

I STAND IN THE GREAT GREAT SILENCE!

I STAND IN THE GREAT GREAT SILENCE!

(alternate line)

Alone with the God of Light!
Alone in God's Heavenly Light!
I feel all Its Power and Might!
Where all is Perfection Bright!

Its Peace is forever mine!
Where Love makes all things Divine!
And Legions of Angels come through!
Their Miracles and Victory come, too!

And all God's Perfection I see!
In my "I AM Presence"! all Free!
God's Infinite Power is there!
Send all God's Love everywhere!

I bring back Its Love to all here!
That Silence keeps my way all clear!
I purify all here each day!
Where Great Cosmic Beings hold sway!

Those Great Cosmic Beings help all!
As mankind to Their Hearts call!
All discord on Earth then does cease!
God's "Great I AM Presence" is Peace!

Where Life and Light are all One!
Its Love is the Great Central Sun!
Till Earth has become Its Love, too!
And all Cosmic Hosts step through!
