Lord Maha Chohan

say to you, you might consider Me the Guardian at the Gate of the Great Treasure House of God's Mighty Universe, God's Mighty Love, for that "Beloved I AM Presence," since It is the Giver of all Good, since It has Custodians in every Realm of Activity of Its Mighty Powers and Its Mighty Blessings, Its Mighty Manifestation, then I say to you, I would like to feel

that you are so at One with Me through Our Great Love for Perfection and Our Love to produce Perfection in this world, that I will be free to give you Unlimited Blessings and Wealth and Opulence to beautify the Earth, to purify it, to illumine all things, and to establish that which becomes the permanent manifestation in this world.

Then will you find yourselves automatically designing those things that have never been in this world before, and yet which will bring such joy because of their sheer beauty, that they will be a raising influence and will radiate a Raising Energy and Power of Light to all who behold them. And you will come to find that beauty is one of the Raising Activities of Our Love, and you could not have Perfection without it. We do not bring it forth to gratify any vanity or pride or anything of that sort, but just because beauty gives such happiness that you automatically love it. Now whether that beauty is within form and things, whether it is the beauty of your music, or whether it is the beauty of Nature, matters not. All beauty that pours forth a spiritual radiation is a Raising, Powerful Activity to all who behold it.
