outer activities so that holds the Harmony that lets the Revealment of what needs to be done come into the outer and release the Powers to do that which you want to do, or you know needs to be done for your Service in the Fulfillment of the Divine Plan.

If individuals would only realize that as long as the chaos and discord is in this outer world, it is necessary to keep yourselves insulated from the vibratory action of the feeling world of people around you as they just move in outer world conditions. Therefore, whatever you need to do, so long as it be constructive, after you *ask to be shown*—and remember this phrase—the Ascended Masters’ *Fiery Truth of what you need to know*, then there will not come to your intellect ideas that do not belong in the thing you wish to do. When you are shown by your “Beloved I AM Presence” and the Ascended Host the right thing to do to hold Protection or produce Victory or fulfill the Divine Plan, never fail to realize that as you draw It into the physical world, *you demand It be forever clothed, enfolded in the Ascended Masters’ Sacred Fire’s Heart Flame of Immortal Protection.*

When individuals think of Protection, they usually mean danger to the physical body or the affairs. But everything that you draw forth from your “Presence”—if you do not clothe It, or ask that It be sealed forever within the Ascended Masters’ Sacred Fire Immortal Protection, the minute you draw your Blessings into this world, the sinister force is ready to take them away from you. I think I do not need to convince you of that in the chaos of the outer world’s selfishness at this time.

So We are offering the Sacred Fire’s All-protecting Love from Venus and from others of the Ascended Host who not only are willing to protect you, but who have through the centuries protected you many, many, many times when you did not even know you needed Protection or that you were in danger. So if you will form the habit and gain the momentum *of consciously calling the Ascended Masters’ Invincible Sacred Fire Love’s Protection*, then, My Dear Ones, it would not make any difference if the outer world’s accumulation or affairs dissolved and disappeared, you would have Protection, Supply, Assistance, and the Care of those of the Ascended Host who would take you forward to your Victory.

This has much to do with your Ascension quite as well as the control of physical conditions in the physical world, as you wish to bring into outer activities the greater Perfection which must come and of which you are the builders. We have prepared you and brought you this far in the Light, that you may be the builders of the Incoming Civilization, that you may be the protectors of that which is constructive. Therefore, We are very interested in anything and everything you do that is constructive; and We are willing to clothe you in the Sacred Fire’s Immortal Protection of Our Love. You have no concept in the human intellect of the amount of Love that has been poured to this world since mankind

first turned away from the “Presence” and the Ascended Host at the end of the Second Golden Age. You have no concept what the Great Law of Life, the Law of Love, “Beloved I AM Presence” and the Ascended Host have poured to this world age after age after age. We have consumed, We have purified, We have protected; We have raised everywhere We were accepted or Our Gift was accepted.

Tonight I am offering this to you for your use for many other reasons than just to make you successful in any constructive thing you care to do while yet unascended. This is a gathering of a momentum of Power and Protection to everything that is constructive within the Nation as well as to around you individually in your own progress toward the Ascension. Therefore when you know of anything that is constructive in the affairs of the Nation or individuals with which you come in contact, it is also just as much your obligation to *call forth the Ascended Masters’ and Cosmic Beings’ All-protecting Sacred Fire Love from the Ascended Masters’ Octave and the Illumining Consciousness that reveals the Perfection for which any constructive activity is allowed to come into manifestation.* So everything constructive that even someone else builds is entitled to your Call for Protection as well as that which you are creating. If people understood this, then many successful activities, many very wonderful creations would not be either destroyed or refused acceptance by the outer world channels which they have come forth to serve.

This is applicable also to the management of your government, to the management of business, to the management of your families, to the management of anything and everything in the physical world. Therefore, when you want Harmony, Purity, and Divine Order in your own individual service to the outer world, this great Power of Life’s Love is always

ready to flow into this world to help protect and sustain everything that is constructive. But It must be called into action by Conscious Command of those who need to use It and who are the authority to use It for the blessing of their fellowmen.

This is a very important habit to set and a momentum to gain in order to assist many wonderful things to be allowed to be created and to come forth to serve and bless you and the people of the Nation and the world, and become the sustained, constructive activities that are to come forth and bless the people as they use them. But the Cosmic Law does not permit Us to allow creation to come into existence that is far in advance of what mankind is strong enough to hold protected at this time. Therefore if We can train you, and if you will give Us your cooperation to *call forth the Ascended Masters' Sacred Fire Protection of Our Hearts' Love around everything that you want to manifest in the physical world*, then where you abide, constructive activities can always come forth from Our Octave to come into your outer use to bless you; and therefore We can all fulfill the Divine Plan very much more rapidly than if this Assistance is not given.

