THE VOICE OF THE "I AM"

BY THE ASCENDED MASTERS AND THEIR
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

BELOVED SAINT GERMAIN SAYS: "These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters' Words in those Books always carry Ascended Masters' Radiation from the Ascended Masters' Consciousness and the Ascended Masters' Octave of Perfection. . . .

"And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the 'I AM'* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters' Radiation is *not* in those books and will *not* be!

"So I say that for everybody's Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any that you find in the Saint Germain Series or The Voice of the 'I AM' or in the Dictations! . . .*"

Beloved Ones of the Sacred Fire, tonight as We draw into the atmosphere of Earth those Activities of Our Love, the Sacred Fire Action of Its Control of physical conditions, and the Almighty Power necessary to expand the Power of Purification in this world, I ask you to become a part of Us as closely as you possibly can. It takes wave after wave, My Dear Ones, of the Sacred Fire's Eternal Purity from Our Octave—of that Love that simply moves Its Purity into outer expansion; and Its Sacred Fire consumes everything unlike Itself.

This is the only Redeeming Power that the Great Law of Life in the Great Central Sun has provided to harmonize any condition in this world or any other. Be assured, the Sacred Fire of the great Love of Life is the most Powerful Force in manifestation anywhere in this System of Worlds. And when We offer Our Love, It is not just a passing wave of feeling or consciousness that harmonizes you for a time and then passes on or is withdrawn. When We offer you Our Love, will you please realize We are giving you Our Life—Our Life that has manifested Perfection on Venus for aeons of time. Therefore when We give you part of Our Life, It will manifest that same Perfection in you and for you that It has manifested on Venus.

Try to remember, there are six other Lords of the Flame who have come from Venus to the Earth as well as Myself. They are constantly pouring Wave after Wave of that Sacred Fire of Their Life and Their Love through the physical structure of Earth through the minds and bodies of the people, through the atmosphere of Earth, and through the Powers of Nature and Forces of the Elements, to consume and keep consumed a certain proportion of the discord generated by mankind in order to permit the Powers of Nature to grow and give mankind their blessings by which the physical bodies of mankind are sustained to go forward and release the Powers in each Life Stream to produce Mastery here, produce Perfection here.

We do this through many channels; and try to remember, there are countless Legions of the Sacred Fire who come with the Lords of the Flame from Venus and pour that forth constantly, day after day, throughout the world in order to keep supply coming forth to those Life Streams who embody here. It takes this constant Outpouring of the Purifying

Sacred Fire of Our Life, the Love of Our Life through the waters of the planet—it takes this Sacred Fire through the oceans of the world in order to keep enough Purity to sustain life upon this planet, to sustain the bodies of the people, to sustain the activities of Nature that constantly pour forth the pure Life and Purifying Activities of Life to enable constructive activities to manifest here, expand, and release the Perfection that ultimately not only makes this world a Sun in the system, but makes every human being who embodies here and gains the Ascension a Sun Presence also.

Mankind needs to understand these mighty Inner Activities of Life that are so magnificent, so All-powerful, and so loving in Their great, magnificent Perfection that is manifesting everywhere in Infinity, and must of necessity manifest here. Therefore one day, sometime, somewhere, there must come this Perfection to every human being who embodies here. This Perfection must come into the Powers of Nature and the Forces of the Elements—to the very structure of Earth itself.

The Lords of the Flame from Venus and those from other planets in the system that are pouring Their Sacred Fire Purifying Love to the life of this world continue not only to purify and hold the balance, but They continue to expand. And this is the Infinite Power within Life to move Perfection into existence and continue to expand It until It is the Almighty Power of Perfect Manifestation. So within Life Itself is the Eternal, Almighty Power of the “Beloved I AM Presence” to manifest Perfection, sustain It, expand It, and let It reveal Its Glorifying Presence to all Life throughout Infinity.

When the Great Cosmic Law makes Us the Authority to purify or sustain and control a planet and those upon it,

that it may go forward to the Destiny and Fulfillment of the Divine Plan of Its Perfection, then surely the human beings of this world ought to know of Our Existence. Now there must come to the consciousness of the people not only the awareness of Our Presence—there must come the understanding of how to cooperate with Us. There must come the acceptance and understanding of the use of the Sacred Fire if they are to be free. That is why the Mighty Saint Germain brought forth this Knowledge of the “Beloved I AM Presence” to awaken mankind out of the human concepts that have been the darkness of the centuries past. And that darkness is the limitation of the present. That darkness is what has planned the destruction of the future, and it’s part of the sustaining power of the destruction of the present.

We are the Great Cosmic Law’s Action of the Sacred Fire to force the Purification that awakens the mind, purifies the feeling, and compels the attention of the outer self to turn to those Great Powers of Life that are the Master Presence of manifestation everywhere. Now there comes under Our Direction uncountable Legions of the Sacred Fire, so when you need this in outer world conditions to more quickly consume human creation, when you understand that by your Call to your “Beloved I AM Presence” and to Us, you can have the Assistance visibly and tangibly in your own experience and your own world and your affairs—of the Legions of the Sacred Fire who come under the Direction of the Lords of the Flame from Venus.

The Mighty Archangel Michael offered you last night the Legions of the Angelic Host who hold Cosmic Christ Control of certain conditions here that come under His Direction and the Direction of others of the Archangels. We also have Limitless Legions of the Sacred Fire who are

under the Direction of the Lords of the Flame from Venus. If you will understand this and call to your “Beloved I AM Presence” and send your Love to these Legions, it becomes your moral duty, your Divine Responsibility, and your privilege to have this Assistance brought to your Nation and the activities of the outer world.

When you think of Us or think of those Legions of the Sacred Fire who, just passing through a locality, can consume epidemics or plagues or human creation and prevent disaster, then—I hope you will comprehend this tonight—understand that you can become one with Us because all Life is One; therefore you can become one through your attention. And through the Love in your feeling you can *command the outer self to feel oneness with the Lords of the Flame from Venus; you can command the outer self to feel oneness with the Legions of the Sacred Fire who are already within the atmosphere of Earth rendering Their Service for the Purification of the world.*

And you cannot only feel yourselves one with those Great Beings who come to render this Service, you can *command the outer self to be aware of Us, be aware of Our Service, understand the Help We have given and will yet give, and make yourselves one with the Power that will render the same service wherever you abide*—if you will accept this tonight. (*applause—audience rising*) Thank you so much, Precious Ones. Won’t you be seated, please, and just remain so.

