ANGELS OF THE FLAMING CHRIST!

(alternate line)

Come! Purify all now!  
To Thee all here shall bow!  
Compel Eternal Peace!  
Compel all war to cease!

Ascended Hosts step through!  
All shall obey just You!  
Seal us in Thy Communion!  
Hold our Nation's Cosmic Union!

Come Now! And hold Command!  
Blaze Now! Around us stand!  
Fulfill through us Thy Plan!  
Come! Hold us by Thy Hand!

Compel God's Victory here!  
Protect all we hold dear!  
Come! Make our Pathway clear!  
Consume all hate and fear!

Protect us by Thy Might!  
Blaze Thy Love's Limitless Light!  
Hold our Victory Blazing Bright!  
Raise us to Thy Great Height!

ANGELS OF THE FLAMING CHRIST!

Thy Hearts' great Love reveal!

Make all Thy Presence feel!

We all before Thee kneel!

Thy Presence here! and Real!

It's the Day of a Thousand Suns!

For aeons of time It runs!

Speak Thy Love's Great Command!

Make all here understand!

“Beloved Almighty I AM”!

Protect and save our Land!

Thy Freedom is at hand!

“I AM”! in Thee! “I AM”!