When you see the tremendous effort Life makes and the tremendous energy released in mankind's continual activities of the outer world, surely you must know that the great Love of the Universe which the "Beloved I AM Presence" and the Ascended Host are with no uncertainty—that that Mighty Love which is the Purifying, Protecting Presence to all that is the Divine Plan fulfilled here—that Love must come into the physical world to consume and prevent the hatred and filth that has already been generated from discouraging individuals, or being allowed existence to interfere with the

Perfection that has been commanded to manifest. And you are the Commanding Presence to manifest that Perfection.

You all want Perfection. You are calling for Perfection; but whenever you call for It, *demand that It be made Invincible against anything of human creation*. And then Invincible Protection is the Ascended Masters' Sacred Fire All-protecting Love. Very often when you think of Protection, you simply think of some surrounding Activity of the Sacred Fire that is a Guard against destructive conditions. But you must come to the realization that the Protection that is Eternal to anything that's constructive in this world—that Protection must be the Sacred Fire's Love from the Heart Flame of the “Mighty I AM Presence” of each Life Stream and the Heart Flames of the Ascended Host. And this *We* must give. That is why it has been My Privilege down through the centuries to periodically give that Outpouring of the Sacred Fire's Love that sustained whole nations for a year at a time. That's what I mean by the Protection of the Sacred Fire's Love from the Ascended Masters' Octave.

So Beloved Ones, when you want Protection to the Blessings of your modern civilization, you want Protection to the Gifts the “Presence” and the Great Ones have given you, try to remember, if you want Eternal Protection, It must be the Sacred Fire Love from the Heart Flame of your “Beloved I AM Presence” and one or more of the Ascended Host or the Angelic Host—who definitely can pour forth and project a Flame around you, as definitely as you can put on armor or an overcoat or a raincoat or anything to protect you from the Elements. It is just as visible and tangible a thing in the Universe as the physical things you wear.

So Our Protection that has been given through the centuries is still protecting much that is constructive in this world of

which mankind knows absolutely nothing. We have saved the best of every civilization that has been on this Earth. We have saved it, and We have protected it. We have secured it into places of safety, and when the Purification is enough in the physical world, the most wonderful activities of the past will be brought forth into mankind's outer use; and it will save many centuries of creative activity and bring in the civilization very much more rapidly. And it is a part of that Gift of Love that We want you to become if you care to cooperate with Us. *(applause—audience rising)* Thank you so much, Precious Ones. Won't you be seated, please, and just remain so.

Mankind does not understand in the intellect that everything that is sustained—everything that is constructive that has been sustained through the centuries or is sustained now—everything that is constructive is the Gift and the Life of some Activity of the Sacred Fire Love from some Being, either the Ascended Masters or the Beings in the Powers of Nature or individuals of the past who have created magnificent Perfection and left It to bless the generations that are yet to come.

So whenever you ask to be shown what is the right thing for you to do now in any situation, be sure you *call forth the "Mighty I AM Presence" and the Ascended Masters' Invincible, Eternal Strength of the Light in yourselves to do that, and the Ascended Masters' Sacred Fire Heart Flame of All-protecting Love, Immortal Protecting Love that enfolds you in the Power of Protection and is the Authority and the Strength to enable you to do that which you desire to do to fulfill the Call.*

So Beloved Ones, no one in the unascended state understands just what depends upon the Heart Flame of the Sacred Fire Love from the Ascended Masters' Octave.

Unascended Beings do not understand when they create discord what someday must come as the concentration of the Sacred Fire Love of Immortal, All-purifying Protecting Perfection to undo the miscreation of mankind. But if you will accept this which We offer tonight and you set the habit and the momentum is gathered, you become insulated from the interruption by the discord of the outer world. And We can clothe you in greater Powers to do more wonderful things, and your own “Beloved I AM Presence” will release more of Its magnificent Perfection through you as you go forward just naturally to live the great Divine Way of Life that ever takes you higher into your Service to mankind of this world until the hour of your Ascension arrives.

So Our Love is an ever-sustaining Life to the people of this world, even to the Powers of Nature and Forces of the Elements. You have no idea what the Cosmic Beings who have created this world and this System of Worlds—what They have given of their own Life Streams’ Heart Flame to enable Perfect Manifestation to be created here so individuals may have a magnificent world in which to use the powers of each one’s own Life Stream until they come into outer service, produce a blessing to all that is in this world; and in that Expansion there is a raising takes place that takes the individual to the Ascension. And at the same time, because in the Ascension you are raising some of the substance of this world into the Ascended Masters’ Octave, one day the Earth itself becomes Ascended and Self-luminous by the same Heart Flame of Love from you and the Ascending mankind of this Earth that you have received from the Ascended Masters’ Octave to enable you to gain your Victory.