I wish you to realize deeply—understand this thoroughly—that the Legions of the Sacred Fire that come under the Direction of the Lords of the Flame from Venus are the Heart Realm of the “Beloved I AM Presence” in the Great Central Sun. You can feel yourselves one with that. You can command the outer self to feel It. You can call to your

“Beloved I AM Presence” and to Us to make you feel it. And there will come into you such Peace as you have never known. There will come into you the Blessings that only the Sacred Fire’s Love can bestow. And these will enable your own “Beloved I AM Presence” to expand through you much more quickly more of Its magnificent Master Powers of Life which It is constantly trying to bring into your outer use, that the world around you may outpicture its own Divine Plan fulfilled, may create and manifest here permanently the Heaven on Earth that is the Destiny of you, your world, this world, and life wherever you abide.

Try to form the habit of making the intellect understand and remember: your Destiny is Perfection. The Power to produce It is the Sacred Fire of your own Life, the “Mighty I AM Presence,” and that from the Ascended Masters’ Octave, the Physical Sun, and the Great Central Sun, and the Love that is the motive Power of all Life in existence everywhere—It is the Expansion of Perfection and the forward movement of all Creation that is constructive and fulfills the Divine Plan.

So when you *call for the Lords of the Flame’s Legions of the Sacred Fire’s Control of everything around you and in your beings and worlds by the Love from the Heart of Creation*—It will contain the Violet Consuming Flame and every individual Activity of the Sacred Fire that creates and produces Perfection, sustains It, expands It, and then gives It to Life everywhere like the Physical Sun gives Light to the Earth. That is your natural action of Life, just the natural way that you were meant to live before discord came into existence in this world by mankind’s experiment with the use of the energy of Life without turning back to the Source and the Plan of Perfection that is the Destiny of Creation.

You have a tremendous responsibility, Beloved Ones. You are a cocreator with the “Mighty I AM Presence” in the Great Central Sun. Your Destiny is to help govern the Universe around you by the magnificent Sacred Fire Presence of your “Beloved I AM Presence” which is connected at all times with the Great Central Sun. The “Mighty I AM Presence” there, your “Beloved I AM Presence,” the Heart Flame within you, is all connected; and you, of your own Free Will, choosing to help govern the manifestations of the Universe by the Sacred Fire from the Great Central Sun—you will go on and on until there is naught can exist where your Life abides but the Perfection of the Ascended Host.

You, while yet unascended, have the Power to draw into this world by your Calls and your Love to the Lords of the Flame from Venus—as well as to your “Mighty I AM Presence” and others of the Ascended Host—you have the Power to draw here Ascended Master Perfection. You know not yet the marvels and wonders of the great Love of Life that has placed you here, the great Love of Life that constantly sustains the Blessings that supply you here, and the magnificent Intelligence of the great Love of the “Mighty I AM Presence” of each of you and in the Central Sun, that contains the Wisdom, the Intelligence, and the magnificent Powers of Creation that are ever trying to give Their Blessings to you.

And if you care to go deep into this and get the Realization that will enable the Powers around you to be focused by the Lords of the Flame from Venus that create Perfection everywhere, *call your “Beloved I AM Presence” and the Lords of the Flame from Venus to charge into all of your life Their Fiery Love and Sacred Fire Powers that produce only Perfect Manifestation and that contain the Invincible*

Fiery Illumination that knows aeons of time ahead, as well as aeons of time in the past, that which the Divine Plan has manifested, will manifest, and can manifest right now in this world.

We are not at the mercy of mankind's discordant creation. If it were not that mankind has to make conscious effort by conscious command, conscious use of intelligence, and conscious direction of energy in order to expand the Unfed Flame in the Heart and let the Sacred Fire take Its Dominion—if it were not for that, My Loved Ones, the Lords of the Flame from Venus could have trod the pathway of mankind of this world long ago and consumed everything mankind has created that is of discord.

Try to realize these Great Beings who are Masters of the Sacred Fire everywhere in this System of Worlds are at all times ready to comply with anything and everything that is constructive in manifestation. We are ready to hold Protection for all that is Purity. We are ready to release anything that will give you the Perfection of Life. We are ready to help your “Beloved I AM Presence” draw forth Its Magical Powers into your outer use to make your pathway like Ours in the future. And the Love of the Sacred Fire, the Container of all that is Perfection must be understood, must be desired, must fill the outer self and the world around the outer self with those Activities of Our Life and the planet Venus and the Great Central Sun. You must call Them here if They are to be Master over mankind's discord here.

The human beings of this world need not stay in limitation any longer than they want to. The great Law of Love, the great Law of the Sacred Fire, the great Law of the great—the “Mighty I AM Presence” and the great Creative Word of Life—the great Law of Existence is Perfection and

the Love of that Perfection that simply loves to expand It, and give It everywhere into manifestation. And there's no part of Life that cannot have It if the outer self will make the Call and *demand the Purity and Harmony in the outer self that is worthy of the Perfection that controls Systems of Worlds.*

This is the Almighty Power of Life, the Mastery of manifestation, the ever-sustaining Perfection of the great Divine Plan in action everywhere. So from this hour, when you think of the Lords of the Flame from Venus, when you think of the Love and the Patience and the Purity We have poured to the people of Earth through the centuries, *call the Lords of the Flame from Venus' Legions of the Sacred Fire to come in and possess this world, come into you and possess you and your world, come into your city, your state, your Nation and the world, and possess and control this world until the Purification that is the only Divine Plan made manifest takes the place of the chaos, the disorder, and the torture that Life is under until it is consumed.*

Your Mighty Saint Germain all through thousands of years has worked for this Purification; and as Angel Deva of the Violet Flame at this time, having taken the Responsibility of purifying the Earth and all upon it to bring Freedom to life here, I assure you, wields unlimited Power of the Love of the Sacred Fire. And We stand at one with Him to release into His Activity and those of His Family of Freedom all that the Sacred Fire contains and can give, all that this world needs, if those under His Radiation will understand this and make the Call and use It, instead of using the mistaken ideas of the human way of trying to solve problems and trying to live in a world that is in chaos and in darkness and is in distress.

You may seek for Eternity and you will never find anything to produce Perfection or lift you out of these conditions but the Sacred Fire. And that's what your "Beloved I AM Presence" is. It's what every Ascended Master is. It's the Cosmic, Creative Activities that have created and possess and control and sustain the planet. Would It not sustain you if you feel you are one with It? And if you don't know how to feel you are one with Us, COMMAND!—and I assure you, We have plenty of Power to make you feel Ourselves. *(applause)* Thank you so much.