So the Gift goes on; it ever expands. And when We see the continual struggle between individuals who will not harmonize

themselves and will not get along with each other, Dear Hearts, that simply means more and more time—more centuries of the pouring forth to this world of the Sacred Fire Love from the Ascended Masters' Octave and the Higher Mental Bodies of the individuals who come into embodiment here. With all this Love there is in the Universe, with all We have given through the centuries, with all that can yet come into this world, sometimes, if we did not know the Law, it would be very difficult to watch individuals generate suffering for themselves wholly unnecessary when there is this Heart Flame of Love into which you can all arise and live, have the Perfection of Life, be protected against anything of human creation; and you can draw It into this world without limit.

Sometimes We would love to just hurry things along and help more people to awaken and realize that to live in the Heart Flame of the Ascended Masters' Sacred Fire Love is the Home of each individual's Life Stream and the "Beloved I AM Presence" that is constantly giving through Its Love, Life to the outer self to use in the physical world. Everything, when you resolve it back into the action of the Great Cosmic Law, is still the continual action and Gift of the Sacred Fire Love from the Heart of Creation. So from tonight, won't you live in Our Heart World of the Sacred Fire Love that will forever protect you, forever supply you, forever harmonize you, and will forever keep the Door open for you to render greater and greater Service in the physical world by which, by Conscious Command and your own use of Our Sacred Fire Love, you can say to the hatred of human creation: "*Be thou no more!*" and the Flame blazes! The human creation is gone! And individuals, awakening to the Reality and the Beauty and the Perfection of the Cosmic Light and the Divine Way to

live Life, will wonder how they could have stayed in the darkness so long when the Love of the Light was ready to set them Free.

Your Nation is in this condition tonight. The hordes of the shadows, I assure you, need to be purified and enfolded in the Ascended Masters' and Cosmic Beings' Great Central Sun's Sacred Fire All-purifying Love and Immortal Protection against all that is wrong. So no matter what has to be corrected in this world, there is only one thing that will eternally purify all, protect what is constructive, allow Perfection to come forth, expand It without limit, and let It go forward to render Its Service to raise all Life into the Ascended Masters' Octave. And the one thing, and the only thing that can possibly correct conditions in this world is the Great Central Sun's Sacred Fire Heart Love of the "Beloved I AM Presence" and the Ascended Host and the Great Cosmic Beings who have created this world, who are the Directors of it, who control it, and who, I assure you, can purify everybody and everything on it.

And when the Cosmic Law starts that Sacred Fire into action for Purification, I assure you, Purity will manifest, and that which is of human creation will dissolve as mist before the morning sun. The reason We are stressing this is because unless you use the Sacred Fire's Purifying, All-protecting Love which the Violet Consuming Flame is—unless you use that to change the conditions of the manifestations in this world, you have no other harmonious way to dispose of the discord and impurity already created and which has no God Authority by which to exist. So you can purify this world by the Sacred Fire's Immortal Purifying Love from the Great Central Sun and from the "Mighty I AM Presence" of every unascended being and from the Heart Flame of every Ascended Being.

When you understand what is in Our magnificent Temples of the Sacred Fire, buildings so beautiful there are not words in your language to describe Them, and when you understand—the Jewels and the Flames that are anchored within Them are continually giving off Perfection to render Their Service as We project It to various parts of the Universe. We long to have you see and feel the Power of Life's Perfection that is waiting to give Itself to you as you learn to use the Sacred Fire's Invincible, All-purifying, All-protecting Love, and by Conscious Command, open the Door and let you see into Our World forever. You have no concept of the Beauty that is there. When We wish to change the Power We are directing or the Service We wish to give, We can change those Jewels that are Condensation of Light—or the Flames—in whatever color or manifestations We desire to concentrate the Power of Our Love, to design and create greater Perfection that forever manifests the Harmony and ever-expanding Perfection and Power without limit from the Ascended Masters' Octave into this world, and into all worlds, by Our own Conscious Direction.

And so shall it be with you as you care to associate with Us, care to accept the Gifts We have offered, care to use the Sacred Fire Power of Our Love and let It become a living thing and a living Focus, and bless you with Its boundless Powers of Perfection to bless you and to bless all and to take the place of mankind's chaos and discord and frightful impurity imposed upon Life.

If you want to be free from the limitations that human beings have created in this world, then I challenge you all to *call Our Hearts' Flame of Immortal, All-purifying Love and Its Immortal Protection to come in and around yourselves and do for you that which We know you need at this time to*

make you the Powerhouse to render service to your Nation, that at least where you abide, destructive forces will be forced to recede and let you hold command and reveal what the “God Presence,” the “Mighty I AM,” intends for your Nation, intends for you all, and intends for the Earth, that mankind’s experiment with discord may be compelled to cease to be.

I know, sometimes when you are surrounded by the discord of the outer world, how difficult it seems to get away from it long enough to make your Calls; but nevertheless, in the midst of that darkness abides the Flame of Our Existence, Our Love, Our Hearts’ Flame, Our Purity, Our Protection, and Our Sacred Fire Power that is great enough to purify the whole world. And We will use It to purify the whole world when enough unascended beings have called It into the physical octave to undo what mankind has imposed upon the Powers of Nature and Forces of the Elements. So Blessed Ones, there isn’t a thing in this world that mankind has created of discord that cannot be dissolved and consumed and replaced by the Ascended Masters’ Perfection of the Sacred Fire Love that is the Supreme Life’s Perfection of the Universe—and all Universes—of all that exists in the Great Central Sun in all Systems of Worlds.

Here We are with unlimited Power to bless you—and wait and wait and wait through the centuries until mankind gives Us the opening and really wants Our Presence. So should you care to give the Decree: *“I AM” the Miracle Mantle of the Ascended Masters’ Sacred Fire’s Love, Protection, and Mercy to life that forever purifies all I contact; and “I AM” clothed in the Ascended Masters’ Sacred Fire Miracle Mantle of the Life from the Ascended Masters’ Octave that raises all I contact to Purity and Perfection for Eternity—if you care to clothe yourselves, or ask Us to clothe you in Our Miracle Mantle of*

whatever Sacred Fire's Purifying Love gives Assistance to all you contact just by passing by, It can be established about you as an atmosphere. And someday when you least expect it, will those around you see what abides with you, and the Angelic Host is revealed to the mankind of this world who need Purification.

So Blessed Ones, there isn't a thing in the Infinite Universe above you that is the Perfection of Life that this Heart Flame of Sacred Fire Love from the Ascended Masters—there isn't a thing We won't give you if you will but use It. We offer and offer and offer. Sometimes you use It for a time, and then something of the outer calls your attention and you forget to use It. So now, with your permission, I am going to remind you to use It more frequently; and if I see you are forgetting, I shall be a severe Reminder if you will accept Me. (*applause*) Thank you so much.

Now sometimes when I choose to remind you, you might think it is severe. It might come suddenly; but I can assure you, it can be a charge of Electronic Force through you that Our Love can send forth, and I am positive We can make you aware of it. So if you care to *call forth into your physical conditions Our Ministering Presence and Heart Flame of the Sacred Fire's Love's Immortal, All-purifying Protection to not only help you but to render Service to your fellowman and to the Nation*—if you want Our Power of Sacred Fire Mastery over these conditions in this world, call It forth; give Us the attention. It only takes a few moments. Precious Ones, you do not have to sit by the hour in order to get this. You have but to call, and sometimes not more than two or three moments—two or three minutes at the most—just be still, ask It to come in and around you and do that which you need the most. Then go on your way; and when you least

expect it, you will find the conditions around you and the events of life will have brought about the change. And you will scarcely have any effort in enabling yourselves to set this habit; and as you use it, it becomes a part of you, and Our Power becomes your Powerhouse to help here as We have helped you.

So Beloved Ones, there is no substitute for this. You may search Infinity throughout Eternity, and you will not find anything but this Law in Action. The sooner you set the habit and apply It here, the sooner you clothe yourselves in Our Powerhouse of Our Hearts' Flame of Immortal, All-purifying Sacred Fire Love—the sooner you will be through with your limitations, the sooner will the physical conditions of this world come into Divine Order to bless you, and the sooner will your limitation and your problems and your struggle disappear as if they had never been. We want you free! Our Love will set you free! Won't you use It and be free as soon as possible? (*applause*) Thank you so much.

Now one more thing. If you're ever going to be free from human creation, *this* must be Our Presence in you and around you and your world, and you go forward and manifest the Heart World of Our Sacred Fire Love to the Earth; and you will find the Earth one day becomes that Heart World also. So there is no substitute for the Love We bring to Life. Perfection does not come from anywhere else. It is as free as the air you breathe, and It is the only Activity in the Universe that will dissolve and consume mankind's human creation and limitation harmoniously and permanently, close the door of memory against distress, and open the Vista into the Ascended Masters' Octave by which you not only raise yourselves, but you raise all you contact. And the great Raising Power of the Universe is Our

own Hearts' Realm of Sacred Fire Love. There is no greater Power in all of Infinity for all Eternity. We are forever with you in that magnificent Sacred Fire Presence of Life.