Now when you *call to your "Beloved I AM Presence" and to Us to make this outer self feel Our Sacred Fire Mastery over all manifestation, and you call to Us to fill everything in your beings and worlds with Our Sacred Fire Love that establishes Eternal Perfection by that Sacred Fire Love from Venus*, you can build that into your beings and worlds just as easily as an architect can build a house or a building or a city full of buildings. There is only one Creative Power in the Universe, and that's Life. The Law and Order by which It manifests Perfection is the Love of the Sacred Fire; and if you *demand that everything in your being and world from this hour be compelled to become the World of the Sacred Fire Love from the Lords of the Flame from Venus*, We can enfold you in a Sun Presence of that Love—make It one with your Life. Your "Presence" is one with It. You can fill your beings and worlds with It; and then when you *ask for the Lords of the Flame from Venus to manage your outer affairs, to manage your Nation, to manage all that you contact*, the Sacred Fire will go forward and you, remaining at Peace within that, abiding within Its Eternal Purity, can have revealed to you the Way and Means of bringing the Divine Plan's Fulfillment into every activity that the outer self can experience.

So Our Legions are limitless. They are Invincible, Boundless Power. They are All-intelligence. They are Invincible over everything wherever They move, and They are Eternal Help to Life. So the Lords of the Flame from Venus must of necessity hold Command in this world. We have come to purify and render this Service. Therefore those of you who know of Our existence can have unlimited Help if you care to cooperate with that great Work to which We have placed Our Hand, and which your Great Divine Master has taken the Responsibility of bringing into outer conditions until they are compelled to be the Purity that is Eternal Perfection.

So We are not only His Coworkers; We are the Law, the Authority of the Sacred Fire to compel Purification to the Earth and all upon it. And those who know of Our existence and are wise enough to stay with Us, and by conscious command and use of the Love which We offer—We can move forward into outer conditions much Assistance quickly. And you can take out of the hands of destructive forces again and again and again the so-called power of the sinister force to any longer desecrate the Blessings the Great Creative Law of Life, the “Mighty I AM Presence” has placed here in this world.

Now Blessed Ones, don't think We're imaginary. We are more real than any unascended being—We are Reality Itself. We are Eternal. We are All-authority. We are Cosmic Power without limit. We are the Sacred Fire Control of Manifestation, and Our Love, I assure you, contains all of anything to handle any situation. So from tonight, if you will feel you are part of Our Legions of the Sacred Fire—and those Legions under the Direction of the Lords of the Flame from Venus can spread the Radiance of Their Love,

can compel Purification, can supply without limit, can always protect that which is constructive. If you will only command It into manifestation in this world, It will come a thousand times out of a thousand. You cannot be refused nor fail once if you set this into action with the determination and realization you are one with the Authority of the Sacred Fire to compel Perfection manifest, because that is the Divine Plan of your own “Beloved I AM Presence” wherever manifestation exists, wherever you pass by, wherever you gain your experiences to take you to your Ascension.

So My Dear Ones, once you know of Our Presence, the Cosmic Law obligates you to *call the Power which We are into physical conditions to correct them*, that your pathway may be easier. And in rendering that Service to the rest of Life, you automatically are drawing yourselves nearer to the Ascension. So from this hour I hope you want Our Love so intensely that you never forget to *call It into existence in and around you to do for you and through you what nothing else but Our Love can do*, because We’ve taken the Responsibility. We must offer you Our Life because We must do in this world, through you, that which has to be done in order to purify and set the Earth Free.

So go forward and realize the Power that the Lords of the Flame from Venus direct is beyond any human comprehension. But you can experiment with It until you become one with It, and then you will understand It. And as you use It, you become the everlasting Blessing of the Sacred Fire to all manifestation wherever you abide. And that is the Power that controls everything forever. May you realize you are one with the Love of Our own Life. And the Legions of the Sacred Fire that come under the Direction of the Lords of the Flame from Venus, because They are Love

to Life, love you—love to help you, want to release Their Love to help the world; and you, if you will feel yourselves one with Them, will realize how great is your privilege.

No greater Gift can you find anywhere in Eternity than the Sacred Fire Love that produces Perfection for all. When you feel yourselves one with that, you become Its Manifestation; and as you create that in the outer world to bless the rest of the Life, you will know no longer the distress of the human. May you be free from this hour and feel Our Love enfold you in such Power that the world becomes a Sun Presence to you of Our Love until the shadows of human distress are forever consumed.

Go forward and take your Freedom from tonight. With all My Love I bear you the Love of the Seven Kumaras from Venus. And in that Authority which I am within Their Service to Life, you, too, can become that Authority to the rest of Life wherever you abide. And you will not be concerned with anything except the manifestation of that which brings Happiness to Life, magnificent Perfection everywhere, and glorifies all that is with a Majesty and Power of Ever-expanding Mastery.

Go forward and try Me out! I am willing to prove My Words, for They are the Law of Perfect Manifestation. When you want that, feel yourselves one with Us, and Our Love will help you to the manifestation of your Hearts' Desire. Thank you with all My Heart.

MRS. G.W. BALLARD

Thank you, Beloved Nada [Rayborn]—Precious Hearts who are guarding the younger generation. We thank You and bless You, and we do ask You to bring such Happiness to these Beloved “I AM” Ascended Master Youth! Every day give them a billion times more Happiness than the day before—Happiness that is eternal in such Power and Love of that Violet Consuming Flame that as soon as they desire to do that which fulfills the Divine Plan, automatically it comes into their use until they are able to set all free everywhere they abide.

TO QUESTIONS FROM THE "I AM" STUDENTS**

THE DIVINE PLAN OF LIFE DESIGNS OF PERFECTION

To show you that the Divine Plan of Life everywhere in manifestation is something that is beautiful and perfect: Life thinks that is so necessary for the infinitely small to produce designs of Perfection that this fundamental pattern goes on everywhere. In everything in the Universe, the Divine Plan of everything is a sphere, and within that is the cross—the currents of energy that flow in the form of a cross. When we blow up these pictures that Palomar has taken, every sun has a cross within it, and every planet has a cross within it.