That is what the Great Ones have meant through the centuries, what your Master Jesus meant when He said, “‘I AM’ in ye; ye are in Me. We are all together in the Father.” And that Sacred Fire Love from the Ascended Masters' own Hearts is the Master of the world—It's the Master of you. We give It without limit, and if you just use It, It will purify Itself, and It is as self-evident as that you exist. So accept Our World. Live in Our Sacred Fire Presence, and you'll find Protection always manifest and supply is ever present in whatever quantity you need it. If you want supply, supply yourselves with the Heart Flame of Our Sacred Fire Love and Immortal Purifying Protection, and see for yourselves whether supply can come to you. I challenge everyone, and I feel you are going to accept My Challenge. (*applause*) Thank you so much.

Now let Us enfold you in the Heart Realm—the Miracle Mantle of the Heart Realm of Life from the “Beloved I AM Presence” and the Ascended Host—and let Its Power Unlimited, Victory Eternal, Freedom Invincible, and the Sacred Fire Presence of Eternal Mastery clothe you in Our Sacred Fire's Miracle Mantle of the Ascended Masters' Octave; and dwell within It and use Its Mighty Powers until the hour when you come into Our Octave for Eternity. Thank you with all My Heart's Flame of Sacred Fire's All-purifying Love. I hold you Invincible within It forever. Thank you for Eternity for returning to the “Presence” and the Home from whence you came. Thank you forever.

**OUR BELOVED MRS. G.W. BALLARD RESPONDS
TO QUESTIONS FROM THE “I AM” STUDENTS**

CARE OF THE “CRYSTAL CUP”

Q. Would you tell us how to take care of the “Crystal Cup” in the Sanctuaries?

Mrs. G.W. Ballard: In the Sanctuary after your Service is through, the “Crystal Cup” should be covered because that keeps the general dust out. . . . You are asking the Great Ones to draw Energy and Flame into this physical octave from Their Octave of Life, and there should be no more handling than is necessary to keep It clean. Do not keep moving the “Cup” around nor changing Its location. It should be left undisturbed.

“I AM” Ascended Master Youth in Action (Conclave Edition, 1945)

Q. In regard to washing the “Crystal Cup,” may it be touched without gloves?

Mrs. G.W. Ballard: Yes, It can be, because the moment you put your hands and the “Crystal Cup” under water, the water itself is a demagnetizer. Wash your hands first and then as you handle the “Cup,” the water flowing in and around It automatically degmagnetizes It and purifies It and releases It from any former radiation.

. . . Bless It and charge It with Eternal Purity. Handle It always with a clean towel so you do not leave your finger marks on it.

ROUND TABLE TALKS

In regard to your “Crystal Cups,” keep Them clean; but watch out in washing Them that you don’t use too hot water because They are pure crystal, and They do crack if the water becomes too hot. Try to wash Them in the upright position, although there’s nothing wrong about twisting Them around until you get Them thoroughly rinsed.

590921.4

[when moving the “Crystal Cup”] Just take the “Crystal Cup” by the base and put it someplace that’s safe and take care of it just like you would the most valuable thing in the Universe because that’s what It represents. It really represents your Ascended Master Body because when It’s filled completely with the Sacred Fire, the Light becomes for you the Eternal Body in which you function and in which, or through which, you draw forth the Master Powers of Creation and can use Them to produce Miracles and Manifestations that produce Perfection and Happiness and Blessing to every particle of Life and helps to raise all Life into the Ascended Masters’ Octave also.

680913.2

Q. Will you please tell us about the position of the base of the “Crystal Cup” on the table. Should a flat side of the base be toward the audience, or should one of the corners point toward the audience?

Mrs. G.W. Ballard: It’s well to point the corner toward the audience because the square itself is the combination of the two triangles, and if you have the triangle that goes out to the audience and the other one comes to the Group Leader at the “Cup”—it is the way you see me use It here.

Your Heart should be a "Crystal Cup" of the Flame of Life! And what would you do without any cups on your planet? Do you not think there is an excuse for that form in existence? If you had no cups on the planet, would you be quite so comfortable? The "Crystal Cup" is a Great Receptacle which is a Great Treasure House of Supply! Our Supply of the Powers, Power, and the Light of Life must come to bring you Manifestations from the Octaves above!" *The Voice of the "I AM," 52:5:15*

VIOLET FLAME GROUP MEETINGS

OUR BELOVED ASCENDED MASTER, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.

**LOVINGLY, “I AM,”
MRS. G.W. BALLARD**