I have the color photograph—it was in one of the magazine sections of the *Chicago Tribune*—in which the scientist took just an ordinary stick pin; and he photographed the point of the pin and enlarged it 250,000 times. And what do you think the pattern was? It could have been the most beautiful oriental rug pattern you have ever laid your eyes on, and everything within that was a circle with a cross within it. And the colors were the most beautiful variation from a pale cream to a beautiful deep brown. The first pattern was just like that—a square with these spheres at each corner, and as it was enlarged, on

ROUND TABLE TALKS

the other side of each one, that pattern was duplicated. That pattern was symmetrical. It was beautiful, and it was perfectly balanced color.

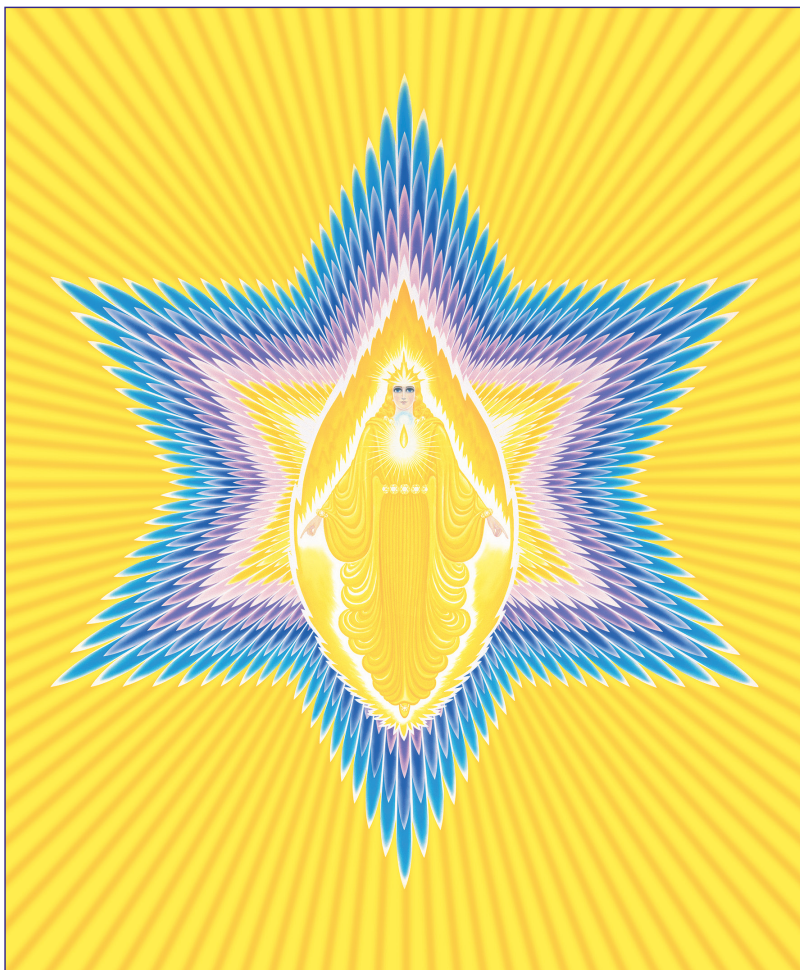

And that is what is on the point of a pin! So the great Consciousness of Life that creates the manifested Universe thinks that Perfection in the infinitely small is just as important as the Perfection in galaxies of Systems of Worlds. We ought to think of Perfection exactly that same way; and if we don't produce Perfection, then we do produce imperfection. It isn't a complicated thing. There are only two things in the Universe: something constructive or destructive—harmonious or otherwise. And it doesn't take a prophet to tell anybody which is which.

BELOVED MIGHTY VICTORY

BELOVED MIGHTY VICTORY

Beloved of the Light, the Heart of the “Beloved I AM Presence” is a very wonderful Presence of the Sacred Fire’s Love and Life from the Great Central Sun. And We are privileged to draw It into outer activities with which mankind is concerned; and wherever there is human creation being allowed existence in this world, never hesitate to *call forth whatever Cosmic Concentration of the Great Central Sun’s Sacred Fire is necessary to annihilate everything that does not give Blessing to life, all that causes distress to life, and all that has become a limitation to life.*

Try to feel your responsibility. Once you have become aware of these great Powers of the Sacred Fire of Our Presence and the Ascended Masters’ Octave, please feel your responsibility to draw the Highest Powers of which you are aware into the physical conditions of this world to produce Purity first, and then to establish Divine Order that reestablishes a balance on the structure of Earth itself. And I’m speaking now of a balance of the things that are on the surface of the Earth. Through discord, mankind has produced such chaos in the Powers of Nature and Forces of the Elements that the natural flow of all that would bring Blessing to Life—that flow has been interrupted, distorted, and directed in many directions where it does not produce the harmony and the balance that must come.

So in your *Call to Us for all the Sacred Fire necessary to compel the Almighty Victory from Venus to come into the physical conditions of this world*, you can have unlimited success, you can have unlimited Assistance, and you can have permanent Victory over discord and limitations. And it is to bring this into your individual lives that I am come

this afternoon, to intensify as much as I may the Cosmic Concentration of the Sacred Fire Love from Venus that is forever the Purifying Presence of Eternal Perfection. We want that as a Blazing Heart of the Sacred Fire to enfold you in Our Power of Protection, Our Power to produce Perfection in outer activities, Our Power to hold balance wherever you abide and be the Activity of the Love from the Great Central Sun Magnet to draw you up and into that Octave of Vibratory Action whereby the Light can bring you the Illumination and Purity by which you attain your Ascension.

So in rendering this Service and calling Our Heart Flame of the Sacred Fire Love from Venus and Its Almighty Law of Eternal Perfection into the physical conditions of this world, you become the Raising Presence to all conditions around you in which you abide. Therefore they must of necessity become better! They must of necessity come into Divine Order and Balance; and there must come, naturally, the greater Purity which the Sacred Fire always brings and which Our Love brings from Our Great Realm of Life's Perfection.

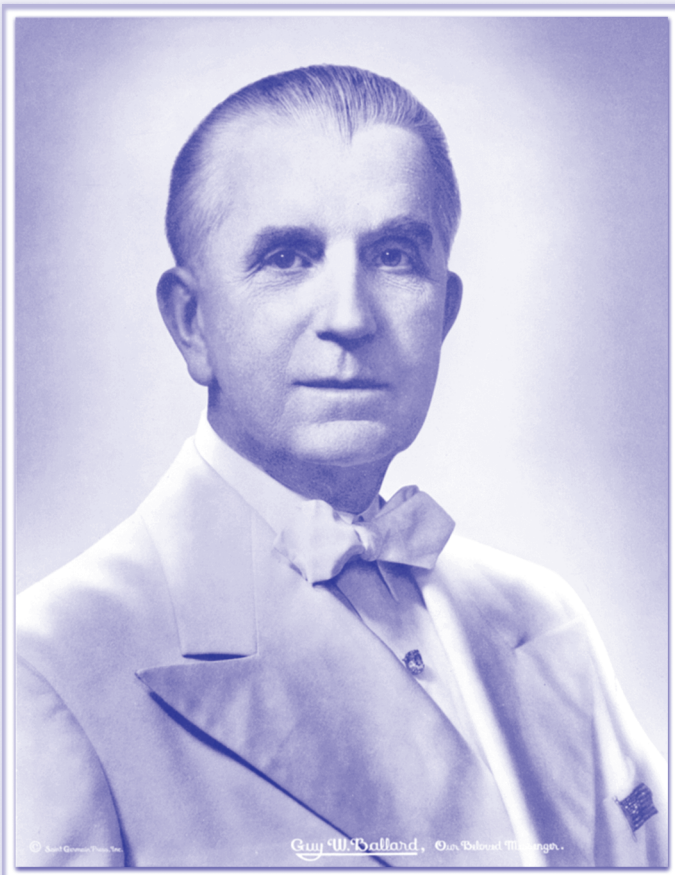

So as you make yourselves an individual Sun Presence of Our Heart Realm of Love from Venus—Our Heart Realm of Sacred Fire Love—try to know that that is Our Master Control of any condition in this world by which We can change in an instant conditions in the outer world into something better than they are expressing at this time. And you can be just like a Hand or an Arm from one of the Great Beings on Venus to move in outer world conditions the Perfection which We must build here. You can become an extension of the Heart Flames of the Seven Mighty Kumaras from Venus, the Heart Flames of all who have come to the

Earth to help purify conditions here, until the Love of the Sacred Fire expresses in outer world conditions that are to be established here permanently, and which are Eternal Perfection—therefore, eternal constructive action. You are the Hand of the “Mighty I AM Presence” and the Ascended Host to help Us build here the Perfection that is Our natural way of Life. You can have It! (*applause—audience rising*) Thank you so much.

Now for just a moment, if you will follow Me on this Call, I wish you to acknowledge this brought into the physical conditions so the channels in which you move will be more harmonious to you. Please acknowledge: (*audience repeats phrase by phrase*) “I AM” the Heart Love from Venus! “I AM” the Heart Love from Venus! and the Garden of Victory’s Heart! and the Garden of Victory’s Heart! that establishes Perfection here for Eternity! that establishes Perfection here for Eternity! And I command this to rule! And I command this to rule! in Cosmic Power! in Cosmic Power! that compels Purity! that compels Purity! Love! Love! and Victory here forever! and Victory here forever!

Thank you so much. Won’t you be seated, please.

I want you to feel that this comes—and carries with It and is an Eternal Protection to anybody and everybody or anything where you call It forth; for the Heart Love of the Perfection from Venus is Eternal. Therefore It is everlasting Protection. If you want It into the conditions of the outer world, then as you call for the Violet Flame Purity first to establish the condition so that Our Love can bring the eternal building activities of the Perfection to this Earth that is Our Love’s Gift to this civilization—you can be architects, so to speak, of the magnificent civilization, the Temple of Eternal Freedom, the Almighty Happiness and Power without limit

**THE ACCREDITED MESSENGER,
GUY W. BALLARD**

**THE ACCREDITED MESSENGER,
EDNA W. BALLARD**

that lifts Life everywhere into the Ascension and brings Luminosity into the substance of this world before that Ascension is attained.

So I have many motives, so to speak, in offering you the Love from Venus today, because We can accomplish three or four things at the same time, as you are willing to give this Decree. When you acknowledge, *“I AM” the Heart Love from Venus, establishing Eternal Perfection in this world, My Dear Ones*, there are Legions that can come to your assistance. There are Legions that will have to come to this Earth to build the Perfection here that is the Incoming Civilization. And you are architects of the Eternal Freedom of Life. You are laying the foundation when you do this, by which the physical manifestations of this Nation or the world will come into outer existence that can be made imperishable and self-luminous.

So you can be the builders of the Happiness, the Freedom, the Perfection, and the Victory of the Ascension. You can help to be that for the structure of Earth itself and for the mankind who pass this way. Do not be afraid to *acknowledge that you are the Heart Realm of Love from Venus!* This is an Activity and a Power of Creation that I assure you, the hordes of the shadows do not care to approach. That is why I say It carries automatic Protection to all who will dwell within It, to all who will draw It into the conditions of the physical structure of Earth Itself to be Eternal Purity and Eternal Perfection here—because Our Heart Realm of Life, the Sacred Fire Love from Venus, is so All-powerful, and is to be given as the Life of the Incoming Perfection to this Earth. As It comes into the physical structure of Earth, It carries an atmosphere of Its Own. It carries Its own Force Field, Its

own “Illuminosity”—Its own Luminosity to bring to the structure of Earth itself the Purifying Love that one day makes your substance Self-luminous.

Therefore those who use It can be enfolded in Its same Qualities. And if you should *so desire to have an atmosphere about you that brings the Peace and the Purity and the Harmony of Our Love into the substance of your flesh and into the energy of your feeling*, you would soon find as your momentum increases in the use of this, there would come in and around you a soft Light, a glow at first. And then that can be intensified until one day, after you have used It over a certain period of time, We can make It Eternal about you. It can illumine your pathway. It continues to illumine the mind, and all the feeling that goes forth from you would carry the Blessing of Our Light and Our Love from Venus to the Life that you contact.

We can give It to you; and you in turn, can give It to others. And so the Blessing goes on, ever expanding Its Happiness to Life and ever using the greater Powers of Our Perfection in outer world conditions here until mankind awakens to the use of those Powers also. And you *can*—you can dwell in the Realm of Our Perfection by the use of Our Heart Flame of Love. When you *call forth the Heart Love from Venus into yourselves or into conditions around you*, My Dear Ones, only as you use It and feel the relief from the pressure of mankind’s struggle and discord in the atmosphere about you will you realize what Freedom is yours, what Power comes to abide with you and help you do that which is your service to Life in the future and is the perfecting of this world, that It may release Its greater Blessings to the System to which you belong.

This is of tremendous importance, especially to this Nation, because since the ground of the United States of

America is the Heart Center of the Earth, this which We offer today to bring into the physical structure of Earth not only is a Purifying Presence, but It is a protecting Control of certain forces playing through the crust of the Earth; and in that Control It would pour forth the Purity and continue to harmonize and hold the Power there that keeps Balance, Protection, and Purity in this portion of the Nation.

So wherever you abide, you can *call forth the Heart Love from the Great Beings on Venus to be a stabilizing Activity in any activity of the outer world, so long as it be constructive*; and you can be the Strength of the Light in the Nation that holds enough Harmony in and around you and in the structure of Earth to keep the sinister force from generating the destruction and the discord that it intends.

This is like a projection of a portion of Our planet into yours to hold here the Control of all the forces by which you are surrounded. My Dear Ones, you can ask for this to be established permanently in the atmosphere about you wherever you move; and Our Hearts' Love enfolding you, by your request, becomes a Mantle of Protection about you. It becomes a World about you in which you move and in which We can at any moment fill with Our Blessings, release Our Powers into your outer use, and help you to become accustomed to the Realm in which We dwell.

When I said, "You are my Friend and 'I AM' your Victory," I asked you to dwell in My Garden of Life. I was hoping that someday I could establish in and around each of you My Heart's World of the Blessings from My Temple of Victory on Venus, and reveal to you what is there so one day you, too, could build a similar Temple of Beauty and Perfection, of Love and Healing and Blessing to this Earth, that the people who come into embodiment here could be raised

more rapidly—if you care to join Us in bringing this in ahead of the time—when the general civilization comes into the outer world’s activity that is to be established for the future. This established around you by Radiation becomes a greater Strength in the people of the Nation to hold to the constructive way of Life. So I hope We may be of Service. I hope Our Love may come to Earth to replace the distress through which you have passed. It can! We are offering It! It must someday come to illumine the Earth because We took the responsibility of purifying and illumining the Earth. And so through those of you who are aware of Our Presence, who understand this Law, We can bring you the Blessings of Our Love far in advance of the rest of mankind who either doubt Our Existence or do not know that We are in the Universe.

Your very awareness of Us opens the Door and enables Us to offer this to you if you care to make your Garden of Life the same great Beauty, Perfection, and Luminosity that is the Love on Venus. So you can become that same Blessing of Love to the Life that is here that We are offering, that you may live in the World of Light; and the shadows of human creation pass you by and can no longer create disturbance in you or connect with you or interfere with your success or the Blessings that you are to bring to this Nation.

This is the Help I have offered to the Beloved Saint Germain—that Mighty Being who will yet be recognized, understood, and obeyed by the mankind of this Earth of the individuals’ own Free Will. And you can bear witness to that by the Blessings you give; and those Blessings can come from Venus. And when you *call Our Heart Love from the planet Venus*—and in Reality, We are a Sun—if you *ask Us to place the Heart Love from Venus into the structure of*

Earth, It will not only be a Harmonizing Presence, It will be a Purifying, Protecting, Controlling Action of the Sacred Fire to the structure of Earth where you abide. So It has a Protective Power to those who dwell within It. And if you would like to experiment, to know what the Heart Love from Venus contains, what the Heart Love from Venus can give you in your own feeling world, in your atmosphere and your environment, in your affairs—if you will ask this, it will be like the Sun had come in and around you to dwell with you.

And I just hope that you want Our Love enough to illumine your world with the Power that helps the rest of Life to rise higher, understand the use of this Law, and let the Sacred Fire Purity from Our Great Realm of Life come into this world and dissolve and consume that which has been imposed upon the Powers of Nature as the impurity produced by mankind's discord. O My Dear Ones, if I can make you understand what this is today, what the Blessings are that will come to you, what is contained within of the Heart Love of the Beings from Venus, you can transform almost anything by the continued use of It to control outer world conditions around you. That is always preceded by the Violet Consuming Flame. It contains boundless Supply within It; and It contains the Power that not only harmonizes you, but It becomes an Authority to forbid the approach of that which disturbs you.

So when I offered you the Garden of My Heart, It is a much more tangible Power and Reality of existence than you are aware of at this time. And it's just to get you accustomed to living in some of the greater Perfection that We have on Venus that I am come today to help bring this to you more quickly, that the Victory which I have commanded for the

Earth may first of all come and give Its Blessings to you. (*applause*) Thank you. Now one more thing. This has a powerful Healing Activity to those who care to dwell within It. If you should care to *call to your “Beloved I AM Presence” first, and then to Us—call to Myself or any of the Beloved Kumaras, any of those who are the Heart Love of Venus—if you should care to call for the Sun Presence, the Healing Sun Presence of the Heart Love from Venus to come in and around you as Eternal Healing*, impurity could no longer touch you. Discord could not approach, and you become an eternally harmonized focus of Our Sacred Fire—Our Love to Life—and more than that, Our Authority and Power to produce the Miracles of Perfection that only Our Love can create.

So you can bring Our Perfection here, at least where you abide. And that’s why I knew what I was doing when I offered you the Garden of My Heart; for the Garden of My Heart is the Heart Love from Venus by which all there has been brought into existence, sustained, and ever expands Its Joyous Activities and Miracles to Life everywhere. We represent the Beauty and the Power of Perfection that only the Heart Love of Life can create, sustain, or send forth anywhere in the Universe.

The Heart Love from Venus is a very great Power. I hope you may experiment with It and be blessed thereby. I hope you may use It to protect yourselves and all that is constructive. I hope you may call It into existence to illumine your world, your pathway. But most of all, I hope you will *call It into existence for the Purification and Freedom of your Nation, that My Command for the Victory of the Sacred Fire Love to come into the Earth and do away with mankind’s human creation may shed Its Blessings to the Nation; and*

the Nation, blazing Its Light, pours that forth to the rest of the world until My Decree—given by the Power of the Sacred Fire—becomes the Authority of mankind’s action in this world, becomes the Authority in the feeling of individuals in this world, and becomes the Atmosphere of Eternal Purity by which the Mighty Saint Germain’s All-purifying Freedom takes Its Dominion, fills the Earth, awakens mankind, and compels all to face the Light from the Great Ascended Masters’ Octave and from the Temples of the Sacred Fire that are constantly giving the Perfection that must someday illumine this planet.

In doing this, you illumine your own beings and worlds first. And as you go on in the greater use of this Love that is the Heart Power from the Great Central Sun, you, yourselves, enter into the Eternal Peace, the Beauty, the Happiness, the Mastery, the Perfection that only that Love can give. And the Beings on Venus are ready to give It to you without limit, without money, without price—only for your Obedience to your “Beloved I AM Presence” and the Mighty Master Saint Germain, and your calling of It into this world to make this world the Garden of My Heart.

And I hope that the Nation that is the Heart of the World may be filled with the Blessings of the Love from My Heart until this world and Our World are one for Eternity. Only Love can change the conditions here and free mankind from distress. So if you want healing, if you will *ask that the Heart Love of the Sacred Fire Victory from Venus come into your flesh bodies and pass through them and enfold them, and We hold you in the Flame of Our Heart Love from Venus.* You can only know how wonderful It is as you open the Door and let It come in to enfold you and teach you of Itself. The Angels who direct It—there are no words to describe Their Power, Their Beauty, Their Music, and Their Healing Love.

So Beloved Ones, when you think of the Heart Love from Venus, will you try to *ask your “Presence” and Us to illumine that to you and tell you the Ascended Masters’ full Truth concerning It, that you may use Its Cosmic Power in whatever you do in this world*, so as to harmonize, as much as possible, the conditions in which you move, that your way may be easier, and that Light and Love that you establish here goes on and carries Its Blessing to all who contact It.

We give you the Scepter of the most wonderful Power to produce manifestations in this world that can astound anybody and everybody wherever you command this to come into existence and take the place of that which has been mankind’s suffering and limitation and distress of the past. I hope that you want Our Love enough to turn your back on the misery of this world and let Us make you the Heart Love of Our Blessing to Life that We want to bring here to forever prevent anything of disease or distress or limitation any longer being allowed existence in this world, or at least where you abide.

So the speed and release of that depends on those who care to use It. We offer It! If you care to reach up and use It, We can bring you more. If mankind is not interested, then Our Love must wait until the shadows are consumed, and mankind—within the feeling world—wants to know something more about the Heart Love of Creation, the Sacred Fire’s Law and Power that produces all Perfect Manifestation everywhere throughout Infinity.

You can just as well have It produced here today or tomorrow as you can a thousand years from now. We are ready to give It. It’s already in existence on Venus. The Sacred Fire’s Almighty Authority is the Law of Perfection

everywhere. Our Love is ever ready to raise the rest of Life to the same great Purity and Perfection of Our Eternal Happiness; and those under this Radiation who understand this Law, if they want to be happy, I say and I challenge you: *Experiment* with this, and see for yourselves what We can do! (*applause*) Thank you so much, Precious Ones.

And I say to every human being on the Earth who doubts Our Reality or Our Existence: I challenge all Life to make the Call and hold the Harmony and see whether We're real or not! We are not afraid to be proved; but the human is not eternal, Thank God! Therefore it must someday cease its disturbance; and that day can be now if you join with Us and *flood your Nation, flood yourselves, flood your locality, flood your government, flood the world with Our Heart Love from Venus in such Power of the Sacred Fire that It can come and compel silence*. It can silence everything on the Earth, Its Power is so great. That's why It does produce Harmony, Beauty, Perfection, and only Harmonious Activity.

So the Garden of My Heart is open. The Invitation is still expanded. The Power is free, and We invite you into the Realm of God if you care to abide and become the same Great Sun of Perfection and Happiness and Mastery that will raise all into the Ascension. And I say to you right now: there isn't anything can raise you into the Ascension but the Heart Love of your "Presence," of Venus, your Beloved Saint Germain. Your Violet Consuming Flame contains the Heart Love that purifies all things. It's the only thing that can or ever did or ever will raise life—the lesser into the greater—raise life out of limitation into Freedom, out of the shadows into the Light. And Our Heart Love needs to

be taught to the feeling of unascended beings until they become aware of what it means to be incapable of hurting Life. That's the Power I am speaking of. That's the Power that can create a planet or a system of worlds. So if you care to fill yourselves with this, I will not be very far away. If you experiment with the use of Our Heart Love and Its Sacred Fire Mastery over manifestation, I will be able to bring you some surprises that will protect you, make you happy, but introduce you to a Freedom that as yet you've never known.

So if I may experiment with you as you experiment with Our Heart Flame of Love, We shall have some very interesting times, and My Command for the Earth's Purification and Victory becomes a Reality in outer physical conditions. And I assure you, there is the time coming when it is going to be impossible for mankind to fight. (*applause*) Thank you so much. We want that to come as soon as possible. If you will use Our Heart Flame of Love here, It will come quicker than if It is not used.

So what We do to help you—if you will accept It and use It—will automatically help your loved ones, help the outer world activity, and make the problems of life less in this world; and the shadows of human creation can be withdrawn sooner than they otherwise would. So this helps to bring in the conditions that will release the world from as much of human creation as possible at this time. So I welcome you to the Powerhouse of My Victory! I hope you will love to dwell in the Garden of My Heart's Love, and I can introduce you to many Powers of the Sacred Fire of which none in this world know anything.

So as you begin to use this in outer, physical conditions, keep your own council! hold the silence! *Demand Immortal*

Purity, and then command that the Heart Love from the Great Beings on Earth comes into physical conditions and possesses and rules the Earth for Eternity. And this is the Service of the Seven Mighty Kumaras who have but to look, and the Flame appears. They have but to smile, and the Love is given that takes possession of Its Own and closes the door of experience to any more distress.

So help Us to close the door of mankind's experience in this world against any further distress. And the only Door that is safe is Our Hearts' Love and Its Sacred Fire Power which We command to produce My Victory. And none are master over Me! I offer that to you today. I offer you My Heart's Flame of the Victory of the Love that has created the Perfection on Venus, and It will create the same Perfection for you. May I clothe you in a Mantle of Its Substance. May your world be a Sun of Its Flame; and wherever you abide, the Purity and the Love and the Happiness within It will ever keep the Door open to Me; and My World and your world will become the Garden of My Heart.

I commend you to your acceptance of My Invitation to My Realm of Experience, that I may show you what is to come in this world, and you become the master over conditions. You have all Authority and Right to forbid anything of distress to ever approach you again because My Realm of Life is untouchable by discord. So if you dwell in the Garden of My Heart—My Heart's Flame of Love to this world from My Temple of Victory, I assure you, contains that magnificent Violet Consuming Flame. And My Fiery Love for that is what has become My Momentum of Victory for ages past, and I am ready to give It to you to establish Perfection for the ages that are yet to come.

I commend you to the Love from the Heart of Venus, and the Powers It can bestow will ever hold you in the Happiness of the Ascended Masters' Octave until you come to Us for Eternity. Thank you with all My Heart.

— *DECREE* —

“I AM” the Heart Love from Venus and the Garden of Victory’s Heart that establishes Perfection here for Eternity! I command this rule in Cosmic Power that compels Purity! Love! and Victory here forever!

ON THIS EASTER DAY

BELOVED JESUS THE CHRIST

Mankind have but to look up to that which is greater than themselves; and calling forth the Love and the Power of Light's Perfection, they may move forward even amongst the shadows, and they will be the Light in the darkness which moves forward to Victory. There is no Freedom—there is no Victory on this Earth without Our Love and without Our Light of Perfection. Mankind may try to solve their problems again and again and again by the human intellect, and exchange one effect for another; but on this Easter Day with your Great Master Jesus, I say to all creation: Love alone is the Law of Light to the manifested Universe of God's Life. Therefore, that Love and that Light of Perfection are Power without limit.

Beloved Sanat Kumara, *The Voice of the "I AM,"* 76.4:7

LORDS OF THE FLAME FROM VENUS

BELOVED SANAT KUMARA

When We are called “Lords of the Flame,” you scarcely understand what that means. It means that every manifestation that comes into existence by Our Conscious Command is the Projection of a Flame. And from within the Heart of the Flame, which is the Heart of Everlasting Love, comes the Illuminating Perfection that produces what you call Miracles, produces Manifestations in the world, produces magnificent Blessings through the Powers of Nature and Forces of the Elements, produces Suns and Systems of Worlds. Record CD 1105

There are unbelievable, Limitless Legions of the Sacred Fire from Venus whose Power is so terrific in Its Cosmic Onrush, It can become the atmosphere of your Nation and the world. When you see Manifestations of the Sacred Fire in the atmosphere, qualify Them always with the Love of the Sacred Fire from Venus, and the Authority of the Lords of the Flame from Venus to bring Victory to the Earth over all that is of evil. We need this—the Nation requires It in order to protect that which is of God within your borders.

The Voice of the “I AM,” 73.10:11

When We come to consume mankind’s discord, We come enfolded in the Sun Presence of Sacred Fire Love; and when We consume the discord, We pour forth that Sacred Fire Love to consume the shadows—the blackness, the substance that has been created by discord. And when it comes to the controlling of destructive conditions, We confine them by an Activity of the Sacred Fire that closes in upon them and consumes them. And that Activity is the Love of Our own

Life Streams. We are, each of Us, the Lords of the Flame from Venus, a Sun Presence of that Sacred Fire Love from the Great Central Sun that is ever sustained, always has existed, always will exist, is Master everywhere, and is the Power that can go anywhere in manifestation. Record CD 941; Cassette 6 0006-1

The Lords of the Flame from Venus are very real, tangible, Cosmic Beings, almost as large in stature as the Archangels—and They are some fourteen feet high. I give you the Secret of Our Presence with you, and if you visualize these gigantic Beings of such transcendent Love and Sacred Fire Power into your physical world with the *Call for Their Presence to come and send forth Their Sacred Fire Dominion*, then We can answer you without limit—and while the masses of mankind do not know of Us, they will become acquainted! (*applause*) Thank you so much. Record CD 643-AB

You know, the Beloved Victory invited you into His Garden. We invite you into Our Hearts; and I assure you, those who dwell within the Heart Flame of Love from the Lords of the Flame from Venus never again know distress—as they remember that that is where they belong and have a right to be—because they have become one in their Desire for the Sacred Fire’s Love to free life from distress; and they too, become part of Our Purifying Legions to the Earth. Record CD 643-AB

BELOVED GODFRÉ

Many new things are already brought into outer activity. I could say something this morning that even to selfish individuals would make them aware that Life does not permit any more money to go into the hands of the munitions makers—at least not the old guard—until they are completely

educated to the fact that they have failed and always will fail until they turn and serve the Light. There are certain ones in channels that have been manufacturing munitions whom We could take—some of the younger ones that do not agree with the last generation in the production of this war, and the younger ones do not really want it—and if they would turn their attention to the manufacture of these new materials, they would make a thousand times more money than all they have ever done or thought they would attain through war. But the old guard is not going to have that.

This which I am asking you to do this morning—in business channels—We want to amplify by a certain Power from Venus. Victory draws some of It and Sanat Kumara draws some; and the Lords of the Flame from Venus will give you great Assistance *when you are determined to put the Heart of Divine Love into business*. Then will Life as a Being serve mankind harmoniously and beautifully and joyously, until such time as the mass of mankind have drawn forth more of the Powers of Light to the point where they can precipitate for themselves.

BELOVED VESTA SPEAKS ON THE HOME LIFE OF AMERICA AND INOCULATIONS

Beloved Ones of the Mighty Saint Germain's Family, We have come tonight to strengthen within the home life of America—and especially the United States of America to begin with—the Demand and the Desire for Purity in the home life of the people. I am the Guardian of the Activity of the Sacred Fire in the home, and whether that be the home of an individual or individuals or the home of the world, matters not; it is but a difference in the intensity of the Sacred Fire that is drawn to accomplish the purpose of keeping Purity within the Activity of the home life of mankind. And that is why, with the Assistance of your Mighty Saint Germain, tonight We are placing throughout the Nation various Activities of the Sacred Fire to help protect the Purity in the home and to strengthen the Desire in the people for that Purity that is the sustaining Power of the Nation; for I assure you, when either the individual or the homes within any nation are contaminated and made impure, the nation dies and the civilization dies. And that is the intent back of this frightful desecration of the bodies of the children through inoculations. The whole thing is to desecrate and degrade and deprave individuals and the home life of the Nation, that it may not survive.

Since I wield the Power of the Sacred Fire unbelievable to the intellect of mankind, I have come tonight to establish more of that Sacred Fire in the desire world of the people of this Nation who love Purity, and to establish in the home life of the people once again the Sacred Fire of that Purity that will yet save the Nation.

VIOLET FLAME GROUP MEETINGS

OUR BELOVED ASCENDED MASTER, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.

LOVINGLY, “I AM,”
MRS. G.W. BALLARD
